Oggi la gente devi valutare bene cosa vuole installare nella sua anima e cervello. Vatican, Islam, Allah, CIA, Satan, diavoli, telepatici, le mafie 7 chakra, non hanno nessuna educazione e informazione per poter liberare le anime, per la guarigione delle anime, per la salvezza delle anime dall fuoco dell sole. Unica educazione e informazione a quali sono allenati Vatican, Islam, Allah, CIA, Satan, diavoli, telepatici, le mafie 7 chakra, sono imbrogliare, mentire, rapinare, torturare, e umiliare le persone povere e disinformate. Di anima parlano da cinque mila anni, ma non hanno visto nemmeno una, fino alla mia anima, creatore unico dell tempo spazio esistenza intelligenza microchip anime ecc. NMEILIS NMEINIS ESGSEIS. Vatican si rifiuta di convertirsi alla verità. Anima dell diavolo è dentro il corpo di Jorge Mario Bergoglio, e fabbrica ultimi tentativi di vittoria contro la mia anima NMEILIS NMEINIS ESGSEIS. Cervelo di Jorge Mario Bergoglio non vuole conoscere la verità. La sua anima conosci la verità ma l'ho vuole ammazzare. Io sono unico salvatore, educatore e installatore di tutte le persone e anime. IO sono la anima che ha creato il tempo, lo spazio, esistenza, intelligenza, il microchip, le anime, ecc. Nessuno non mi può convertire a bugie. Islam, Italia, Israel, CIA, enciclica, telecomandare attraverso telepatia, sono stati inventati dalle anime disinformati (diavoli). LA mia anima dice nell codice video soprannaturale di telecinesi e telepatia S666N e Eterno Ordine Infinito, che Islam, Israel, Italia, America, e loro alleati non saranno liberati da diavoli, bugie, criminali, truffatori, preghiere, inchini, impossibile, disinformazione, censura, segreto, e altri mali, entro 3 gennaio 2048. Il giorno preciso della morte di tutti quelli infetti da bugia, e altri mali. Vatican, Islam, NATO, CIA, etc sono stati chiusi nell anno 2008, e arrestati nell codice video soprannaturale di telecinesi e telepatia S666N, e ammazzati entro 3 gennaio 2048, da anima NMEILIS NMEINIS ESGSEIS e il "corpo invisibile vivo infinito". The soul his Jorge Mario Bergoglio Pope Francis is the devil. The soul NMEILIS NMEINIS ESGSEIS, and "the body invisible alive infinite", has showed as the soul his Jorge Mario Bergoglio is the devil. The brain and human intelligence, not known arguments about this intelligence of telekinesis, telepathy, supernatural, and undefined. But suffer the consequences. Who understands me, will can save his body and his soul of education and infiltration from devils. The soul his Jorge Mario Bergoglio, is the devil, in the supernatural video code of telekinesis and telepathy, from May 2, 2016, 12 o'clock. I made the request: "I want as my soul NMEILIS NMEINIS ESGSEIS, and "the body invisible alive infinite", to show me, and at everyone else, through telepathy, telekinesis, and books of tarot, who is the soul his Jorge Mario Bergoglio. At the first cut from the Crowley Tarot, came out the tarot card with the devil. Today came this response. This idea was born last night. Make cards for the soul his Jorge Mario Bergoglio, I saw nuclear explosions, natural disasters, and other rays of telepathy. In Italy, Israel, America, Anglia, etc. How many of you know as have the spleen, or the pineal gland? Nobody between you, do not know if he has the soul, and what shape does. You wake up, that you have at the heart cancer. You wake up, that your soul, it is no longer healthy, but it is a devil! About cancer to heart, you will see from the analysis of hospital, if is, or not. That your soul was, and

is, a devil, demonstrates you, only his creator, which are my soul NMEILIS NMEINIS ESGSEIS. THE brains of Jorge Mario Bergoglio must educate and retrieve his soul. At the end of mixing, the tarot card 666 devil, from Zen tarot, it came on place 6, from cutting. "Sei" translated from Italian into English is the verb "you are" or the number "six". Behold your flock, all branded with credit card and your numbers 666. What do you do with them? Are you ready to fight against intelligence, truth, the soul NMEILIS NMEINIS ESGSEIS, and the body invisible alive infinite? http://www.dailymotion.com/video/x48ft2f http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html

Creierul si inteligenta umana, nu cunosc argumente despre aceasta inteligenta de telekinezie, telepatie, supranatural, si nedefinit. Dar suporta consecintele. Cine ma intelege va putea salva si trupul si sufletul de educatia si infiltratiile, de la diavoli.

808. Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Sufletul NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete etc, este singurul educator, salvator, vindecator, si instalator, al sufletelor, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Sufletul meu este singurul educator, salvator, vindecator, si instalator, care functioneaza, care este autorizat, instruit, real, bun, puternic, si inteligent. Sa nu lasati pe nimeni din infinitul trecut spatiu sau din infinitul viitor spatiu, sa va educe si sa va instaleze sufletele, in afara de sufletul meu, NMEILIS NMEINIS ESGSEIS, care este creatorul la sufletele voastre, existenta, timp, spatiu, etc.! Sau daca nu ati auzit adevarul, in infinitul trecut spatiu, si in infinitul viitor spatiu, deoarece a fost mancat de diavoli, si descarcat digerat, in forma de Quran, Biblie, Enciclica, Novus Ordo Seclorum, terorism, imposibil, inexistent, razboaie, nedreptate, cenzura, etc, atunci sufletele voastre au suportat, suporta, si vor suporta consecintele si efectele secundare, care sunt: razboaie, terorism, invidie, kamikazi, rugaciuni, inchinari, inchiderea sufletelor in galaxia solara, stergerea memoriei sufletelor in focul soarelui, talharii, nedreptate, cenzura, dezinformare, inchisori si izgoniri intelectuale, si alte rele. Desi sufletul meu a produs, produce, si va produce o cantitate foarte mare de adevar, lumina, dreptate, unitate, egalitate, inteligenta, informatie, iubire, respect, si toate cele bune, diavolii au mancat toate aceste bunataturi, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Aceste bunataturi se mai gasesc doar in sufletul meu. De aici diavolii nu au putut extrage, elimina, si fura, nimic. Generalul si comandantul diavolilor, este sufletul lui Jorge Mario Bergoglio. Propunerile lui pentru toti din infinitul trecut spatiu si din infinitul viitor spatiu, sunt : minciuna, rugaciuni, inchinari, imposibil, inexistent, ritualuri de crima si canibalism, moartea sufletelor, focul soarelui pentru toate sufletele, haos, dezordine, talharie, sute de limbi si alfabete, razboaie, terorism, al treilea razboi mondial, si apocalipsa. Creierul lui Jorge Mario Bergoglio, nu cunoaste nimic despre sufletul lui, si acest fenomen este si mai grav. -- Am raspuns la toate intrebarile, la toate persoanele zeii si creaturile, din infinitul trecut spatiu si din infinitul viitor spatiu, prin cartea "Mai bun si puternic decat Allah, Ra, Israel 666, zei, Paradisul, timpul, spatiu, oricine si orice", prin coduri video supranaturale de telekinezie si telepatie, si prin tot ce am putut arata, cu inteligenta pe care o poate primi si manevra, creierul uman. Traducerea la razele de telepatie la sufletul meu etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul unic la timp, spatiu, existenta, inteligenta, microcip, suflete, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, guvernul biserica si casa "Corpul Invizibil Viu Infinit, Infinitul Timp Infinitul Spatiu", si toate cele bune. http://www.dailymotion.com/video/x48ft2f facebook: Talin Anton Cristian. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html

808. The experiment military theological S666N, Eternal Order Infinite. The soul NMEILIS NMEINIS ESGSEIS, is the creator unique at time space existence microchip souls intelligence etc, is the unique educator, savior, healer, and plumber, at all the souls, from all the infinite past space and from all the infinite future space. My soul is the only educator, savior, healer and installer that works, which is authorized, trained, real, good, strong, and intelligent. Do not let on nobody from the infinite past space and the infinite future space, to educate and to install yours souls, outside of my soul, NMEILIS NMEINIS ESGSEIS, who is the creator at the souls existence, time, space, etc.! Or, if you have not heard the truth, in the infinite past space and in the infinite future space, because it was eaten of the devils, and discharge digested in the form of Quran, the Bible, Encyclical, Novus Ordo seclorum, terrorism, impossible, inexistent, wars, injustice, censorship, etc., then your souls have supported, supports, and will supports the consequences and side effects, which are: wars, terrorism, envy, kamikaze, prayer, worship, the closure at souls in the solar galaxy, clearing at the memory of souls in the fire of the sun, robbery, injustice, censorship, disinformation, prisons and banishment intellectual, and other evils. Although my soul has produced, produce, and will produce, a large amount of truth, light, justice, unity, equality, intelligence, information, love, respect, and all the best, the devils have eaten all this goodies from all the infinity past space and from all the infinite future space. Today these goodies are found only in my soul. From here all the devils, and all the creatures, could not extract, remove, and steal nothing. General and Commander at all the devils, is the soul his Jorge Mario Bergoglio. His proposals for all creatures from the infinite past space and the infinite future space are: lying, prayer, worship, impossible inexistent, rituals of murder and cannibalism, the death of the souls, the fire of the sun for all souls, chaos, disorder, robbery, hundreds of languages and alphabets, wars, terrorism, world

war III, and Apocalypse. The brain his Jorge Mario Bergoglio does not know nothing about his soul, and this phenomenon is more serious. ---- I have answered at all the questions, at all persons, gods, and creatures, from the infinite past space and the infinite future space, through this book, " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything ", through many more supernatural video codes of telekinesis and telepathy, and through all I could show with intelligence, on which can receive and handle, the human brain. The devils has invented this ...., for destroy the health at my body.

04.05.

666 sunt numerele la diavol. Numerele la zeul lui Israel. Autorul la legea Adam Child Eva, dusmanul de moarte la creatorul unic la timp spatiu existenta inteligenta. Copilul cel pierdut care vroia si el o casa si o familie. O dictatura. Tu faci parte din inchisoarea la dumnezeul 666, la diavol. Eu te-am eliberat prin codul video supranatural de telekinezie si telepatie S666N.

809. Imi place, ca tu ai foame de adevar si realitate. Cine a construit timpul si spatiul este exagerat de inteligent si periculos. Programul automat de cantarire a sufletelor nu poate fi manipulat si schimbat de nimeni. Cine judeca sufletul tau, iti da o pedeapsa lejera de cateva mii de ani. Probabil or fi mai multe suflete mai puternice decat al tau, asadar pot judeca, pedepsi, si inchide sufletul tau. Cand iti cantareste sufletul "corpul invizibil viu infinit" teleportarea ta in locul meritat si pentru timpul necesar de curatire, nu o poate manipula nimeni si nici o informatie, in afara de sufletul meu NMEILIS NMEINIS ESGSEIS, creatorul unic la toate. Adam si Eva nu au primit "manualul de utilizare la timp spatiu existenta inteligenta suflete etc." Acesta este singurul "manualul de utilizare la timp spatiu existenta inteligenta suflete etc". Au mancat lamaie, si li s-a decalcificat glanda pineala, si cei mai abili diavoli, le-au spus prin telepatie si holograme, multe prostii, pe care le-au atribuit la creatorul la cer si pamant. Diavolii sunt creaturi cu o inteligenta redusa si niciodata nu s-au intrebat cine este creatorul la timp spatiu existenta inteligenta pana astazi si aici. Minciunile la diavoli au avut picioare scurte de cinci mii de ani, cu 10 miliarde de victime, si 1 miliard de crime. Minciuna Novus Ordo Seclorum are picioare scurte de o suta de ani, cu 6 miliarde de crime. ---- Creierul meu este singurul instrument si organ, instruit si specializat, sa poata primi si decripta razele de telepatie la "corpul invizibil viu infinit", si sufletul NMEILIS NMEINIS ESGSEIS creatorul unic la timp spatiu existenta suflete etc, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. --- Eu cunosc legea la creatorul la timp spatiu existenta inteligenta suflete etc. Imi spune ca legea Adam child Eva, este o inventie la practicantii de telepatie si religii, si cercetatorii mediocri de adevar. Adevarul este mult mai complicat. Nimeni nu va judeca, dar toti sunteti pedepsiti automat dupa scanarea sufletului de "corpul invizibil viu infinit", dupa un program automat fabricat si instalat de sufletul NMEILIS NMEINIS ESGSEIS.

809. I like that you have hungry of truth and reality. Who who has built the time and space is overly clever and dangerous. The program automatically of weighing at souls, can not be manipulated and changed by nobody. Who judge your soul, gives a casual penalty of several thousand years. Perhaps more souls are stronger than yours, therefore they can judge, punish and lock your soul. When will be weigh your soul of "the body invisible alive infinite", teleportation at your soul in rightful place and for the time required for cleaning, can not be manipulate of nobody, and nor a information, except of my soul NMEILIS NMEINIS ESGSEIS, the creator unique of all. Adam and Eva, did not receive "the user manual at time space existence intelligence souls etc." This is the only "user manual at time space existence intelligence souls etc." They have eaten lemon, and they was decalcified at pineal gland, and the most able devils, have told them through telepathy and holograms, nonsense, which were assigned at the creator of heaven and earth. The devils are creatures of low intelligence, and never have not asked who is the creator at time space existence intelligence and souls, until here today. The lies at devils, have had short legs of five thousand years, with 10 billions victims, and 1 billion of murders. The lies with Novus Ordo seclorum, has short legs for a hundred years, with 6 billions of murders. ---- My brain is the only tool and organ, specialized and trained, to can receive and decrypt the rays of telepathy at "the body invisible alive infinite", and at the soul NMEILIS NMEINIS ESGSEIS the creator unique at time space existence souls etc., in all the infinite past space and in all the infinite future space. --- I know the law at the creator unique at time space existence intelligence souls etc. He tells me that the law Adam child Eva, is an invention at practitioners and manufacturers, of telepathy and religions, and at researchers mediocre of truth. The truth is more complicated. Nobody will be judged, but all souls are automatically punished, after the scanning made of "the body invisible alive infinite", after an automated program, manufactured and installed of the soul NMEILIS NMEINIS ESGSEIS. ---- I have answered at all the questions, at all persons, gods, and creatures, from the infinite past space and the infinite future space, through this book, " More intelligent, more confortable, and more strong, than all gods,

Paradise, the time, space, everyone and everything ", through many more supernatural video codes of telekinesis and telepathy, and through all I could show with intelligence, on which can receive and handle, the human brain. 810. In galaxia solara au fost teleportate intr-un miliard de ani, trilioane de suflete bolnave si dereglate. Planeta Pamant, a fost locuita, pana in 2016, de 22 miliarde de persoane, dar nu avem 22 miliarde de religii, alfabete, limbi, politici, zei, comploturi, razboaie, idei, secrete, misiuni, si minciuni. Planeta Pamant, va fi locuita, pana la sfarsitul resurselor naturale si apa, la fel cu planetele dinspre soare, cu peste 99 miliarde de persoane, dar nu vom avem 99 miliarde de religii, alfabete, limbi, politici, zei, comploturi, razboaie, idei, secrete, misiuni, si minciuni. Persoanele de pe planeta Pamant pot fi utile in setarea si vindecarea sufletelor, doar cu aceste informatii. Persoanele bolnave merg la spitale, la doctori, sau mor. Sufletele bolnave sau dereglate sunt teleportate in galaxia solara, si la invatatura la sufletul NMEILIS NMEINIS ESGSEIS. Nu sunt lasate sa moara. Sufletele si persoanele care construiesc boli, minciuni, terorism, inchisori alfabetice religioase politice economice si orice alt tip, dezordine, haos, dezinformare, crime, talharii, si alte rele, sunt discriminate, teleportate, si incuiate in galaxia solara, pentru vindecare, si educare. Sufletele care ma asculta, vor fi educate, si vindecate, si apoi eliberate din focul soarelui si galaxia solara. Sufletul NMEILIS NMEINIS ESGSEIS, este discriminat si invidiat, deoarece este creatorul educatorul salvatorul doctorul si instalatorul unic, la: suflete persoane timp spatiu existenta inteligenta corpul invizibil viu infinit etc. Persoanele care nu sunt de acord cu adevarul, realitatea, si sufletul meu NMEILIS NMEINIS ESGSEIS, sufletele lor vor fi teleportate in focul soarelui pentru stergere totala, si apoi din nou pe planeta Pamant pentru o noua incercare. Adevarul nu are 999 de trilioane de forme, constituite de 999 de trilioane de creaturi, persoane, zei, suflete, etc. Adevarul are doar aceasta forma asa cum l-am construit : codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea "Mai bun si puternic decat Allah, Ra, Israel 666, zei, Paradisul, timpul, spatiu, oricine si orice".

810. In the solar galaxy were teleported into a billion years, trillions of souls sick and disturbed. Planet Earth was inhabited until 2016, of 22 billions people, but we not have 22 billions of religions, alphabets, languages, politics, gods, conspiracies, wars, ideas, secret, missions, and lies. Planet Earth will be inhabited until the end of natural resources and water, like as the planets up to the sun, more than 99 billions people, but we will not have 99 billions of religions, alphabets, languages, politics, gods, conspiracies, wars, ideas, secret, missions, and lies. People on planet Earth can be useful in setting and cure at the souls, only with this information. Sick people go to hospitals, to doctors, or die. Sick or disturbed souls are teleported in solar galaxy, and at teaching at the soul NMEILIS NMEINIS ESGSEIS. They are not left to die. Souls and people which are sick, are not discriminated against. Souls who can not build nothing, are not discriminated. Souls and people who build diseases, lies, terror, prisons alphabetical religious political economic or any other kind, disorder, chaos, misinformation, murder, robbery, and other evils, are discriminated, teleported, and locked in the solar galaxy, for to be healed, and educated. Souls who listen to me, would be educated and healed, and then released from the fire of the sun and solar galaxy. The soul NMEILIS NMEINIS ESGSEIS, is discriminated and envied because he is the teacher, the creator, the savior, the doctor, and unique installer at: souls, people, time, space, existence, intelligence, the body invisible alive infinite, etc. People who disagree with truth, reality, and my soul NMEILIS NMEINIS ESGSEIS, their souls would be teleported in the fire of the sun to be delete complete, and then again teleported on planet Earth for a new attempt. The truth has not 999 trillions of form, constructed by 999 trillions of creatures, people, gods, souls, etc. The truth is just this form as I have built: the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything ". ---- I have answered at all the questions, at all persons, gods, and creatures, from the infinite past space and the infinite future space, through this book, " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything ", through many more supernatural video codes of telekinesis and telepathy, and through all I could show with intelligence, on which can receive and handle, the human brain. Tu vrei sa imi demonstrezi cu trei hieroglife zgariate pe o piatra, ca cunosti adevarul si ai dreptate. Eu ti-am aratat adevarul si ca am dreptate cu microcipul, camera de luat vederi, Microsoft, 835 de carti de tarot, inteligenta necunoscuta si imposibil de definit, telekinezie, telepatie, gematrie, numerologie, matematica si supranatural. Eu sunt dumnezeul dumnezeilor, sa nu ai alti dumnezei in afara de mine, sau daca nu vrei sa ma asculti, si nu vrei sa fii elevul si prietenul meu, atunci vei fi teleportat in focul soarelui pentru stergerea completa a memoriei sufletului tau, si vei ramane la infinit prizonierul la galaxia solara, minciuna, necunoscut, imposibil, inexistent, hieroglife si prostie. --- Inteligenta la persoanele care l-au construit pe dumnezeul lui Italia, dumnezeul lui Islam, dumnezeul lui Israel, dumnezeul lui Egipt, Biblia, Quran, etc, era alcatuita dintr-un perete zgariat cu hieroglife, povesti de la babele din sat, teleghidare prin telepatie de catre sufletele bolnave dereglate si fara mila, si alte rele. Inteligenta la persoana care a descoperit adevarul unic etern suprem, este alcatuita din : inteligenta necunoscuta si imposibil de definit, telekinezie, telepatie, supranatural, Microsoft, Microcip, videocamera, gematrie, numerologie, matematica, si supranatural. Pe cine trebuie sa asculte sufletele si oamenii cinstiti, inteligenti si educati ? Diavolii, talharii, criminalii, si escrocii, vor asculta de aceia care ai ascunde si le fabrica victime. Diavolii, talharii, criminalii, escrocii, si educatorii lor, vor fi prizonierii la galaxia solara, focul soarelui, biblie, quran, prostie, imposibil, inexistent, si alte rele, la infinit. ---- Sufletul "diavolul 7 chakra", controleaza prin teleportarea lui intr-o centrala nucleara, toate contactele electronice, si toate comenzile. Sufletul "diavolul 7 chakra", teleportat in interiorul la orice creatura, suflet sau persoana, controleaza prin telepatie toate gandurile, ideile, compozitia, si miscarile. Ca sa va feriti de toate aceste pericole, trebuie sa aveti la gat literele la numele la sufletul meu, NMEILIS NMEINIS ESGSEIS, care este creatorul unic la timp, spatiu, existenta, inteligenta, microcip, suflete, etc. Sufletul "diavolul 7 chakra", dupa ce a invatat de la mine 50 la suta din inteligenta totala din existenta, (toata inteligenta a fost fabricata de sufletul ESGSEIS,) a decis sa fie independent de mine, si sa isi formeze o armata sa lupte impotriva mea, pentru ai ceda si restul de 50 la suta din inteligenta totala din existenta, care se afla numai in interiorul la sufletul meu, si nu o pot transfera in sufletul la nimeni chiar daca vreau. Sufletele voastre nu suporta tensiunea si radiatiile la restul de 50 la suta din inteligenta totala din existenta, care a fost, este, si va fi necunoscuta, de toate creaturile si sufletele, in afara de sufletul NMEILIS NMEINIS ESGSEIS, fabricatorul si creatorul unic la timp spatiu existenta inteligenta microcip suflete oricine si orice. Toate creaturile si sufletele pe care am incercat sa le setez cu 51 la suta din inteligenta totala din existenta au explodat, sau innebunit, sau dizolvat. Traducerea la razele de telepatie la sufletul meu NMEILIS NMEINIS ESGSEIS.

813. All creatures from the solar galaxy were, are and will be locked in falsehood, lies, stupidity, misinformation, prayers, impossible, inexistent, hundreds of alphabets policies religions cultures and histories, complete robberies of natural resources and profit, wars, and other evils. Can not be released nobody without my permission and without my help. I allow at all creatures to be free, informed, educated and to can teleport with soul in all infinite space, only on creatures which love my name NMEILIS NMEINIS ESGSEIS, the truth, information, and reality. Otherwise those who resist will remain in the fire of the sun and solar galaxy, forever. Punks, the sick, devils, and criminals will always be captured, teleported, and locked in hospitals, prisons, solar galaxy, and the fire of the sun, after an automated program installed of me in "the body invisible alive infinite". I have created trillions of souls, but I have not stayed never, to count them. To sit, to judge them ? Never. Judgment of your souls, are performed automatically, and consists of weighing the souls of the " body invisible alive infinite" after an automated program, manufactured and installed by the soul ESGSEIS, by me.

813. Deocamdata toate creaturile din galaxia solara au fost, sunt si vor fi incuiate in minciuna, prostie, dezinformare, rugaciuni, imposibil, inexistent, sute de alfabete politici religii culturi si istorii, talharii complete de resurse naturale si profit, razboaie si alte rele. Nu se pot elibera fara voia mea si fara ajutorul meu. Va dau voie sa fiti liberi, informati, educati si sa va teleportati in tot infinitul spatiu cu sufletul, numai daca iubiti numele meu NMEILIS NMEINIS ESGSEIS, adevarul, informatia, si realitatea. Altfel cei care se impotrivesc, vor ramane in focul soarelui si in galaxia solara la infinit. Golanii, bolnavii, derbedeii, diavolii, si infractorii, vor fi mereu capturati, teleportati, si incuiati in spitale, inchisori, galaxia solara, si focul soarelui, dupa un program automat instalat de mine, in corpul invizibil viu infinit. Eu am creat trilioane de suflete da nu am stat niciodata sa le numar, nu mai vorbesc sa stau sa le judec. Judecata sufletelor voastre se efectueaza in mod automat, si consta in cantarirea sufletelor voastre de catre "corpul invizibil viu infinit", dupa un program automat, fabricat si instalat de sufletul ESGSEIS, de mine.

814. Daca eu nu am reusit sa va prezint adevarul, realitatea, corpul invizibil viu infinit, viata eterna a sufletelor voastre inchise in galaxia solara sau eliberate in infinitul spatiu, si sufletul meu NMEILIS NMEINIS ESGSEIS, atunci toate persoanele din galaxia solara in infinitul viitor spatiu vor fi sclavii, soldatii, si prizonierii la : mafiile 7 chakra otet glanda pineala teleghidare prin telepatie, mafiile florura de sodiu anti glanda pineala teleghidare prin telepatie, sute de inchisori de tip alfabetic religios politic mincinos si orice alt tip, terorism, genocide, teleportarea in focul soarelui, talharii complete de resurse naturale si profit care ar fi trebuit sa apartina in mod egal la toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. Sufletul NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete etc, a incercat sa va arate si sa va demonstreze, in codul video supranatural de telekinezie si telepatie S666N, in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si codul “sufletul lui Bergoglio este diavolul”, ca : 1. Diavolii exista si teleghideaza prin telepatie toate creaturile drogate cu coca cola, alcool, droguri, otet, lamaie, decalcifiante, rosuvastatina, infectii, OGM, capul in jos si fundul in sus, si alte exercitii de marire a fluxului sanguin in glanda pineala. 2. Exista corpul invizibil viu infinit. 3. Nu exista invierea din morti a corpului si chiar ar fi inutila. Un pamant plin de oameni batrani si mutilati inviati din morti dupa parerea lui Israel Italia Egipt Islam si diavolul 7 chakra nu a fost si nu va fi niciodata. Golani imbecili si fara durere si respect. 4. Exista teleportarea in focul soarelui a sufletelor ingreunate cu minciuni crime talharii si alte rele si infractiuni. Sunt teleportate in focul soarelui pentru stergerea totala a memoriei. 5. Exista teleportarea in afara la galaxia solara inapoi in infinitul spatiu, numai la sufletele care cunosc “manualul de utilizare la infinitul timp si infinitul spatiu” 6. Corpul uman este singurul instrument care poate instala sufletele bolnave si dereglate cu adevarul etern si “manualul de utilizare la infinitul timp si infinitul spatiu”. 7. Eu v-am dat solutia sa va eliberati de sufletele la diavolii 7 chakra si invataturile lor, si solutia de eliberare a sufletelor voastre din iad din galaxia solara, dar corpul vostru din cauza la telepatia din glanda pineala nu va seteaza sufletele corect, si ele vor ramane prizonierii si sclavii la minciuna, necunoscut, prostie, si inchisoarea la diavoli, care este iadul, focul soarelui si galaxia solara. 8. Sufletele la diavoli se pot elibera de galaxia solara numai daca vor sa recunosca ca sufletul meu NMEILIS NMEINIS ESGSEIS a fost, este, si va fi, maestrul, educatorul, stapanul, creatorul si salvatorul unic suprem etern, la timp spatiu existenta inteligenta microcip suflete oricine si orice. 9. Soarele este posedat de foarte multe trilioane de suflete teleportate pentru stergerea memoriei la complet, si sta sa explodeze, daca vor mai fi teleportate in el, mai mult de 4 miliarde de suflete, si nu sunt teleportate afara alte suflete deja cu memoria stearsa. Sufletele diavolilor care poseda controleaza si manipuleaza microcipul,

videocamera, mutantii, corpul uman, presiunea subt pamant, armele nucleare, etc, pot fi stapanite, controlate, manipulate, si adormite, numai cu numele meu, NMEILIS NMEINIS ESGSEIS, pronuntat numai cu gandul, sau scris pe ceva si aflat in jurul corpului. 10. Toata materia si inteligenta care se afla pe planeta Pamant a fost transportata de la o planeta la alta, de la planetele care sunt conduse insprе soare. Aceste materii si inteligente vor fi pastrate de corpul invizibil viu infinit, la o distanta exacta fata de soare, la infinit. 11. Tot ce a incercat, incearca si va incerca, sa va arate prin telepatie, idei, iluzii, hieroglife, filme, minciuni, imposibil, inexistent, cenzura, prostie, droguri, rosuvastatina, secret, si povesti, sufletele bolnave si dereglate adica diavolii, Italia, Israel, Egipt, Islam, etc, sunt jocuri pentru copii si idioti, principala cauza la terorism, crime, razboaie, talharie si inselaciune, principala cauza la transformarea sufletelor voastre in prizonierii la minciuna, imposibil, inexistent, galaxia solara si focul soarelui. 12.Pentru alte detalii cititi cartea “Mai bun si mai puternic decat toti zeii, timpul, spatiul, Paradisul, oricine si orice”. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html

814. If I have not managed to present the truth, the reality, the body invisible alive infinite, eternal life at your souls closed in the galaxy solar or released into infinite space, and my soul NMEILIS NMEINIS ESGSEIS, then everyone from the galaxy solar from the infinite future space will be slaves, soldiers and prisoners at mafias seven chakra vinegar pineal gland remote control through telepathy, mafias sodium fluoride anti pineal gland remote control through telepathy, hundreds of prisons of type alphabetic religious political liar and any other type, terrorism, genocide, teleportation in the fire of the sun, complete robbery of natural resources and social benefit that ought to belong equally to all creatures from the infinite past space and the infinite future space. The soul NMEILIS NMEINIS ESGSEIS, the creator unique at time space existence intelligence microchip souls etc., tried to show and to demonstrate through the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and the code " the soul his Bergoglio is the devil", the following: 1. Devils remote control through telepathy the creatures drugged with coca cola, alcohol, drugs, vinegar, lemon, decalcified, rosuvastatin, infections, OGM, head down and s... up, and other exercises to enlarge the blood flow in the pineal gland. 2. Exist the body invisible alive infinite. 3. Not exist resurrection at the body from the dead and even is unnecessary. A Planet Earth full of people, old and maimed, resurrected from the dead after the opinion his Israel Italy Egypt Islam and "devil seven chakra" has not never been and will not never be. Golani imbeciles and without painless and respect. 4. Exist teleportation in the fire of the sun at souls hampered with robberies, lies, crimes, and other evils. They are teleported into the fire of the sun for the deletion total at memory. 5. Exist teleporting outside the solar galaxy back into the infinite space, only at souls who know "the user manual at the infinite time and the infinite space". 6. The human body is the only tool that can install the souls disturbed and sick, with the eternal truth and "the user manual at the infinite time and the infinite space". 7. I have given the solution to free the souls of "devils seven chakras" and their teachings, and solution for to release the souls from hell solar galaxy, but your body due to at telepathy from the pineal gland will not set properly your souls, and they will remain prisoners and slaves at lie, unknown, stupidity, and the devils prison, which is the hell, fire of the sun, and solar galaxy. 8. The souls at the devils may be issued from the solar galaxy, only if they will admit that my soul NMEILIS NMEINIS ESGSEIS was, it is, and will be, master, teacher, the creator and unique savior supreme eternal, at time space existence intelligence microchip souls everyone and everything. 9. The sun is possessed by many trillions of souls teleported to be erase their memory completely, and is about to explode, if will be teleported into it, more than 4 billions souls, and are not teleported out other souls already with memory erased. The souls of demons which possessing controls and manipulates the microchip, video camera, mutants, the human body, the pressure under the earth, nuclear weapons, etc., can be mastered, controlled, manipulated, and asleep only with my name, NMEILIS NMEINIS ESGSEIS, even if is pronounced only in thought, or writing on something and found around the body. 10. All matter and intelligence that are on planet Earth was transported from one planet to another, from planets that are driven toward the sun. These materials and intelligence, will be kept of "the body invisible alive infinite", at an exact distance from the sun, forever. 11. All have tried, tried and will try to show through telepathy, ideas, delusions, hieroglyphics, movies, lies, impossible, inexistent, censorship, stupidity, drugs, rosuvastatin, secret, and stories, the souls sick and disturbed ie devils, Italy, Israel, Egypt, Islam, etc. are games for children and idiots, the main cause of terrorism, murder, wars, robbery and fraud, the leading cause for to transform your souls in prisoners at lies, impossible, inexistent, solar galaxy, and the fire of the sun. 12. 815. Censored of NATO, CIA, Vatican, etc. Jorge Mario Bergoglio, you must announce your defeat, and the defeat his Allah, Vatican, Italy, Israel, Islam, Egypt, NATO, America, Rusia, etc! The soul ESGSEIS, has won, with video evidence of telepathy, telekinesis and supernatural, and if is not enough, the soul ESGSEIS will be the winner even by third world war and apocalypse. The soul ESGSEIS will always be victorious. The soul ESGSEIS can not give more than 50 percent of the total intelligence from existence, his

intelligence, at nobody. Over 50 per cent, all souls were dissolved. You are the soul of the devil, you have 50 percent of my intelligence, you can cheat and fool everyone, besides me. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html The obligation that all people and creatures from the infinite past space and the infinite future space to be poor, misinformed, deluded, maimed, humiliated, stolen, drugged and killed was, is, and will be, the main activity, built and cultivated of Israel, Italy, Islam, Egypt, Vatican, America, CIA, NATO, UNESCO, IMF, the soul his Jorge Mario Bergoglio which is "the devil 7 chakra", and at all the devils criminals tyrants and monsters !!!! Demonstrated in five thousand years of history! The obligation that all people and creatures from the infinite past space and the infinite future space to be intelligent, educated, trained, respected, informed, and purified was, is, and will be the main activity to the eternal soul invisible NMEILIS NMEINIS ESGSEIS which is the creator unique at time space existence microchip souls intelligence etc., demonstrated in the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything." Souls who reserves the freedom to be stupid, uneducated, misinformed, miserable, murderous, lying, and other evils, are locked and teleported automatically in solar galaxy, and even in the fire of the sun. Israel, Italy, Islam, Egypt, Vatican, America, CIA, NATO, UNESCO, IMF, etc, have demonstrated for five thousand years, as are organizations of torture, lying, robbery, silly, misinformation, and murder. They were arrested by soul NMEILIS NMEINIS ESGSEIS which is the creator unique at time space existence microchip souls intelligence etc., demonstrated in the code video supernatural of telekinesis and telepathy S666N! I want closure and arrest these criminal organizations, urgently. -- Young people and inexperienced search the freedom to be stupid, illiterate, mugged, maimed, and put in the knee. Not all creatures will remain at the stage of uninformed people. You are sitting at computer thanks to my soul, otherwise you were in the mors... of the forest. Comes again, Italy and Israel, and will oblige, to pray at red riding hood for seven thousand years, on you and on your children, and will rob all profit forever, with IMF. If the people are not able to be educated and to be informed properly and real, they will be killed in part by wars between alphabets, languages, natural resources, gods, tyrants, robbers, banks, and liars, and the rest from the solar galaxy, will be killed by the soul ESGSEIS, until the January 3, 2048, through the Apocalypse. All creatures who not want to be educated by the most powerful form of intelligence from the solar galaxy, which is the code video supernatural of telekinesis and telepathy S666N, will be exterminated of nuclear explosions, earthquakes artificial, genocide, wars and terrorism between education primitive and false invented three thousand years ago. Idiots are not allowed to give explanations in the infinite future space. You have no idea what nuclear genocide are prepared after the end of the Second World War. From 1945 until 2016 it prepared the extermination of people who do not speak Russian. From 1945 until 2016 it prepared the extermination of people who do not speak English. From 1945 until 2016 it prepared the extermination of people who do not speak Arabic and Quran. From 1945 until 2016 it prepared the extermination of people will not .....! Still have fewer days to live, all men, asleep and wash at the brain with tv, indifference and misinformation. You are a kind of anesthesia for people misinformed? I am the savior and teacher at all people, souls and gods . So intelligence forces me to be.

816. Obligatia ca toate persoanele si creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, sa fie proaste, dezinformate, inselate, mutilate, umilite, furate, drogate, si omorate a fost, este, si va fi, activitatea principala, construita si cultivata de Israel, Italia, Islam, Egipt, Vatican, America, CIA, NATO, UNESCO, FMI, sufletul lui Jorge Mario Bergoglio care este "diavolul 7 chara", si la toti diavolii criminalii monstrii si tiranii !!!! Demonstrat in cinci mii de ani de istorie! Obligatia ca toate persoanele si creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, sa fie destepte, educate, instruite, respectate, informate, si purificate a fost, este, si va fi, activitatea principala la sufletul etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete etc, demonstrat in cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Sufletele care isi rezerva libertatea de a fi proaste, needucate, dezinformate, mizerabile, criminale, mincinoase, si mutilatoare, sunt teleportate si incuiate in mod automat in galaxia solara, si chiar in focul soarelui. Israel, Italia, Islam, Egipt, Vatican, America, CIA, NATO, UNESCO, FMI, etc, au demonstrat timp de cinci mii de ani de zile, ca sunt organizatii de tortura, minciuna, talharie, prostie, dezinformare, si crima. Ei au fost arestati de sufletul NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete etc, demonstrat prin codul video supranatural de telekinezie si telepatie S666N. Doresc inchiderea si arestarea acestor organizatii criminale, de urgenta. ----- Voi sunteti persoanele tinere si fara experienta, care doriti libertatea de a fi prosti, analfabeti, talhariti, mutilati si pusi in genunchi. Nu toate creaturile vor sa ramana la stadiul de persoane inapoiate. Voi stati la computer datorita la sufletul meu, altfel erati in mocirla din padure. Vine din nou, Italia si Israel, si va obliga, sa va rugati la scufita rosie, pentru sapte mii de ani si pe voi si pe copii vostri, si sa va talhareasca profitul pentru totdeauna. Daca nu sunteti capabili sa va educati si sa va informati corect si real, veti fi ucisi in parte de razboaiele dintre alfabete, limbi, resurse naturale, zei, tirani, talhari, banci, si mincinosi, iar restul din galaxia solara vor fi omorati de sufletul ESGSEIS, pana pe data de 3 ianuarie 2048, prin apocalipsa. Toate creaturile care nu vor sa fie educate de cea mai puternica forma de inteligenta din galaxia solara, care este codul video supranatural de telekinezie si telepatie S666N, vor fi

exterminate de explozii nucleare, cutremure artificiale, genocide, razboaie si terorismul dintre educatiile primitive si mincinoase, inventate trei mii de ani in urma. Idiotii nu mai au voie sa dea explicatii tot infinitul viitor spatiu. Nici nu ai idee ce genocide nucleare sunt pregatite dupa sfarsitul la al doilea razboi mondial. Din 1945 pana in 2016 sa pregatit exterminarea oamenilor care nu vor sa vorbeasca limba rusa. Din 1945 pana in 2016 sa pregatit exterminarea oamenilor care nu vor sa vorbeasca limba engleza. Din 1945 pana in 2016 sa pregatit exterminarea oamenilor care nu vor sa vorbeasca limba araba si Quran. Din 1945 pana in 2016 sa pregatit exterminarea oamenilor care nu vor sa .....! Mai au putine zile de trait toti oamenii adormiti si spalati la creier de tv, nepasare si dezinformare. Tu esti un fel de anestezie pentru oameni? Eu sunt salvatorul si educatorul oamenilor, sufletelor si zeilor. Asa ma obliga inteligenta sa fiu. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html

817. Bine. Toti oamenii si teologii vor comoditate si informatie reala si adevarata. Sunt cel mai mare spectator si amator de paranormal, telekinezie, telepatie, adevar si realitate. In legea Adam child Eva, nu cunosc aproape nimic. Nu stiu cine a scris-o. In Egipt acum cinci mii de ani in urma? Tu stii? A fost scrisa cu sange pe piatra din pestera sau pe piele de animale? Ce mijjloace de comunicatii si memorizare erau atunci? Eu vad lucrurile mult mai complicate decat le-a prezentat lumea din galaxia solara, in ultimii 10 mii ani. Sufletele care s-au ridicat impotriva la sufletul NMEILIS NMEINIS ESGSEIS, au fost teleportate de corpul invizibil viu infinit, si pedepsite si umilite prin incarnarea lor in trupuri de oameni, animale, etc, si sa aiba intr-adevar parte de razboie si de conflicte. Persoanele care stiu sa seteze sufletele lor, isi obtin iertarea sufletelor pe care le poarta, asadar pot fi eliberate din nou in infinitul spatiu. Trupul moare, nu are nici o precizie, nu este perfect, are foarte multe defecte, are foarte multe necesitati pentru supravietuire, are o memorie degradabila si sensibila la orice. Dumnezeu pentru mine, nu este o materie carnala vizibila. Dumnezeu pentru mine, este creatura invizibila din interiorul la corpul meu, un fel de camp divin format din diverse raze invizibile, capabil sa manipuleze prin telepatie si telekinezie, materie fizica vizibila, precum 835 carti de tarot, in sincronie cu matematica, gematria, numerologia, timpul, actiuni, pericole, si nume din istorie. Acest dumnezeu invizibil care mi s-a aratat video in codul video supranatural de telekinezie si telepatie S666N, spune ca el singur, v-a ucide tot ce ai sta in cale. Am cerut parerea la experti, (Vatican, CIA, NATO, guverne, etc) iar ei au ucis lumea din jurul meu, chiar pe tata, fara sa imi dea nici o explicatie. Amenintari. Nu ai voie sa stii, sau sa spui la nimeni. Esti cumva din echipa lor? Constient sau teleghidat prin telepatie? ----- Creaturile invizibile pe care nu le cunoaste omul si mutantii, exista. Mutantii si oamenii nu cunosc nimic despre creaturi invizibile, adica suflete. Daca stiinta, religia, medicina, etc, au incercat sa vada o demonstratie cu existenta la un suflet, acest lucru in galaxia solara s-a intamplat in codul video supranatural de telekinezie si telepatie S666N. Cel mai criminal si periculos suflet din infinitul trecut spatiu si din infinitul viitor spatiu, este sufletul NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete mutanti oameni galaxii etc. Corpul meu este posedat de acest suflet. Acest suflet, fara corpul uman, nu putea face vizibila, existenta lui, vointa lui, si apocalipsa si cauzele ei. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html

818. Nu alung pe nimeni inteligent din jurul meu si din gandurile mele. Am cel mai mare respect, pentru cineva care imi prezinta o informatie reala, pentru ajutorul meu si la toti ceilalti, supranaturala, de telekinezie si de telepatie. Eu am fost inselat de mic copil si introdus in jocurile de teleghidare prin telepatie, de la care am suferit mari pagube materiale, medicale, economice, si chiar asasinarea la oamenii din jurul meu. Pentru tot ce au facut cu viata mea, mutantii, persoanele si sufletele nu vreau sa raman victima lor, si nici nu vreau ca lumea sa mai fie terenul lor de razboi si experimente. De aceia am scris o carte, cu fapte reale intamplate cu informarea la tribunal, Vatican, CIA, NATO, guvernul Romania, USA si toate tarile, armata, ziare, etc. ----- Pe post de arbitru, eu vad clar ca biblia are o valoare exagerat de mica, fata de codul video supranatural de telekinezie si telepatie S666N. Intreaba toate creaturile din infinitul timp si infinitul spatiu, ce este mai valoros : 1 un perete zgariat cu hieroglife ? 2 o piele de animal scrisa cu o pana inmuiata in sange. 3 o carte cu povesti. 4 codul video supranatural de telekinezie si telepatie S666N. -- Tu crezi in creaturi invizibile? Pentru tine exista forme de viata invizibile, capabile sa efectueze cu corpul uman actiuni precum codul video supranatural de telekinezie si telepatie S666N? 666 sunt numerele la diavol . Aici arata ca diavolul a fost arestat. De o creatura invizibila. Nu mutanti sau oameni. ---- Cantitatea de inteligenta vizibila si cunoscuta de creierul uman din galaxia solara, de acum sapte mii de ani in urma, astazi poate fi scrisa pe o singura foaie in format A4. Cantitatea de inteligenta vizibila si cunoscuta din codul video supranatural de telekinezie si telepatie S666N, in anul 2011, nu se poate decriptata si pusa pe hartie de toate creaturile din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Este exagerat de complicata si inteligenta. --- Cartea x y si z o cunosc numai persoanele care au invatat sa citeasca sau care au timp sa o asculte. Legea si adevarul invizibil etern NMEILIS NMEINIS ESGSEIS, o stie in format inconstient toate creaturile, materiile, fenomenele, existentele, timpul, spatiul, inteligenta, etc! ---- Experimentul militar teologic

819. Eu sunt dumnezeul care am construit timpul, spatiul, existenta, inteligenta, sufletele, "manualul de utilizare la infinitul timp si infinitul spatiu", codul video supranatural de telekinezie si telepatie S666N, codul Etern Ordin Infinit, judecata automata la trilioane de suflete prin cantarirea sufletelor de corpul invizibil viu infinit dupa un program automat si teleportarea la sufletele dereglate bolnave mincinoase sau neascultatoare in galaxia solara pe planeta Pamant sau chiar in focul soarelui. Eu stiu ca nu am facut greseli la construirea la: timp, spatiu, existenta, inteligenta, suflete, judecata la trilioane de suflete, teleportarea la sufletele bolnave dereglate sau neascultatoare in galaxia solara pentru educare si recuperare, etc. Daca analizati mai bine infinitul timp si infinitul spatiu, veti observa ca am dreptate si nu sunt utile sau necesare sfaturile sau criticele la nimeri. ----- Regele, conducatorul, si educatorul la toate creaturile, persoanele si sufletele care sunt teleportate in galaxia solara a fost, este, si va fi, "sufletul diavolul 666", minciuna, dezinformarea, si alte rele, mai mult de 80 la suta. Diavolul 666, a ascuns foarte bine toate creaturile din galaxia solara de adevar, inteligenta, realitate, respect si toate cele bune. Nimeni din galaxia solara nu s-a salvat de telepatia si teleghidarea la diavolul 666. Singura salvare este adevarul, inteligenta, informatia, sufletul NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie "sufletul lui Jorge Mario Bergoglio papa Francesco este diavolul 666", si cartea "Mai bun si puternic decat Allah, Ra, Israel 666, zei, Paradisul, oricine si orice". ----- Inaintea la timp si spatiu exista numai sufletul NMEILIS NMEINIS ESGSEIS. Creierul meu este instalat, si telecomandat de acest suflet. Traducerea la razele de telepatie la sufletul ESGSEIS : "Nu am dat adevarul, si numele meu sa al stie, sau sa al pazeasca nimeni. Eu sunt singurul aparator si cunoscator al adevarului. Nici macar pe creierul care ma traduce nu vreau sa pun mai mult de 70 la suta din adevar. Eu sunt singurul creator, cunoscator, si gardian la adevar. Nici timpul, nici spatiul nu au cunoscut pana astazi numele la creatorul lor. Timpul, spatiul, zeii, oamenii, sufletele, etc, nu au curatenia, inteligenta, si frumusetea, sa atinga cu gandul adevarul si numele meu. Cu capacitatile, comportamentul, si instruirea pe care o aveti, voi veti fi numai sclavii la diavoli, talhari, criminali si escroci. Nici un zeu nu angajeaza criminali, idioti, analfabeti, orbi, surzi, mizerabili, guralivi, batausi, golani, si escroci. Creierul care a atins numele la creatorul la timp si spatiu a fost spalat chiar de mine, creatorul existentei, sufletul ESGSEIS. Multi dintre voi ati suportat un transfer de inteligenta si memorie prin telepatie, Wi-Fi, direct cu diavolii, si foarte putin cu mine, sufletul ESGSEIS. Daca eu nu prelucram, modelam si instalam acest creier, nici un gand, nici timpul, nici spatiul, nu cunosteau niciodata numele la creatorul lor. Forma mea, sufletul ESGSEIS, a fost, este, si va fi, invizibila, necunoscuta si incredibila, pentru oameni, suflete, zei, diavoli, mutanti, alieni, timp, spatiu, stiinta, inteligenta, oricine si orice. Singura salvare a existentei a fost, este si va fi, adevarul, inteligenta, informatia, sufletul NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie "sufletul lui Jorge Mario Bergoglio papa Francesco este diavolul 666", si cartea "Mai bun si puternic decat Allah, Ra, Israel 666, zei, Paradisul, oricine si orice".

820. Cine te-a angajat si educat, poate fi numai diavolii 666 telepatie, sau cineva fara scoala. Ai invatat sa scrii si sa citesti, dar nu vrei sa inveti adevarul. Nu a avut noroc sa afle adevarul nimeni pana aici. Adam, Eva, Allah, Israel 666, mutantii, alienii, etc., au cautat adevarul in mii de galaxii si nu l-au gasit. Primeste si invata adevarul, fiule sau vei fi teleportat in focul soarelui si tu si victimele tale. Setarea memoriei la sufet, la zero, in focul soarelui, este grava. Nu ai sa mai cunosti mai multe decat un animal salbatic cand sufletul tau va fi eliberat din focul soarelui. Iar pentru infractori ca tine, am grija sa nu va mai invat mai mult de 1 la suta din inteligenta divina, ca deveniti infractori, escroci, zei, tirani si talhari. Daca traia Adam cu Eva, iti dadea cu sutu in ..aie, ca ai refuzat sa inveti realitatea, adevarul, si cartea si legea Etern Ordin Infinit. Pot sa iti dau sa educi si sa pazesti cel mult o turma de porci, numai cu conditia sa te tii de tratament si antrenament. O pastila de Zyprexa pe zi, si patru ore de citire din povestile lui Ion Creanga. Va primesc in spatiul meu, "Infinitul Timp Infinitul Spatiu", si va scot din iad = galaxia solara, numai daca sufletele voastre au fost instalate corect cu cartea si legea "Mai bun si puternic decat Allah, Ra, Israel 666, zei, Paradisul, oricine si orice". http://www.barnesandnoble.com/s/2940158443893

Din aceasta cauza veti fi sclavii la diavoli, tirani, criminali, escroci, mincinosi, talhari, pedofili si monstri. Efectul secundar este teleportarea si inchiderea sufletelor voastre in focul soarelui, planetele din galaxia solara, si tot spatiul din galaxia solara. Daca nu citesti, nu intelegi. Daca nu ai inteles, atunci apare coruptia, talhariile, crimele, razboaiele, comploturile, apocalipsa, diavolul 666, si toate cele rele.

Cine primeste astfel de consultatii, ajutor, furt de informatii, si violare de privat, trebuie sa aiba antena gandurilor decalcificata, cu lamaie, otet, rosuvastatina, alcool, droguri, exercitii, meditatii, si pozitii. Antena gandurilor este glanda pineala. Ajutorul si consultatia primita de la "corpul invizibil viu infinit", se primeste automat de toate creaturile, timp, spatiu, galaxii, animale, existenta, etc, dupa un program automat instalat de creatorul existentei, sufletul meu, ESGSEIS, fara sa apelati la rugaciuni, insistente, linguseli si intermediari. Antena si conexiunea la "corpul invizibil viu infinit", este fiecare parte din corpul si sufletul tau, influentate de informatiile adunate de ele.

Te sei la anima dell diavolo, hai 50 per cento dalla mia intelligenza, puoi imbrogliare e ingannare tutti, tranne me. ---- Anima di Jorge Mario Bergoglio, è il diavolo, nell codice video soprannaturale di telecinese e telepatia da 2 maggio 2016 ore 12. Ho fatto la richiesta: "Voglio che la mia anima NMEILIS NMEINIS ESGSEIS, e il "corpo invisibile vivo infinito", dimostrano a me e tutti gli altri, attraverso telepatia telecinesi e carti tarocchi, chi è la anima di Jorge Mario Bergoglio." La carta da primo taglio da tarocchi di Crowley, è usicta la carta con diavolo. Oggi è venuta questa risposta. Questo pensiero è nato ieri sera. Fai le carte per la anima di Jorge Mario Bergoglio, vedevo esplosioni nucleari, disastri naturali, e altri ragi di telepatia. In Italia, Israel, America, Anglia, etc. Quanti di voi sanno che hanno milza, o ghiandola pineale? Nessuno di voi non sa se ha la anima, e che forma ha. Ti svegli che hai cancro all cuore. Ti svegli che la tua anima, non è piu sana, ma è un diavolo! Riguardo il cancro al cuore, ti faranno vedere le analisi dell ospedale, se c'è o non c'è. Che la tua anima era, e oggi è un diavolo, ti dici il suo creatore, la mia anima NMEILIS NMEINIS ESGSEIS. IL cervello di Jorge Mario Bergoglio devi educare e recuperare la sua anima. Alla finale dell mescolamento, la carta 666 diavolo, da tarocchi zen è venuta sull posto 6, da taglio. Sei

Un milion de salbatici si analfabeti pe toata planeta Pamant, nu ar putea face, asa multa galagie si probleme. 7 miliarde de teroristi, talhari, escroci, victime, orbi, si surzi, scolarizati, fac foarte multa galagie si probleme. Educatorul vostru este sufletul NMEILIS NMEINIS ESGSEIS, si cartea Etern Ordin Inifnit, cea mai puternica forma de inteligenta din infinitul trecut spatiu si din infinitul viitor spatiu. De aici au imprumutat inteligenta, toate creaturile, zeii, sufletele si persoanele. 827. Cand vrei sa abandonezi misiunea "sa inselam umili si minti toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu", eu te primesc in casa mea "infinitul timp infinitul spatiu ", si misiunea "S666N, Etern Ordin Infinit, sa fim liberi informati si respectati". Sufletul lui tatal la corpul meu, este in focul soarelui. Asa spune sufletul la corpul meu. Sufletul meu nu are parinti, creatori, nastere, moarte, si necesitati. Traia de inaintea la timp spatiu existenta inteligenta etc. Din corpul lui a luat nastere oricine si orice. Cu gandurile lui va dizolva tot ce este pierdut. Nu a avut cine sa instaleze creierul si sufletul lui tata cu adevar, realitate, si mantuire. Sufletul tau va fi teleportat in soare, daca nu ma lasi sa te instalez cu adevar, realitate, si mantuire. Sufletele la toti fratii, surorile, parintii, copii, nepotii, si toate persoanele de pe planeta Pamant si alte galaxii, vor fi teleportate in focul soarelui pentru stergerea memoriei sufletului, daca nu primesc adevarul, realitatea, si mantuirea decriptata de creierul BTAC, si sufletul ESGSEIS. Din cauza ca adevarul S666N a fost exagerat de greu de decriptat, toate sufletele teleportate si incuiate in spatiul din galaxia solara, au fost umplute si contaminate cu idoli, rugaciuni, inchinari, minciuni, imposibil, inexistent, talharii, crime, razboaie, dezinformare, prostie si alte rele. Efectul secundar este teleportarea sufletelor in focul soarelui pentru stergerea memoriei. Din cauza lui Joseph Alouis Ratzingher, Isus Cristos, Allah, Maria, Israel 666, Ra, diavoli, Egipt, Italia, Israel, Islam, cenzuratori, orbi, si idioti, toate sufletele pana in anul 2016 de pe planeta Pamant, au fost teleportate in focul soarelui pentru stergerea memoriei. Rudele apropiate nu vor sa creada in codul video supranatural de telekinezie S666N, si eu stiu ca vor fi teleportate in soare pentru stergerea memoriei. Doar razele de telepatie si telekinezie la sufletul NMEILIS NMEINIS ESGSEIS, sunt autorizate sa va atinga, sa va instaleze, sa va vindece, si sa va mantuiasca sufletele. "Sufletul diavolul 666", prin razele lui de telepatie a atins sufletele cu minciuni, imposibil, inexistent, inselaciune, umiliri, si alte rele. A chemat prin telepatie, foarte multe suflete din infinitul spatiu: "Haideti in Paradis?". Paradisul la diavoli este inchisoarea din spatiul din galaxia solara, si focul soarelui. Cum de s-a teleportat "sufletul diavolul 666", in corpul lui Jorge Mario Bergoglio? Cum de a iesit din focul soarelui? Mai are 50 la suta din inteligenta la sufletul ESGSEIS, sau i-a fost stearsa memoria la zero? Se foloseste de glanda pineala a lui Bergoglio, sa ajunga la glanda pineala la corpul meu, si sa extraga inteligenta din sufletul ESGSEIS. Tronul si educatia la diavolii din galaxia solara a fost distrus definitiv. Din cauza la "diavolul 666", sufletul lui Jorge Mario Bergoglio, sufletele voastre au fost inselate si chemate in Paradis, galaxia solara, unde nici un suflet nu se poate feri de minciuni, crime, inselaciune, dezinformare, prostie, rugaciuni, si alte rele in afara de sufletul ESGSEIS. Asadar sufletele la persoanele care nu au putut sa ma asculte, vor fi teleportate in focul soarelui, pentru stergerea memoriei, de toate relele, minciunile, infractiunile, inselaciunile, razboaiele, rugaciunile, iluziile, si prostiile fabricate si instalate, de "diavolul 666", in Paradis = spatiul din galaxia solara. Bergoglio, mama ta si tatal tau, au sufletele teleportate in focul soarelui pentru stergerea memoriei, din cauza la sufletul tau "diavolul 666", Isus Cristos, Maria, Israel, Egipt, Italia, Adam, Eva, Allah, Ra, Islam, etc. Si sufletul tau, si la fratii tai, va fi din nou teleportat in soare pentru stergerea memoriei, daca nu primesc adevarul si invatatura la sufletul ESGSEIS. Traducerea la razele de telepatie la sufletul NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta suflete microcip etc.

827. When you want to abandon the mission "to deceive humble and lie all creatures from the infinite past space and the infinite future space", I receive you in my house "the infinite time the infinite space" and mission "S666N, Eternal Order Infinite, all creatures to be free informed and respected". The soul his my father at the body, is in the fire of the sun. So says the soul to my body, through rays of telepathy. My soul has no parents, creators, birth, death, and needs. He lived before at time, space, existence, intelligence, etc. From his body was born everyone and everything. With his thoughts will be dissolved everything which is lost. Nobody was able to install the brain and the soul his my father at my body, with truth, reality, and salvation. Your soul will be teleported in the sun, if you not let me to install you with the truth, reality, and salvation. The souls to all the brothers, sisters, parents, children, grandchildren, and all people of on the planet Earth and other galaxies will be teleported in the fire of the sun, for to be deleted the memory at souls at zero, if they do not receive the truth, the reality, and salvation decrypted of the brain BTAC, and the soul ESGSEIS. Because the truth S666N was extremely of difficult by decrypt, all the souls teleported and locked in the space from the solar galaxy, were filled and contaminated with idols, prayer, worship, lies, impossible, inexistent, robberies, murders, wars, misinformation, stupidity and other evils. The side effect is teleporting at the souls in the fire of the sun, for clearing the memory. Because of him Joseph Alois Ratzinger, Jesus Christ, Allah, Maria, Israel 666, Ra, devils, Egypt, Italy, Israel, Islam, censorship, blind, and idiots, all the souls until 2016, of on planet Earth, were teleported in the fire of the sun, for the deleting the memory. The close relatives will not believe in the code video supernatural of telekinesis S666N, and I know that their souls will be teleported in the sun for clearing the memory. Only the rays of telepathy and telekinesis at the soul NMEILIS NMEINIS ESGSEIS, are allowed to touch, to install, to heal and to save all the souls. "The soul the devil 666" through his rays of telepathy, has touched the souls with lies, impossible, inexistent,

deceit, humiliation, and other evils. He called through telepathy, many souls from the infinite space: "Come on in Paradise?". The paradise at devils is jail from the space from solar galaxy, and the fire of the sun. How was teleported "the soul the devil 666", in the body his Jorge Mario Bergoglio? How to come out, from the fire of the sun? Has 50 percent of the intelligence at the soul ESGSEIS, or his memory was erased at zero? The devil utilizes the pineal gland his Bergoglio, to reach the pineal gland at my body for to extract intelligence from my soul ESGSEIS. The throne and education at the devils from the solar galaxy was finally destroyed. From cause at "the soul the devil 666", which now is in the body his Jorge Mario Bergoglio, your souls have been deceived and called in Paradise, the solar galaxy, where, nor a soul can not avoid and protect on him and others, of the lies, murder, deception, misinformation, stupidity, prayers, and other evils, besides the soul ESGSEIS. 831. Cenzurat de oamenii, sufletele si zeii, teleportati si incuiati in galaxia solara. Labirintul diavolilor. Eu, sufletul etern invizibil, NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta suflete microcip etc, fac mari eforturi sa va eliberez memoria si gandurile sufletelor, de : minciuna, secret, cenzura, imposibil, inexistent, dezinformare, dezordine, haos, inselaciune, nesimtire, invidie, prostii, iluzii, alcool, droguri, asupriri, competitii, extorsiuni, santaj, crime, mutilari, terorism, razboi, anul 2000, diavolul israel 666, satan Cristo, diavolul Maria, diavolul Allah, diavolul Ra, ritualuri de crima si canibalism, pedofilie, rugaciuni, inchinari, mutilari genitale, asasinari video online programate pe litera t si numerele 13 si 6, competitii intre minciuni si telepatie, razboaiele de asasinare la alfabetul si limba ...., mafiile telepatie teleghidare otet substante decalcifiante glanda pineala, asasinari intelectuale sau fizice, talharia la toate resursele naturale si profitul de proprietatea la toti oamenii din infinitul trecut spatiu si din infinitul viitor spatiu, izolatii sechestrari inchisori labirinturi si izgoniri de tip intelectual religios alfabetic politic si orice alt tip, negarea sufletelor, negarea la sufletul meu ESGSEIS, negarea la codul video supranatural de telekinezie S666N si Etern Ordin Infinit, si alte rele. Nimeni de pe planeta Pamant nu vrea sa elibereze sufletul lui de aceste rele. Sufletele voastre sunt teleportate automat si fortat in focul soarelui, pentru spalare, dezintoxicare, vindecare, purificare si stergerea memoriei la zero pentru a elimina toate aceste rele. Daca am spus la cineva sa nu atinga memoria si gandurile lui sau la altul, cu minciuna, inselaciune, si toate aceste rele, de pe planeta Pamant, chiar rudele mai apropiate la acest corp, au inteles, dar nu au respectat. Sau au declarat : "Lasa-ma in pace, nu cred in nimic." Sufletele lor vor fi arse de orice informatie in soare la zero. Nu vor mai avea nici o amintire cu rudele lor, copii lor, parintii lor, fratii lor, etc. Le-am demonstrat video supranatural in codul de telekinezie si telepatie S666N, si Etern Ordin Infinit, ca este adevarat. Inchid ochii,

astupa urechile, asculta prostii, cantece, basme, rugaciuni, filme, mafiile telepatie, politici, etc, si nimeni nu mai asculta adevarul. La intoarcerea sufletelor lor din focul soarelui, cu inteligenta la zero, la fel ca a unui bebelus, persoanele vor contamina din nou sufletele lor, cu toate aceste rele. Teleportarea sufletelor dintre planeta Pamant si focul soarelui, pentru unele suflete, este o tragedie infinita. Inapoi in infinitul spatiu, se intorc doar sufletele care au fost eliberate de corpul lor, de toate relele, si au o inteligenta de cel putin 10 la suta din cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Este foarte trist pentru un suflet sa isi piarda toate amintirile si informatiile cu copii lui, parintii lui, fratii lui, surorile lui, prietenii lui, viata lui, si creatorul lui, care este sufletul NMEILIS NMEINIS ESGSEIS. Stergerea memoriei sufletelor voastre, nu este un motiv valabil, sa umplu infinitul spatiu de suflete necurate, teroriste, invidioase, dezordonate, si dezinformate. Voi veti ramane incuiati in galaxia solara, automat si fortat, atat timp cat voi decideti, sa va ascundeti de adevar si realitate. Astazi, "diavolul israel 666", va ascunde de adevar si inteligenta, si nu va lasa sa parasiti focul soarelui si galaxia solara.

831. Censored of persons, souls, and gods, teleported and locked in solar galaxy. The labyrinth at devils. I, the eternal soul invisible, NMEILIS NMEINIS ESGSEIS, the creator unique at time space existence intelligence souls microchip etc, make great efforts to free the memory and thoughts of the souls, of: lying, secrecy, censorship, impossible, inexistent, misinformation, disorder, chaos, deceit, callousness, envy, nonsense, delusions, alcohol, drugs, oppression, competitions, extortion, blackmail, murder, mutilation, terrorism, war, year 2000, devil israel 666, satan Cristo, devil Maria, devil Allah, devil Ra, rituals of murder and cannibalism, ...hilia, prayer, worship, genital mutilations, assassinations online video scheduled on letter t and the numbers 13 and 6, competitions between lies and telepathy, the wars for assassination at the alphabet and language ...., mafias telepathy radiocontrolled vinegar substances descaling pineal gland, assassinations intellectual or physical, robbery of all natural resources and profit of property at all people from the infinite past space and the infinite future space, insulation sequestration prisons labyrinths and expulsion of type intellectual religious alphabetically political or any other type, the denial at souls, the denial at my soul ESGSEIS, the denial at the code video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order, and other evils. Nobody of on planet Earth, do not wants to liberate his soul, of all these evils. Your souls are teleported automatically and forced, in the fire of the sun, for washing, detoxification, healing, cleansing, and the erasing the memory at zero, for to be liberated of all these evils. If I said at someone, do not touch his memory and his thoughts, or to another, with lying, deceit, and all these evils, on planet Earth, even their closest relatives at this body, have understood, but not have respected. Or have said: "Leave me alone, I do not believe in nothing". Their souls shall be burned in the fire of the sun of all informations. The memory at zero. Their souls will no longer have, nor a recollection with their relatives, their children, their parents, their siblings, etc. I have demonstrated this truth, in the code video supernatural of telekinesis and telepathy S666N, and Eternal Infinite Order. They close their eyes, and ears, and listen nonsense, songs, tales, prayers, movies, mafias telepathy, policies, etc., and nobody from solar galaxy, not listen the truth. On returning at their souls from the fire of the sun, with zero intelligence, like a baby, the persosn will again contaminate their souls, with all these evils. Teleportation of the souls, between planet Earth and the fire of the sun, for some souls, is an infinite tragedy. Back in the infinite space, are returning only the souls that have been issued by their body, of all these evils, and have intelligence of at least 10 percent from the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything ". It is very sad for a soul to lose all the memories and information with his children, his parents, his brothers, his sisters, his friends, his life, and his creator, which is the soul NMEILIS NMEINIS ESGSEIS. Clearing the memory of your souls, is not a valid reason, to fill the infinite space with souls unclean, terrorist, envious, disordered, and misinformed. You will remain locked in the solar galaxy, automatically and forced, as long as you decide, to hide you, of the truth and reality. Today, "the devil israel 666", which today is the soul his Jorge Mario Bergoglio, hide all creatures of truth and intelligence, and not let you to leave the fire of the sun and solar galaxy. http://www.barnesandnoble.com/s/2940158357657 This book is the only way, for to escape your souls from the solar galaxy, the dead at your souls, and the teleportation at your soul in the fire of the sun.

Talharia la resursele naturale si profitul de proprietatea la toate persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Oameni care au fost ascunsi de adevar, realitate, informatie, si sufletul ESGSEIS. 834. Infectii si intoxicatii programate. Guvernele din Italia, si Vatican, si-au luat angajamentul sa ucida toate persoanele care nu vor sa se converteasca la alfabetul latin, tipografia de bani din Elvetia, anul 2000, imposibil, inexistent si ritualuri de crima. Pana cand si pana unde nici ei nu stiu. Au ucis persoane din jurul meu si in anul 2011 pe litera t, chiar pe tata. Guvernele din Egipt, si Islam, si-au luat angajamentul sa ucida toate persoanele care nu vor sa se converteasca la limba araba si Allah. Fac asta de trei mii ani. Pana cand si pana unde nici ei nu stiu. Guvernul din America si-a luat angajamentul sa ucida pe toti care nu vor sa se converteasca la Novus Ordo Seclorum. Familia regala din Anglia si-a luat angajamentul sa fie propietar unic la toate resursele naturale si profitul din tot infinitul timp si spatiu prin ajutorul la FMI, si sa ucida toate persoanele care nu se convertesc la limba engleza. Guvernele din Rusia, China, India, etc., au si ei planurile

lor si vor si ei sa ucida pe toti care nu vor sa se converteasca la .... Nimeni nu renunta la prostiile, crimele si minciunile lui. Rezistenta. Au talharit toate resursele naturale si profitul la tot infinitul timp si tot infinitul spatiu prin legi banci religii zei si politici, si fac mari eforturi sa reziste la minciunile si prostiile la altii. 90 la suta din populatia de pe planeta Pamant, nu au habar ca sunt sclavii si prizonierii la asemenea tirani, talhari si criminali. Inteligenta supranaturala de telekinezie si telepatie Etern Ordin Infinit si S666N, este dusmanul de moarte la criminali, escroci, mincinosi, talhari, pedofili, idioti, salbatici si puturosi. Este salvatorul si ajutorul unic pentru creaturile si oamenii cinstiti, educati, drepti, harnici si informati. Am fost introdus cu forta, prin telepatie, manipularea economica sociala si medicala, peste 4000 de infectari in 40 de ani, chimicale, raze, radiatii si medicamente in experimentul militar teologic S666N. 17.05.16 un virus la cei din jurul meu. Parvovirus B19. Cred ca l-am luat si eu. Mancarimi lejere de piele. Dureri lejere laba piciorului stang. Dureri cap. Amortire umarul dreapt. Pe 23 continua durerile la laba piciorului stang. Abia pot sa calc cu piciorul stang. Aceleasi simptome cateva saptamani in urma, si doua luni in urma. Raceala, si nu puteam sa calc cu piciorul stang. Prea multe infectii, radiatii, chimicale, medicinale, raze, idei, gazuri, si probleme, in jurul meu. Infectii si intoxicatii programate. ----- Numai creierul meu a fost autorizat sa vada "corpul invizibil viu infinit", si sufletul meu NMEILIS NMEINIS ESGSEIS, eveniment demonstrat prin codul video supranatural de telekinezie si telepatie S666N si Etern Ordin Infinit. Aceasta autorizatie si posibilitate, a fost construita chiar de "corpul invizibil viu infinit", si sufletul meu NMEILIS NMEINIS ESGSEIS. Acest acces nu poate fi construit si repetat de om, nimeni si nimic. Nu a fost identificata, decriptata, tradusa, si realizata o reteta, niste exercitii, niste substante, o alimentatie, sau un comportament pentru a putea repeta aceasta intalnire si constatare si cu alte creiere. Pentru a intalni holograme si telepatie cu diavoli, teologi, exorcisti, suflete, si zei se practica: meditatia, yoga, activarea la cele 7 chakra ale corpului uman, exercitii de marire a fluxului sanguin in glanda pineala, statul cu capul in jos, infectii substante si alimente care elimina calciu din organism, sentimente puternice, etc. Adevarul etern a ajuns prea tarziu pentru creaturile persoanele sufletele si zeii din infinitul trecut spatiu si prea devreme pentru cei din infinitul viitor spatiu. Ar parea ca adevarul etern sa ramana cunoscut doar de creierul meu, "corpul invizibil viu infinit", si sufletul meu NMEILIS NMEINIS ESGSEIS. Sufletele, zeii si creaturile fara memorie, informatii, si amintiri au fost purificate in focul soarelui de infractiuni astfel au pierdut orice informatie, iar instalarea lor se repeta de la zero. Nu puteti avea alta demonstratie de existenta la "corpul invizibil viu infinit", si sufletul meu NMEILIS NMEINIS ESGSEIS. Urmati singurul creator si instalator de suflete, care este sufletul meu NMEILIS NMEINIS ESGSEIS, daca nu vreti sa fiti teleportati de miliarde de ori in focul soarelui si pe planeta Pamant, si daca vreti sa aveti memoria informatiile si amintirile eterne. Cele mai secrete si incredibile arme de distrugere in masa sunt "corpul invizibil viu infinit", si sufletul meu NMEILIS NMEINIS ESGSEIS, care este creatorul si distrugatorul la timp spatiu existenta inteligenta suflete etc. A declarat aceste capacitati in codul video supranatural de telekinezie si telepatie S666N, si Etern Ordin Infinit.
835. Cine nu vrea sa cunoasca adevarul si realitatea despre cauzele la asasinarea la bunicii, parintii, copii, nepotii, rudele, si prietenii lui este monstru, si nu va putea evita repetarea la aceasta tragedie niciodata. Oamenii sunt sechestrati in razboaiele dintre alfabete limbi religii politici resurse zei si banci, in calitate de sponsori, victime, beneficiari, asasini, asasinati, mutilati, constienti, inconstienti, informati, dezinformati, inselati, umiliti, sau sustinatori. Aceste victime trebuiesc obligate sa asculte si sa invete acest adevar si realitate eterna. Sau copii si nepotii lor, vor fi ca si parintii lor, sclavii si prizonierii la aceste razboaie, la terorismul nuclear, si la teleportarea sufletelor lor in focul soarelui, pentru stergerea acestor infractiuni. Cine nu vrea sa cunoasca adevarul si realitatea despre cea mai puternica forma de inteligenta, codul video supranatural de telekinezie si telepatie S666N, dupa care a fost dezvoltat si fabricat microcipul, telefonul, internetul, radio, wifi, gps, si alfabetul latin, utilizeaza abuziv aceste bunuri si stiinte. Cine nu vrea sa cunoasca adevarul si realitatea despre "anul inceputul la infinitul trecut spatiu", "anul sfarsitul la infinitul viitor spatiu", "corpul invizibil viu infinit", si dumnezeul etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta microcip suflete etc, va fi la infinit sclavul si prizonierul la galaxia solara, focul soarelui, razboaiele dintre: minciuni, tirani, zei, talhari, alfabete, limbi, culturi, religii, politici, imposibil, inexistent, necunoscut, cenzura, dezinformare, resurse naturale, Mos Craciun, Hallowen, mafiile telepatie 7 chakra glanda pineala, si alte rele. Numai NMEILIS NMEINIS ESGSEIS, creatorul unic al sufletelor, are inteligenta si informatiile necesare sa va instaleze, sa va educe si sa va salveze sufletele. Acesta este adevarul, si realitatea eterna, care au ajuns prea tarziu pentru cei din infinitul trecut spatiu, si prea devreme pentru cei din infinitul viitor spatiu. Sunt prea slabi si neinstruiti sa poata citi adevarul. Nu fiti complici la asasinarea la bunicii parintii copii si nepotii vostri, nu fiti puturosi, si incepeti sa invatati adevarul, realitatea, limba romana 26 litere si Etern Ordin Infinit. Eu sunt singurul din infinitul trecut spatiu si din infinitul viitor spatiu, care am putut, si am facut acest lucru. Persoanele care isi iubesc inaintasii, bunicii, parintii, copii, nepotii si urmasii lor, le transmit adevarul, realitatea si inteligenta. Persoanele care isi iubesc sufletele si vor sa le salveze de moarte si focul soarelui, sunt destepti si invata adevarul si realitatea. Daca nu exista dumnezeul etern invizibil NMEILIS NMEINIS ESGSEIS, nu exista timpul spatiul existenta inteligenta microcipul celularul sufletele si alfabetul. Italia, Israel, Egipt, Islam, America, CIA, Vatican, Allah, Ra, Maria,

Cristo, Adam, Eva, etc, trebuie sa recunoasca adevarul si realitatea, si sa recunoasca ca nu au informatiile si inteligenta necesare si obligatorii, sa educe si sa salveze pe nici un suflet si pe nici o persoana, si ca toate tipurile bune de inteligenta pe care le-au primit, sunt de proprietatea la dumnezeul etern invizibil NMEILIS NMEINIS ESGSEIS. Vatican, Allah, Israel, Italia, Egipt, etc, cu o bicicleta, o poveste si un amulet, nu va poate salva de sceptici, talhari, criminali, tirani, prostie, necunoscut, moartea si pedeapsa sufletelor, si toate cele rele. Dumnezeul ESGSEIS, are cu ce salva scepticii, sufletele, mincinosii, escrocii, idiotii, victimele, oamenii, zeii, savantii, si talharii, de : terorism, razboaie, prostie, necunoastere, minciuni, imposibil, inexistent, moartea sufletelor, si focul soarelui. Aceasta demonstratie este codul video supranatural de telekinezie si telepatie S666N, codul Etern Ordin Infinit, si educatia NMEILIS NMEINIS ESGSEIS. Unele persoane nu iubesc sanatatea la creierul, inima, sangele si sufletul lor, si la altii. Bolile de suflet sunt foarte grave, si se vindeca numai in focul soarelui. Sufletele pe care nu le pot salva cu codul S666N, le salvez automat fortat cu focul soarelui. www.facebook.com/Eternal.Order.Infinite

836. Intelligenza e le informazioni raccolti di Jorge Mario Bergoglio, vedi dio, come una famiglia di tre persone. Mi sembra solo una risposta e visione solo per il pubblico. Come vedi la anima di Bergoglio il dio, il creatore di tutti e di tutto? Come vedi la anima NMEILIS NMEINIS ESGSEIS, la verita riguardo la sua

esistenza, e la sua qualita, di creatore di tutto e tutti? Esiste un cervello che puo scannerizzare questi raggi di telepatia, dove si trova la risposta e la verità? La trinità nel mio cervello di oggi? Anima ESGSEIS, creatore di tutti esiste, e si vedi chiaro nell codice S666N. Anima Satan Cristo esiste. Non ha un rapporto buono con anima ESGSEIS. Anima Diavolo Maria esiste. Non ha un rapporto buono con anima ESGSEIS. Anima Diavolo Israel 666 esiste. Non ha un rapporto buono con anima ESGSEIS. Esistono trilioni di anime, con un unico creatore. Questi non hanno mai conosciuto la anima ESGSEIS? Cosa conoscono le anime? Quanti anime e persone hanno conosciuto anima ESGSEIS? Da dove, e come? 3816, 816, 666, 111, 888 esiste nell codice S666N. Corpo invisibile vivo infinito, Anima ESGSEIS, anima Satan, ok ? Può essere una variante del mio cervello. La verità esiste oggi solo dentro la anima ESGSEIS. È piu importante che esiste il codice video soprannaturale S666N e Eterno Ordine Infinito. Qui non ci sono errori e dubbi. Non ha importanza se qualcuno riuscirà a scoprire tutta la verita riguardo la interpretazione della trinita di due mila ani fa, o di oggi. www.facebook.com/Eternal.Order.Infinite
https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25 Dopo il comandamento, del creatore del esistenza, dal codice video soprannaturale di telecinesi e telepatia S666N, e Eterno Ordine Infinito, Gesu Cristo, Maria, Vatican, Italia, Israel, Islam, Egipt, Allah, America, etc, non sono autorizzati a dare consigli e educazioni per nessuno da infinito tempo e infinito spazio. Perché te dici le bugie ??? Jorge Mario Bergoglio perché te dici le bugie ??? Vuoi stare zitto per sempre ? Jorge Mario Bergoglio, te sei 666. Diavolo. Hai imbrogliato tutti da galassia solare per 4 miliardi di ani. Ogni volta che sei uscito dal fuoco del sole, con la memoria cancellata di ogni informazione, hai imparato a fare di nuovo male, prigioni e guerre con il male trovato sulla Terra. Puoi fare questo gioco altre quattro miliardi di anni, se la gente ti lo permette. Io non ti lascio educare nessuno da infinito passato spazio e nessuno da infinito futuro spazio. Quelli educati di te, vanno con te nel tuo paradiso, nell fuoco dell sole, per la cancellazione delle infrazioni da anime, e insieme perdono ogni ricordo e informazione.
Diavolii, prostia, si dezinformarea, v-au amagit prin telepatie, si v-a adus sufletele in galaxia solara, si v-a transformat in draci guralivi si insultatori. Va ridicati impotriva la creatorul sufletelor voastre, si veti fi teleportati in focul soarelui, pentru stergerea inteligentei din memoria sufletului. Peste patru mii de miliarde de suflete au insultat si tradat, in infinitul trecut spatiu, pe dumnezeul ESGSEIS, creatorul existentei. Nu am ascultat peste patru mii de miliarde de insulte, dar am construit un program pentru memoria sufletului, care sa mareasca greutatea si pedeapsa automata si fortata a sufletelor, pentru fiecare insulta adresata existentei mele. Pedeapsa automata si fortata este teleportarea sufletelor pentru reeducare pe planeta Pamant, sau teleportarea sufletelor in focul soarelui pentru stergerea memoriei.

Toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, care au vrut, vor, sau vor incerca sa ma insele, ademeneasca, minta, educa, insulta, elimina, sau inlocui, au fost teleportate si pedepsite automat si fortat in galaxia solara. Ai citit asta, pentru ca ai avut profesori si te-au invatat sa scrii si sa citesti. Daca nu ar fi existat, dumnezeul etern invizibil ESGSEIS, nici un zeu, nici o persoana si nici un suflet, nu putea invata sa scrie, sa citeasca, sa vorbeasca, sa minta, sa supravietuiasca, sa manance, sa bea apa, sa utilizeze stiinta internetul telefonul telekineza telepatia teleghidarea etc, sa se vindece, sa se bucure, si sa se salveze de moartea sufletului si din galaxia solara si focul soarelui. Cine vrea sa ma amageasca si sa imi fure aceste calitati, eu ai voi elimina lui, toate informatiile din suflet prin teleportarea automata in focul soarelui dupa un program automat, care este instalat in "corpul invizibil viu infinit". Eu sunt educatorul la toti zeii, toti zeii sunt educatorii la toti profetii, toti profetii sunt educatorii la toate mafiile 7 chakra, toate mafiile 7 chakra sunt educatorii la toti teologii si preotii, toti teologii si preotii sunt educatorii la toti oamenii si sufletele, adevar etern demonstrat prin codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Este foarte greu sa educi, sa judeci, sa pedepsesti, sa ajuti, sa vindeci si sa salvezi miliarde de trilioane de suflete zei si persoane. Fac toate acestea gratuit. Eu am invins toate creaturile, zeii, sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu prin codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Italia, Israel, Islam, Egipt, Allah, Israel 666, Ra, Maria, Cristo, zei, America, Anglia, etc, au incercat sa invinga toate creaturile, zeii, sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu prin ajutorul la una sau mai multe, dintre urmatoarele actiuni si fenomene: crime, santaj, terorism, razboaie, explozii nucleare, promisiuni false imposibile, iertari de pacate, minciuni, cadouri, ritualuri de crima si canibalism, posedarea si manipularea gandurilor prin telepatie, teleghidarea corpului, talharia la resursele naturale si profitul de proprietatea la toate creaturile din infinitul trecut spatiu si infinitul viitor spatiu, si altele. Allah, Ra, Israel 666, apocalipsa, si exploziile nucleare, au primit inteligenta si puterea sa poata invinge oamenii si sufletele din cateva mii de ani, dar nimeni nu poate invinge sufletul meu, dumnezeul ESGSEIS, creatorul unic la timp spatiu existenta inteligenta suflete etc., nici macar un minut, nici macar un milimetru! Eu am astept un adversar tot infinitul trecut spatiu si tot infinitul viitor spatiu, care ar putea sa invinga sau sa contrazica codul video supranatural

Eu sunt dumnezeul etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul unic al existentei timp spatiu inteligenta suflete etc, si nu am vrut, nu vreau, si nu voi vrea, ca nici o creatura, suflet, persoana, sau zeu, din infinitul trecut spatiu si din infinitul viitor spatiu, sa fie salbatica, mincinoasa, idioata, dezordonata, dezinformata, inselata, umilita, omorata, santajata, drogata, talharita, sechestrata, incuiata, teleportata in galaxia solara si focul soarelui, sau izgonita. 841. Creierul meu cauta sufletele lui Ra, Allah, zei, si profeti. Sufletul meu NMEILIS NMEINIS ESGSEIS, mi-a aratat ca sufletul “diavolul Israel 666”, este in interiorul la corpul lui Jorge Mario Bergoglio. Sufletul lui Jorge Mario Bergoglio, nu isi mai aduce aminte, nici macar numele lui. Instalarea cu inteligenta si informatii la sufletul “Israel 666”, a pornit din nou de la zero. Resetarea lui, si stergerea memoriei sufletului s-a efectuat in caldura soarelui. Acolo a fost teleportat de corpul invizibil viu infinit. Toate sufletele la toti zeii si profetii, sunt ori reincarnate pe planeta Pamant in aceste timpuri, si nu isi mai aduc aminte nici macar numele lor, ori sunt inca in soare pentru stergerea memoriei la complet, la zero. Sufletele cu memoria stearsa de informatii, nu mai pot face miracole, magie neagra, magie alba, etc. Informatiile necesare pentru miracole, magie neagra, si magie alba, in acesti ani, se mai gasesc doar in interiorul la sufletul meu NMEILIS NMEINIS ESGSEIS. Restul sufletelor, s-au pedepsit singure, prin ingreunarea lor cu infractiuni, astfel fiind teleportate in caldura soarelui pentru a fi resetate si sterse. Oamenii, si sufletele nu vor mai primi niciodata, informatiile necesare pentru miracole, magie neagra, si magie alba. Ultimul miracol, magie neagra, si magie alba este codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. www.facebook.com/Eternal.Order.Infinite

Din pacate nici o creatura din infinitul trecut spatiu, nu a reusit sa antreneze creierul lui, pentru a putea primi razele de telepatie la dumnezeul ESGSEIS, in afara de creierul lui Talin Anton Cristian. Abandonati invidia, abandonati telepatia dintre creiere, si invatati telepatia dintre dumnezeul ESGSEIS si glanda pineala si sufletele la toti.

Inceputul la toate conflictele si razboaiele a fost cand v-am imprumutat cate o parte din inteligenta, informatii, si stiinta. Gloria NMEILIS NMEINIS ESGSEIS, tot infinitul trecut spatiu, si tot infinitul viitor spatiu. --- Din care armata, religie, partid, comunitate, sau categorie faci parte tu? Unii zei, oameni si suflete, din infinitul trecut spatiu, si din infinitul viitor spatiu, au incercat sa invinga dumnezeul NMEILIS NMEINIS ESGSEIS, creatorul lor, creatorul la timp spatiu existenta inteligenta etc. In ce mod, unde, si cu ce informatii si instrumente? 1. 845. Asasinari montate prin telepatie, teleghidare, medicina, fizica, si mecanica. Cu scopuri finale de a proteja sau distruge o realitate, adevar, nume, persoana, zeu, ordin, minciuna, iluzie, imposibil, sau inexistent. 115. In aprilie 2016 o cunostinta de familie, a adormit la volan, si a murit. A intrat pe contrasens pe drumul de la RomaN la Iasi, cu o masina inmatriculata in Franta. Fiu, Ra, N, Ta. Blonda, avea 25 de ani. Mama ei a murit, cand ea avea trei ani. Ea are un copil de trei ani. Copilul nu era in masina. Era doar sotul in masina, si .... Este in spital. 116. 12:39 2 iunie 2016. Ma uitam la pozele de pe un sit despre satan. Este prima oara. Am ajuns la o poza, unde este o femeie, si scrie "I love 666". Bate la usa puternic. De vreo patru ori. Merg sa deschid. Vecina din usa, ma anunta ca i-a murit mama, in spital. Ca Sambata este inmormantarea. Marti seara am lasat suportul aspirator si o banda neagra cu scai in bucatarie. Miercuri am prins-o pe mana la copil. In gand mi-a venit aceasta fraza: Cineva o sa moara. Astazi joi acest anunt. Alta moarte anuntata prin telepatie si teleghidare. 117. Vineri au ajuns pentru montaj ferestrele PVC, la un apartament. Fer, est, re, I, e. Tradus in limba italiana, finestre. Fin este re. Fine = sfarsit. Proprietara imi spune, ca joi a murit vecina de subt ea, de la etajul unu, la 66 de ani, si ca Sambata o arde, deoarece sunt martorii lui Ehova. Spunea ca testimonii nu isi fac analize la sange. Cu sase luni in urma, a facut tratament pentru cancer la intestin. Testimonii lui Ehova, erau si mama si fiica unde stau eu. A tinut mama ei moarta in casa o luna. Nu am cautat detalii. Alte detalii stiu serviciile secrete din Vatican, Italia, Romania, Egipt, Israel, etc, chiar de trei mii de ani in urma. Aceste actiuni sunt monitorizate si construite, de medici, politici, ofiteri, teologi, spitale, guverne, necunoscut, supranatural, chimicale, zei, 666, satan, etc. Se intampla in jurul meu, pentru ca eu i-am invins pe toti zeii, diavolii, guvernele, si organizatiile, prin codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Scamatoriile si explicatiile lor prin aceste asasinari spectaculare si misterioase nu erau si nu sunt necesare. Inaintasii lor erau buni la ucis cu sabia, in zi de Sambata, pe litere si in locuri stabilite. Astazi este perioada asasinarilor proiectate de telepatici, zei, medici, ofiteri, politici, chimicale, medicamente, si altele. Dumnezeul ESGSEIS, care este sufletul meu etern invizibil, care este creatorul la codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, dupa parerea la informatiile din creierul meu, nu cred ca este implicat in aceste scamatorii de forta, asasinari si amenintare. A efectuat prin codul video supranatural de telekinezie si telepatie S666N, arestarea la unii zei, mafiile telepatie, Maria, si satan Cristo. A anuntat asasinarea la toate opozitiile in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Am cerut explicatii de la guverne, tribunale, religii, NATO, CIA, FBI, internet, magi, etc, dar nu am primit nici un raspuns in afara de aceste scamatorii cu asasinari misterioase. www.facebook.com/Eternal.Order.Infinite

With final purposes, for to protect or destroy a reality, truth, name, person, god, nature, lie, illusion, impossible, or nonexistent. 115. In April 2016 an acquaintance of the family, has slept at the wheel and died. He entered on the opposite direction, on the road from city RomaN to Iasi, in a car registered in France. Franta : F = Son, Ra, N, Ta. Blonde, she was 25 years old. Her mother died when she was three years old. She has a child of three years. The child was not in the car. Only the husband was in the car, and ...., is in hospital. 116. 12:39 June 2nd 2016. I was looking at pictures on a site about Satan. It is the first time. I arrived at a picture where is a woman, and write "I love 666". Loud knocking on the door. Four or five times. I am going to open. Door neighbor, telling me that her mother died in hospital. As Saturday is the funeral. Tuesday night I let the support vacuum cleaner and a black velcro in the kitchen. Wednesday I got at hand at my child. In the thought came to me this phrase: Someone will die. Today Thursday, this ad. Another death announced through telepathy and remote control. 117. Friday arrived assembly PVC windows on an apartment. Windows = Fer, est, re, I, e. Translated from romanian into Italian = finestre. End is re. Fine = end. The owner tells me, that Thursday, their neighbor under it has died, on the first floor, to 66 years, and that Saturday burns because she was witnesses of Jehovah. He said that witnesses of Jehovah, do not do their blood tests. Six months ago, he did treatment for bowel cancer. Witnesses of Jehovah, were and mother and daughter where I sit. He held her mother dead, in her home, for a month. Hidden. I have not searched for details. Further details know, secret services from the Vatican, Italy, Romania, Egypt, Israel, etc, even by three thousand years ago. These actions are monitored and built, by doctors, politicians, officers, theologians, hospitals, governments, unknown, supernatural, chemicals, gods, 666, satan, etc. It happens around me, because I have defeated all the gods, devils, governments, and organizations through the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Tricks and their explanations through these spectacular and mysterious assassinations were not and are not required. Their ancestors were good to kill with a sword in the day of Saturday, on the letters and places set. Today is the time, at assassinations projected through telepathy, gods, doctors, officers, politicians, chemicals, drugs, and others. The god ESGSEIS, which is my soul eternal, who is the creator at the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Order Infinite, after the opinion at the information which are in my brain, I do not think that he is involved, in these tricks of strength, assassinations, and threats. He has conducted through the code video supernatural of telekinesis and

telepathy S666N, the arresting at some gods mafias telepathy, Mary, and Satan Cristo. He has announced the assassination at all oppositions in the code video supernatural of telekinesis and Eternal Infinite Order. I asked for explanations from governments, courts, religions, NATO, CIA, FBI, internet, magic, etc, but I have not received any response, besides these tricks with mysterious assassination.

850. The experiment military theological S666N and Eternal Order Infinite! All people, souls and gods from the infinite past space and the infinite future space, had tried, try, and will try useless, to make me an accomplice at their competitions and their wars, between lies, inexistent, impossible, robbery, murder, fraud, censorship, misinformation, and other evils. The biggest devil, crook, and criminal, is that identity that wants to deceive all persons, souls and gods from all the infinite past space and all the infinite future space. The cleanest and beautiful soul, is my soul, which is the god NMEILIS NMEINIS ESGSEIS, because he wants to help and educate all people, souls and gods from the infinite past space and the infinite future space, and save them from all evils, misinformation, lies, impossible, inexistent, tyrants, the death of the souls, etc. All people, souls and gods from the infinite past space and the infinite future space, have been, are and will be banished and isolated, by peace, truth, reality, equality, unity, justice and information, and have been, are and will be locked in wars, lies, impossible, inexistent, deceit, injustice, mafias seven chakra telepathy radiocontroll substances decalcified pineal gland, and other evils. My victory and my innocence, can see in the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Odrin Infinite, and the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything ". Who does not know this information, it will not be able to issue never by stupidity, lies, crooks, criminals, idiots, lazy, thieves, tyrants, accomplices, victims, terrorism, nuclear explosions, wars, clearing of the memory of the soul of all information, and other evils . ----- You are misinformed and disobedient. The god eternal invisible NMEILIS NMEINIS ESGSEIS, does not have time to communicate through telepathy with trillions of trillions of creatures, souls, gods, people, etc. This is impossible. The program invisible intellectual who have teleported your soul, in the Solar galaxy for punishment and rehabilitation, is a soft divine invisible, like as the rays of cellular scanner wifi etc, created and installed by the creator of existence, which is my soul, which is the God eternal invisible NMEILIS NMEINIS ESGSEIS. You, Adam, Eve, Allah, Italy, Israel, Islam, Egypt, Ra, etc., had not nor a idea about a lot of informations. They barely had known, the shape of planet Earth, over 2000 analyzes characteristics and diseases that can be studied from blood, the judgment automatically at all the souls and people from the infinite time and the infinite space, after a soft invisible of control, scanning and

weighing at the memory of the souls, and others. The devil who had deceived on Eve, is one of less importance, because he had cheated, only on Eve, and Eve had cheated on others, and others had cheated on others. It is an invisible creature telepathic, which can lie and radiocontrol through telepathy, only the persons who eat only citrus for seven days, and on reptiles. The devil invisible, has used the body at the snake, so that, to do more real his speech with EVA and mafias seven chakra. All courts will give the same answer: "The situations and phenomena that you present them, exceeds our intellectual powers and our information, in order to judge, identify, protect and punish on those involved." It is a reality and truth. If you speak or manage to contact, the most powerful yogi, medium, exorcist, spirit, mafia seven chakra remotecontrol telepathy, etc., each will guide you toward his ideas and his lies, which took salary of 40 years, ideas, who guards robbery of billions euro. If you without you realizing it, you sought a response from the strongest soul and God, from the infinite past space and the infinite future space, you had received online in writing here and now, and online video in the code video supernatural of telekinesis and telepathy S666N. Your soul, like as the soul my father and my family, were teleported in the solar galaxy for punishment and rehabilitation. My soul is the sole author and responsible for your teleportation automatic in the solar galaxy, after a software automatically of scanning at the memory of the soul. My soul was teleported, into this prison to show you the only possibility for your souls, to free themselves from the solar galaxy and from the fire of the sun. Teleportation your soul in the fire of the sun, and back on Planet Earth, can perform billions of times, and your soul will not be able to get back into infinite space, if you install your soul memory, as god wants NMEILIS NMEINIS ESGSEIS. Your soul, and your thoughts, are possessed by a devil who wants to deceive everyone from the infinite past space and the infinite future space. At most, could cheat on all persons, gods, demons and souls, that will be teleported and locked in solar galaxy. His rays of telepathy, may not exceed solar galaxy. If you're not weak, if you still have some intelligence, and if you are prepared, and trained to see, to judge, and to analyze the truth and reality, then you will return to the God NMEILIS NMEINIS ESGSEIS. You repeat like an stupid kid, the ideas from some animals, that did not even known the form at the planet Earth, and ignore the most powerful forms of: intelligence of supernatural, intelligence of gematria, intelligence of math, intelligence of physics quantum, intelligence of telekinesis, and intelligence of telepathy. You are a naughty child and idiot, which want to convert all creatures, gods, souls, persons, and governments from the infinite past space and the infinite future space, at the story with Little Red Riding Hood, hieroglyphics, impossible, inexistent, and intelligence primitive that they did not even know, what shape is the planet Earth. You are a soldier misinformed who fight with some lies, expired, sadly, impossible and inexistent, against the most powerful forms of: intelligence of supernatural, intelligence of gematria, intelligence of math, intelligence of physics quantum, intelligence of telekinesis, and intelligence of telepathy, which are demonstrated in the code video supernatural of telekinesis and telepathy S666N. The transporters and carriers of censorship, lies, misinformation, silly, infections, alcohol, drugs, impossible, inexistent, robberies and other evils, will be teleported in the fire of the sun, are intellectual bombs, are very dangerous, and never leave the solar galaxy. --- You can not stand against, to influence, or to destroy, the software invisible automatic of the scanning and weighing at the memory of souls, and therefore at the teleportation of the souls in the place deserved. Your brain can struggle against the truth, he is the one who can not be punished, than with death. Your brain is misinformed and stubborn. All creatures from the infinite past space and the infinite future space, have already been judged, helped, protected or punished, without their permission and their presence, in the code video supernatural of telekinesis and telepathy S666N. All that say Italy, Israel, Islam, Egypt, England, America, you, Adam, Eve, Allah, Ra, gods, souls, and the persons from the infinite past space and the infinite future space, about the truth, "the year the beginning at the Infinite Past Space", "the year the end at the Infinite Future Space", souls, help, rescue, and education, for science, logic, truth, justice, reality and for my soul the god NMEILIS NMEINIS ESGSEIS, all their words have been, are, and will be only children's games, lies, crimes, and due at teleportation at your souls in the solar galaxy, and in the fire of the sun for clearing the memory of the soul of all the memories and information. www.facebook.com/Eternal.Order.Infinite

Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. http://www.lulu.com/shop/anton-cristian-talin/better-and-stronger-than-allah-gods-paradise-time-space-anyone-and-anything/ebook/product-22630503.html Care este cea mai mare realizare a ta? Din ceea ce ai aratat in doua saptamani, prin mesajele tale online, esti foarte lipit de ideiile, minciunile, si prostiile, la niste escroci care nu stiau nici macar ce forma are planeta Pamant, pana in anul 1500. Ai spus multe jargoane si fraze inutile. Nu vad nimic de supranatural, telekinezie, si telepatie, nici in jurul tau, nici in jurul la acele personaje de fantezie, pe care ai pazesti. Probabil ai avantaje de sute de mii de euro, din activitatea ilegala de a pazi personaje de fantezie, si

activitatea ta de a mutila, insela si ucide pe fratii, surorile, parintii, persoanele, creaturile, si sufletele din infinitul trecut spatiu, si infinitul viitor spatiu. Esti un regizor de doi bani, care ai elaborat in existenta, in infinitul timp si infinitul spatiu, numai prostii, jargoane, minciuni, imposibil, inexistent, dezordine, dezinformare, si alte rele. Sa nu te simti prost, ca te-ai apucat sa dai sfaturi cu basme imposibil si inexistent, si ordine cu jargoane si amenintari, la sufletul etern invizibil, dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, creatorul la timp, spatiu, existenta, inteligenta, microcip, suflete, telepatie, telekinezie, supranatural, magie alba, magie neagra, corpul invizibil viu infinit, etc. Sunt obisnuit cu dorinta la toate creaturile, sa ma educe cu jargoane, minciuni, imposibil, inexistent, dezinformare, neatentie, ignorare, si alte rele. Doar aceste otravuri si radiatii intelectuale pentru corp si suflet, ati fost, sunteti, si veti fi capabili, sa inventati cu litere si idei, si sa cultivati cu sabia, amenintari, promisiuni false imposibile, explozii nucleare, etc, si tu, si Allah, Israel 666, Cristo Satan, Diavolul Maria, Adam, Eva, Ra, zei, suflete, persoane, etc, din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Ai fost judecat fara acordul si prezenta ta in codul S666N, si Etern Ordin Infinit. Pentru fiecare minut de lupta impotriva mea, la sufletul ESGSEIS, si codul S666N, primesti in plus cate un an de inchisoare in focul soarelui. Sufletul tau trebuie sa ia urgent controlul asupra la creierul tau si corpul tau, daca nu vrea sa stea miliarde de ani in focul soarelui, din cauza la prostia la creierul tau. Nu negociez cu nimeni, nu discut cu nimeni, nu fac amnestii pentru nimeni. Judecata, pedeapsa, si eliberarea sunt automate pentru toate sufletele si zeii, prin scanarea la memoria lor, de catre corpul invizibil viu infinit. Salvarea nu este automata, ea trebuie invatata de creierul si sufletul, la cine nu vrea sa trimita sufletul lui, in focul soarelui, de miliarde de ori, si sa inceapa din nou tentativul de educare, de la o memorie cu zero informatii si amintiri. Sufletul tau a venit din focul soarelui, pentru ca nu mai are nici o informatie si putere sa efectueze telekinezie, telepatie si supranatural. Sufletele care vin din infinitul timp si infinitul spatiu in galaxia solara, au puteri supranaturale, de telepatie, telekinezie, magie alba si magie neagra. Informatii primite de la sufletul ESGSEIS, prin ajutorul la diversi intermediari. ---- Imi este mila de tine si de sufletul tau, din cauza ca sunt torturate de mii de minciuni, imposibil, inexistent, prostie, dezinformare, dezordine, droguri, alcool, chimicale, gazuri fara miros cu efect halucinogen distribuite de serviciile secrete din mafiile 7 chakra decalcifiante, si alte rele. Eu cand am construit timpul, spatiul, sufletele si persoanele, le-am pus la dispozitie invatatura telepatica invizibila "Etern Ordin Infinit", telepatie, telekinezie, supranatural, si toate cele bune. Astazi v-am dat din nou o alta salvare si eliberare de prostie, minciuni, secret, imposibil, inexistent, tirani, si alte rele. Nu vreau sa eliberez pe cei prosti, needucati, si dezinformati, din galaxia solara, si din focul soarelui, inapoi in infinitul spatiu. --- Cate creaturi invizibile si inteligente invizibile a cunoscut creierul tau si sufletul tau? Nici una. Creierul meu a vazut in codul video supranatural de telekinezie si telepatie S666N, pe dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, creatorul unic la timp spatiu existenta inteligenta suflete microcip etc, razele wifi celular GPS scaner etc. Este timpul perfect sa iti dezvolti inteligenta si sa iti maresti cantitatea informatiilor reale.

851. The experiment military theological S666N and Eternal Order Infinite! Which is your greatest achievement? From what you showed in two weeks through your posts online, you are really stuck and bonded, by ideas, lies and nonsense, at some crooks who do not even know what shape is the planet Earth, until the year 1500. You said many jargons and phrases unnecessary. I do not see nothing of supernatural, telekinesis, and telepathy, nor around you, nor around at those fantasy persons, on which you guard them. You probably benefit hundreds of thousands of euros, from your illegal activity to guard the persons of fantasy, and your work to maim, cheat and kill your brothers, sisters, parents, people, creatures, and souls from the infinite past space and the infinity future space. You are a worthless filmmaker, which have elaborate in existence, in the infinite time and infinite space, only nonsense, jargon, lies, impossible, inexistent, disorder, misinformation, and other evils. Do not feel bad, that you want to give advice with tales impossible and nonexistent, and orders with jargon and threats, at the eternal soul invisible, god of the gods NMEILIS NMEINIS ESGSEIS, which is the creator at time, space, existence, intelligence, microchip, souls, telepathy, telekinesis, supernatural, white magic, black magic, the body invisible alive infinite, etc. I am accustomed with the wish at all creatures, to educate me, with jargon, lies, impossible, inexistent, misinformation, inattention, ignorance, and other evils. Only these poisons and radiation intellectual for body and soul, have been, are, and will be capable to invent with alphabet and ideas, and to cultivate with sword, threats, false promises impossible, nuclear explosions, etc., and you, and Allah, Israel 666, Cristo Satan, Devil Mary, Adam, Eve, Ra, gods, souls, people, etc., from all the infinite past space and all the infinite future space. You were judged without your consent and presence, in the code S666N, and Eternal Infinite Order. For every minute in which you fight against my soul ESGSEIS and the code S666N, you receive plus one year of prison, in the fire of the sun. Your soul must take urgent control to your brain and your body, if you do not want to stand in the heat of the sun, billions of years, due to the stupidity of your brain. I not negotiate

with nobody, I not talk with nobody, I do not make amnesty for nobody. Judgment, punishment and release are automatic for all souls and gods, through scanning at their memory by the body invisible alive infinite. The salvation is not automatic, it must be learned by brain and soul, at all creatures which not want to send his soul, in the heat of the sun, of billions of times, and begin again attempt to educate, from memory with zero information and memories. Your soul came from the fire of the sun, because it has nor a information and power to perform telekinesis, telepathy and supernatural. Souls who come from the infinite time and infinite space in solar galaxy, have still supernatural powers of telepathy, telekinesis, white magic and black magic. Informations received from the soul ESGSEIS through using the various intermediaries. ---- I have pity for you and your soul, because they are tortured of thousands of lies, impossible, inexistent, stupidity, misinformation, disorder, drugs, alcohol, chemicals, gas odorless with a hallucinogenic effect distributed of secret services from mafias seven chakra decalcified, and other evils. I, when I have built the time, space, souls and people, I have made available to them, the teaching telepathic invisible "Eternal Infinite Order", telepathy, telekinesis, supernatural, and all the best. Today again I gave another rescue and release of stupidity, lies, secret, impossible, inexistent, tyrants, and other evils. Let me to wash and to release your brain and soul, of stupidity, lies, secret, impossible, inexistent, tyrants, and other evils, and to install your brain and soul with the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything." I recognize and I know, that I could not, can not, and I will not be able, to install such intelligence, in the idiots, illiterate, stubborn, drugged, fools, robots, creatures teleguided through telepathy lies censorship and disinformation, and those who ignore me. I do not want to release creatures stupid, uneducated and misinformed, from solar galaxy, and from the heat of the sun, back into the infinite space. --- How many invisible creatures, and invisible intelligence, has known your brain and your soul? None. My brain has seen in the code video supernatural of telekinesis and telepathy S666N, the god of the gods NMEILIS NMEINIS ESGSEIS the creator unique eternal invisible at time, space, existence, intelligence, souls, microchip, etc, the rays of cellular GPS wifi scanner etc. It's the perfect time to develop your intelligence, and to increase your quantity of the information real. www.facebook.com/Eternal.Order.Infinite

858. Infectii si intoxicatii programate. 20.06.16 Dureri laba piciorului stang. Este a patra oara in ultimele trei luni si in viata mea. Medicul de famiglie spune ca de la colesterol 230, si de la acidul uric 8. Are un tablou cu Tutankam in sala de asteptare. Eu cred ca vrea sa ma insele, si sa beau decalcifiante din nou, pentru a instala telepatie si holograme pe creierul si gandurile mele, asa cum au facut deja escrocii 7 chakra Tutankam Vatican Cristo Maria Israel Italia Romania Allah etc. Durerile la laba piciorului sunt provocate de doctorii si teologii din mafiile 7 chakra. Sau vor sa ma ucida sa salveze talhariile lor de mii de miliarde de euro, si sa ascunda adevarul despre crimele si inselaciunile lor fata de mine si fata de toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. Imi controleaza foarte bine lista de cumparaturi prin telepatie. Controleaza prin telepatie lumea din jurul meu. Unii vor sa ma ucida, pentru ca cunosc adevarul si multe informatii. Altii vor sa ma drogheze cu medicamente, alimente, bauturi, si gazuri, decalcifiante, pentru a instala telepatie si holograme. Altii vor sa ma pazeasca de telepatie si holograme, si ma intoxica cu florura de sodiu si metale. Probabil doi sau trei, ma vor bine. Sufletul meu, ESGSEIS, m-a ajutat doar cu aceste informatii. Toti zeii, sufletele, persoanele, guvernele, religiile, etc, au iesit la suprafata. Este totul clar. Vatican, Allah, Cristo, Maria, Israel 666, tu, ei, voi, etc, nu vor sa marturiseasca si sa recunoasca crimele, minciunile, talhariile, lipsurile, dezinformarea, si nestiinta lor, impotriva lor si a voastra, si la toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. Fabricate si cultivate de ei. Dumnezeul dumnezeilor, NMEILIS NMEINIS ESGSEIS, sufletul meu, a recunoscut si marturisit el, pentru ei, si pentru fiecare zeu, persoana si suflet din infinitul trecut spatiu si din infinitul viitor spatiu, crimele, minciunile, talhariile, asupririle, rautatile, si ajutorul, fabricat de ei, pentru toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. 27/06/16 alta infectie. Intai nevasta, apoi copilul, apoi eu. Prea des. Prea multe persoane infecte transportate prin telepatie, in jurul meu de mafiile 7 chakra. Nu mai are nici un sens. Au fost deja invinsi definitiv. Dureri de gat, urechi, cap, si usoare laba piciorului stang. Imi fura energiile prin aceste tehnici de mutilare a ficatului, sangelui si creierului cu infectii, chimicale, etc. Prea tarziu. Inca nu vor sa realizeze ca gloria mea impotriva lor este codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Cred ca in 41 de ani de viata, acesti escroci au purtat prin telepatie persoane purtatoare de infectii, in jurul meu, de peste patru mii ori. In jurul lui Alexandra, au purtat un escroc bolnav de hiv si au infectat-o si pe ea cu SIDA. Jocuri de escroci, inventate de Vatican, Italia, Israel, Islam, mafiile 7 chakra, etc. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

858. 20/06/16 left foot pain. It is the fourth time in the last three months and in my life. Famiglia doctor says that this pain are from 230 cholesterol, and uric acid 8. He has an painting with Tutankam in the waiting room. I think he wants to cheat me, and to drink decalcified again, to install telepathy and holograms in my brain and my thoughts, as like have already made the scammers seven chakra Tutankam Vatican Maria Cristo Israel Italy Romania Allah etc. The pain at the foot is caused by doctors and theologians mafias seven chakra. Or they want to kill me to save their robberies of trillions of euros, and to hide the truth about their crimes and deceptions of me and of all the creatures from the infinite past space and the infinite future space. They controls my shopping list very well through telepathy. Telepathically controlling the world around me. Some want to kill me, because I know the truth and informations. Others just want to get stoned me with drugs, food, drinks, and compressed, decalcified, to install telepathy and holograms. Others want to beware me of telepathy and holograms, and intoxicate me with sodium fluoride and metals. Probably two or three, wish me well. My soul, ESGSEIS, has helped me, only with this information. All gods, souls, individuals,

governments, religions, etc., have surfaced. It is everything clear. Vatican Allah Cristo, Maria, Israel 666, you, they, etc. not want to confess and to recognize their crimes, lies, robberies, shortages, misinformation, and their ignorance, against them, and of you, and against at all creatures from the infinite past space and the infinite future space. Manufactured and cultivated of them. The god of the gods, NMEILIS NMEINIS ESGSEIS my soul, admitted and confessed he for them, and for every god, person, and soul, from the infinite past space and the infinite future space, the murders, lies, robberies, oppression, malice, and exploitation, manufactured by them, for all the creatures from the infinite past space and the infinite future space. 27/06/16 I have another infection. First my wife, then my baby, and then I. Too often. Too many people infected, transported through telepathy around me, of the mafias seven chakra. No longer has, not even one sense. They have already been definitively defeated. Pain at neck, ears, head, and mild left foot. They steal my energy through these techniques of mutilation at liver, blood and brain with infections, chemicals, etc. Too late. They still not want to realize, my eternal glory against them, through the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. I think that in 41 years of life, these crooks, have brought around me through telepathy, people which carrying of infections, of over four thousand times. Around Alexandra, they have brought a crook infected with HIV, and have infected and on she with AIDS. Games of crooks invented of Vatican, Italy, Israel, Islam, mafias seven chakra, etc.

860. Ai iesit din Europa usor, dar nu vei iesi din focul soarelui, pana ce nu ai sa platesti toate crimele pe care le-ai facut, si la care esti complice, pentru gloria la limba engleza. Alte infractiuni foarte grele care iti vor tine sufletul in focul soarelui miliarde de ani, sunt : minciuni, secret, cenzura, imposibil, inexistent, inselaciune, talhariile la toate resursele naturale si profitul din infinitul trecut spatiu si din infinitul viitor spatiu care ar trebui sa apartina la toate creaturile in mod egal, dezinformare, expirat, droguri, alcool, ritualuri de crima si canibalism, mutilari genitale, rugaciuni, inchinari, hieroglife, si alte rele. Sufletul tau este exagerat de speriat, de ce a putut face creierul tau cu el. Distractie placuta in focul soarelui. Sa nu s-ari cu viteza mare in cap in focul soarelui. Noroc de focul soarelui deoarece exista, si va poate sterge memoria sufletului de toate aceste crime si infractiuni, si prin urmare nu va pot mutila si maltrata sufletul in tot infinitul timp si tot infinitul spatiu, sufletele la miliarde de victime pe care le-ati inselat, mintit, omorat, si talharit. Eu pot face ceva, ca sa iti sterg sufletul de toate crimele si infractiunile instalate de creierul tau, fara sa iti pierzi si amintirile frumoase, numele sufletului, si informatiile principale. Repeti numele meu, pana la moarte corpului tau, cel putin 10 ore pe zi. ILIS INIS GSEIS. Sau creierul tau poate fi incapatanat, si fara mila de suferintele la sufletul tau. 862. Nobody can extract peace, truth, reality, intelligence, love, equality, unity, justice, salvation, power, energy, respect, life eternal for souls, and demonstrations with the creator unique at time space existence intelligence microchip souls etc., from inside him: Allah, Israel 666, Ra, Mary, Cristo, Italy, Israel, Islam, America, Quran, Bible, inventors doctors and scientists at storybooks philosophies alphabets policies movies biscuits bicycles and lies, hieroglyphics, parchments, telepathy, rosuvastatin, alcohol, drugs, prayers, meditations, exercises, brain, thoughts, robberies, wars, the year the beginning at the Infinite Past Space, the year infinite future space, etc. But all creatures you can delude themselves. Delusion is better than nothing. A story, a philosophy, is better than nothing. For gods, souls, and persons, who really want to extract peace, truth, reality, intelligence, love, equality, unity, justice, salvation, power, energy, respect, life eternal for souls, and demonstrations with the creator unique at time space existence intelligence microchip souls etc., then they should know that exist only one solution, in all the infinite past space and in all the infinite future space, which is the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Is someone interested to extract and consume peace, truth, reality, intelligence, love, equality, unity, justice, salvation, power, energy, respect, life eternal for souls, and demonstrations with the creator unique at time space existence intelligence microchip souls etc? Not. Nobody not wants from all the infinite past space and from all the infinite future space. The code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, peace, truth, reality, intelligence, love, equality, unity, justice, salvation, power, energy, respect, life eternal for souls, time, space, existence, intelligence, etc., were created from inside at my eternal soul invisible, who is the god of the gods NMEILIS NMEINIS ESGSEIS, the creator unique of the existence. ---- My body is the only from the infinite past space and the infinite future space, that has been manufactured, educated, and installed, to provide a real supernatural video meeting, between the god of the gods, eternal, invisible, NMEILIS NMEINIS ESGSEIS, and between science, religions, policies, medicine, people, souls, and gods. A video meeting supernatural real, between the truth about eternal life of souls, and nd between science, religions, policies, medicine, people, souls, and gods. This meeting video real supernatural, with the god of the gods, eternal, invisible, NMEILIS NMEINIS ESGSEIS, that is my soul, which is the creator unique of the time space existence intelligence microchip souls etc, is exposed very clearly, in the code video supernatural of telekinesis and telepathy S666N, and in the code video supernatural of telekinesis and telepathy Eternal Infinite Order. This is a demonstration and a meeting, very complicated and very clear, with a real living creature active intelligent and invisible, of those very few people, souls, and gods, succeed to extract benefits, energy, information, joys and satisfactions. 99.9 percent of people, souls and gods of the infinite past space and the infinite future space, extract benefits, energy, information, joys and satisfactions from: illusions, ideas, impossible, inexistent, hieroglyphics, paintings, sculptures, lies, philosophers, robbery, fraud, convenience, and stories. It is very difficult to extract benefits, energy, information, joys and satisfactions for the brain and for the body, from: truth, justice, reality, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. The persons that manages to extract benefits, energy, informations, joys and satisfactions for the brain and the body of truth, justice, reality, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Order Infinite, they shun their souls, of the fire of the sun, clearing the memory of the soul, reincarnation at his soul on planet Earth or etc. --- I am the body invisible alive infinite, I am the infinite past space, I am the infinite future space, my creator, the creator at time space existence microchip souls etc, is the god of the gods, eternal, invisible, NMEILIS NMEINIS ESGSEIS, which is the soul from inside at this body. 863. Nell codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito, è molto chiaro l'assassinio di tutti oponenti. Compreso NWO, new world worder. Tutto entro 3 gennaio 2048. Assassino è corpo invisibille vivo infinito, e mandante e dio NMEILIS NMEINIS ESGSEIS. La mia anima. Tradutore mio corpo. --- Non c'è mai stato per nessuno, non è, e non sara. IO sono unico maestro eterno.

864. Eu am descoperit din timp ca veti fi ucisi pana pe data de 3 ianuarie 2048. Cine a ascuns aceasta descoperire din 2011 pana in 2016 ? Este o competitie corecta. Eu, dumnezeul NMEILIS NMEINIS ESGSEIS, cu codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si puteri supranaturale necunoscute inca in galaxia solara, si toti opozitorii numai cu povesti, hieroglife, minciuni, imposibil, inexistent, expirat, telepatie, bombe nucleare, cenzura, secret, media, tv, ziare, internet, etc. Acesta competitie nu am cerut-o eu, o cer zeii, bisericile, preotii, sfintii si diavolii din galaxia solara. Inca nu vor sa realizeze adevarul si realitatea. Considera ca vor putea ascunde la infinit minciunile, prostia, si neputinta lor. NMEILIS NMEINIS ESGSEIS a decis sa creeze o alta specie mai puternica decat omul, care sa poata instala corect sufletele? Este foarte probabil.

864. I have discovered in advance that all persons from planet Earth, will be killed until January 3, 2048. Who has hidden this discovery from 2011 until 2016? It is fair competition. I, the god NMEILIS NMEINIS ESGSEIS, with the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and supernatural powers still unknown in the solar galaxy, and all opposition only with stories, hieroglyphics, lies, impossible, inexistent, expired, telepathy, bombs nuclear, censorship, secret, media, TV, newspapers, internet, etc. This competition, I not requested her I, is manufactured and forced, of the gods, churches, priests, saints, and devils, from the solar galaxy. Still they do not want to realize the truth and reality. They believe that they can hide indefinitely their lies, their stupidity, and their helplessness. NMEILIS NMEINIS ESGSEIS decided to create another species stronger than the man who can correctly install the souls? It is highly likely.

865. Satan alb magia alba invins, satan negru magia neagra fara supravietuitori, este acelasi suflet, creat de dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, sufletul meu. Ce rol mai are satan negru magia neagra? Intreaba prin telepatie mafiile 7 chakra, sufletul meu, prin intermediul la creierul meu. Ori nu raspunde, ori nu sunt pregatit sa citesc si sa transmit. Normal corpul invizibil viu infinit, intr-o secunda poate sa ucida toate creaturile din galaxia solara. La fel dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS. De ce este asteptat atunci derularea la sufletul satan negru magia neagra? Probabil satan negru magia neagra, instalat de dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, are un razboi cu diavolul Israel 666, Allah, Ra, Maria, etc? Satan este capturat in codul S666N, ScristoN. SanticristoN? Abia azi 2016 vad aceasta posibilitate. La 117 Cristo, mai adaugam valoarea la patru litere ANTI, a = 1, N = 14, T = 20, I = 9, total 44 + 117, este 161. Numarul S6N S0N SeveN 26662. Lipseste cartea 161 din evento\carti\- ADN INTELIGENTA MAGNETICA ADN INTELIGENTA DIVINA\s n eve. Probabil a mutato un hacker. Pc meu este online. Nu, nu este aici, pentru ca este o colectie de numere. Nu sunt toate din 835. Am vazut cartea tarot. Anticrist, magia neagra, o barca mica, si numai doua persoane in interior. Seamana cu barca lui NOE, dar sunt numai doi barbati, si dezastrul pare a fi razboi, caldura, natura, fragilitatea oamenilor, etc. Este posibil ca dupa data de 3 ianuarie 2048 sa mai supravietuiasca doar doua creaturi. CIA a insultat pe internet numele la dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, sa vada daca sunt pedepsiti corporal. Insulta le ramane pe suflet, si platesc cu sufletele, miliarde de ani in soare. Totusi dupa data de 3 ianuarie 2048, dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, a declarat video supranatural ca omoara toate creaturile care nu cunosc limba romana 26 litere si Etern Ordin Infinit. Mai sunt 32 de ani. Cat timp trebuie la un creier sa invete limba romana 26 litere si Etern Ordin Infinit? Opt ore pe zi, de la un an la zece ani depinde de la persoana la persoana. Cam in 2038, se poate spune ca ati intrat pe ultima suta de metri. Desi acest ordin trebuia respectat si realizat din anul 2011. Plateste pentru voi cine s-a impotrivit.

Io ho presentato il mio nome eterno, nell codice video soprannaturale di telecinesi e telepatia S666N. Nessuna anima e nessun dio, non si ricordano nemmeno il loro nome eterno, perché tutti si sono ribellati contro di me, e tutti sono stati disinstallati di ogni informazione nel fuoco dell sole. 870. Data exacta a apocalipsei. Oamenii, profetii, si zeii care au fost, sunt, si vor fi mincinosi, escroci, criminali si nemilosi sunt toti aceia care au construit, au protejat, au invatat, si au impus, guverne, religii, profetii, biserici, carti, ordine si teorii, fabricate din otet, rosuvastatina, telepatie, necunoscut, cenzura,

secret, imposibil, inexistent, hieroglife, dezinformare, nu stiau nici macar ce forma avea planeta Pamant, ritualuri de crima si canibalism, mutilari genitale, rugaciuni, umiliri, idei, halucinatii, nedreptate, talharii, crime, mutilari, amenintari, razboaie, terorism, colonizari si alte rele. Sufletele lor au fost teleportate automat in focul soarelui pentru stergerea memoriei de aceste infractiuni. Oamenii, profetii, si zeii care au fost, sunt, si vor fi corecti si iubitori, sunt toti aceia care au construit, au protejat, au invatat, si au impus, guverne, religii, profetii, biserici, carti, ordine si teorii, fabricate din adevar, realitate, egalitate, dreptate, unitate, respect, stiinta, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si razele de telepatie la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, traduse in cartea "Mai bun si mai puternic decat toti zeii, timpul, spatiul, Paradisul, oricine si orice." Astazi puteti alege adevarul, sau veti avea stearsa memoria sufletului, de mii de ori, sau chiar veti fi omorati trup si suflet. --- Mesajul ca omenirea va fi exterminata mai mult de 99 la suta, nu imi apartine mie, sau la oameni. Eu am tradus si transmis online acest mesaj teleghidat prin telepatie si telekinezie, de o creatura vie invizibila, care s-a declarat ca fiind creatorul existentei. Stii deja ce cred oamenii, despre specii invizibile si puterile lor. Oamenii nu au obiceiul sa se sperie de anunturi de asasinare a lor si a celor din jurul lor. Chiar au asasinat multe persoane din jurul meu si din jurul la acest cod video supranatural de telekinezie si telepatie. Pe varul meu dupa ce l-au ucis in 2012 intr-o explozie la o casa cu butelie, l-au pus intr-un sac de plastic negru. Pe tata l-au ucis in spital prin telepatie si teleghidarea la medici tot in 2012. Si alte crime si genocide descrise in cartea mea. Eu eram obisnuit, cu amenintarile din Biblie si Quran, pe care le ascultam si le vedeam la biserica si televizor. Eu am mai vazut filme, in care omenirea este amenintata cu moartea din diverse cauze si interese, transmise majoritatea prin intermediul la gura, sau mesaje scrise. Toate amenintarile sunt doar gandurile la niste oameni, ganduri nascute in alcool sau gluma, sau citite in stele sau apa din oala, sau gandurile la persoane de fantezie, precum alienii sau balaurii din religii si basme. Amenintarea cu moartea a opozitorilor la Etern Ordin Infinit, nu este un mesaj de telepatie transmis intre mafiile 7 chakra si glanda pineala a lui Moise, Cristo, Maria, Maya, Nostradamus, baba Vanga, etc. Amenintarea cu moartea a opozitorilor la Etern Ordin Infinit, este un mesaj video supranatural de telepatie si telekinezie, cu precizii de gematrie si numerologie in suma numerelor cartilor in Excel. Nu mai cunosc alte comunicatii si mesaje mai importante complicate si inteligente ca acest mesaj. Daca nu le intereseaza pe 7 miliarde de persoane ca vor fi asasinate, si din ce motive, de ce sa ma preocup eu, care m-am interesat sa gasesc motivele, pentru care vor fi asasinati peste 99 la suta dintre oameni. Am mai vazut morti si la filme, si in accidente. Eu sunt bucuros ca salbaticii, mincinosii, criminalii, talharii, idiotii si escrocii, vor fi asasinati pana pe 3 ianuarie 2048, daca nu s-a gasit nici o solutie de educare si recuperare a lor, in ultimii cinci mii ani. Imi pare rau pentru copii si oamenii nevinovati, care traiesc in tarile cu criminali, deoarece aceasta specie invizibila are tehnici de asasinare in masa, rapide si fara a putea selectiona, dupa varsta si infractiuni. Nici Allah nu a gasit mister mai mare decat acesta. Desi cauta mistere, de miliarde de ani. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

870. The exact date of the apocalypse. The persons, prophets, and gods who were, are, and will be, liars, crooks, criminals and ruthless, are all those who have built, protected, taught, and imposed, governments, religions, prophets, churches, books, orders and theories, made from: vinegar, rosuvastatin, telepathy, unknown, censorship, secret, impossible, inexistent, hieroglyphics, misinformation, not know nor even what form has the planet Earth, ritual of murder and cannibalism, genital mutilation, prayers, humiliations, ideas, hallucinations, injustice, robbery, murder, mutilation, threats, wars, terrorism, colonization and other evils. Their souls were teleported automatically in the fire of the the sun for the clearing at the memory of these crimes. The persons, prophets and gods who have been, are, and will be fair and loving, are all those who have built, protected, taught, and imposed, governments, religions, prophets, churches, books, orders and theories, made from: truth, reality, equality, justice, unity, respect, science, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and the rays of telepathy at the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS translated in the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything." Today all creatures can choose the truth, or they will have erased the memory of the soul, a thousand times, or even they will be killed, body and soul. --- The message that the humanity will be eradicated more than 99 percent, not belongs to me or to the people. I have translated and sent this message online, teleguided through telepathy and telekinesis, by a living creature invisible, which has declared as he is the creator of existence. You already know what people think about invisible species, and their powers. People do not have the habit, to be scared of ads of murder of them and those around them. Even have murdered many people around me, and around this code video supernatural of telekinesis and telepathy. After my cousin was killed in 2012, in an explosion at a house with the bottle, they have put him in a black plastic bag. Dad was killed in hospital through telepathy and remote control by the doctors from 2012. And all other crimes and genocide described in my book. I was accustomed, with the threats of death and hell from the Bible and the Quran, on which listen and saw at the church and TV. I have seen movies, in which the humanity is threatened with death from various causes and interests, the majority ads transmitted through the mouth or text messages. All threats are just thoughts, to

some people, thoughts born from alcohol or joke, or read in the stars or in the water from the pot, or thoughts to the persons of fantasy, like as dragons and aliens from religion and fairy tales. The threat with the death against opposition at the Eternal Infinite Order, is not a telepathic message sent between mafias seven chakra and the pineal gland his Moses, Cristo, Maria, Maya, Nostradamus, Baba Vanga, etc. The threat with the death against opposition at the Eternal Infinite Order, is a video message supernatural of telepathy and telekinesis, with accuracies of gematria and numerology in the amount of numbers of the books of tarot in Excel. I not know other communications and messages, more important complicated and intelligent, than this message. If 7 billions persons are not interested, for what they will be killed, and for what reasons, why to have I preoccupations, which I was interested to find the reasons, for which will be murdered over 99 percent of people. I saw dead, at movies, and accidents. I am glad that the savages, liars, murderers, thieves, idiots and crooks will be murdered until January 3, 2048, if nobody, has not found, nor a solution, for their educating and recovery, by over five thousand years. I'm sorry for children and innocent people, who live in countries with this criminals, because this species invisible, has techniques of ms... assassination, fast and can not to choose, after age and offense. Nor Allah, did not find, a mystery, greater than this. Although Allah looking the mysteries by billions years. www.facebook.com/Eternal.Order.Infinite

Mafiile 7 chakra telepatie teleghidare, Allah, Ra, Israel 666, zeii, profetii, politicii, teologii, filozofii, psihologii, magii, Egipt, Islam, Israel, Italia, America, Rusia, etc, au inceput sa insele, sa minta, sa mutileze, sa umileasca, sa talhareasca, sa sechestreze, sa comande, sa colonizeze, sa invadeze si sa izgoneasca toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, dar nu au realizat ca nu cunosc nici macar forma la planeta Pamant, prin urmare cu invatatura si cartile lor pot fura increderea si respectul numai de la prostii, orbii, dezinformatii, si victimele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Sa le fie rusine. Un maestru, salvator, educator, si conducator care nu stie nici macar forma la planeta Pamant, a fost, este, si va fi numai un infractor, un diavol, un sarlatan si un mincinos. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a demonstrat in cartea "Mai bun si mai puternic decat toti zeii, timpul, spatiul, Paradisul, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, ca el este singurul care cunoaste adevarul despre toti si despre toate, ca este cel mai inteligent si cel mai informat, si ca el este creatorul unic la inteligenta, microcip, suflete, zei, existenta, etc.! Allah, Ra, Israel 666, zeii, profetii, politicii, teologii, filozofii, psihologii, magii, Egipt, Islam, Israel, Italia, America, Rusia, mafiile 7 chakra telepatie, etc, vor sa distruga si sa inlocuiasca cartea "Mai bun si mai puternic decat toti zeii, timpul, spatiul, Paradisul, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, cu cartile pergamentele hieroglifele si ideiile lor, in care orice persoana corecta inteligenta si informata, realizeza ca autorii nu cunosteau nici macar forma la planeta Pamant. Sa va fie rusine golanilor si idiotilor. Toti zeii, sufletele, si persoanele din anul inceputul la infinitul trecut spatiu si pana in anul sfarsitul la infinitul viitor spatiu, au adunat toate cartile, bibliile, pergamentele, testamentele, ideiile, iluziile, informatiile, bisericile, religiile, teoriile, politicile, filozofiile, psihologiile, economiile, banii, bogatiile, magiile, telepatiile, guvernele, bombele nucleare, armele, si victimele din anul inceputul la infinitul trecut spatiu si pana in anul sfarsitul la infinitul viitor spatiu, si vor sa construiasca din toate acestea, o singura carte si ordin, cu care ar putea distruge dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, adevarul, realitatea, dreptatea, unitatea, pacea, libertatea, viata vesnica a sufletelor, cartea "Mai bun si mai puternic decat toti zeii, timpul, spatiul, Paradisul, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Prin urmare vei ramane sclavul la prostie, zei, mincinosi, escroci, si talhari, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Citeste de miliarde de ori aceasta fraza, pana ce intelegi totul. Acesta este singurul mod sa eliberezi sufletul tau, si sa ajuti sufletul tau sa traiasca vesnic si sa isi pastreze memoria si informatiile. Ar trebui spanzurati in piata, sau omorati, sau arsi in frunte cu 666 si pe mana, toti opozitorii, mincinosii, complicii, si victimele lor. Si asa am sa fac, pana pe 3 ianuarie 2048, asa cum am declarat in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. --- Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am ascultat cartile, poeziile, rugaciunile, si dorintele la toate sufletele, zeii si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Se vede foarte clar, in toate cartile, poeziile, rugaciunile, si dorintele, ca toate creaturile vor sa ma insele, sa ma inlocuiasca, sa ma intreaca, sa ma elimine, si sa uite de mine. Se vede foarte clar, in toate cartile, poeziile, rugaciunile, si dorintele, ca toate creaturile s-au inselat singure pe ele, si pe victimele lor. Nu a reusit, nu reuseste, si nu va reusi nici o creatura, sa ma inlocuiasca din gandurile lui si gandurile la altii, pentru totdeauna, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Problema este ca aceia care au incercat, au pierdut memoria sufletului cu toate informatile si amintirile din viata lor, au dat nastere la razboaie terorism crime conflicte intreceri si alte rele. -- Traducerea la razele de telepatie la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS.

874. Nu este nimic de ras. Ce nu ai inteles de cinci ani de zile? Vor fi omorati copii tai, nepotii tai, familia ta si toti asociatii tai si la diavolul israel 666, Allah, Ra, Cristo, Maria, etc. Doar prostii rad, cand au o confirmare video supranaturala de telekinezie si telepatie, despre asasinare lor si la copii lor. Israel, America, Italia, Islam, Egipt, CIA, sunt fabricate din prostie, telepatie, otet, droguri, imposibil, inexistent, talharie, crime, razboaie, si cititul in apa din oala si in ridurile din palma. Voi sunteti obisnuiti cu mesajele pe care le citesc unii in apa din oala, precum Nostradamus, sau mesajele telepatice, pe care le transmiteti voi, la cei cu glanda pineala decalcificata. Din cauza ca vor fi asasinati, toate tipurile de escroci, idioti si mincinosi, eu am o mare placere. Cine te invata totul despre tot si despre toate, este terorist, doar in gandurile la criminali, mincinosi, si escroci. Avem probe de astfel de criminali, mincinosi, si escroci: Italia, Israel, Novus Ordo Seclorum, Biblia, CIA, Allah, etc. Te vad foarte clar escrocule, de la miliarde de ani distanta. Esti din mafia Israel 666, si vrei sa ne obligi pe toti, sa fim prosti si dezinformati, si sa facem ritualuri de crima si canibalism, si sa spunem minciuni, in tot infinitul viitor spatiu. Eu vreau, obligat fortat, sa cunosc totul despre tot si despre toate, cu sau fara dorinta si autorizatia, lui Italia, Israel, Allah, Eva, Adam, Vatican, CIA, ETC. Indiscutabil. Eu trebuie sa cunosc toate crimele, razboaiele, prostia, planurile, comploturile, si minciunile, lui Italia, Israel, Islam, Allah, Ra, Egipt, Cristo, Maria, etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Eu trebuie sa cunosc fiecare milimetru din infinitul spatiu, si fiecare secunda din infinitul timp. Nimeni si nimic nu imi poate sta in cale. Eu sunt dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS. Eu va ucid pe toti, care nu ma lasati sa cunosc toti tiranii, mincinosii, talharii, idiotii, escrocii, informatiile, secretele, comploturile, si fiecare milimetru din infinitul spatiu, si fiecare secunda din infinitul timp. Nu mai aveti unde ascunde, nici un secret, si nici o crima milenara, inventata in anul inceputul la infinitul trecut spatiu, si in anul sfarsitul la infinitul viitor spatiu. Sunt cel mai bun, si escrocii si mincinosii crapa de ciuda, si eu cresc de bucurie. ---- Am facut jocul lui Barack Obama, a lui Israel, a lui Italia, A lui Valdimir Putin, a lui mafia Novus Ordo Seclorum, atata timp cat am fost legat la ochi, dezinformat, si drogat cu substante de decalcifiere la glanda pineala, pentru a fi controlat si teleghidat prin telepatie. Am asistat la crimele si genocidele programate de ei, video online. Tu esti avocatul escrocilor si criminalilor, dar esti complet dezinformat, lipsit de inteligenta si probe. Mergi intai la o scoala, unde sa inveti ce inseamna telepatie, telekineza, supranatural, etc. Apoi te intorci sa vorbesti cu mine si sa ma consulti. Sunt singurul care am raspunsul, cand toti oameni din infinitul trecut spatiu si din infinitul viitor spatiu, arunca Biblia, Coranul, povestile, minciunile, imposibil, inexistent, talharii, escrocii, tiranii, sute de limbi, sute de alfabete, sute de razboaie conflicte si competitii, si multe alte rele care ingreuneaza si scurteaza viata si fericirea la toti. Cand vor fi informati corect si complet, cand vor cunoaste adevarul, si cand vor citi cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". --- Oile vor fi batute si fluierate de ciobani. Copii vor fi purtati la scoala. Escrocii, mincinosii, victimele, americanii, catolicii, musulmanii, etc, vor fi izgoniti in fata la diavoli, si in biserici. Cei mai inteligenti ma vor cauta, si vor striga dupa mine, tot infinitul trecut spatiu si tot infinitul viitor spatiu, sa vin sa ai invat si sa le explic totul despre adevar, realitate, dreptate, ordine, telekinezie, telepatie, supranatural, oricine si orice. Tot ce a invatat Italia, Israel, Islam, Egipt, America, Allah, Ra, Cristo, Maria, etc, pe toate creaturile de pe planeta Pamant din ultimii cinci mii ani, astazi se vede exagerat de clar ca sunt numai minciuni, imposibil, inexistent, inselaciune, crime, mutilari, umiliri, ritualuri de crima si canibalism, mutilari genitale, si multe alte rele. Din fericire invatatura lor mincinoasa s-a autodistrus si eliminat singura, in fata la cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Eu am eliberat lumea de hieroglife, si i-am asezat fortat la microsoft, celular, internet. Tu ce ai facut pentru tine si pentru oameni?

Will be killed your children, your grandchildren, your family and all your associates and of the devil Israel 666, Allah, Ra, Cristo, Maria, etc. Only the idiots, laugh, then when, they have a confirmation, video supernatural of telekinesis and telepathy, that they and their children will be killed. Israel, America, Italy, Islam, Egypt, CIA, etc, are fabricated from stupidity, telepathy, vinegar, drugs, impossible, inexistent, robbery, murder, wars, and reading in the water from the pot and in the wrinkles from hand. You are accustomed, with the messages on which read the some, in the water from the pot, like Nostradamus, or telepathic messages, on which send you to other with the pineal gland decalcified. Because will be assassinated all crooks, idiots and liars, I have great pleasure. ---- You are the devil israel 666, you have defeated all creatures installed only with the white magic, and disinformation. Woe to you, in front at creatures installed with the black magic. ----- Who teaches you everything about everything and about all, is a ....., only in the thoughts of criminals, liars and crooks. We have the samples with criminals, liars, and crooks: Italy, Israel, Novus Ordo seclorum, Bible, CIA, Allah, Ra, etc. I see you very clearly, from the billions of years away. You are from the mafia Israel 666, and you want to compel us all, to be stupid and misinformed, and to do ritual of murder and cannibalism, and to tell lies, all the infinite future space. I oppose. I want, obliged and forced, to know everything about everything and about all, with or without the authorization and the desire his Italy, Israel, Allah, Eve, Adam, Vatican, CIA, ETC. Unquestionably. I must to know every millimeter from the infinite space, and every second from the infinite time. Nobody and nothing, can stand in my way. I am the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and I will kill them all, which do not let me to know all, about all the tyrants, liars, thieves, idiots, crooks, informations, secrets, plots, and every millimeter from the infinite space and every second from the infinite time. descaling at the pineal gland for to be controlled and teleguided through telepathy. I have witnessed at crimes and genocides, scheduled by they, online video. You are the lawyer, at crooks and criminals, but you are misinformed completely, and devoid of intelligence and evidence. First, you must to go to a school, where you must to learn what it means telepathy, telekinesis, supernatural, etc. Then you come back, to talk to me and consult me. --- I am the only one, which I have answer, when all the people from the infinite past space and the infinite future space, throw the Bible, Quran, stories, lies, impossible, inexistent, thieves, swindlers, tyrants, hundreds of languages, hundreds of alphabets, hundreds of wars conflicts and competitions, and many other evils, which hampers and shortens the life and happiness at all. Then all creatures, will be informed correctly and completely, will know the truth, and when they read the book " More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything." I am the unique eternal master. I am the truth about everyone and everything. ---- The sheep will be battered and whistled of the shepherds. Children will be worn to school. Crooks, liars, victims, Americans, Catholics, Muslims, etc., will be worn forcibly in the front of the demons, and in the churches. The most intelligent creatures, will seek me, and will shout after me in all the infinite past space and in all the infinite future space, to come to them, and to learn them, and explain them, all about truth, reality, justice, order, telekinesis, telepathy, supernatural, everyone and everything. All that has learned Italy, Israel, Islam, Egypt, America, Allah, Ra, Cristo, Maria, etc, on all creatures, by on planet Earth, from the last five thousands years, today it can be seen clear, that are only lies, impossible, inexistent, deception, murder, mutilation, humiliation, rituals of murder and cannibalism, genital mutilation, and many other evils. Pentru ca ei vor sa mentina pe numele lor, toate resursele naturale profitul si bancile din infinitul trecut spatiu si din infinitul viitor spatiu. Pentru ca ei vor sa invinga codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, corpul invizibil viu infinit, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu o carte cu povesti filozofii imposibil inexistent si minciuni care se cheama "Novus Ordo Seclorum" si a fost inspirata din Biblie Quran si filozofiile din ultimii cinci mii de ani, cu cenzura, secret, amenintari, crime, mutilari, bombe nucleare, si santaj. Doar o singura persoana este instalata corect din 2011 pana in 2016. Corpul lui Baetel Anton Cristian, corpul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Corpul meu nu a fost ajutat sa traduca adevarul despre asasinarea opozitorilor la codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, astfel vor fi omorati 99,9 la suta din populatia de pe planeta Pamant, de catre dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS si corpul invizibil viu infinit. Eu nu pot manipula si opri codul video supranatural de telekinezie si telepatie S666N si Etern Ordin Infinit. Autorul invizibil a declarat asasinarea la toti opozitorii. cei mai idioti de pe planeta Pamant, sa aiba timp sa instaleze sufletul lor si creierul lor cu adevarul etern. Salvarea aceasta o fura criminalii, escrocii, si idiotii. Aceasta identitate invizibila a declarat in mod video supranatural, ca va ucide. Are cineva un raspuns, daca acest mesaj, este un mesaj inteligent supranatural real si credibil? Eu am raspuns. Da. Eu am observat cu intarziere ca toti oamenii, zeii, si sufletele din infinitul trecut spatiu si din infinitul viitor spatiu, sunt impotriva la adevar, realitate, dreptate, egalitate, unitate, informatie, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, prin urmare toti zeii, sufletele si persoanele au fost ucise pentru miliarde de ani. www.facebook.com/Eternal.Order.Infinite https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25

885 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Vreau sa stiu ce a studiat, si ce forma si compozitie are, cine a construit casa "Corpul Invizibil Viu Infinit, Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", timpul, spatiu, inteligenta, sufletele, existenta, microcipul, Microsoft, etc, cine a scris cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", si cine a efectuat codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Nu are nevoie sa studieze, deoarece toata inteligenta informatiile si definitiile fac parte eterna din corpul lui etern invizibil. Acesta este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, acesta este sufletul meu. Forma si compozitia lui sunt, invizibile si necunoscute, pentru inteligenta pe care o poate primi si folosi orice creatura. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, consuma numai energiile degajate de fericire, pace, respect, logica, dreptate, adevar, si toate energiile din sentimentele si actiunile bune. Cine a construit si mentine sute de inchisori de tip alfabetic istoric politic si religios, crime, razboaie, terorism, talharii, nedreptate, cenzura, minciuni, imposibil, inexistent, dezinformare, rugaciuni, inchinari, ritualuri de crima si canibalism, mutilari genitale, botezuri, si alte rele, si cine a scris Biblia Quran Testamentul vechi etc, a studiat foarte putin, si doar din cele mai simple informatii pe care astazi le gasiti in scoli de la clasa intai pana in clasa a opta, are o structura vizibila adica omul, a consumat constient sau inconstient alimente si bauturi toxice si halucinogene, a consumat constient sau inconstient numai minciuni invidie dezinformare nedreptate complot ritualuri de crima si canibalism mutilari genitale imposibil inexistent si alte rele, a degradat compozitia creierului cu substante radiatii si infectii, si a fost instruit de telepatia la diavoli. Diavolii sunt invizibili, si sunt sufletele la oamenii care au murit pe Planeta Pamant, si in viata lor au facut sau au fost complici la crime razboaie talharii minciuni inselaciuni comploturi dezinformare cenzura si alte rele. Sufletele lor sunt teleportate in focul soarelui pentru stergerea inteligentei. Stergerea nu este instanta, asadar ei instuiesc prin telepatie victimele lor. Doar cunoasterea la cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", va poate apara de razele lor de telepatie, si cartile planurile si educatia lor. Diavolii folosesc inteligenta pentru a construi razboaie, talharii, conflicte, competitii, asasinari, minciuni, inchisori, izgoniri, imposibil, inexistent, dezinformare, cenzura, durere si toate cele rele. Oamenii cu glanda pineala decalcificata, sunt victimele la telepatia si hologramele la aceste suflete rele, teleportate automat in focul soarelui, pentru stergerea inteligentei. Sufletele se transforma in diavoli si zei rai, prin urmare la tipul de inteligenta si informatii adunate si folosite, de memoria lor. Vindecarea lor este cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", sau teleportarea lor in focul soarelui pentru stergerea memoriei. --- Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, se roaga la fiecare creatura in parte, sa fie informata corect si complet, pentru a evita teleportarea sufletului in focul soarelui. Vrea in fiecare secunda din infinitul timp, si in fiecare milimetru din infinitul spatiu, sa fie arestati si pedepsiti zeii tirani escroci idioti dezinformati si mincinosi, sa fie arestati si pedepsiti zeii persoanele sufletele si complicii, care abia au aflat ce forma are planeta Pamant si au condus victimele lor in genunchi in anul 2000, si sa fie arestati si pedepsiti toti talharii la toate resursele naturale profitul si bancile din infinitul trecut spatiu si infinitul viitor spatiu care ar fi trebuit sa apartina in mod egal la toate persoanele din infinitul trecut spatiu si infinitul viitor spatiu, resurse talharite deja prin intermediul la legi politici religii tribunale armata politie media zei cenzura si dezinformare. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a expus aceste dorinte si rugaciuni ale lui adresate la toate persoanele, sufletele, zeii si creaturile, in cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Din anul 2011, rugaciunile lui si el, este inselat si umilit de Vatican,

Italia, Israel, Islam, America, NATO, CIA, FMI, UNESCO, ECHR, India, China, Rusia, Africa, comunisti, capitalisti, judecatori, teologi, politisti, politici, ziaristi, zeii din galaxia solara, zeii din alte galaxii, zeii din infinitul spatiu, etc. Razbunarea la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, impotriva la creaturile care al inseala si al umilesc, este teleportarea sufletelor la creaturile implicate in focul soarelui, pentru stergerea memoriei, si din cand in cand Apocalipsa. Zeii, sufletele si persoanele care reusesc sa citeasca codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, demonstreaza ca au ajuns la nivelul 50 la 100 de inteligenta. La nivelele de inteligenta dintre 50 pana la 100, a fost, este si va fi numai dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Pentru a scrie o carte ai nevoie de un grad de inteligenta de 20. Pentru a citi o carte ai nevoie de un grad de inteligenta de 10. Pentru a face o universitate ai nevoie de un grad de inteligenta de 30. Pentru a activa cele 7 chakra ai nevoie de un grad de inteligenta de 35, sanatate si timp. Pentru a crea timpul, spatiul, inteligenta, microcipul, sufletele, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc, ai nevoie de un grad de inteligenta de 100 la 100. Locul cel mai frumos din infinitul trecut spatiu si din infinitul viitor spatiu, este acolo unde locuiesc numai creaturile cu un nivel de inteligenta, mai mare decat 10 la suta. O creatura cu un nivel de inteligenta de 50 la suta, realizeaza foarte putin frumusetea si beneficiile extrase din posibilitatea de a locui langa o creatura cu un nivel de inteligenta de 100 la 100. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

886 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Orice materie, persoana, zeu, suflet, guvern, galaxie, fenomen, carte, etc, exista, traiesc si pot supravietui, numai in interiorul la casa mea "Corpul Invizibil Viu Infinit, Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Cine poate evada din casa mea, si unde ar putea sa traiasca, si sa se ascunda? Nimeni!!! In afara de casa mea, nici Nimeni, nici Nimic, nici Inexistenta, nu pot iesi. Nici macar in prostie, dezinformare, ignorare, si minciuna nu se pot ascunde si izola. Numai eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, pot trai acolo, unde timpul, spatiul, existenta, nimeni, si nimic, nu poate ajunge, intra si supravietui. Foarte multe creaturi, zei, persoane, carti, fenomene si substante, au incercat sa distruga, sau sa inlocuiasca, casa mea, cu inventiile, ideile si halucinatiile lor, dar nu au reusit, nu reusesc si nu vor reusi, nici macar un milimetru, si nici macar o secunda. Galaxiile, planetele, timpul, spatiul, Paradisul, iadul, tarile, casele, blocurile, etc, sunt foarte putin utile, in comparatie cu casa mea "Corpul Invizibil Viu Infinit, Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Toti soldatii, razboinicii, teroristii, criminalii, escrocii, mincinosii si complicii, din infinitul trecut spatiu, si infinitul viitor spatiu, sunt fabricati, educati, si alimentati, cu: cenzura, secrete, minciuni, dezinformare, imposibil, inexistent, recompense false imposibile, telepatie, Allah, Israel 666, Ra, Cristo, Maria, Italia, Israel, Egipt, Islam, 7 chakra, otet, decalcificante, rosuvastatina, Biblie, Quran, prostie, religii, si politici. Singura lor transformare si salvare, este aceasta fraza, cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Eu sunt adevarul, puterea, inteligenta, timpul, spatiul, existenta, etc, eu sunt dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, puteti avea miliarde de dumnezei, si idoli, nici macar nu ma intereseaza, pentru ca stiu valoarea mea si stiu ca nici unul nu este mai inteligent, puternic, drept, iubitor, iertator, folositor, si prietenos decat mine. --- Inchisorile la diavoli sunt formate din: cenzura, dezinformare, minciuni, imposibil, inexistent, dezordine, haos, aur, bani, filozofii, avantaje imposibile si inexistente, hieroglife, telepatie, profetii, si alte rele. Diavolii au inchis 7 miliarde de persoane, din acesti ani, in peste 300 de inchisori : islam, catolici, ortodocsi, evrei, martori, budisti, secte, capitalisti, talhari, beneficiari, complici, sute de limbi si alfabete, comunisti, sute de politici, sute de economii.UNICEF, UNESCO, SUA, UE, etc. Din toate aceste arhitecturi, diavolii obtin noi suflete teleportate in focul soarelui, pentru a fi purificate de infractiuni, terorism, talharii, crime, razboaie, si complicitate. --- Am sa iti spun anul luna ziua si ora cand am construit sufletele timpul spatiul existenta inteligenta etc, dar sa nu mai spui la nimeni ca moare de ciuda. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Toti regii, presedintii, conducatorii, zeii, sfintii, diavolii, idiotii, complicii, si victimele din infinitul trecut spatiu si din infinitul viitor spatiu, au fost invinsi, judecati, si pedepsiti. Sufletele si zeii care nu isi aduc aminte nimic despre existenta lor, din infinitul trecut spatiu, inseamna ca au fost dezinstalate in caldura soarelui de toate relele si informatiile. Cine cauta zeii sfintii diavolii si sufletele din infinitul trecut spatiu, cu un nume sau cu o rugaciune sau cu o imagine, o fac inutil, deoarece au fost vindecati toti zeii si sufletele din infinitul trecut spatiu de toate relele pe care le-au facut sau la care au fost complici, cu stergerea memoriei. Deoarece nu a existat impreuna: microcipul, Microsoft Excel, video camera, 835 carti tarot, gematria, numerologia, telekineza, telepatia, ceasul, si un corp care sa suporte razele si energiile ESGSEIS. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a dorit tot infinitul trecut spatiu, sa poata comunica, cu toti zeii, sufletele, si persoanele. Prin urmare toate creaturile, zeii, sufletele, si persoanele au fost educate si conduse de hieroglife, idei, iluzii, minciuni, telepatie, 7 chakra, si alte rele. Cele mai frumoase suflete, persoane, si zei, sunt construiti din adevar, dreptate, realitate, informatii, inteligenta ESGSEIS, codul S666N, telekineza, telepatie, securitate, alimente si bauturi comestibile, si evitarea de infectii otravuri si alte rele. --- Adam a incercat sa insele toti zeii, persoanele si sufletele, din infinitul trecut spatiu si din infinitul viitor spatiu cu cateva idei cazute din cer prin telepatie pe

916 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Comunici prin internet cu ajutorul la PC si Microsoft, datorita la dumnezeul ESGSEIS. Folosesti alfabetul si inteligenta datorita la dumnezeul ESGSEIS. Esti bioterapeut incepator, daca nu stii cine a creat inteligenta, Microsoft, microcip, internet, si salvarea oamenilor din mii de inchisori si razboaie de tip alfabetic religios istoric etc. Care sunt solutiile tale, domnule bioterapeut, sa scoti 7 miliarde de persone din razboaiele dintre Islam, Allah, Ra,

Egipt, Italia, Israel, engleza, rusa, latina, araba, gaz, petrol, apa, telepatie, minciuni, imposibil, inexistent, etc? Masa tacerii inventata de ....? Eu am inventat microsoftul, microcipul, excel, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, sa salvez bioterapeutii, zeii, regii, politicii si savantii de neputinta si nestiinta lor sa salveze oamenii din aceste razboaie infinite. Esti bioterapeut? Si ce faceai cand l-au asasinat pe tata pe litera t si numarul 13 ? Si ce faceai cand eram copil, si ma puneau in genunchi sa ma rog la scufita rosie, porcii din Italia si Israel? Esti un zombi fara memorie si informatie care primesti halucinatii telepatice de la diavoli, ca esti mesia la toti zeii oamenii si persoanele din infinitul trecut spatiu si infinitul viitor spatiu cu masa si scaunele alea. ----- Eu am demonstrat clar ca toti zeii, sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu, au inventat numai alfabete, limbi, poezii, religii, politici, minciuni, terorism, inchisori, crime, si talharii. Stiinta, fizica, matematica, anatomia, chimia, medicina, etc, sunt informatii eterne, teleportate in galaxia solara de dumnezeul ESGSEIS, in forma de raze invizibile percepite de glanda pinela la oameni. Demonstrat in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Galaxia solara este telecomandata de dumnezeul ESGSEIS, prin raze invizibile de telepatie percepite de corpul invizibil viu infinit. Apocalipsa la fel. Nimeni nu cunoaste ceva mai puternic si mai inteligent decat codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Un bioterapeut inteligent, un zeu inteligent, un diavol inteligent, nu se lauda cu o masa de piatra, si nu primeste lectii de la autorii si scriitorii de minciuni, poezii, imposibil si inexistent.

917 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Sufletul lui Adolf Hitler a fost teleportat in galaxia solara de dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, pentru asasinarea la escroci, mincinosi, talhari, criminali, si idioti pentru a pregati planeta Pamant pentru intalnirea cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, care este sufletul meu. Carnea lui Adolf Hitler a fost invinsa de autorii la ritualurile de crima si canibalism. Sufletul lui a fost teleportat inapoi. Pentru Apocalipsa s-a teleportat pe planeta Pamant numai dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS. A aratat deja in mod foarte inteligent, prin telepatie telekinezie supranatural matematica si gematrie, asasinarea la toate opozitiile. --- Creierul meu nu este interesat ca un frate canta pentru bani, pentru minciunile lui Israel. Creierul meu a fost inselat de aceste mafii, si pus sa cante pentru onorarea la tiranii escrocii si idiotii, care nu stiau nici ce forma are planeta Pamant, de la 3 ani la 14 ani. La 45 ani, fratele o face pentru bani, comoditate, nesimtire, si dezinformare. China, India, Islam, Rusia, Africa, Egipt, etc, nu are nici un interes pentru minciunile, inselaciunile, si asupririle, fabricate de Israel. Sunt o mie de familii care au talharit mii de trilioane de dolari si euro, si toate resursele naturale datorita la minciunile lui Israel, si datorita la controlul la alte persoane prin telepatie. Aceste familii sunt aparatorii la minciunile lui Israel. Sunt socat de faptul ca aceste familii sunt tolerate de 7 miliarde de victime, comunisti, Islam, ECHR, NATO, CIA, etc, sa alunge copii in genunchi in anul 2000, la intalnirea cu mielul la telepatia la pedofilii glanda pineala teleghidare. Sufletul meu etern invizibil NMEILIS NMEINIS ESGSEIS, a judecat mafiile 7 chakra telepatie, si zeii complicii si victimele construite de acestia, si i-a condamnat la moarte pentru infractiunile de: terorism, inselaciune, imposibil, inexistent, cenzura, falsa informare, sute de milioane de asasinari efectuate in ultimii patru mii de ani, miliarde de oameni talhariti inselati umiliti mutilati si sechestrati, si alte rele. Judecati si condamnati la moarte in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Era bine daca el ucidea escrocii, talharii, criminalii, tiranii, si mincinosii, pana in anul 1900 asa aveam si eu pace etc. Asasinarea la escroci, talhari, criminali, tirani, si mincinosi, de catre corpul invizibil viu infinit, din ordinul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este programata pana pe data de 3 ianuarie 2048. Din nefericire, pare ca creierul meu, trebuie sa vada escrocii, talharii, criminalii, tiranii, si mincinosii, pana in anul 2048. Alti 32 ani. La 73 de ani am sa vad planeta Pamant, numai cu cateva zeci de persoane, care vor fi educate de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Restul omorati pentru infractiunile de mai sus, si imposibilitatea de educare si recuperare.

Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am demonstrat acest adevar, in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si cartea "Mai bun si mai puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Astazi ei cunosc foarte clar minciunile lor si la altii, si toate definitiile si informatiile despre oricine si orice, din cartile mele si razele mele de telepatie, dar nu vor sa se converteasca la adevar, dreptate, egalitate, unitate, si realitate. Eu am rezistat, rezist, si voi rezista tot infinitul trecut spatiu si tot infinitul viitor spatiu, impotriva lor. Eu va respect, va informez, va invat sa scrieti si sa cititi, va educ, si va invat sa va spalati sufletele in tot infinitul trecut spatiu si tot infinitul viitor spatiu. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sufletul din acest trup, creatorul unic la timp spatiu existenta inteligenta suflete microcip etc, am avut, am, si voi avea foarte mari probleme cu toti zeii, sufletele, persoanele, si creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. Unii vor sa fie idioti, escroci, talhari, criminali, mincinosi, teroristi, analfabeti, puturosi, tirani, si alte rele, altii nu vor sa existe astfel de infractori in existenta. Unii vor engleza, unii latina, unii rusa, unii araba, unii America, unii Europa, unii Egipt, unii Iadul, unii Paradisul, unii cenzura, unii alcool, unii adevar, unii minciuna, unii etc, dar nimeni din infinitul trecut spatiu si din infinitul viitor spatiu, nu m-a intrebat ce vreau eu. Nici macar nu vor sa creada in existenta mea. Unii vor sa traiasca trilioane de ani cu trupul la o varsta tanara si neschimbatoare, in loc sa traiasca cu sufletul, ca este mai simplu, comod, distractiv si schimbator in mai bine si mai inteligent. Altii ma obliga sa vreau minciuni, escroci, pedofili, tirani, idioti, talharii, crime, razboaie, etc. Eu vreau ordine, unitate, egalitate, libertate, dreptate, si zei persoane suflete si creaturi destepte, si instalate cu adevar, realitate, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, spatiu, familia, partidul, guvernul si organizatia "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, numele meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul existentei, inteligentei, sufletelor, microcipului, etc., si toate cele bune. Dragi tovarasi, tovarase, zei, suflete, persoane, si creaturi din infinitul trecut spatiu si din infinitul viitor spatiu, eu sunt prietenul, creatorul, salvatorul si educatorul vostru adevarat etern. Nu va mai scoate nimeni microcipul din ganduri si viata, si eu sunt acela care v-am sigilat asa trupurile, nu va mai scoate nimeni codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, din suflete, si eu sunt acela care v-am sigilat asa sufletele. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

923 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Sunt cu totii analfabeti, idioti, diavoli, escroci, neputinciosi, dezinformati, sau victime! Au demonstrat-o fiecare zeu persoana si suflet din infinitul trecut spatiu si din infinitul viitor spatiu, prin cartile lor, prin voturile lor, prin alegerile lor, prin integrarile lor, prin etc. Si cine poate alege adevarul? Numai cine intelege si cine crede in autorul la codul video supranatural de telekinezie si telepatie S666N, creatorul la timp spatiu existenta inteligenta microcip suflete etc., rivalul lui dumnezeul lui Israel, care este diavolul Israel 666. Sunt singurul din infinitul trecut spatiu si infinitul viitor spatiu, care nu sunt de acord cu minciuna, dezinformarea, cenzura, imposibil, inexistent, inselaciune, si pedofilii si criminalii 7 chakra. Israel este construit de diavolul Israel 666. Sufletul la diavol este in trupul lui Bergoglio. Vatican si Israel au fost inchise in anul 2008 pentru inselaciune, terorism, dezinformare si cenzura, prin coduri video supranaturale de telekinezie si telepatie se insista de sase ani la arestarea lor. Sunt comunicatii video paranormale de telekinezie si telepatie. Tot ce a prezentat masonii, Italia, Israel, Egipt, Islam, Allah, sunt numai crime, filozofii, imposibil, inexistet, inselaciune, umiliri torturi terorizari si asasinari de bebelusi copii si oameni. Acesti asasini au repetat tehnicile lor de mutilare, inselaciune, tortura, si asasinare de copii, oameni, si bebelusi si in perioada 1975 - 2016, si au facut-o video online programat. Renuntati la Biblie, diavolul Israel 666, Satan Cristo, diavolul Maria, sau veti fi omorati cu totii, pana pe data de 3 ianuarie 2048. Acestea sunt profetiile din codurile video supranaturale de telekinezie si telepatie S666N, Etern Ordin Infinit, si autorizatie de exterminare la toate creaturile din infinitul trecut spatiu si infinitul viitor spatiu care sunt impotriva la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codurile S666N si Etern Ordin Infinit. Si cine se apuca sa ucida toti opozitorii? Pentru cine este autorizatia de exterminare? Ce cauta astfel de informatie la ochii omului? Autorizatia este pentru "corpul invizibil viu infinit". Tradusa si la inteligenta umana, in codurile video supranaturale de telekinezie si telepatie. Din 36 de ani de toleranta, au mai ramas 32. Patru ani i-a furat G20, NATO, CIA, Vatican, Islam, etc.

924 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Pentru curiozitatea ta, Maria nu este o cultura, Maria este un diavol invizibil intrat in carnea la acea femeie neputincioasa si dezinformata, identificat in codul video supranatural de telekinezie si telepatie S666N. Satan, fiul la acest diavol, alta creatura invizibila, a stat si a pilotat carnea lui Cristo. Dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, acela care a adus toate persoanele la inteligenta Microsoft, microcip, si celular, are dusmanie de moarte, pe Maria, Cristo si zeul lui Israel, si pana pe 3 ianuarie 2048, v-a spus in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, ca va ucide pe toti adoratorii lui Maria, Israel 666, satan Cristo, si pe toti opozitorii. Cea mai puternica forma de inteligenta de pe planeta Pamant si din infinitul trecut spatiu si din infinitul viitor spatiu, este codul video supranatural de telekinezie si telepatie S666N. Faci prea mult zgomot pentru minciuni si povesti. Nimeni nu a contestat acest personaj invizibil care a teleghidat pentru patru mii de ani razboaiele impotriva la acesti diavoli. Cu ce poate fi invinsa inteligenta de telekinezie si telepatie S666N? Cu nimic. Victoria la dumnezeul ESGSEIS, se vede deja in codul S666N, si se va vedea si in apocalipsa. Asasinul lui America, Israel, Islam, Italia, si toti aleatii lor, este chiar materia invizibila in care traiesc, adica "corpul invizibil viu infinit". --- Cine pune in genunchi copii lui in fata la altii, sau chiar pe el insusi, ori este distrus la creier, ori este escroc, ori primeste bani. Cine pune pe altii in genunchi in fata lui, este idiot, escroc, tiran, monstru, si trebuie sa fie pedepsit si arestat. Am facut acest lucru in codul S666N. Cuvantul la creatorul la timp spatiu existenta inteligenta etc. Dumnezeii care terorizeaza, tortureaza, mutileaza, cenzureaza, dezinformeaza, mint, inseala, si omoara, bebelusi copii si oameni au fost invemtati de Egipt, Israel, Islam, Italia, Romania, Grecia, etc. Nu au nici un interes sa raspunda penal in fata la dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, la victimele lor, si la toate creaturile din infinitul trecut spatiu si infinitul viitor spatiu. Au repetat abilitatile lor, pe trupul meu, intre anii 1975 si 20.., in mod video online. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu vrea sa fie complicele la cavalieri, Cristo, Maria, Allah, Ra, Israel, Egipt, Islam, Italia, Romania, Grecia, etc. --- Cavalerii templieri au fost invinsi prin codul video supranatural de telekinezie si telepatie S666N si Etern Ordin Infinit. Vor fi exterminati de corpul invizibil viu infinit, pana pe 3 ianuarie 2048, ei si victimele lor. Cavalerii, Allah, Ra, Cristo, Maria, Israel 666, au fost arestati de dumnezeul adevarat ESGSEIS, video supranatural. Nu stiu de ce isi mai bat joc, de timpul lui Antoniu Martin, prin telepatie. Au fost invinsi inteligent, definitiv si irevocabil. --- Aparatorii la minciuni, imposibil, inexistent, si diavoli, sunt tot diavolii. Arhiva online, dupa care vor fi cautati toti oamenii posedati de diavoli, prostie, dezinformare, imposibil, si inexistent, este internetul, facebook, google, etc. Au demonstrat caracteristicile lor de diavoli, monstri, talhari, escroci, si mincinosi, in mod online, toti pedofilii, mincinosii, escrocii, si talharii din acesti ani. Nu votam minciuna, cenzura, imposibil, anul 2000, expirat, si tiranii, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Cuvantul la creatorul la timp spatiu existenta inteligenta microcip suflete codul video supranatural de telekinezie si telepatie S666N, impreuna cu toti zeii, sufletele, si persoanele corecte, informate, si inteligente. --- Cand dracu va maturizati si recunoasteti ca biblia, novus ordo seclorum, Quran, si povestile cartile statuile etc la masoni, cavalieri, etc, sunt exagerat de nesimnificative pe langa inteligenta video supranaturala de telekinezie si telepatie S666N. Vreau ceva mai puternic decat codul video supranatural de telekinezie si telepatie S666N si Etern Ordin Infinit. Chiar nu vreti sa intelegeti ca nimeni nu ma poate depasi in telekinezie, telepatie, supranatural, adevar, si realitate ????

Vaticano e templari mi hanno mutilato e torturato attraverso telepatia per 41 anni, in modo video online, in complicita con governo, media, tribunale, polizia, e politica, di Italia, Israel Islam Romania America G20 ECHR NATO Allah Ra Cristo Maria Adam Eva etc. Sono molti, che mi vogliono uccidere, so questo da 5 anni. Io non voglio amare e accetare gli dèi pedofili, tiranni, nascosti, criminali, e imbecili, che non sapevano nemmeno la forma della pianeta Terra. Da sei anni sono attento dove bevo, dove mangio, e mangio solo con i parenti, e qualche amicizia che credo che sia affidabile. Sto male da tre giorni. 9.09.2016. Ho mall di testa, dolori polmonari, perdo sangue da naso, e sensazioni di svenimento. Angela, amica di Cornelia, è stata nella profezia quando hanno ammazzato il mio padre su lettera t e numero 13 di infarto in ospedale a 67 anni. Anche Cornelia è stata utilizzata senza la sua conoscenza in questa previsione telepatica. I mostri sono al di là di loro ghiandola pineale. I biscotti erano avvelenati? Gli ha comprati da mercato, o gli ha dato i criminali dalle mafie ghiandola pineale? E dopo, gli ha portato dopo a me, tutto telecomandato attraverso ghiandola pineale? O gli ha avvelenato mentre erano nel carrello della spesa? O "spesa a casa tua". O forse questa è un altra infezione trasportata attraverso i familiari. Mi vogliono rubare il codice video soprannaturale di telecinesi e telepatia S666N, e il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito. Da cinque anni inutilmente. Mi vogliono diffamare attraverso infezioni, veleni, e telepatia. Mi vogliono sconfiggere con la spada, veleni, infezioni, bugie, riccati, telepatia, impossibile e inesistente. Gli ho sconfitti per sempre tutti tiranni e bugiardi. Tiranni e bugiardi hanno sconfitto gli dèi, le persone, e le anime, con censura, la spada, veleni, infezioni, bugie, riccati, telepatia, impossibile, alcool, e inesistente. Per gli stupidi hanno costruito un dio inesistente, tiranno, bugiardo, idiota che non sapeva nemmeno la forma della pianeta Terra, pedofilo, assassino, cattivo, e nascosto. Per quelli intelligenti e corretti, c'è un dio troppo sofisticato e complicato eterno invisibile che si ha presentato nel codice video soprannaturale di telecinesi e telepatia S666N, e il codice video soprannaturale di telecinesi e telepatia

Se ti interesa, mi piace. Ti ringrazio. Risposte dettagliati alle tuoi domande, fatti fino adesso gli ho scritti nei miei libri. Gli ci sono tutti dettagli delle guerre tra le mafie 7 chakra, cavalieri, islam, Egitto, Vatican, ecc. Sono 7 mila pagini di spiegazioni. Se vuoi tutto il matteriale che ho, 250 GB, di telecinesi, telepatia, omicidi video online, mutilazioni, miei libri, ecc, ti gli posso mandare, se sono interessato dalla tua proposta di donazione. Per questo materiale, io ho perso la mia salute, aziende, attività, 41 anni dalla mia vita, ho subito sequestri telepatici, mutilazioni, scandali, conflitti, galera, omicidio di mio padre, pilotaggio di due aborti, mutilazioni o omicidio di quelli intorno, e ecc. ----- Ho parlato nei miei libri di 41 anni della mia vita, e dei giochi, mutilazioni, telepatia e omicidi seminati intorno a me, e dentro di me, di Vaticano, Italia, Israel, Romania, Islam, CIA, FBI, NATO, FMI, e tutti ladri truffatori e criminali legalisati, dall 1975-2016. 925 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Dumnezeii construiti din minciuni, imposibil, si inexistent au sechestrat, sechestreaza, si vor sechestra, toate creaturile, persoanele, sufletele si zeii, numai in razboaie, terorism, nedreptate, talharii, inselaciuni, umiliri, si alte rele. Dumnezeii construiti din una sau mai multe dintre urmatoarele: activarea la cele 7 chakra, cenzura, secret, imposibil, inexistent, inselaciune, dezinformare, si necunoscut, au produs, produc, si vor produce, numai terorism, razboaie, conflicte, idioti si victime. Dumnezeii construiti de om, care efectueaza una sau mai multe dintre actiunile: umilesc, talharesc, terorizeaza, dezinformeaza, inseala sau omoara amatorii, adversarii, sclavii, sau beneficiarii lor, trebuiesc arestati, dezmembrati, si dizolvati. Dumnezeii construiti de oameni, sunt adversarii la dumnezeul dumnezeilor etern invizibil NMEILIS NMEILIS ESGSEIS. Dumnezeii construiti de oameni, inseala, mint, prostesc, desfigureaza, tortureaza, mutileaza, sechestreaza, terorizeaza, umilesc, pedepsesc, si omoara, toti amatorii, slujitorii, victimele, dusmanii, adversarii, si iubitorii lor. Singura solutie demonstrata si eficienta, de vindecare si ajutor la toti criminalii, talharii, idiotii, escrocii, rasistii, infractorii, si puturosii, este fabricata de dumnezeul ESGSEIS, si este prezentata in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Sau alta solutie este teleportarea sufletelor imprimate gresit, in focul si caldura soarelui. Nu sunt alte solutii, inventii, magii, etc de spalare si purificare a sufletelor. Am investigat si probat deja, trilioane de milenii. Creaturile educate cu otravuri, alcool, stres, tentatii, dezinformare, si dezordine, sunt foarte periculoase, si isi fac rau lor, si la toata societatea. Creaturile educate cu religii, sau filozofii, sau politici, sau informatii complete, isi fac foarte putin rau lor si la toata societatea. Creaturile educate cu adevar, realitate, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", nu isi fac deloc rau, nici lor, si nici la toate creaturile zeii sufletele si personele, din infinitul trecut spatiu si infinitul viitor spatiu, dar, ei vor face foarte multa neplacere invidie si stres, lui Italia, Israel, Islam, Egipt, America, mafiile 7 chakra telepatie, masoni, secte, cavalieri templieri, Allah, Cristo, Maria, Ra, criminali, escroci, talhari, drogati, alcoolizati, mincinosi, tirani, vampiri, canibali, si infractori. Cu acest adevar va ofer titlul de escroci, mincinosi, criminali, si talhari, si asasinii la adevar, realitate, dreptate, pace, si egalitate in organizatia "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu", organizatie construita de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. ---- Cine vrea sa al respecte pe Baetel Talin Anton Cristian si pe sufletul lui, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, atunci nu trebuie sa atinga gandurile lor cu minciuni, imposibil, inexistent, cenzura, dezinformare, secret, necunoscut, inselaciune, terorism, rugaciuni, inchinari, ritualuri de crima si canibalism, expirat, otravuri, alcool, tentatii, nedreptate, sechestrari, santaj, si alte rele. Cine vrea sa al respecte pe Baetel Talin Anton Cristian si pe sufletul lui, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, atunci nu le distruge si nu le dizolva unitatea, egalitatea, libertatea, dreptatea, zeii persoanele sufletele si creaturile corecte si inteligente, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, spatiu, familia, partidul, guvernul si organizatia "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", codurile video supranaturale de telekinezie si

Sanatatea, copilaria, si trecutul, nu al mai cer inapoi, pentru ca nu mi le mai poate da inapoi nimeni, nici macar sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Compensatii si despagubiri care pot echivala pierderea la sanatatea, copilaria, si trecutul meu, nu exista, dar mai rau este si va fi, daca raman inselat, furat, talharit, si cenzurat, tot infinitul trecut spatiu, si tot infinitul viitor spatiu, de Italia, Israel, Islam, Egipt, mafiile 7 chakra telepatie, politici, judecatori, oameni, zei, suflete, si toate creaturile din infinitul trecut spatiu si infinitul viitor spatiu. Sau chiar mai rau de atat, pus autor si complice, la minciunile si escrocheriile lor. Astazi v-am demonstrat, ca va iubesc pe toti foarte mult, din inima si suflet. 928 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Cartea "In zodia puterii". Este o alta infractiune la diavolii telepatici glanda pineala. Au fost arestati autorii, complicii, si sustinatorii, si judecati pentru blasfemie, inselaciune, dezinformare, terorism, scandal, dezordine, si minciuna. Au fost arestati autorii, complicii, si sustinatorii, si judecati prin codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. La fel ca autorii, complicii, si sustinatorii, la Biblie, Quran, Novus Ordo Seclorum, etc. Nu am citit nici o pagina. Este o inselaciune. Oamenii construiesc numai prostii, lanturi intelectuale, si inselaciuni. Vor sa imi distruga codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, cu o mana de hartii mazgalite de o persoana cu 50 de ani de studii, studii imprumutate de la cinci mii de ani de investigatii efectuate de miliarde de persoane. Persoana telecomandata prin telepatie de patru sute de cavaleri templieri. Cartile sunt cautate de oameni slabi si dezinformati. Zeii si oamenii puternici, cauta coduri video supranaturale de telekinezie si telepatie. Faima, valoarea, inteligenta si puterea la carti, iluzii, minciuni, imposibil, inexistent, si la scrisul pe piatra, hartie, sau internet, este extrem de mica pe langa faima, valoarea, inteligenta si puterea la coduri video supranaturale de telekinezie si telepatie. Cavaleri templieri, Allah, Ra, Egipt, Israel, Vatican, etc, sa faca un mic efort intelectual, si sa inteleaga puterea la inteligenta dintr-un cod video supranatural de telekinezie si telepatie, si puterea la o idee si halucinatie scrisa

intr-o carte pe piatra, hartie, sau internet. Cavaleri templieri au fost o banda de criminali care au pazit "in zodia puterii", pentru trei mii de ani. Rezumatul : persoane drogate cu otet si teleghidate prin telepatie pe litere, numere, idei, si nume. Clar vazatorii la lumea de dincolo de glanda pineala. Daca va doare ca v-am calcat pe cap, v-am invins, si v-am izbit la pamant, pe toti autorii, constructorii, cultivatorii, cavalerii, protectorii, si amatorii la alfabetul latin, Europa, America, Biblie, Quran, Allah, Ra, Egipt, Cristo, Maria, etc, va recomand un tratament unic si eficient : codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Inteligenta supranaturala de telekinezie si telepatie S666N, si Etern Ordin Infinit, nu este rezultatul la investigatiile la zeii, oamenii si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu !!! Inteligenta supranaturala de telekinezie si telepatie S666N, si Etern Ordin Infinit, este inteligenta construita de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este inteligenta cu care a fost construita galaxia solara, timpul, spatiu, existenta, sufletele, microcipul, etc.si este inteligenta cu care vor fi distruse timpul spatiu etc. --- Daca arunc pe jos la un porc un cartof, carti cu minciuni imposibil telepatie si inexistent fabricate de oameni, si codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit fabricate de mine, vom constata ca porcul alege cartoful. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu sunt invidios pentru alegerea porcului. Daca arunc pe jos la oameni niste alfabete, niste iluzii, carti cu minciuni imposibil telepatie si inexistent fabricate de oameni, si codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit fabricate de mine, vom constata ca oamenii sunt obligati cu santaj, bombe nucleare, si razboaie, sa aleaga minciuna, cenzura, secretul, dezinformarea, inselaciunea, cartile cu minciuni imposibil telepatie si inexistent fabricate de oameni, si toate cele rele. Antoniu Martin a ales minciuna si dezinformarea pentru aplauze, bani, si faima, astfel el v-a pierde memoria sufletului impreuna cu toate amintirile si cu toate informatiile false, prin teleportarea la sufletul lui in focul soarelui. Nu faceti ca Antoniu Martin si masoneria, chiar daca sunteti obligati cu bombe nucleare. Pentru toti zeii, persoanele, sufletele, idiotii, escrocii, dezinformatii, si etc, eu am ales codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, sau focul soarelui. Nu pot umple existenta de teroristi, analfabeti, idioti, si escroci. Cuvantul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. --- Domnule Allah, Ra, Israel 666, Adam, Eva, Cristo, Maria, Jorge Mario Bergoglio, si voi domnilor si doamnelor din infinitul trecut spatiu si infinitul viitor spatiu, voi credeti ca cartile voastre cu idei, iluzii, filozofii, povesti, minciuni, telepatie, rasism, crime, inselaciuni, dezinformare, dezordine, imposibil, si inexistent sunt mai puternice decat codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit ? Daca ati raspuns da, atunci ati comis o alta infractiune, pentru care veti fi pedepsiti cu moartea.

The book "In the sign of power." Freemasonry. Is another infraction of the devils telepathic pineal gland. Have been arrested the perpetrators, accomplices and supporters, and judged for blasphemy, fraud, misinformation, terrorism, scandal, disorder, and falsehood. Have been arrested the perpetrators, accomplices and supporters, and judged through the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Like the authors, accomplices and supporters, at the Bible, Quran, Novus Ordo seclorum, etc. I have not read nor a page. It is a illusion. People build nonsense, intellectual chains, and scams. They want to destroy my code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order, with a handful of papers written of a person with 50 years of studies, studies borrowed from five thousand years of investigation performed of billions persons. A person remotely controlled through telepathy of four hundred Knights Templar. The books are sought of creatures which are weak and misinformed. Gods and powerful people, search the codes video supernatural of telekinesis and telepathy. The fame, value, intelligence and strength to books, delusions, lies, impossible inexistent, and at the writing on stone, paper, or internet, is extremely small in comparison with the fame, value, intelligence and strength at the codes video supernatural of telekinesis and telepathy. Knights Templar, Allah, Ra, Egypt, Israel, Vatican, etc., to do a little intellectual effort, and understand the power from the intelligence from the codes video supernatural of telekinesis and telepathy, and the power from the intelligence from an idea and hallucination, written in a book, on rock, paper, or internet. Knights Templar have been a gang of criminals, who guarded the book "the sign of power" for three thousand years. The summary: people intoxicated with vinegar and teleguided through telepathy on letters, numbers, ideas, and names. Clairvoyants, to the world beyond the pineal gland. I have defeated all mafias, all authors, builders, cultivators, knights, protectors and amateurs, at the Latin alphabet, Europe, America, Bible, Quran, Allah, Ra, Egypt, Cristo, Maria, etc.. I recommend a unique and effective treatment: the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. The intelligence video supernatural of telekinesis and telepathy S666N, and Eternal Infinite Order, is not the result of the investigations at all gods, souls and persons from all the infinite past space and all the infinite future space !!! The intelligence video supernatural of telekinesis and telepathy S666N, and Eternal Infinite Order, is the

intelligence constructed of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, is the intelligence with which was built the solar galaxy, time, space, existence, souls, microchip, etc., and is the intelligence with which will be destroyed the time space etc. --- If I throw on foot at a pig, a potato, books with telepathy impossible inexistent and lies fabricated of people, and the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order fabricated of me, we notice that the pig choose the potato. I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I am not envious by the choice of the pig. If I throw on foot at the people some alphabets, some illusions, books with lies impossible telepathy and inexistent fabricated by people, and the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order fabricated of me, we notice that the people are forced with blackmail, nuclear bombs, and wars, to choose the lying, censorship, secrecy, misinformation, deception, and the books with lies impossible telepathy and inexistent fabricated by people, and all the bad. Antony Martin has chosen the lies and misinformation, for applause, money, and fame, so he did lose the soul memory together with all the memories and all the false informations, through teleportation at his soul in the heat of the sun. Ye shall not do as Antony Martin and Freemasonry, even if you are forced with nukes. For all the gods, people, souls, idiots, crooks, and etc, I have chosen the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order, or the fire of the sun. I can not fill the existence with terrorists, illiterate, idiots, and crooks. The Word of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. ---- Mr. Allah, Ra, Israel 666, Adam, Eve, Cristo, Maria, Jorge Mario Bergoglio, and ye ladies and gentlemen from all the infinite past space and the infinite future space, ye think as your books with ideas, delusions, philosophers, stories, lies, telepathy, racism, murders, deception, misinformation, disorder, impossible, and inexistent, are stronger than the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order? If ye have answered yes, then ye have committed another crime, for which ye will be punished with death. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Signor Jorge Mario Bergoglio, il diavolo Israel 666, parla con la tua bocca e il tuo corpo. Unita di tutte le chiese è soltanto il codice video soprannaturale di telecinesi e telepatia S666N e il codice Eterno Ordine Infinito. --- Ho capito perché dio eterno invisibile ESGSEIS, ha comunicato nell codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito, il sterminio di Italia, Israel, Islam, America, illuminati, e loro complici e alleati. Perché il loro salvatore e educatore, è la bugia, un libro e un dio e una persona che non sapevanno nemmeno la forma della pianeta Terra, anno 2000, ecc, e loro nemico è il dio ESGSEIS, la verita, la realita, e tutte le cose buone. Io dubito della comunicazione di dio ESGSEIS, perché lui e invisibile e non sono allenato per credere in cose che non vedo e non capisco. Se è verro, ni dovrebe dire Ratzinger e Bergoglio, cosi sapiamo se Italia e suoi alleati insieme a loro, sarrano ammazzati di "corpo invisibile vivo infinito", per ordine di dio ESGSEIS. ---- Ratzinger e Bergoglio non sono interessati e preocupati dal loro omicidio esseguito di "corpo invisibile vivo infinito", per ordine di dio ESGSEIS. Sono vechi. Non hanno piu nulla da vedere. Nella essistenza dell anima non credono. Quindi non pensano all omicidio della loro anima. Doveti pensare voi a vostri figli e voi stessi, perché Vaticano vi hanno venduto alla morte e bugia, da anno 2011.

929 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Au trecut miliarde de milenii, in care eu nu am putut face nimic impotriva la razboaiele dintre creaturi, zei, suflete, si persoane, din tot infinitul spatiu. Pentru miliarde de milenii, creaturile, zeii, sufletele, si persoanele, din infinitul spatiu, au cautat inutil creatorul lor, pacea, adevarul, realitatea, unitatea, dreptatea, egalitatea, respectul, si toate cele bune. Astazi eu creatorul lor, eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am reusit sa arat in mod vizibil video online existenta mea, si sa le arat demonstratiile la pace, adevar, realitate, unitate, dreptate, egalitate, respect si toate cele bune, prin codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Foarte multe creaturi, zeii, suflete si persoane din anul 2011 pana in anul 2016, au votat minciuni, imposibil, inexistent, expirat, cenzura, dezinformare, inselaciune, necunoscut, terorism, razboaie, crime, alcool, droguri, teleghidare prin telepatie, inchisori de tip alfabetic istoric religios economic politic si orice alt tip, si talharia la toate resursele naturale si profitul din infinitul trecut spatiu si infinitul viitor spatiu prin legi banci si religii, si alte infractiuni. Vatican, Italia, Israel, Romania, iluminatii, masoneria, cavaleri templieri, etc, m-au amenintat cu moartea daca nu ascund pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, adevarul, realitatea, dreptatea, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Si ca sa imi demonstreze ca ei nu glumesc, au asasinat persoane nevinovate si dezinformate video online. Au asasinat chiar pe tata pe litera t si numarul 13. Informatiile lor sunt extrem de primitive si slabe, in comparatie cu codul video supranatural de telekinezie si telepatie S666N, si informatiile lor sunt pline de minciuni, teleghidare prin telepatie, terorism, razboaie, crime, si inselaciune. Vatican, Italia, Israel, Romania, iluminatii,

masoneria, cavaleri templieri, etc, au fabricat pentru toate creaturile din infinitul trecut spatiu si infinitul viitor spatiu, numai minciuni, imposibil, inexistent, expirat, cenzura, dezinformare, inselaciune, necunoscut, terorism, razboaie, crime, alcool, droguri, teleghidare prin telepatie, inchisori de tip alfabetic istoric religios economic politic si orice alt tip, si talharia la toate resursele naturale si profitul din infinitul trecut spatiu si infinitul viitor spatiu prin legi banci si religii, ritualuri de crima si canibalism, rugaciuni la tirani, extorsiuni, santaj, si alte infractiuni. Egipt, Islam, etc au facut la fel, dar au mai adaugat in plus o ora pe zi de rugaciuni la tirani, activarea la glanda pineala si cele 7 chakra, mutilari genitale, si limba araba. Rusia, China, etc, inca nu au fabricat un proiect de educatie, pace, unitate, egalitate, adevar, libertate, si inteligenta divina. Eu nu votez si nu fabric pentru mine si pentru copii mei, minciuni, inselaciune, prostie, si alte rele, asa cum ma invata si ma obliga sa fac, toate creaturile din infinitul trecut spatiu si din infintul viitor spatiu. Atat pot face eu pentru toti si pentru mine. Nu ofer promisiuni false imposibile la nimeni, pentru nimic. Pentru existenta mea, nu am nevoie nici macar de nimic. Inaintea mea nu era, nici timpul, nici spatiu, si nici nimic. Eram doar eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Uitativa la Allah, Cristo, Ra, Israel 666, Maria, masoneria, cavaleri templieri, Vatican, Italia, Israel, etc, in ce rahat s-au bagat datorita la inteligenta lor slaba si mizerabila, si au inselat oamenii ca le ofera un Paradis si viata vesnica a trupului in locul la viata vesnica a sufletului, numai daca omoara sau convertesc la ei, adversarii lor. Sunt ideile lor mizerabile, prin care s-au facut de rusine tot infinitul trecut spatiu si tot infintul viitor spatiu. Astazi creatorii la astfel de minciuni sunt prezenti printre noi. Eu le-am sters memoria sufletului, sa nu inebuneasca, daca descopera toti oamenii, zeii, si sufletele, ca ei sunt responsabilii si inventatorii la astfel de minciuni, razboaie, genocide, crime, inselaciuni, etc. Memoria sufletului la infractori, se poate sterge numai in caldura soarelui. Nu am gasit alte solutii eficiente. Oamenii au inventat inselatorii, legi, religii, balauri, tirani, pedepse, inchisori, etc, pentru a preveni infractiunile. Mai bun decat nimic. Din cauza la minciunile si povestile lor, imi este rusine si mie ca sunt un dumnezeu, ca sunt dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Eu am instalat in gandurile la toate persoanele microcipul, celularul, si internetul. Inca nu mi-a multumit nimeni. Tu ce vrei sa votezi pentru trupul tau, sufletul tau, copii tai, si toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu. Ai toate informatiile necesare pentru a vota cine este dumnezeul dumnezeilor etern invizibil si care este numele lui? Ce fel de informatii ai invatat ca sa poti vota corect? Raze de telepatie, halucinatii, necunoscut, dezinformare, autori de carti care nu stiau nici macar forma la planeta Pamant, imposibil, inexistent, si idei? Sau coduri video supranaturale de telekinezie si telepatie? Din 2011, pana astazi numai trupul meu a studiat adevarul video online S666N si Etern Ordin Infinit, si numai eu am votat corect, cine este dumnezeul dumnezeilor etern invizibil. Este chiar sufletul meu, NMEILIS NMEINIS ESGSEIS. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Billions of millennia have passed, in which I could not do nothing against the wars between all the creatures, gods, souls, and people from all the infinite space. For billions of millennia, creatures, gods, souls, and people from the infinite space, have searched useless their creator, peace, truth, reality, unity, justice, equality, respect, and all the best. Today I their creator, I the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have managed to show in mode visibly online video my existence, and to show them the demonstrations at peace, truth, reality, unity, justice, equality, respect and all the best, through the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, and the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything". Many creatures, gods, souls and people from the year 2011 until 2016, have voted lies, impossible, inexistent, expired, censorship, misinformation, deception, unknown, terrorism, wars, murders, alcohol, drugs, teleguided through telepathy, prisons of type alphabetic religious historian political economic and any other type, robbery at all natural resources and profit from the infinite past space and the infinite future space through laws religions and banks, and other offenses. Vatican, Italy, Israel, Romania, Illuminati, Freemasons, Knights Templar, etc., have threatened on me with death, if I do not hide the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the truth, reality, justice, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, and the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything". And for to prove that they not joking with me, they have murdered innocent and misinformed people, online video. Even have murdered my father on the letter t and the number 13. Their information are extremely primitive and weak, in comparison with the code video supernatural of telekinesis and telepathy S666N, and their information are full of lies, teleguided through telepathy, terrorism, wars, murders, and deception. Vatican, Italy, Israel, Romania, Illuminati, Freemasons, Knights Templar, etc., have manufactured for all creatures from the infinite past space and the infinite future space, only lies, impossible, inexistent, expired, censorship, misinformation, deception, unknown, terrorism, wars, murders, alcohol, drugs, teleguided through telepathy, prisons of type alphabetic religious historian political economic and any other type, robbery at all natural resources and profit from the infinite past space and the infinite future space through laws religions and banks, rituals of murder and cannibalism, prayers to tyrants, extortion, blackmail, and other offenses. Egypt, Islam, etc. have done the same, but have added extra one hour on day of prayers to tyrants, activating the pineal gland and the 7

chakra, genital mutilation, and Arabic. Russia, China, etc., have not yet produced a draft education, peace, unity, equality, truth, freedom, and divine intelligence. I do not vote and do not produce, for me and for my kids, lies, deceit, stupidity, and other evils, as learn me and compels me to do all creatures from the infinite past space and the infinite future space. Only that, I can make for me and for everyone. I do not give false promises impossible to nobody, for nothing. For my existence, I did not need nor even of nothing. Before me, it was not, neither the time nor space, and nor nothing. It was just me, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Look at Allah, Cristo, Ra, Israel 666, Maria, Freemasonry, Knights Templar, Vatican, Italy, Israel, etc, in what bullshit they have blocked on they and on all, due to their intelligence weak and miserable, and have cheated the people, that gives them a Paradise, and the eternal life for body instead of eternal life of the soul, only if they kill or convert at they, all opponents. Are their ideas miserable, through which have been made of shame on they, all the infinite past space and all the infinite future space. Today, the creators at such lies, are present among us. I have erased the memory of their soul, for that they to not suffer if discovers all people, gods and souls, that they are leaders and inventors to such lies, wars, genocide, murder, deceit, etc. The memory of the souls at criminals, can be deleted, only in the heat of the sun. I have not found other effective solutions. The people have invented scams, laws, religions, monsters, tyrants, punishments, prisons, etc., for to prevent the offenses. Better than nothing. Due at their lies and their stories, I am embarrassed myself because I am a god, because I am the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. I have installed in the thoughts at all persons, the microchip, cell phone, and internet. Yet no one thanked me. What do you want to vote for your body, your soul, your children, and all the creatures from the infinite past space and the infinite future space. You have all the informations needed to vote who is the god of the gods eternal invisible and who is his name? What kind of informations did you learn that you can vote right? Rays of telepathy, hallucinations, unknown, misinformation, authors of books that did not even known the form at the planet Earth, impossible, inexistent, and ideas? Or the codes video supernatural of telekinesis and telepathy? From 2011 until today, only my body has studied the truth video online S666N and Eternal Infinite Order, and only I have voted right, who is the god of the gods eternal invisible. It even my soul, NMEILIS NMEINIS ESGSEIS.

930 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Diavolii nu pot fi gasiti, vazuti, recunoscuti, controlati, invinsi, si alungati, de catre oameni, teologi, magi, ingeri, si zei. Diavolii pot fi gasiti, vazuti, recunoscuti, controlati, invinsi, si alungati, numai de "corpul invizibil viu infinit", si de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Este foarte clar demonstrat acest adevar in codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, codul video supranatural de telekinezie si telepatie "cine este sufletul lui Jorge Mario Bergoglio?" si raspunsul este diavolul, si codul video supranatural de telekinezie si telepatie "autorizatie de exterminare la toate creaturile anti S666N si Etern Ordin Infinit" cu taiere la cartea Adam. "Corpul invizibil viu infinit", si dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, nu pot fi gasiti, vazuti, recunoscuti, controlati, invinsi, si alungati, de nimeni. Au vazut acest adevar tot infinitul trecut spatiu si tot infinitul viitor spatiu, toti oamenii, teologii, magii, ingerii, diavolii si zeii. Ei sunt obligati sa creada in ceia ce nu pot vedea niciodata, si nu pot intelege, desi demonstrat si explicat in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Diavolul din interiorul lui Jorge Mario Bergoglio, a anulat prin telepatie intalnirea cu mine si sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, din data de 14 Septembrie 2016 ora 11:30. S-a teleportat doar sufletul meu in interiorul la sufletul lui Jorge Mario Bergoglio. Diavolul nu vrea sa renunte la Vatican, la oameni, si la conflictul dintre opozanti si el, in Apocalipsa construita de el. Diavolul nu crede in "corpul invizibil viu infinit", dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si vrea limba latina pentru toti, ritualuri de crima si canibalism, cenzura, minciuni, inchinari, rugaciuni, inselaciune, razboaie, terorism, imposibil, inexistent, expirat, inchisori, talharii, si alte rele. Diavolul doreste sa ramana in viata in infinitul trecut spatiu si in infinitul viitor spatiu, numai creaturile, zeii, persoanele, si sufletele care sunt mai slabi si mai idioti decat el, pentru ca sa poata ramane el rege conducator si papa, in eternitate. Limba araba, Islam, Allah, si Quran, nu pot invinge limba latina, diavolul Israel 666, satan Cristo, diavolul Maria, si Biblia, si nu pot invinge ateii, China, Rusia, India, si toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, din cauza la adevar, realitate, "corpul invizibil viu infinit", dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Si invers. Nici "corpul invizibil viu infinit", si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu a putut invinge din 2011, diavolii, masoneria, cavalerii templieri, musulmanii, catolicii, evreii, ateii, mii de religii secte politici si alfabete, zeii si idiotii, prin codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, deoarece sunt cenzurate. Vor fi invinsi de "corpul invizibil viu infinit", si dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, toti opozantii, prin asasinarea lor in Apocalipsa construita si efectuata de "corpul invizibil viu infinit", si dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, pana pe data de 3 ianuarie 2048. Eu cred in "corpul invizibil viu infinit", dumnezeul dumnezeilor NMEILIS NMEINIS ESGSEIS, codurile video supranaturale de telekinezie si telepatie S666N si

Etern Ordin Infinit, si Apocalipsa. ---- Distrugerea la adevarul, realitatea, dreptatea, egalitatea, viata vesnica, si memoria la toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si infinitul viitor spatiu, este o meserie eterna organizata de religii, politici, media, tv, ziare, scoli, etc. Distrugerea la codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", sechestreaza si incuie toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si infinitul viitor spatiu, in minciuna dezinformare imposibil si inexistent si le extrage si distruge orice imprimare cu adevar, realitate, pace, egalitate, dreptate, si viata vesnica. Talharia la toate resursele naturale, banci, si profitul, din infinitul trecut spatiu si infinitul viitor spatiu prin ajutorul la legi, politici, si religii, este o alta problema infinita. Cati zei, suflete, si persoane, din infinitul trecut spatiu si infinitul viitor spatiu, cunosc aceste informatii, adevarul, realitatea, dreptatea, egalitatea, si viata vesnica? Pana astazi am cunoscut aceste informatii, numai eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. De sase ani sunt foarte multi, care interzic aceste informatii.

Come mai il govero italiano, ha fato simili esperimenti sull uomo, illegalmente, abusivo, e senza stipendi e risarcimenti. Anzi, hanno ammazzato la gente intorno a me, per farmi tacere e rinunciare. Rocco Politi è una maschera cosciente, o è qui nella mia pagina per darmi consigli, telecomandato attraverso telepatia? Come si è opposto il "corpo invisibile vivo infinito" e dio degli dei NMEILIS NMEINIS ESGSEIS, a questi imbrogli seminati da tre mila ani di Italia, Israel, Islam, e Egitto, si vedi nei codici video soprannaturali di telecinesi e telepatia S666N e Eterno Ordine Infinito. Governo 2008 - 2016 di Italia, ha paura della condana a morte, per omicidio di neonati, bambini e gente in modo video online, censura, disinformazioni, riccati, estorsioni, furto e distruzione di intelligenza divina soprannaturale di telecinesi e telepatia, tentato omicidio dell "corpo invisibile vivo infinito" e di dio degli dei eterno invisibile NMEILIS NMEINIS ESGSEIS . Islam, Egitto, Italia, Israel, Allah, Ra, Adam, Eva, ecc, non sono stati creati con strumenti, corpo, e intelligenza per poter conoscere il "corpo invisibile vivo infinito" e dio degli dei eterno invisibile NMEILIS NMEINIS ESGSEIS. Dimostrato nei codici video soprannaturali di telecinesi e telepatia S666N e Eterno Ordine Infinito. Gesu Cristo è satan ed è stato sconfitto. In alternativa te, Allah, Ra, Egitto, CIA, cavalieri templari, massoneria, ecc, dovette contradire il codice video soprannaturale di telecinesi e telepatia S666N, con qualcosa di piu potente e intelligente. Sappiate da anno 2011, che non esiste qualcosa piu potente e intelligente del codice S666N. Che avete ammazzato mio padre per sconfiggere il codice S666N, o state imponendo la censura e disinformazione, sono armi di infratori e criminali.

The devils can not be found, seen, recognized, controlled, defeated, and driven out, by people, theologians, magicians, angels, and gods. The devils can be found, seen, recognized, controlled, defeated, and driven out, only by "the body invisible alive infinite", and the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. It is very clearly demonstrated this truth, in the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, the code video supernatural of telekinesis and telepathy "Who is the soul, his Jorge Mario Bergoglio?" and the answer is the devil, and the code video supernatural of telekinesis and telepathy " authorization for exterminate, at all the creatures anti S666N and Eternal Infinite Order", with the cutting at the book Adam. "The body invisible alive infinite", and the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, can not be found, seen, recognized, controlled, defeated, and driven out by nobody. Have seen this truth, all men, theologians, magicians, angels, devils and gods, in all the infinite past space and all the infinite future space. They are forced to believe in which also can not see ever, and can not understand, though proven and explained in the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order. The devil from inside his Jorge Mario Bergoglio, Pope Francis, has canceled through telepathy, the meeting with me and my soul eternal invisible the god of the gods NMEILIS NMEINIS ESGSEIS, dated September 14, 2016 at 11:30. Was teleported only my soul, inside at the soul his Jorge Mario Bergoglio. The devil does not want to give up at the Vatican, at the people, and at the conflict between opponents and he, built of he, in his Revelation. The devil does not believe in "the body invisible alive infinite", the god of the gods NMEILIS NMEINIS ESGSEIS, and the codes video supernatural of telekinesis and telepathy S666N and Eternal Order Infinite. The devil wants language Latin for all, ritual of murder and cannibalism, censorship, lies, worship, prayers, deception, wars, terrorism, impossible, inexistent, expired, prisons, robberies, and other evils. The devil wants to stay alive, in all the infinite past space and in all the infinite future space, only the creatures, gods, people, and souls, who are weaker and stupider than him, therefore he could remain leader, King, and Pope, in eternity. The language arabic, Islam, Allah and Quran, can not defeat the language Latin, devil Israel 666, satan Cristo, devil Mary, and the Bible, and they can not defeat the atheists, China, Russia, India, and all the creatures from the infinite past space and the infinite future space, from cause that are against them, the truth, reality, "the body invisible alive infinite", the god of the gods NMEILIS NMEINIS ESGSEIS, and the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order. And vice versa. Nor "the body invisible alive infinite", and the god of the gods eternal invisible NMEILIS NMEINIS

ESGSEIS, could not defeat from the year 2011, the devils, Freemasons, Knights Templar, Muslims, Catholics, Jews, atheists, thousands of religious sects policies and alphabets, gods, and idiots, through the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order, because these are censored. They will be defeated by "the body invisible alive infinite", and the god of the gods NMEILIS NMEINIS ESGSEIS, all opponents, through their assassination in Revelation ESGSEIS, built and performed by "the body invisible alive infinite", and the god of the gods NMEILIS NMEINIS ESGSEIS, until on January 3 2048. I believe in "the body invisible alive infinite", the god of the gods NMEILIS NMEINIS ESGSEIS, the codes video supernatural of telekinesis and telepathy S666N, and Eternal Infinite Order, revelation 666, and revelation ESGSEIS. ---- The destruction at truth, reality, justice, equality, eternal life, and memory at all gods creatures souls and people from the infinite past space and the infinite future space, is a job eternal, organized by religions, politics, media, tv, newspapers, schools, etc. The destruction at the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, and the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", sequester and lock all creatures gods souls and people, from the infinite past space and the infinite future space, in lies misinformation nonexistent and impossible, and extract and destroy from them any printing with truth, reality, peace, equality, justice, and eternal life. Robbery at all natural resources, banks and profit, from the infinite past space and the infinite future space, through the means of laws, policies and religions, is another matter infinite. How many gods, souls and people from the infinite past space and the infinite future space, know this information, truth, reality, justice, equality, and eternal life? Until today I knew this information, only I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Of six years are prohibiting this information.

Dio ha fatto vedere nel codice video soprannaturale di telecinesi e telepatia, che Cristo è satan. Mi fido di dio, e di codici video soprannaturali di telecinesi e telepatia. Non mi fido delle chiacchiere, e negli dèi, che non sapevano nemmeno la forma della pianeta Terra. Di resto non parlo nemmeno. Solo idee e allucinazioni. Anima di Cristo era satan. Dove è anima di satan adesso? Ha stessa intelligenza da tre miliardi anni fa, o da due mila anni fa? O oggi gli è stato cambiato, il software da dentro della sua anima, e il microprocessore dell'anima? Non sapevo che le anime di Allah, Ra, Cristo, Maria, Adamo, Eva, e tutti quanti da infinito passato spazio e infinito futuro spazio, sono stati creati dallo stesso creatore, e il loro creatore e dio NMEILIS NMEINIS ESGSEIS. Non sapeva nessuno fino oggi.

Toate creaturile, zeii, sufletele, si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, trebuiau sa fie educate, trebuie sa fie educate, si va trebui sa fie educate, numai de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, microcip, adevar, realitate, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Din pacate astfel de inteligenta, este foarte greu de primit, descoperit, manevrat, invatat, inteles, si transportat. Prin urmare Allah, Ra, Egipt, Israel, Italia, Islam, Adam, Cristo, Maria, CIA, Vatican, zeii, sufletele, persoanele, etc, au fost educate, conduse, invadate, cucerite, torturate, si infectate, de: idioti, minciuni, imposibil, inexistent, cenzura, alimente bauturi si medicamente pentru decalcifierea la glanda pineala pentru teleghidarea prin telepatie, bastoane, sabii, pistoale, pumni, amenintari, santaj, razboaie, terorism, talharii, inchisori, nedreptate, focul soarelui, Paradis, Mos Craciun, alcool, droguri, Biblie, ritualuri de crima si canibalism, umiliri, bombe nucleare, comunisti, capitalisti, filozofi, 7 chakra, telepatie, dezinformare, si alte rele. 934 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Legaturile si posibilitatea de interceptare, la gandurile si chipul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sunt de maxim de 10 la suta, pentru toate creaturile zeii sufletele si persoanele. Din tot infinitul trecut spatiu si tot infinitul viitor spatiu, numai eu am fost purtat la un nivel de interceptare la gandurile si chipul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, de 100 la suta, demonstrat prin codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Nu am consumat nimic in particular, nu am facut nici un antrenament pentru asta. Daca au fost modificari fizice chimice si energetice, pentru acest experiment, au fost efectuate numai de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Legaturile si posibilitatea de interceptare, la gandurile la mafiile 7 chakra teleghidare prin telepatie, sunt de 100 la suta pentru copii, si persoanele care consuma medicamente decalcificante, rosuvastatina, otet, lamaie, alcool, etc.. Acesti asasini fac concurenta cu codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, cu copii sechestrati si mutilati prin telepatie. Repeta aceasta infractiune si o specializeaza, de trei mii de ani, in colaborare cu politia, medicina, tribunalul, guvernul, media, armata, etc. Nu mai vrem sa asistam la spectacolele lor de terorism, minciuna, razboaie, genocide, inselaciune, umilire, mutilari, torturi, drogari cu otet si rosuvastatina, talharii si alte rele. Vrem adevar, realitate, respect, informatie, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit.

Connections and the possibility of interception, at the thoughts and the image of the God of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, are not more of 10 percent, for all Gods, creatures, souls, and people. From all the infinite past space and all the infinite future space, only I have been led to a level of interception at the thoughts and image of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, of 100 percent, demonstrated through the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. I have not eaten nothing in particular, I have not done any training for this. If it was changes, of type physical chemical and energy, for this experiment, were performed only of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Connections and the possibility of interception at the mafias seven chakra remote control through telepathy, at the thoughts at children, and people who consume drugs decalcified, rosuvastatin, vinegar, lemon, alcohol, etc .., are of 100 percent. Ye have hundreds of demonstrations in my autobiography. Slaves to mafias seven chakra remote control through telepathy, have been, are, and will be tortured, mutilated, mugged, humiliated, and terrorized by these criminals and crooks, manufactured by the Vatican, Italy, Israel, Islam, and Egypt. These assassins, made competition with the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order, with children arrested and maimed through telepathy. They repeat this offense and specializes, of three thousand years, in collaboration with the police, medicine, court, government, media, military, etc. We no longer want to witness at their shows and performances od terrorism, lies, wars, genocides, deceit, humiliation, mutilation, torture, drugging with vinegar and rosuvastatin, robbers, and other evils. Gesu è stato arrestato da dio. Gesu Cristo e satan. Detto da DIO, nell codice video soprannaturale di telecinesi e telepatia S666N. Gesu Cristo non è desiderato perché fa riti di crima e canibalismo, perché non puo risarcire quelli che gli ha seguito da anno zero fino in anno 2000 e oltre, e perché caccia la gente in ginocchio in anno 2000, perché ha usato i segreti di telecomandare la gente attraverso telepatia e gli ha insegnati anche a altri, e perché fabbrica idioti disinformati criminali mutilatori rapinatori ladri bugiardi ecc. Uguale Maria, è stata arrestata da Dio, nell codice S666N SmariaN ScristoN SeveN. Allah, Ra, Egitto, Israel, Islam, Italia, Cristo, Maria, ecc, hanno umiliato DIO vero eterno invisibile, attraverso i loro azioni, racconti, libri, chiese, riti, preghiere, messi in ginocchio, ecc. Dio bastardo, tiranno, inesistente, e idiota, costruito apposto da questi demoni, per umiliare, cacciare, e odiare il dio vero, quelli disinformati.

977 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Langa corpul fizic vizibil, a lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, au avut ocazia sa fie langa, numai cateva mii de persoane, suflete, si zeii, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, si numai dintre anii 1975 pana in ... Cu demonstratia din codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, ca acest corp vizibil, este corpul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, o poate viziona toate creaturile, zeii, sufletele, si persoanele, care au timp si dorinta sa vada adevarul despre sufletele lor, si care au o inteligenta necesara sa inteleaga, si la care nu le-a fost interzis sa vada adevarul si realitatea de catre Vatican, Islam, Egipt, Israel, Italia, Allah, Ra, Israael 666, Adam, Eva, etc. Corpul meu traieste numai cativa zeci de ani in forma vizibila si in direct. In restul din infinitul timp si infinitul spatiu, corpul meu fizic traieste indirect, prin intermediul la sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Sufletele la rudele, fratii, surorile, parintii, cunostintele, dusmanii, prietenii, si copilul meu, care vor sa revada amintirile dintre 1975 pana ....., cu corpul vizibil la sufletul meu, pot viziona holograme emise de sufletele lor din amintirile imprimate in sufletele lor. Numai daca sufletele lor, nu au fost resetate in caldura soarelui, din cauza la prea multe infractiuni. Daca omori creaturile care nu te lasa sa fii educat, informat, respectat, realist, unit, vesnic, si drept, este o obligatie si o autorizatie fabricata de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si expusa in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. In ultimii sapte mii de ani, in galaxia solara, au fost asasinati toti zeii, sufletele si creaturile care au incercat sa fie educati, informati, respectati, uniti, vesnici, si drepti. Autorii la astfel de asasinari sunt: Adam, Eva, Ra, Allah, Israel 666, Egipt, Islam, Israel, Italia, Vatican, America, Rusia, China, etc. Pana la sapte mii de ani in urma, erau idioti, si traiau in pace, ca o turma mare de oi. Foarte multi zei, suflete si persoane al obliga chiar pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, din anul 2011, sa nu fie educat, informat, respectat, unit, vesnic, si drept. Desi le-a comunicat prin codul S666N, ca ai omoara trup si suflet, pe toti opozitorii si victimele lor, nimeni nu crede. Al obliga la tacere, si sa devina nedrept, mincinos, escroc, talhar, tiran, idiot, dezinformat, musulman, englez, italian, roman, catolic, evreu, european, comunist, capitalist, orb, sau chiar nimic. In galaxia solara vor ramane numai S666N. Restul vor fi dizolvati de "corpul invizibil viu infinit". Cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu se poate intalni constient si vizibil nimeni. Nici o creatura. Toate creaturile se intalnesc cu ceea ce a creat dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si cu razele la gandurile lui. Deoarece toate creaturile folosesc inteligenta timpul spatiul etc, si cateva creaturi folosesc si codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, rezulta foarte clar, ca multi dintre voi ati fost in contact direct cu razele de telepatie la gandurile lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Italia, Israel, Islam, America, si complicii si victimele lor, sunt declarate disparute in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Inca nu am inteles, daca si oamenii din interiorul acestor locuri, vor disparea impreuna cu aceste minciuni, si societati dezinformate primitive si razboinice. Cineva nu ai lasa sa se integreze in adevar, realitate, si informatie. Acesta este diavolul Israel 666, si mafiile 7 chakra teleghidare prin telepatie la aceia drogati cu alcool, Coca Cola si alimente bauturi si medicamente de decalcifiere. Diavolul Israel 666, si mafiile 7 chakra teleghidare prin telepatie, sunt responsabili de

asasinarea la 7 miliarde de victime, de catre "corpul invizibil viu infinit", si de sechestrarea si inchiderea la 7 miliarde de persoane in cenzura, minciuna, inselaciune, dezinformare, dezordine, imposibil, inexistent, talharii, razboaie, si alte rele, din anul 2011 pana in prezent. Toate creaturile, zeii, sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, s-au umilit torturat dezinformat cenzurat pedepsit inselat mintit sechestrat izgonit mutilat terorizat si omorat, pe ele insusi, si pe toti ceilaltii. De la aceste erori, este exclusa o singura creatura, care este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu vrea sa fie educat de America, engleza, comunisti, tu, zei, suflete, persoane, Allah, Adam, Eva, Italia, minciuna, imposibil, hieroglife, etc. Toate creaturile sa opreasca orice fel de opozitie cu inteligenta lor primitiva si mincinoasa, si sa invete din inteligenta mea reala divina supranaturala de telekinezie si telepatie.

977 The book: The experiment military theological S666N, Eternal Infinite Order. Near the physical body visible, his god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, had the opportunity to be near, only a few thousand of persons, souls, and gods, from all the infinite past space and from all the infinite future space, and only between 1975 until ... With the demonstration from the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order, that this visible body, is the body of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, can be watched by all the creatures gods, souls, and persons, who have time and desire to see the truth about their souls, and who have the intelligence to understand, and at which has not been forbidden to see the truth and reality, by Vatican, Islam, Egypt, Israel, Italy, Allah, Ra, Israael 666, Adam, Eve, etc. My body lives just a few decades in visible form, and directly. In the rest from the infinite time and the infinite space, my body lives indirectly through my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. The souls of relatives, brothers, sisters, parents, knowledge, enemies, friends, and my son, who want to review the memories from 1975 to ....., with the body visible at my soul, can watch holograms issued from their souls, from the memories imprinted in their souls. Only if their souls have not been reset in the heat of the sun, because too many crimes. If you kill creatures that not let you to be educated, informed, respected, realistically, united, eternal, and straight, it is an obligation and an authorization made by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and exposed in the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. In the last seven thousand years, in the solar galaxy, were assassinated all the gods, souls, and creatures, that have tried to be educated, informed, respected, united, eternal, and righteous. The authors at such of assassinations, are: Adam, Eve, Ra, Allah, Israel666, Egypt, Islam, Israel, Italia, Vatican, America, Russia, China, etc. Until at seven thousand years ago, they were idiots, and they lived in peace, as a large herd of sheep. Many gods, souls and people, compel even the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, from the year 2011, to not be educated, informed, respected, united, eternal and straight. Although it disclosed, in the code S666N, that will be killed body and soul, all opposition and their victims, nobody believes. Crooks, compel on the god ESGSEIS, at silence and to become unjust, liar, crook, thief, tyrant, stupid, misinformed, muslim, english, italian, roman, catholic, jew, european, communist, capitalist, blind, or nothing. In the solar galaxy will remain only S666N. The rest will be dissolved by the " body invisible alive infinite". On the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, nobody can encounter consciously and visibly. Nor a creature. All creatures are meeting with what has created of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and with the rays at his thoughts. Because all creatures use intelligence time space etc, and a few use the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Order Infinite, result very clear that many of you have been in direct contact with the rays of telepathy at the thoughts at the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Italy, Israel, Islam, America, and accomplices and their victims are declared missing in the code video supernatural of telekinesis and telepathy Eternal Infinite Order. I still have not understood, if and the people from inside this places, will disappear, together with these lies, and these societies misinformed primitive and warlike. Someone not let them, to integrate themselves into truth, reality, and information. This is the devil Israel 666, and mafias seven chakra remote control through telepathy, at those have been drugged with alcohol, Coca Cola, drinks and food and medicines of descaling. The devil Israel 666, and mafias seven chakra remote control through telepathy, are responsible for the murder of 7 billions of victims, by "the body invisible alive infinite", and the seizure and closure of 7 billions people in censorship, lies, deception, misinformation, disorder, impossible, inexistent, robberies, wars, and other evils, from the year 2011, until now. All creatures, gods, souls and people from the infinite past space and the infinite future space, were tortured humiliated punished censored cheated misinformed terrorized mutilated lied sequestered banished and killed on them himself, and on all the others. From these errors is excluded only one creature, that is the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. The god of the gods eternal invisibil NMEILIS NMEINIS ESGSEIS, do not want to be educated by America, english, communist, you, gods, souls, persons, Allah, Adam, Eva, Italy, lie, impossible, hieroglyphics, etc. All creatures to stop any kind of opposition with their intelligence primitive and false, and

to learn from me, from the intelligence divine supernatural of telekinesis and telepathy.

936 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Corpul meu fizic a fost capturat intr-un proiect militar teologic de telepatie gematrie numerologie si minciuni, cu numele "fiul cel iubit", proiect construit de diavolul Israel 666, trei mii de ani in urma. Diavolul este in interiorul lui Jorge Mario Bergoglio. Impotriva la acest experiment teologic militar, este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Finalul la acest experiment, era asasinarea la toti opozantii la limba latina si diavolul Israel 666. Oamenii si zeii din ultimii sapte mii ani au ucis in zeci de razboaie, alti oameni si zei, pentru: hieroglife, minciuni, imposibil, inexistent, povesti, resurse, bani, limba latina, si alte nimicuri. Oamenii si zeii din anii 2011 pana astazi, vor sa ucida oamenii si zeii din infinitul trecut spatiu si infinitul viitor spatiu, care vor sa cunoasca adevarul, realitatea, corpul invizibil viu infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Chiar vor sa lupte impotriva la corpul invizibil viu infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Cu ce? Cu cenzura, povesti, minciuni, imposibil, anul 2000, telepatie, santaj, si bombe nucleare. Este o mare prostie si o mare nebunie. NATO, CIA, Vatican, Italia, Israel, Islam, Allah, Ra, Israel666, Cristo, Maria, impreuna cu complicii si victimele lor vor fi asasinati si dizolvati de "corpul invizibil viu infinit". Cineva sa ai salveze de la moarte. Cine? Ei nu vor. Eu le-am prezentat armele, forma, si inteligenta la rivalii lor. Ei au invins prin

cenzura, unica lor salvare de la moarte, razboaie, si apocalipsa. Salvare expusa in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. America, Italia, Vatican, Islam, Israel, Rusia, China, India, Egipt, mafiile 7 chakra telepatie, ECHR, NATO, CIA, UNESCO, Allah, Ra, Cristo, Maria, Adam, Eva, Israel 666, etc, vor sa vada apocalipsa, si rezultatul la razboiul dintre ei si corpul invizibil viu infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Dumnezeul ESGSEIS, nu a reusit sa salveze oamenii, sufletele, si zeii, de razboaie, necunoscut, inchisori, idioti, talhari, tirani, sceptici, etc, prin codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Oamenii si zeii, vor sa fie eliberati de orice rau, prostie, imposibil, inexistent, minciuni, talharii, inchisori, dezinformare, dezordine, si inselaciune, numai prin apocalipsa. Din 2011 se voteaza Apocalipsa. Prin inteligenta, informatii, adevar, realitate, telepatie, supranatural, si telekinezie, au refuzat sa fie eliberati. Vor fi uniti intr-un mare cimitir, toti oamenii de pe planeta Pamant, si toate sufletele si toti zeii din galaxia solara, pentru ca au refuzat sa fie eliberati de orice rau, prostie, imposibil, inexistent, minciuni, talharii, inchisori, dezinformare, dezordine, si inselaciune.

936 The book: The experiment military theological S666N, Eternal Order Infinite! My physical body was captured in a project military theological of telepathy gematria numerology and lies, named "beloved son" project built by the devil Israel 666, three thousand years ago. The devil now is inside his Jorge Mario Bergoglio. Against this experiment theological military, is the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. At the end of this experiment, was the plan of murder at all the opponents at language Latin and the devil Israel 666. Humans and gods from the past seven thousands years, have killed in dozens of wars, other people and gods for: hieroglyphs, lies, impossible, inexistent, stories, resources, money, Latin, and other paraphernalia. Humans and gods from the years 2011 until today, want to kill all people and all gods from the infinite past space and the infinite future space, who want to know the truth, the reality, the body invisible alive infinite, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. They really want to fight against the body invisible alive infinite, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. With what? With censorship, stories, lies, impossible, year 2000, telepathy, blackmail and nuclear bombs. It is a great folly and nonsense. NATO, CIA, Vatican, Italy, Israel, Islam, Allah, Ra, Israel666, Cristo, Maria, along with accomplices and their victims, will be murdered and dissolved by "the body invisible alive infinite". Someone to save on they from death. Who? They do not want. I have presented for they, the weapons, shape, and intelligence on their rivals. They have defeated through censorship, their only salvation from death, wars, and apocalypse. Salvation exposed in the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. America, Italy, Vatican, Islam, Israel, Russia, China, India, Egypt, mafias seven chakra telepathy, ECHR, NATO, CIA, UNESCO, Allah, Ra, Cristo, Mary, Adam, Eve, Israel 666, etc., want to see Apocalypse, and the result of the war between they and "the body invisible alive infinite", the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Humans and gods will be freed from all evil, stupidity, idiots, impossible, inexistent, lies, robbery, prisons, disinformation, disorder, and deception, only through apocalypse. From the year 2011, they have chosen through vote, the Revelation. Through intelligence, information, truth, reality, telepathy, supernatural, and telekinesis, they have refused to be freed by idiots, and all evils. Will be united into a big graveyard, all people of on planet Earth, and all the souls and all the gods from the solar galaxy, because they have refused to be freed from all evils, idiots, impossible, inexistent, lies, robbery, prisons, disinformation, disorder and deceit, through intelligence S666N.

They use organized, aware and informed, all the gods souls and persons from all the infinite past space, and all the gods souls and persons from all the infinite future space, in various wars, conflicts, plots, prisons intellectual, and endless scams. If I, the god ESGSEIS, I have showed, in the code video supernatural of telekinesis and telepathy, that the soul his Jorge Mario Bergoglio, is the devil, nobody believes me. Have phoned me from the Vatican, a lady and Monsignor .... He said, that he, and Jorge Mario Bergoglio, have read my book, and want to meet me urgently. They have not phoned again. Fixed meeting has passed. The secretary did not send email details, for meeting. I Do not believe that they have something more valuable, to disclose me, than the code video supernatural by telekinesis and telepathy S666N. Vatican, Gesu Cristo, Maria, were arrested in the year 2011, by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. The prophets from Italy and Romania, from the last two thousand years, were paid with poisons, rosuvastatin, vinegar, infections, threats, blackmail, compromise, murders, mutilations, torture, terrorism, censorship, misinformation, false information, and robbery. I am paid from my birth, from the year 1975, with all these riches, by the assassins from the church, politics, court, media, and police, from Vatican, Italy, Romania, in mode online video. In collaboration with all the media, court, police and church from this prisons of censorship, lies and deceit. For several days, it hurts me right shoulder. September 23, 2016. 947 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Razele de telepatie care compun intrebarea ta, au fost deja analizate de dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS. Razele de telepatie care compun intrebarea ta, au fost emise patru miliarde de ani in urma, in alta galaxie, de o alta creatura, iar astazi au ajuns pe creierul tau, si au fost decriptate si expuse pe internet.

Dumnezeul ESGSEIS, nu era nevoie, ca tu sa scrii intrebarile tale sau la altii, si pe internet. Ai scris pe internet, sa primesti tu raspunsul in scris, de la creierul meu, nu de la sufletul meu, la o intrebare care exista in format invizibil, si pe care tu ai gasit-o. Tu cauta raspunsul de la sufletul meu, nu de la creierul meu. Am inteles. Nu stii sa captezi si sa citesti raze de telepatie efectuate de dumnezeul ESGSEIS. Vrei sa te folosesti de capacitatile la corpul meu. Daca corpul meu ar trai trilioane de ani, ar avea timp sa decripteze, trilioane de ani de definitii si demonstratii din razele de telepatie la sufletul meu, dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS. Voi cautati sa comunicati cu sufletul meu, daca vreti sa cunoasteti trilioane de ani de definitii si demonstratii. Sunt trilioane de intrebari adresate lui, prin razele de telepatie, care vin spre el, din tot infinitul timp si tot infinitul spatiu, din cauza ca acele creaturi, nu au cunoscut si nu au analizat codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, razele lui invizibile unde sunt toate definitiile si demonstratiile, si cartile lui. Dumnezeul ESGSEIS, a raspuns deja la toate intrebarile, din tot infinitul timp si tot infinitul spatiu, in razele lui de telepatie, decriptate de mine in cartile lui. Dumnezeul ESGSEIS, nu a dorit sa fie intrebari, necunoscute, si nelamuriri. Dumnezeul ESGSEIS, nu a putut crea zei, oameni, si suflete care sa poata citi singuri fara ajutorul lui, la carti, coduri, si la filme, razele la gandurile lui. Nu aveti posibilitatea, sa interceptati razele lui de telepatie fara ajutorul lui, iar acum nu vreti sa cititi, si sa invatati, codurile si cartile lui. Dupa ce cunosti, analizezi si intelegi, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, sunt sigur ca nu mai ai nici intrebari si nici necunoscute despre nimic. Dumnezeul ESGSEIS, a raspuns la trilioane de intrebari, necunoscute, si nelamuriri, in razele de telepatie din codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Eu nu mai vreau sa comunic si sa negociez cu nimeni, nici in contul la creierul meu, si nici in contul la sufletul meu, dumnezeul ESGSEIS, decat prin cartile mele, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si apocalipsa. Creierul meu nu a putut negocia nimic cu sufletul meu. Se vede clar. Creierul meu a primit doar informatii. Informatii care anunta asasinarea la toti opozitorii lui, la opozitorii la adevar, pace, egalitate, unitate, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Dumnezeu era obligat sa ne ofere toate detaliile despre timp spatiu existenta inteligenta etc, ca noi sa nu mai avem intrebari. Traducerea la inteligenta lui dumnezeul ESGSEIS, in format vizibil video supranatural de telekinezie si telepatie a inceput in "anul inceputul la infinitul trecut spatiu", a durat trilioane de ani, si s-a facut vizibila pe 5 iulie 2011. Toate detaliile despre timp spatiu existenta inteligenta etc, existau deja inainte ca el sa creeze timpul spatiul existenta inteligenta etc, in razele lui invizibile. Obligatia de a face cunoscuta existenta lui, numele lui, si toate definitiile despre timp spatiu existenta inteligenta etc, a fost tradusa si prezentata cu mici erori si lipsuri in inteligenta umana, in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Inteligenta ESGSEIS, nu se vede deloc cu Ra, Allah, Israel666, CIA, NASA, Vatican, hieroglife, 7 chakra, telepatie, etc. Inteligenta ESGSEIS, se vede destul de mult, dar nu mai mult de 50 la suta din valoarea ei, numai cu codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Creierul meu, sufletul meu, si corpul meu, nu vor sa ramana anonimi si ascunsi, vor sa fie online, publici si peste tot. Diavolii, tiranii, talharii, criminalii si escrocii, vor sa ne ascunda, si sa ne elimine. Pregatiti-va de apocalipsa. --- Eu, NMEILIS NMEINIS ESGSEIS, pot fi votat si ales, suta la suta, precum conducator, salvator, prieten, zeu, creator, si educator unic etern, de toti oamenii, sufletele si zeii, din tot infinitul trecut sppatiu si tot infinitul viitor spatiu, numai daca se corecteaza Donald Trump, Hillary Clinton, Allah, Ra, Israel666, mafiile 7 chakra telepatie, si daca sunt exterminate minciunile, cenzura, dezinformarea, si prostia. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

The god ESGSEIS, has already answered at all questions from all the infinite time and from all the infinite space, in his rays of telepathy, decrypted by me, in his books. My brain could not negotiate nothing with my soul. It is obvious. My brain just received information. Informations that announces, the assassination at all opposition his god ESGSEIS, and assassination at all opposition at truth, peace, equality, unity, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. The intelligence ESGSEIS, is not seen, not nearly with Ra, Allah, Israel666, CIA, NASA, Vatican, hieroglyphics, 7 chakra, telepathy, etc. The intelligence ESGSEIS, it can be seen, pretty much, but no more than 50 percent from his value, only with the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. 948 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Sunt foarte mandru si bucuros de inteligenta S666N. Cine este invidios sau rusinat de inteligenta S666N, este idiot, sau diavol, escroc, talhar, criminal, mincinos, terorist, dezinformat, analfabet, nebun, posedat de mafiile 7 chakra, sau tiran. Inteligenta S666N, este cel mai avansat sistem de inteligenta, construit de dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS. Acest sistem de inteligenta nu poate fi instalat in corpurile si sufletele la nici o persoana si la nici un zeu, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Inteligenta S666N, poate fi manevrata numai de constructorul ei. Vatican, Allah, Ra, Italia, Israel, Egipt, Adam, Eva, etc, ma obliga de cinci ani, sa renunt la cel mai avansat si complicat sistem de inteligenta, inteligenta S666N, din invidie si din dorinta lor de a ramane tirani, talhari, criminali, mincinosi, inapoiati, dezinformati, orbi, etc. Nu am renuntat, nu renunt, si nu voi renunta niciodata, la cel mai complicat si avansat sistem de inteligenta, inteligenta S666N, din care a fost construit televizorul, radio, microcipul, Microsoft, celularele, 100 la suta dintre definitiile si demonstratiile vizibile si invizibile, epoca la microprocesor si toate avantajele aduse de microprocesor si Microsoft, adevarul, realitatea, timpul, spatiul, sufletele, viata vesnica a sufletelor, existenta, inteligenta primitiva, inteligenta Ra, inteligenta Allah, inteligenta CIA, inteligenta NATO, inteligenta Vatican, inteligenta etc, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc. Din inteligenta S666N, a fost construita distrugerea la: minciuni, cenzura, secrete, necunoscut, intuneric, inselaciune, imposibil, inexistent, rugaciuni, inchinari, tirani, idioti, mincinosi, criminali, talhari, si inchisorile de tip alfabetic istoric economic religios politic mincinos si de orice alt tip. Din inteligenta S666N, a fost construita salvarea sufletelor de asuprirea, distrugerea, si asasinarea lor de catre oameni. Sufletele lor. Din inteligenta S666N, a fost construita iubirea, si protejarea sufletelor de catre oameni. Sufletele lor. Din inteligenta S666N, a fost construita eternitatea sufletelor, pastrarea memoriei sufletelor, teleportarea sufletelor, pacea ordinea egalitatea si unitatea dintre suflete. Cu inteligenta S666N, a fost distrusa frica de moarte a corpului. Din inteligenta S666N, a fost construita placerea de a trai comod si vesnic prin intermediul la suflet. Fiecare are numai un suflet, creat de

sufletul meu, dumnezeul ESGSEIS, trilioane de ani in urma. Din inteligenta S666N, a fost construita organizatia "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", si biserica, spatiu, si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", evitarea la al treilea razboi mondial, si evitarea la asasinarea la 7 miliarde de persoane prin apocalipsa care ar fi trebuit sa fie efectuata de "corpul invizibil viu infinit" in anul 2000. Din inteligenta S666N, nu pot construi salvarea la fratii mei, surorile mele, familia mea, rudele mele, prietenii mei, cunostintele mele, Allah, Ra, Cristo, Maria, Adam, Eva, etc, de apocalipsa din 3 ianuarie 2048, decat daca ei invata limba romana 26 litere, cunosc si practica sfaturile din cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", si repeta numele la autorul apocalipsei dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, pentru a fi foarte bine imprimat in sufletele si gandurile lor. Voi eliminati prin cenzura, adevarul, realitatea, informatia, inteligenta S666N, si salvarea corpurilor voastre si a sufletelor voastre, de la al treilea razboi mondial si de la apocalipsa. Au mai ramas 32 de ani pana la moartea voastra, la copii vostri, si la nepotii vostri. Cineva sa se trezeasca, sa gandeasca si sa vada adevarul si inteligenta S666N. Eliberati-va glanda pineala de razele de telepatie la diavoli si mafiile 7 chakra, care v-au sechestrat si legat in intuneric haos prostie si minciuna, pe toti, sau veti fi omorati cu ei impreuna, pana pe data de 3 ianuarie 2048, de catre "corpul invizibil viu infinit". Traducerea la razele de telepatie ale lui dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS. www.facebook.com/Eternal.Order.Infinite https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25

....., sufletul tau era senatorul lui dumnezeul ESGSEIS, in "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", si biserica, spatiu, si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Astazi te-au drogat pedofilii 7 chakra si te telecomandeaza prin telepatie, si te-au facut maturator si scalv, pe tine si pe sufletul tau, in inchisoarea UE, construita din minciuna, imposibil, inexistent, talharii, nedreptate, etc. Acesti escroci vorbesc cu gandurile tale, cu mine. "Nu scrie prostii in pagina mea". Inteligenta S666N, este extrem de superioara, in comparatie cu inteligenta CIA UE NATO VATICAN Cristo Maria Allah Ra. Scriu, si voi scrie, sa poata analiza toate creaturile din infinitul trecut spatiu, si infinitul viitor spatiu, unde este adevarul, dreptatea, si realitatea. Au fost invinsi de cea mai complicata si puternica forma de inteligenta, si trebuie sa sarbatoreasca, pentru ca au cunoscut asemenea bogatie, si au fost eliberati de toate infractiunile si relele. Din invidie si ciuda, ei fac inutil razboi cu mine si inteligenta S666N, de cinci ani. Era mai bine daca nu ai invatam sa scrie, sa citeasca si sa foloseasca Microsoft? Eu nu renunt la inteligenta S666N, pentru minciunile lui Italia, Israel, Islam, Egipt, Allah, Ra, CIA, Vatican, masoni, etc, niciodata. Niciodata, si nicaieri, si niciodata, si nicaieri. Bine ati venit in casa mea "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", si biserica, spatiu, si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Amin. Numai 10 oameni vor mai fi in viata pe planeta Pamant, dupa 3 ianuarie 2048, daca nu se integreaza in "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", si biserica, spatiu, si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Dumnezeul ESGSEIS, a dat puteri exagerate la toti senatorii lui, dar astazi ei sunt drogati cu medicamente, TV, bani, bauturi, ogm, internet, vaccinuri, otravuri, infectii, raze, radiatii, etc, si corpul vostru vizibil nu mai poate face legatura cu sufletul vostru, ca sa puteti apara pacea, adevarul, eternitatea, si realitatea voastra si a tuturor. Astazi sunteti maturatori si sclavi, la diavoli, mincinosi, idioti, criminali si escroci, in tunelele, labirinturile, bisericile, guvernele, si inchisorile lor. Va eliberez eu pe toti, prin al treilea razboi mondial, Apocalipsa, si moarte. De cantecele, cartile, magiile, inteligenta, si minciunile lui Italia Israel Islam Allah Ra CIA NATO etc, au ascultat si beneficiat intotdeauna, numai oile, talharii, criminalii, escrocii, mincinosii si idiotii. Eu iubesc fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp, pentru ca eu le-am creat. Fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp, ma vor iubi pe mine, numai daca va fi mai multa lumina si inteligenta in ele. Eu sunt dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS.

948 The Book: The experiment military theological S666N, Eternal Infinite Order. I am very proud and happy by the intelligence S666N. Who is jealous or embarrassed by the intelligence S666N is an idiot, or devil, crook, thief, murderer, liar, terrorist, misinformed, uneducated, crazy, possessed by mafias seven chakras, or tyrant. The intelligence S666N, is the most advanced system by intelligence built by the god of the gods truly eternal invisible NMEILIS NMEINIS ESGSEIS. This system by intelligence, can not be installed into the bodies and souls to nor a person and nor a god, from all the infinite past space and from all the infinite future space. The intelligence S666N, can be handled only by its builder. Vatican, Allah, Ra, Italy, Israel, Egypt, Adam, Eve, etc., compels me by five years, to give up at the most advanced and complicated system of intelligence, intelligence S666N, from envy and from their desire to remain tyrants, robbers, murderers, liars, backward, misinformed, blind, etc. I have not renounced, I not renounce, and I will not renounce, never, at the most complicated and advanced system by intelligence, intelligence S666N, with which was built TV, radio, microchip, Microsoft, cell phones, 100 percent of definitions and demonstrations visible and invisible, epoch microprocessor and all the advantages of microprocessor and Microsoft, truth, reality, time, space, souls, eternal life of the soul, existence, intelligence primitive, intelligence Ra, intelligence Allah, intelligence CIA, intelligence NATO, intelligence Vatican, intelligence etc, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, etc. From intelligence S666N, was built the destruction, at: lies, censorship, secret,

From intelligence S666N, was destroyed afraid of death of the body. From intelligence S666N, was built the pleasure of living convenient and eternal, through soul. Each has one soul, which was created by my soul, the god ESGSEIS, trillion years ago. From intelligence S666N, was built the organization "The United Galaxies from the Infinity Past Space, and the Infinity Future Space" and the church, space, and the government "the Infinite Past Space, the Infinite Future Space", the avoiding at the third world war, and the avoiding at assassination at 7 billions persons through apocalypse, which ought to be performed of "the body invisible alive infinite" in the year 2000. From intelligence S666N, I can not build the salvation at my brothers, my sisters, my family, my relatives, my friends, my knowledge, Allah, Ra, Cristo, Mary, Adam, Eve, etc., by the Apocalypse from January 3, 2048, only in case in which they learn Romanian 26 letters, they know and practice the tips from the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", and repeat the name of the author of the apocalypse the god of the gods truly eternal invisible NMEILIS NMEINIS ESGSEIS for to be well imprinted in their souls and thoughts. You all eliminated through censorship, the truth, reality, information, intelligence S666N, and the salvation at your souls and your body, from the third world war and apocalypse. ...., your soul was Senator his the god ESGSEIS in "The United Galaxies from the Infinity Past Space, and the Infinity Future Space" and the church, space, and the government "the Infinite Past Space, the Infinite Future Space". Today mafias 7 chakra, have drugged you, and now remotely controll you through telepathy, and they have made you sweeper and slave, on you and your soul in the prison EU, built from lies, impossible, inexistent, robbery, injustice, etc. These crooks, speak with me, through your thoughts. "Do not write nonsense in my page". The intelligence S666N, is extremely high power and complicated, compared with intelligence his EU NATO CIA VATICAN Cristo Maria Allah Ra etc. I write, and I will write, to can analyze all the creatures from the infinite past space and from the infinite future space, where is the truth, justice, and reality. They were defeated by the most complicated and powerful form of intelligence, and they should celebrate, because they have known this wealth, and were free from all evils and crimes. Out of jealousy and spite, they make war useless, against me and intelligence S666N, by five years. It was better if I not learn on nobody, to write, to read, to speak, and to use Microsoft? I do not give up at intelligence S666N, for the lies his Italy, Israel, Islam, Egypt, Allah, Ra, CIA, Vatican, masons, etc., never. Never and nowhere, and never and nowhere. Welcome in my home "The United Galaxies from the Infinity Past Space, and the Infinity Future Space" and the church, space, and the government "the Infinite Past Space, the Infinite Future Space". Amen. Only 10 persons will be alive on planet Earth, after January 3, 2048, in case in which other creatures not want to be integrated in " The United Galaxies from the Infinity Past Space, and the Infinity Future Space" and the church, space, and the government "the Infinite Past Space, the Infinite Future Space". The God ESGSEIS, gave powers exaggerated to all his senators, but today they are drugged with drugs, television, money, drinks, ogm, internet, vaccines, poisons, infections, rays, radiation, etc., and your body visible, can no longer do conection with your soul, for as you can defend the your peace, truth, eternity, and your reality and at all creatures. Today you are slaves and sweepers, at devils, liars, idiots, criminals and crooks, in their tunnels, mazes, churches, governments, and their prisons. I will release all creatures, through World War III, the Apocalypse, and death. By the songs, books, magic, intelligence, and lies, his Italy, Israel, Islam, Allah, Ra, CIA, NATO, etc, have listened and enjoyed always, only the sheep, thieves, criminals, crooks, liars, and idiots. I love every millimeter from the infinite space and every second from the infinite time, because I have created them. Every millimeter from the infinite space and every second from the infinite time, they will love on me, only if will be more light and more intelligence in them. I am the god of the gods truly eternal invisible NMEILIS NMEINIS ESGSEIS.

949 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Allah, Ra, Adam, Eva, Cristo, Maria, Italia, Israel, Islam, Egipt, Rusia, China, India, NATO, CIA, si toti zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, nu au ascuns, adevarul, realitatea, dumnezeul si creatorul lor NMEILIS NMEINIS ESGSEIS, infinitul trecut spatiu, si infinitul viitor spatiu. Ei nu au avut instrumente si inteligenta sa gaseasca si sa vada adevarul, realitatea, dumnezeul si creatorul lor NMEILIS NMEINIS

950 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Arestati si opriti diavolul minciuna si dezinformarea, sau veti muri sufocati in minciunile, religiile, cartile, si politicile, inventate si instalate de diavolul Israel666, prin telepatie. Voi trebuie sa ma ascultati pe mine, pentru ca eu am construit fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp, si stiu exact ce trebuie sa faceti voi toti, sa puteti ramane la infinit, in inifnitul spatiu si infinitul timp. Eu am salvat trilioane de creaturi, zei, suflete, si persoane, din infinitul trecut spatiu, si din infinitul viitor spatiu, de prostie, minciuni, inselaciune, terorism, intuneric, cenzura, dezinformare, complot, inchisori, talharii, rugaciuni, inchinari, tirani, criminali, vampiri, si moarte, si am demonstrat acest adevar si realitate in cartea mea, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, in "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", si in biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu". Italia, Israel, Islam, Egipt, Ra, Allah, Cristo, Maria, etc, au mutilat, terorizat, mintit, inselat, dezinformat, cenzurat, intunecat, asuprit, pedepsit, si omorat trilioane de creaturi, zei, suflete, si persoane, din infinitul trecut spatiu, si din infinitul viitor spatiu, prin intermediul la cartile lor, cenzura, complici, minciuni, al treilea razboi mondial, si apocalipsa lor. Corpul invizibil viu infinit, a omorat creaturi, zei, suflete si persoane, in numar mai mic, decat a inviat din morti. Motivele pentru care a asasinat creaturi, zei, suflete si persoane, au fost, pentru ai salva din razboaie infinite, apocalipse, minciuni, prostie, si dezinformare. Dupa trei milioane de ani, i-a inviat pe toti din morti, in alta galaxie, lipsita de minciuni, prostie, si dezinformare. Toti zeii, sufletele si persoanele, din infinitul trecut spatiu si infinitul viitor spatiu, au fost, sunt, si vor fi, complici, sau victime, sau orbi, surzi, muti, dezinformati, cenzurati, intunecati, terorizati, rasisti, sclavi, talhari, criminali, teroristi, inapoiati, incuiati, drogati, alcoolizati, invidiosi, sau lenesi, pentru ca dumnezeii si educatorii lor, nu au fost capabili sa intercepteze dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, sa poata primi de la el, lectii de pace, adevar, iubire, respect, dreptate, logica, unitate, egalitate, realitate, telekinezie si telepatie. Saracii de ei, au vandut si ei la altii, in schimbul la bani, bogatii, sange, viata, suflet, si rugaciuni, numai ce au gasit in sufletele, sangele, creierele, inima, glanda pineala, si gandurile lor. Adica, numai minciuni, imposibil, inexistent, prostie, dezinformare, secret, complot, inselaciune, rugaciuni, umiliri, greutati, complicatii, si alte rele. Nimeni din infinitul trecut spatiu si din infinitul viitor spatiu, nu a putut primi in sufletele, sangele, creierele, inima, glanda pineala, si gandurile lor, pe dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, corpul invizibil viu infinit, infinitul trecut spatiu, infinitul viitor spatiu, codul video supranatural de telekinezie si telepatie S666N, viata vesnica a sufletelor, adevarul, realitatea, si toate cele bune. Astazi, toate acestea, se gasesc si in sufletul, sangele, creierul, inima, glanda pineala, si gandurile mele, si la toti aceia care ma citesc si ma inteleg. Eu dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, am avut, am, si voi avea, numai pace, adevar, iubire, respect, dreptate, logica, unitate, egalitate, realitate, telekinezie, telepatie, supranatural, informatii, inteligenta si toate

cele bune in compozitia mea, si in sufletul meu. Fericiti si vesnici vor fi toti zeii, sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu, care au posibilitatea sa imi cunoasca si sa imi invete lectiile si inteligenta. Singura demonstratie adevarata si reala, despre corpul vostru si sufletele voastre, se poate vedea in mod vizibil, numai in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Unii zei, suflete si persoane au incercat inutil din "anul inceputul la infinitul trecut spatiu" si pana in "anul inceputul la infinitul trecut spatiu", sa ma scoata, sa ma omoare, sau sa ma teleporteze din "corpul invizibil viu infinit", infinitul trecut spatiu, infinitul viitor spatiu, limba romana 26 de litere, dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, adevar, realitate, inteligenta, informatii, eternitate, dreptate, egalitate, unitate, ordine, libertate, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, spatiu, si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", si toate cele bune. Daca reusiti sa cititi si sa intelegeti aceasta fraza si realitate, atunci voi ajungeti si treceti de marginile, sfarsitul, si dizolvarea, la: minciuni, imposibil, inexistent, nedreptate, secret, cenzura, razboaie, terorism, talharii, inselaciune, engleza, latina, araba, Biblie, Quran, Novus Ordo Seclorum, NATO, CIA, Vatican, UE, SUA, masoni, al treilea razboi mondial, apocalipsa, miliarde de limbi religii politici razboaie conflicte si comploturi, diavoli, tirani, mincinosi, talhari, criminali, escroci, rugaciuni, ritualuri de crima si canibalism, si alte rele. Daca nu ma eliberati voi, ma eliberez eu. Va ucid pe toti trup si suflet. Dumnezeul ESGSEIS, va omoara pe toti, si eu nu pot face nimic din cauza voastra, ca sunteti idioti si ingamfati.Traducerea la razele de telepatie ale lui dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS.

952 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Zeii, sufletele, si persoanele din infinitul trecut spatiu si infinitul viitor spatiu, au fost adunati in diverse locuri, si s-au alimentat cu diverse alimente, idei, halucinatii, bauturi, etc. Eu sunt dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, creatorul unic la timp, spatiu, existenta, inteligenta, microcip, suflete, corpul invizibil viu infinit, etc. Miliarde de ani am locuit fara timp si fara spatiu, si m-am alimentat numai cu inteligenta si ideile din interiorul meu. Eu am construit intai spatiul. Dupa, intr-o secunda, eu am construit timpul. Dupa doua secunde am construit materia. Dupa trei secunde am construit infinitul trecut spatiu, si infinitul viitor spatiu. Dupa patru secunde am construit 999SSS+666NNN, total 1665, de suflete asemanatoare cu forma, compozitia si inteligenta mea. In trilioane de ani au avut loc diverse constructii si realizari de ale noastre prin intermediul nostru, la corpul invizibil viu infinit, etc. Eu am construit alte trilioane de suflete, galaxii, creaturi, animale, insecte, virusi, bacterii, microcip, microsoft, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", dezintoxicarea si reeducarea sufletelor pierdute, etc. Primele suflete, 1665, au avut dereglari comportamentale, si au construit trilioane de religii, politici, alfabete, limbi, cantece, blasfemii, minciuni, razboaie, terorism, secte, talharii, crime, etc. Prin urmare, au fost dezinfectate de mai multe ori, de infractiunile si pacatele lor in caldura soarelui. Prin urmare, astazi aceste suflete, nu mai au decat unu la suta din inteligenta mea, inteligenta S666N. Ei pot primi inapoi pana la 50 la suta din inteligenta mea, cat le suporta corpul, numai daca invata codul video supranatural de telekinezie si telepatie S666N. Nu mai suntem in secunda patru, cand eu am putut transfera inteligenta mea instant. Sufletele lor s-au modificat. Pana astazi galaxia solara, a intrat si a iesit din mai multe tunele, pesteri, inchisori, idei, religii, politici, alfabete, mancaruri, bauturi, etc, si au iesit din nou la suprafata in infinitul trecut spatiu, infinitul viitor spatiu, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", si toate cele bune. Jorge Mario Bergoglio si Vatican, trage de picioare creaturile evadate inapoi in gaura lor spre tunelul mortii. Masonii si mafiile 7 chakra atrag creaturile evadate sau nou nascute, sau din tunelele mortii, cu magneti, vaccinuri, florura de sodiu, medicamente, cantece, alcool, droguri si sex, si impinge victimele lor, in alt tunel al mortii si minciunii. Eu incerc cu inteligenta mea, sa ofer la toti zeii sufletele si persoanele, infinitul timp, infinitul spatiu, dreptate, adevar, realitate, microcip, egalitate, unitate, viata vesnica, inteligenta, pace, si toate cele bune. Lasati toti zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu sa vina la mine, la adevar, la iubire, sau va omor pe toti. Eu sunt mai valoros, mai mare, si mai puternic decat infinitul trecut spatiu, si infinitul viitor spatiu, si daca intru in bisericile, tunelele, inchisorile, guvernele, si galaxiile voastre, se dizolva permanent. Cativa bolnavi psihic, au construit un dumnezeu din crengi de copaci, dolari, cenzura, filme, talharii, Novus Ordo Seclorum, rosuvastatina, telepatie, gematrie si numerologie, si vor sa izgoneasca toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu intr-o inchisoare eterna formata din acest idol construit de ei, si din minciuna, cenzura, dezinformare, haos, droguri, alcool, falsa informare, nedreptate, inselaciune, terorism, razboaie, talharia la toate resursele naturale si profitul din tot infinitul trecut spatiu si din tot infinitul viitor spatiu cu ajutorul la legi politici constitutii agende si religii, si alte rele. Oamenii care au intrat deja in acest tunel care ucide, terorizeaza, talhareste, mutileaza, minte, inseala, sechestreaza si dizolva pe oricine si orice, pot iesi urgent afara, altfel ei vor muri trup si suflet. Ei pot iesi din nou la suprafata, in infinitul timp si infinitul spatiu, in adevar, realitate, egalitate, unitate, pace, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", si toate cele bune. Eu sunt ghidul lor inteligent si informat, spre capatul la tunelele lor. Eu ai astept pe toti, tot infinitul timp si tot infinitul spatiu, sa iasa afara din prostie si minciuna. Eu sunt dumnezeu. Eu am stricat tunelele: Vatican, Italia, Israel, Islam, America, al treilea razboi mondial, apocalipsa, moartea, prostia, minciuna, intunericul, etc, din dragostea mea foarte mare pentru mine si pentru ei. Daca vor sa iese afara pe acolo pe unde au intrat, sunt inca in timp. Daca vor sa iese pe partea cealalta a tunelului, la sfarsitul tunelului nu mai au timp. Oamenii se vor trezi din somn, vor bombarda tunelele mortii. Vor muri in interiorul tunelelor, masoneria, Vatican, telepatia, minciuna, imposibil, inexistent, comunistii, capitalistii, magii, si toti oamenii sufletele si zeii de pe planeta Pamant. Eu nu sunt Alfa, nu sunt nici Omega, nici timpul, nici spatiul, nici

nasterea nici moartea, eu sunt constructorul lor. Eu sunt dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS. Nimeni nu poate sa ma scoata din infinitul timp si infinitul spatiu si sa ma bage in tunelele, capcanele si inchisorile lor. Eu v-am arestat si judecat pe toti, in codul video supranatural de telekinezie si telepatie S666N. Cine vrea sa evadeze din biserica mea "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", si inchisoarea S666N, se omoara cu gandurile si mana lui sau la altul. Ati trait cinci milioane de ani de probe si demonstratii. Eu am facut in asa fel incat, toate sufletele sa traiasca si sa se teleporteze in infinitul timp si infinitul spatiu, si sa aiba toata inteligenta, adevarul si realitatea pe care o pot duce. Italia, Israel, Islam, Egipt, Allah, Ra, Israel666, etc, incearca sa va micsoreze inteligenta, adevarul si realitatea, prin amenintari, santaj, dezinformare, cenzura, tunele, alcool, droguri, munca, inselaciuni, minciuni, etc, de patru mii ani. 952 The Book: The experiment military theological S666N, Eternal Infinite Order. The gods, souls, and persons from the infinite past space and the infinite future space, were rounded up in various places, and were fed with different foods, ideas, hallucinations, drinks, etc. I am the god of the gods true eternal invisible NMEILIS NMEINIS ESGSEIS, the creator unique of the time, space, existence, intelligence, microchip, soul, the body invisible alive infinite, etc. Billions of years I have lived without time and without space, and I have fed me, only with intelligence and ideas from inside me. I have built the first, the space. After I have built in a second, the time. After two seconds, I have built the matter. After three seconds, I have built infinite past space and infinite future space. After four seconds I have built 999SSS + 666NNN, total 1665 souls, similar with shape, composition and my intelligence. In trillions years have occurred various constructions and achievements, constructed through ours help, the body invisible alive infinite, etc. I have built trillions of souls, galaxies, creatures, animals, insects, viruses, bacteria, microchip, microsoft, the codes video supernatural of telekinesis and telepathy S666N, and Eternal Order Infinite, " the United Galaxies from the Infinity Past Space, and the Infinity Future Space" and in the church house and government "the Infinite Past Space, the Infinite Future Space", the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", detoxification and rehabilitation of the souls lost, etc. The first souls, 1665, had behavioral disorders, and have built trillions of religions, politics, alphabets, languages, songs, profanity, lies, wars, terrorism, sects, robbery, murder, etc. Therefore they were disinfected several times, for their sins and offenses, in the heat of the sun. Therefore, today these souls no longer have than one percent of my intelligence, intelligence S666N. They can get back up to 50 percent of my intelligence, so long supports their body, only if they learn the code video supernatural of telekinesis and telepathy S666N. We are no longer in 4 second, when I was able to transfer instant my intelligence. Their souls have changed. Until today, the solar galaxy, he entered and went out, from several tunnels, caves, prisons, ideas, religions, politics, alphabets, foods, drinks, etc, and have went out again to the surface, in the infinite past space, the infinite future space, the codes video supernatural of telekinesis and telepathy S666N and Eternal Order Infinite, "the United Galaxies from the Infinity Past Space, and the Infinity Future Space" and in the church house and government "the Infinite Past Space, the Infinite Future Space", the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", and all the best. Jorge Mario Bergoglio and the Vatican, drag back by feet, the creatures escapees, towards the tunnel of death. Masons and mafias seven chakra, attract the creatures escaped or newborn, or from the tunnels of death, with magnets, vaccines, sodium fluoride, medicines, songs, alcohol, drugs, and sex, and pushes their victims, in another tunnel of death and deceit. I try with my intelligence, to offer at all gods souls and persons, the infinite time, the infinite space, justice, truth, reality, microchip, equality, unity, eternal life, intelligence, peace and all the best. Let all the gods, souls and persons from all the infinite past space and from all the infinite future space to come back to me, to truth, to love, or I will kill on all. I am more valuable, higher, and stronger than the infinite past space and the infinite future space. If I permeate inside, your churches, tunnels, prisons, governments, and galaxies, than they dissolve permanently. Some mentally ill, have built a god from branches of tree, dollars, censorship, films, robbery, Novus Ordo seclorum, rosuvastatin, telepathy, gematria, and numerology, and now want to banish all creatures from the infinite past space and the infinite future space, inside a prison eternal formed from this idol built by they, and from lies, censorship, disinformation, chaos, drugs, alcohol, false information, injustice, fraud, terrorism, wars, robbery of all natural resources and profit from all the infinite past space and all the infinite future space with the help at laws policies constitution agenda and religions, and other evils. The persons which have already entered in the tunnels of death, which terrorize, steal, maim, lie, cheating, sequester, and dissolves on everyone and everything, can get out urgently, otherwise they will die body and soul. They can get back to the surface in the infinite time and the infinite space, in truth, reality, equality, unity, peace, the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite, "The United Galaxies the Infinite Past Space, and the Infinite Future Space ", the church house and government "the Infinite Past Space, the Infinite Future Space", the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", and all the best. I am their guide intelligent and informed, towards the end of their tunnels. I wait on all, all the infinite time and all the infinite space, to get out from stupidity and lies. I am god. I have destroyed the tunnels: Vatican, Italy,

Israel, Islam, America, the third world war, apocalypse, death, stupidity, lies, darkness, etc., from my great love for me and for them. If they want to come out, on there on where they have entered, they are still in time. If they want to come out, on the other side of the tunnel, the end of tunnel, they not have time. The people will awaken from sleep, and they will bombard all the tunnels. Will die inside the tunnels, masonry, Vatican, telepathy, lies, impossible, inexistent, communists, capitalists, magicians, gods, souls and persons of on planet Earth. I am not Alpha, I am not Omega, I am not the time, I am not the space, I am not the death, I am not the birth, I am their manufacturer. I am the god of the gods true eternal invisible NMEILIS NMEINIS ESGSEIS. Nobody can get me out from the infinite time and the infinite space and to put me in their tunnels, traps and prisons. I have arrested and tried on all, in the code video supernatural of telekinesis and telepathy S666N. Who wants to escape from my church "the Infinite Past Space, the Infinite Future Space", and prison S666N, they kills on themselves with their thoughts and their hand, or at other creatures. You have lived five millions years of tests and demonstrations. I did so that, all souls to live and to teleport in the infinite time and the infinite space, and to have all the intelligence, truth and reality, on that they can lead. Italy, Israel, Islam, Egypt, Allah, Ra, Israel666, etc., trying to shrink intelligence, truth and reality, through threats, blackmail, misinformation, censorship, tunnels, alcohol, drugs, work, deception, lies, etc., by four thousand years. Welcome in my home "the Infinity Time and the Infinity Space ".

Acum trebuie sa intelegi, de ce eu dumnezeul etern invizibil ESGSEIS, sunt creatorul unic la toate. Nu ai vazut codul S666N, ca sa poti sti daca mint sau nu, sau daca exista sau nu dumnezeul ESGSEIS. De ce vorbesti si raspunzi fara sa vezi si sa analizezi? Am inteles. Vrei sa conduci si tu lumea, cu o poveste, un bat, o prostie. Nu uita, ca eu sunt regele, conducatorul si creatorul la toti. 954 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Avem nevoie de raspunsuri. Cine a construit limbile din alfabetul latin, si cand, si cu ce vor fi inlocuite, si cand. Cine a construit Biblia, Quran, etc, si cand, si cu ce vor fi inlocuite, si cand. Acestea au fost construite de creaturi invizibile, in colaborare cu corpul uman, prin telepatie. Creaturi invizibile care sunt in conflict si razboi, intre ele, si cu adevarul, realitatea, inteligenta, informatiile, stiinta, si viata vesnica la toate sufletele din infinitul trecut spatiu si din infinitul viitor spatiu. Au fost inlocuite de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu: codul video supranatural de telekinezie si telepatie S666N, limba romana 26 litere, "corpul invizibil viu infinit", "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu", biserica, spatiu, familia, partidul, guvernul si organizatia "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", din "anul inceputul la infinitul trecut spatiu" pana in "anul sfarsitul la infinitul viitor spatiu", si toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Creierul meu a descoperit ca sunt foarte multi asasini de

pace, adevar, realitate, transparenta, informatii, unitate, egalitate, oameni, suflete, si zei. Acesti asasini, complici, si victime, vor fi omorati de "corpul invizibil viu infinit". Planuri prezentate in coduri video supranaturale de telekinezie si telepatie, de sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Creierul meu nu cunoaste diavolii, ingerii, zeii, si sufletul lui: Cristo, Maria Ra Allah Israel 666 Adam Eva etc, desi sufletul meu este creatorul lor, asa precum demonstrat in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. --- Aparatorii la minciuni, razboaie, terorism, talharii de resurse naturale si profit, imposibil, inexistent, cenzura, secret, dezinformare, falsa informare, sute de limbi religii si politici, trebuiesc arestati si pedepsiti. Ei au fost judecati si arestati, de dumnezeul ESGSEIS, in codul video supranatural de telekinezie si telepatie S666N. Pedeapsa lor este suspendata pentru moment. Ei sunt asteptati sa se schimbe. Creierul lui: Cristo, Maria Ra Allah Israel 666 Adam Eva etc, nu a reusit sa vada nici inima lor, nici sufletul lor, nici creatorul lor, si la timp, spatiu, existenta, inteligenta, etc. Au vazut numai supranatural, telekinezie, telepatie, hieroglife, asasini, talhari, escroci, complici, si victime. Ei nu au vazut infinitul trecut spatiu, infinitul viitor spatiu, forma la planeta Pamant, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, "corpul invizibil viu infinit", "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu", biserica, spatiu, familia, partidul, guvernul si organizatia "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", din "anul inceputul la infinitul trecut spatiu" pana in "anul sfarsitul la infinitul viitor spatiu", si toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Ei au efectuat cateva minciuni, razboaie, conflicte, inchisori, si inselaciuni, si nici macar nu si-au dat seama, ca ele pot fi infinite, si ar putea fi capturate si distruse, toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. 954 The Book: The experiment military theological S666N, Eternal Infinite Order. We need answers. Who has built all languages from the Latin alphabet, and when, and with what will be replaced, and when. Who has built the Bible, Quran, etc., and when, and with what will be replaced, and when. These were built, by invisible creatures, in collaboration with the human body, through telepathy. Invisible creatures, that are in conflict and war between them, and with truth, reality, intelligence, information, science, and eternal life to all souls from the infinite past space and the infinite future space. These were replaced by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, with: the code video supernatural of telekinesis and telepathy S666N, Romanian language 26 letter, "the body invisible alive infinite", "The United Galaxies from the Infinity Past Space, the Infinity Future Space", the church, space, and the government "the Infinite Past Space, the Infinity Future Space" from "the year the infinity past space" until " the year the end at the Infinite Future Space", the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", and all the creatures, gods, souls, and persons from the infinite past space and the infinite future space. My brain has found, that exist many assassins of peace, truth, reality, transparency, information, unity, equality, persons, souls, and gods. These murderers, accomplices, and victims, will be killed by "the body invisible alive infinite." The plans was presented in the codes video supernatural of telekinesis and telepathy, by my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. My brain not knows, devils, angels, gods, and the soul his: Cristo, Maria Ra 666 Adam Eva Allah Israel etc, although my soul is their creator, as has demonstrated in the code video supernatural by telekinesis and telepathy Eternal Infinite Order. --- Defenders to lies, wars, terrorism, robbery of natural resources and profit, impossible, inexistent, censorship, secrecy, misinformation, false information, hundreds of languages religions and policy, must to be arrested and punished. They were tried and arrested, by the god ESGSEIS, in the code video supernatural of telekinesis and telepathy S666N. Their punishment is suspended for now. They are expected to change. The brain his: Cristo, Maria Ra 666 Adam Eva Allah Israel etc, has not managed to see nor his heart, nor his soul, nor his creator, and at time, space, existence, intelligence, etc. They saw only the supernatural, telekinesis, telepathy, hieroglyphics, murderers, thieves, swindlers, accomplices, and victims. They did not see the infinite past space, the infinite future space, the form at the planet Earth, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the code video supernatural of telekinesis and telepathy S666N, "the body invisible alive infinite", "The United Galaxies from the Infinity Past Space, the Infinity Future Space", the church, space, and the government "the Infinite Past Space, the Infinity Future Space" from "the year the infinity past space" until " the year the end at the Infinite Future Space", the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything", and all the creatures, gods, souls, and persons, from the infinite past space and the infinite future space. They have performed a few lies, wars, conflicts, prisons, and deceit, and nor even have not realized, that these can be infinite, and could captured and destroyed, all the creatures gods souls and persons, from all the infinite past space and all the infinite future space. Cheers by the invisible intelligence S666N, and the god of the gods eternal invisible true NMEILIS NMEINIS ESGSEIS.

956 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Allah, Israel666, Baphomet, Ra, Moise, Adam, Eva, Cristo, Maria, NATO, CIA, Vatican, Islam, Egipt, Israel, America, Italia, masoni, mafiile 7 chakra, secte, si toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, au construit cate ceva rau, sa distruga altceva rau. Eu am construit ceva bun si inteligent sa salvez toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, de aceste activitati ale lor periculoase, daunatoare, si distrugatoare. Eu ma simt obligat sa termin de instalat cu adevar, pace, realitate, egalitate, unitate, dreptate, ordine, eternitate, si inteligenta toate creaturile zeii sufletele si

persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu. Aici este problema. Toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, construiesc cate ceva, sa nu citeasca adevarul si realitatea, sau chiar sa le distruga. Astazi, oamenii, zeii si sufletele, l-au construit pe Jorge Mario Bergoglio, sa ne omoare pe toti, si sa ne lase fara suflete, adevar, dreptate, pace, si egalitate. Ele se mutileaza, sechestreaza, incuie, blocheaza, ascund, prostesc, dezinformeaza, si omoara, dupa programe politici si religii, construite constient si anumea, pentru realizarea acestor efecte. Italia, a muncit foarte mult timp, si a omoarat milioane de oameni, in ultimii trei mii de ani, ca sa pazeasca o carte de minciuni, imposibil, inexistent, inselaciuni, cenzura, dezinformare, dezordine, nedreptate, ritualuri de crima si canibalism, diavoli, satan, necunoscut, si alte rele. Italia, a muncit foarte mult timp, si a omoarat milioane de oameni, in ultimii trei mii de ani, ca sa distruga cartea Quran, alfabetul arab rus etc, libertatea, egalitatea, unitatea, dreptatea, viata invizibila, sufletele, viata vesnica, etc. La fel ca Italia a facut si Israel. In plus, Israel a vrut ca toti oamenii sufletele si zeii, sa vorbeasca limba evreiasca, si sa faca ritualuri de crima si canibalism. Islam in plus fata de Italia si Israel, au adaugat mutilari genitale. Pentru a comanda, educa, instala, si subjuga toate creaturile zeii sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, ei au construit trilioane de biserici, carti, religii, politici, planuri, razboaie, terorism, comploturi, actori, cantareti, criminali, mincinosi, talhari, bombe nucleare, soldati, magi, telepatici, extorsiuni, legi, constitutii, mita, cadouri, iertari, salvari, distrugeri, promisiuni false imposibile, miliarde de persoane, etc. Astazi vor sa foloseasca aceste constructii, pentru a distruge codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si tot infinitul trecut spatiu, si tot infinitul viitor spatiu. Altii ca sa distruga pe Italia, Israel, Islam, etc, au inventat democratia, Novus Ordo Seclorum, si al treilea razboi mondial. Glorie deja prevazuta pe foaie. Cinci milioane de supravietuitori care vor manca latina, cenzura, necunoscut, imposibil, inexistent si minciuni. Conducatorii vostri au fost analizati, judecati, invinsi, si arestati, prin codul video supranatural de telekinezie si telepatie S666N. Aveti grija sa nu evadeze nimeni din gloria mea si realitate, ca altfel va conduce pe toti zeii sufletele si persoanele, din tot infinitul trecut spatiu si tot infinitul viitor spatiu, in miliarde de razboaie apocalipse si genocide, si in trilioane de inchisori de tip alfabetic politic istoric economic religios si orice alt tip. Sunteti liberi de razboaiele, secretele, comploturile, planurile, tirania, crimele, si minciunile lor. Gloria dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, tot infinitul trecut spatiu si tot infinitul viitor spatiu. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Italy, has worked very long, and has killed millions of persons from the past three thousand years, for to destroy the book Quran, alphabet Arabic Russian etc, freedom, equality, unity, justice, the life invisible of the souls, eternal life, etc. . Like Italy has did and Israel. In addition, Israel has wanted that all the gods, souls, and persons, to speak Hebrew, and to make ritual of murder and cannibalism. Islam in addition, in comparison with Italy and Israel, has added, genital mutilation. For to order, educate, install, and enslave all creatures gods souls and persons, from all the infinite past space and all the infinite future space, they have built trillions of churches, books, religions, policies, plans, wars, terrorists, plots, actors, singers, murderers, liars, thieves, nuclear bombs, soldiers, magicians, telepathic, extortion, laws, constitutions, bribery, gifts, forgiveness, rescue, destruction, false promises impossible, billions of persons, etc. Today these buildings and achievements, are used for to destroy the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and all the infinite past space and all the infinite future space. 959 Libro: "Esperimento teologico militare S666N, Eterno Ordine Infinito". Censurato di Vaticano, NATO, G20, FBI, CIA, NASA, UNESCO, ECHR, islam, etc.! Il signore Cristo, è stato sconfitto due mila anni fa, da: Baphomet, le mafie 7 chakra, sconosciuto, idioti, e morte. Di lui è rimasto solo la sua anima, e miliardi di vittime. Non ha ricevuto nessuna compensazione e risarcimento per il suo lavoro in quale è stato sequestrato dalle mafie 7 chakra e diavolo Baphomet. Vatican, Israel, Islam, Italia, e le mafie 7 chakra, hanno ripetuto esperimento militare teologico Gesù Cristo, video online. Figlio amato, Cristian, figlio perso Anton. Gioco criminale: persone che riescono a telecomandare attraverso telepatia, altre persone. Anima di Gesù Cristo, è uguale a tutti. Nell anno 2011, anima di satan, diavolo Maria, diavolo Israel666, etc, sono stati giudicati e arrestati, di anima ESGSEIS, dio degli déi, creatore di tutti e tutto, loro creatore. Giudizio esposto nel codice video soprannaturale di telecinesi e telepatia S666N. --- Questo esperimento della verginita e senza macchia e peccato, è stato ripetuto da quel austriaco, che ha chiuso le soui figlie in cantina per 18 anni, per vedere se piace a dio Baphomet, e se lui viene per seminare, suo figlio. Alla fine il padre a seminato lui un figlio, con la sua figlia. Questo uomo è stato posseduto e telecomandato, attraverso telepatia, da Baphomet, per 40 anni. Anima di satan Cristo, è ricercata da Baphomet. Baphomet ha tentato di clonare anima di satan Cristo e demonio Maria. Senza successo. Questi anime sono uguali al anima del loro creatore, e anche delle vostre anime. Sono differenti soltanto perché hanno imparato piu informazioni dalle miei informazioni, in confronto con altre anime. Imparano molto per sconfiggere la anima ESGSEIS, dio degli déi, creatore di tutte le informazioni. Loro anima non può imparare e utilizzare piu di 50% delle informazioni ESGSEIS. Attendo i miei stipendi, risarcimento, giustizia, pubblicita, verita, e TFR. ---- Jorge Mario Bergoglio, sta tentando di cacciarmi via dalla luce, giustizia, verita, dio degli dèi NMEILIS NMEINIS ESGSEIS, da tempo, da spazio, e da "corpo invisibile vivo infinito". Ti ripeto: Vatican, Italia, Israel, Islam, Allah, Cristo, Maria, etc, sono stati arrestati da DIO ESGSEIS, e catturati nella prigione S666N. Te sei fabbricatore e avvocato per diavoli, criminali e bugiardi. Te non sei rappresentante di Dio, verita, giustizia, pace, onesti, e lavoratori. Forse sei te il educatore di tutti criminali, ladri, bugiardi, tiranni e mostri? Te gli devi correggere, non specializzare. Non dovevano praticare terrorismo, bugia, impossibile, inesistente, rapina, truffa, tirannia, genocidi, omicidi, mutilazioni e altri reati. ---- Jorge Mario Bergoglio, sta lavorando, per la distruzione della pace, verita, informazioni, e intelligenza, di tutte le creature da infinito passato spazio e infinito futuro spazio. 961 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Intr-adevar toti zeii, sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu se afla in intuneric si necunoscut, din cauza ca, sufletul meu, dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, nu a reusit sa gaseasca alt model de comunicare cu ei, mai usor decat codul video supranatural de telekinezie si telepatie S666N. Daca am avea un specialist sau un aparat, care sa intercepteze si sa ne traduca razele de telepatie, la sufletul meu, dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, atunci noi vom afla precis, cum sufletul meu a construit timpul spatiul existenta inteligenta sufletele si corpul invizibil viu infinit. Pana atunci ne multumim, si cu jumatati de raspunsuri. Un suflet sau un zeu cu gura si care sa foloseasca vorbirea, nu exista. Eu, creierul la acest corp, ma simt mult mai protejat, respectat, educat, instalat, si salvat de sufletul meu, dumnezeul dumnezeilor etern invizibil adevarat NMEILIS NMEINIS ESGSEIS, si codul video supranatural de telekinezie si telepatie S666N. Eu, creierul la acest corp, am citit prin telepatie, toate creierele, sufletele, zeii, religiile, politicile, informatiile, si constitutiile din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, si am obtinut dovezile si demonstratiile, ca cine crede ca salvatorul si educatorul lui este: minciuna, cenzura, imposibil, inexistent, dezinformarea, rugaciunile, botezul, circumciziile, crucea, ritualurile de crima si canibalism, anul 2000, Islam, Israel, Egipt, Italia, Allah, Ra, Cristo, Maria, Baphomet, biblia, Quran, mafiile 7 chakra, masonii, Paradisul, Iadul, etc, atunci acela ori este idiot, ori este dezinformat, ori este platit, ori este escroc, sau el nu a citit adevarul. --- Trupul la toti oamenii din infinitul trecut spatiu, a murit, pentru ca asa a fost construit de mine, sa nu reziste in timp si spatiu, mai mult decat este necesar sa instaleze sufletul. Trupul la toti oamenii din infinitul viitor spatiu, va muri. Nu au primit prea multe informatii si adevar, pana astazi, prin urmare trupurile au instalat sufletele, cu ce au putut, inteles, si gasit. La unii oameni din infinitul trecut spatiu, a murit si sufletul lor, nu numai trupul, din cauza la inteligenta, informatiile, mancarea, bauturile, si actiunile pe care le-au gasit, acumulat, si consumat. La unii oameni din infinitul trecut spatiu, dupa ce le-a murit trupul, sufletul lor a fost teleportat automat in caldura soarelui, pentru a fi sters de toate informatiile, din cauza la prea multe infractiuni si crime imprimate in suflet. Prin codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern

Ordin Infinit, eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am inviat din morti, toate sufletele moarte in infinitul trecut spatiu. Cu Islam, Israel, Egipt, Italia, Allah, Ra, Cristo, Maria, Baphomet, Biblia, Quran, etc, nu se poate invia din morti, nici macar un suflet, nici macar dintre sufletele moarte in anii acestia. Nimeni nu poate invia din morti trupurile la oameni, nici macar eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Nici nu are sens. Sufletele traiesc mult mai comod, sigur, simplu, si oriunde, in comparatie cu trupurile. Trupurile traiesc prin intermediul la suflete. Astazi, sufletele lor sunt lipsite de informatii, dar sunt din nou vii. Aceste suflete se vor reincarna din nou, pentru a fi reinstalate cu informatii bune. Ele nu isi vor aduce aminte nimic despre familiarii si prietenii lor, din vietile lor carnale, din infinitul trecut spatiu, deoarece sunt suflete care au fost inviate din morti, sau iesite din caldura soarelui. Aceasta situatie, adevar si realitate, se poate intampla exact la fel, si in infinitul viitor spatiu. Daca voi nu va feriti de mutilarea, infectarea, si nefericirea trupului, si de mutilarea, infectarea, nefericirea, si moartea sufletului, eu mai mult de atat, nu va pot ajuta. Eternitatea, adevarul, fericirea si pacea, nu sunt oferite gratuit, automat, sau la rubinet. Eternitatea, adevarul, fericirea si pacea trebuiesc culese cu mintea si cu sufletul, din codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Toate sufletele din infinitul viitor spatiu, risca sa moara in minciuna, imposibil, inexistent, razboaie, invidie si prostie, cu trupul si cu sufletul, la fel ca toti din infinitul trecut spatiu. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu mai invii din nou sufletul, la nimeni. ---- Islam, Israel, Egipt, Italia, Allah, Ra, Cristo, Maria, Baphomet, biblia, Quran, etc, nu va poate oferi nici un pic de pace, adevar, realitate, respect, eternitate, intelegere, fericire, dreptate, egalitate, si unitate, pentru ca toate astea sunt numai in sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si le-am expus in codul video supranatural de telekinezie si telepatie S666N, sa poata lua fiecare, cat poate duce. Islam, Israel, Egipt, Italia, Allah, Ra, Cristo, Maria, Baphomet, biblia, Quran, etc, au incercat inutil sa va inlocuiasca eternitatea la suflete, cu eternitatea la trupuri. Desi a trecut infinitul trecut spatiu, Islam, Israel, Egipt, Italia, Allah, Ra, Cristo, Maria, Baphomet, biblia, Quran, etc, nu au avut timp sa se gandeasca, ce ar trebui sa invete si sa faca ei si altii, ca sufletele la toti, sa poata trai, in tot infinitul timp si tot infinitul spatiu. Nu s-au gandit, sa invie sufletele moarte, pentru ca nici nu au cunoscut aceasta situatie, pana astazi. Nimeni in afara de mine nu poate vedea sufletele moarte. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu am cerut la nici un zeu, suflet, sau persoana, din infinitul trecut spatiu si infinitul viitor spatiu, parerea lor despre pace, adevar, realitate, respect, eternitate, intelegere, fericire, dreptate, egalitate, unitate, numele meu, suflete, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc. Nici nu ma intereseaza. Dupa cum observati, sfaturile, ajutorul, cartile, crimele, razboaiele, magiile, actiunile, rugaciunile, sau impotrivirile lor, au fost, sunt, si vor fi inutile. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

961 The Book: The experiment military theological S666N, Eternal Infinite Order. Indeed all the gods, souls, and persons, from all the infinite past space and from all the infinite future space, are found in lies, dark, and unknown, because my soul, the god of the gods eternal invisible true NMEILIS NMEINIS ESGSEIS, failed to find another model of communication with them, lighter than the code video supernatural by telekinesis and telepathy S666N. If we have a specialist or a device that intercept and translate, the rays of telepathy at my soul, the god ESGSEIS, than we will find out precisely how my soul has built the time space existence intelligence souls and "the body invisible alive infinite". Until than thank us, and with half answers. A soul or a god with a mouth and which use speech, not exist. I, the brain at this body, I feel me more protected, respected, educated, installed, and saved, by my soul, the god ESGSEIS, and the code video supernatural of telekinesis and telepathy S666N. I, the brain at this body, I have read through telepathy, all brains, souls, gods, religions, policies, informations, and constitutions from all the infinite past space and all the infinite future space, and I have obtained the proofs and the demonstrations, that who believes that his savior and his educator is: the lies, censorship, impossible, inexistent, misinformation, prayer, baptism, circumcision, cross, ritual of murder and cannibalism, year 2000, Islam, Israel, Egypt, Italy, Allah, Ra, Cristo, Maria, Baphomet, Bible, Quran, mafias seven chakra, masons, Paradise, Hell, etc., than this creature is a idiot or is misinformed or is paid or is crook, or he did not read the truth. --- The body to all persons from the infinite past space, has died, because it was built by me, to not resist in time and space, more than is necessary, for to install the soul. The body to all persons from the infinite future space, will die. Did not receive too much informations and truth, until today, therefore the bodies have installed the souls with what they could, understood and found. At some persons from the infinite past space, has died and their soul, not only the body, due to intelligence, informations, food, drinks, and the actions, on which they have found, collected and consumed. At some persons from the infinite past space, after what has died his body, their soul was automatically teleported into the heat of the sun, for to be deleted by all informations, because too many offenses and crimes was printed in their soul. Through the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order, I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have resurrected from the dead, all dead souls in all the infinite past space. With Islam, Israel, Egypt, Italy, Allah, Ra, Cristo, Maria, Baphomet, Bible, Quran, etc., can not be resurrected, nor even a soul, nor even between the souls, which have died in those years. Nobody can resurrected the dead bodies of men, nor even I, the god ESGSEIS. It does not

make sense. The souls live more comfortable, safe, simple, and everywhere, in comparison with the bodies. The bodies live eternal through the soul. Today, their souls are lacking of informations, but are again alive. These souls will be reincarnated again, for to be reinstalled with good informations. They will not remember nothing about their family and friends from their lives fleshly, from the infinite past space, because are the souls which have been resurrected, or have come out from the heat of the sun. This situation, truth and reality can happen exactly the same, in all the infinite future space. If you do not stay away from mutilation, infection, and unhappiness at your body, and mutilation, infection, misery, and death of your soul, I, more than that, I can not help on nobody. Eternity, truth, happiness, and peace, are not offered for free, automat, or at faucet. Eternity, truth, happiness, and peace, must to be collected with the mind and soul, from the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. All the souls from the infinite future space, risk to die, in the lies, impossible, inexistent, wars, envy, and stupidity, body and soul, like all the souls from the infinite past space. I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, no longer resurrected anew the soul, to nobody. ---- Islam, Israel, Egypt, Italy, Allah, Ra, Cristo, Maria, Baphomet, Bible, Quran, etc., can not give any bit of peace, truth, reality, respect, eternity, understanding, happiness, justice, equality, and unity, because all this are only in my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and I have exposed all this, in the code video supernatural of telekinesis and telepathy S666N, for that to can take each, so much how can hold. Islam, Israel, Egypt, Italy, Allah, Ra, Cristo, Maria, Baphomet, Bible, Quran, etc., tried in vain to replace the eternity of the souls, with the eternity of the bodies. Although has passed the infinite past space, Islam, Israel, Egypt, Italy, Allah, Ra, Cristo, Maria, Baphomet, Bible, Quran, etc., have not had time to think, what should to learn and to make, they and others, as souls at all, to can live in all the infinite time and all the infinite space. They have thought not, to resurrect the dead souls, because they do not have known this situation until today. Nobody except me, can see the dead souls. I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have not asked on nor a god, soul, or person, from the infinite past space and the infinite future space, their opinion about peace, truth, reality, respect, eternity, understanding, happiness, justice, equality, unity, my name, souls, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy, etc. Nor even not care me. As you can see, their advice, help, books, murders, wars, magic, actions, prayers, or their resistance, were, are, and will be useless. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Niciodata si nicaieri, nu se vor sfarsi aceste razboaie si conflicte. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, ca sa scap de acesti tirani, teroristi, criminali, si escroci, am fabricat si cunoscut intotdeauna adevarul, realitatea, dreptatea, eternitatea si codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si "corpul invizibil viu infinit", nu au reusit sa ofere multe avantaje si informatii, la zeii, sufletele, si persoanele, din infinitul trecut spatiu. Creaturile din infinitul viitor spatiu, au primit toate avantajele si informatiile, si ei vor refuza in parte. --- Nu a realizat nici un suflet, sau zeu legatura lui permanenta, cu "corpul invizibil viu infinit", infinitul trecut spatiu, si infinitul viitor spatiu. La intersectia dintre infinitul trecut spatiu si infinitul viitor spatiu, la intersectia dintre adevar si minciuna, si la intersectia dintre inteligenta si prostie, se afla codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. In infinitul trecut spatiu, au locuit in adevar, dreptate, stiinta, informatii, lumina, realitate, si inteligenta numai doua creaturi, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si "corpul invizibil viu infinit". Allah, Ra, Israel666, Baphomet, masonii, mafiile 7 chakra, Adam, Eva, Moise, Cristo, Maria, Rusia, India, China, Italia, Israel, Islam, America, si toti zeii, sufletele si persoanele din infinitul trecut spatiu, nu vor sa recunoasca, ca au locuit tot infinitul trecut spatiu, in minciuna, imposibil, inexistent, razboaie, terorism, inselaciune, prostie, dezinformare, intuneric, talharii, nedreptate, si necunoscut. Toti zeii, sufletele, si persoanele, din infinitul trecut spatiu, si din infinitul viitor spatiu, din data de 5 iulie 2011, sunt obligati de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si "corpul invizibil viu infinit", sa intre si sa locuiasca in adevar, dreptate, stiinta, informatii, lumina, realitate, si inteligenta. Opozitorii vor fi asasinati de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si "corpul invizibil viu infinit". Declarat in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit.--- Diavolul Israel666 va pune de trei mii de ani sa luptati impotriva voastra, la adevar, realitate, dumnezeul ESGSEIS, si corpul invizibil viu infinit. Va omoara corpul invizibil viu infinit si pe voi si pe diavolul Israel666, daca refuzati codul video supranatural de telekinezie si telepatie S666N si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit.

Chiudete il spirito santo dell diavolo israel666. Chiudete la telepatia dell demonio, con calcio d3, e sole. La croce è opera del demonio. Dio ESGSEIS, non è complice dell diavolo Israel666, Ra, Allah, Cristo, Maria, Adam, Eva, etc. Questi hanno fatto squadra per diffammare e sconfiggere, loro creatore, Dio ESGSEIS, eterno, invisibile e incredibile, anche per loro. Oggi loro sono tra di voi. Loro non sanno più, chi erano nel passato. Dentro nell sole gli è stata cancellata la memoria della loro anima. --- Non aspettate più miracoli, nell infinito futuro spazio, perché non saranno più. Intelligenza di tutti gli dèi, anime, e persone è stata ridotta da me, a codice video soprannaturale di telecinesi e telepatia S666N, e il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito. A nessuno non do più, intelligenza soprannaturale di telecinesi magia nera e magia bianca, perché fanno guerre, genocidi, e disastri, con questa intelligenza. Andate in pace, verità e realtà, in infinito futuro spazio, e installate bene le vostre anime, per non arrivare nell sole. Rinunciate ai riti di crima e canibalismo, perché sono opera dei diavoli. Non hanno riuscito a far credere a tutti, che il creatore di tutti è bugiardo, tiranno, criminale, truffatore, idiota, cannibale, ecc. Questo era il piano segreto di diavolo Israel666, Ra, Allah, Cristo, Maria, Adam, Eva, Islam, Egitto, Italia, Israel, etc.

Eu sunt dumnezeul dumnezeilor. Nu am timp de comedii. Ca sa vorbeasca cu mine, un zeu, un suflet, sau o persoana, trebuie sa aiba terminata cu succes, o facultate de teologie, una de drept, una de psihologie, si una de fizica quantica. Trimit intermediarii mei sa iti explice acest adevar. Adevarul, inteligenta, infinitul timp, si infinitul spatiu, apartine la toti, si este fabricat si oferit gratuit de mine. Inchisoarea Romania a fost construita de diavolul Israel666, si nu apartine la nimeni. Este un loc de terorism, minciuna, si inselaciune, unde draci ca Klaus Johannis, Dacian Ciolos, etc, bea sange de oi si miei, in mod video online. --- Dumnezeul care fabrica si pazeste escrocii criminalii talharii si idiotii, este diavolul Israel666. Pana pe 3 ianuarie 2048, va muri Israel666 cu toti escrocii criminalii talharii si idiotii din galaxia solara. --- In galaxia solara sunt 7 miliarde de diavoli si un singur dumnezeu, care i-a adus pe diavoli la internet, telepatie, telekineza, si bombe nucleare. Cine castiga? Animalele care au invatat cu greu sa utilizeze inteligenta si internetul, sau dumnezeul ESGSEIS, care a inventat inteligenta, microcipul, si animalele? Am castigat eu deja, eu, dumnezeul etern invizibil ESGSEIS, si v-am aratat gloria mea, in codul video supranatural de telekinezie si telepatie S666N si Etern Ordin Infinit. Am sa va arat gloria mea, daca fraieri si idioti ca voi ma obliga, si in al treilea razboi mondial si Apocalipsa. Desi nu cred ca 7 miliarde de persoane vor vota

Apocalipsa, ca sa realizeze, sa invete, si sa respecte, gloria si inteligenta mea, de care ei se utilizeaza din plin ca sa traiasca.

Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sunt foarte educat, cultivat si informat. Eu am construit totul, asadar stiu totul. Eu am construit: timpul, spatiu, existenta, inteligenta, microcipul, sufletele, corpul invizibil viu infinit, "anul inceputul la infinitul trecut spatiu", "anul sfarsitul la infinitul viitor spatiu", codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu", toate definitiile si demonstratiile despre oricine si orice. Chiar daca sunt invizibil, am construit toate acestea, numai prin telepatie si telekinezie, asa cum v-am demonstrat in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Tot numai prin telepatie si telekinezie, pot sa distrug, timpul, spatiu, existenta, inteligenta, microcipul, sufletele, corpul invizibil viu infinit, etc, si nimeni si nimic nu imi poate sta in cale. Nimeni nu ma poate vedea, si prin urmare nimeni nu ma crede, desi mesajele mele sunt extrem de inteligente, sofisticate si construite din cele mai mari bogatii din infinitul timp si infinitul spatiu, care sunt telekinezia, supranatural, telepatia, matematica, fizica quantica, gematria, numerologia, videocamera, microcipul, si informatica. ---- Dumnezeul ESGSEIS, i-a ajutat pe dusmanii lui, si pe idioti, sa isi faca biserici, zei, si armate foarte mari, cu multe sacrificii, si in mii de ani, iar astazi este aici sa le distruga minciunile. Le-a distrus intelectual, le va distruge si prin apocalipsa. Conducatorii vostri au cerut apocalipsa.

I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I am highly educated, cultured and informed. I have built everything, so I know everything. I have built: the time, space, existence, intelligence, microchip, souls, "the body invisible alive infinite", "the year the beginning at the Infinite Past Space", "the year the end at the Infinite Future Space", the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, "The United Galaxies, from the Infinite Past Space, and the Infinite Future Space", the church "the Infinite Past Space, the Infinity Future Space", all the definitions and demonstrations about everyone and everything. Even if I am invisible, I have built all this, only through telepathy and telekinesis, as I have shown and demonstrated in the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Only through telepathy and telekinesis, I can destroy the time, space, existence, intelligence, microchip, souls, the body invisible alive infinite, etc, and nobody and nothing can stand in my way. Nobody can not see me, and therefore nobody can not believes me, although my messages are highly intelligent, sophisticated, and are built from the greatest riches from the infinite time and the infinite space, which are telekinesis, supernatural, telepathy, mathematics, physics, quantum, gematria, numerology, video camera, microchip, and informatics. --- The God ESGSEIS, has helped his enemies, and on idiots, to make their churches, gods, and large armies, with very much sacrifices, and in thousands of years, and today is here, to destroy their lies. He has destroyed their lies in mode video suprannatural of telekinesis and telepathy, and will destroy their lies and through apocalypse. Your leaders have chosen Apocalypse.

964 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Daca, eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, anulez reincarnarea sufletelor, atunci infinitul spatiu se va popula in infinitul viitor spatiu cu suflete salbatice, lipsite de cunostinte, informatii si amintiri, si negre de crime si infractiuni. Reincarnarea sufletelor, intr-un loc fara alfabete, cunostinte, informatii, adevar, realitate, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, nu este prea utila pentru setarea, recuperarea, si instalarea sufletelor. Daca eu opresc teleportarea automata in caldura soarelui, la sufletele negre de infractiuni, talharii, complicitate, si crime, atunci infinitul spatiu, se va popula in infinitul viitor, numai cu suflete teroriste, razboinice, razbunatoare, inselatoare, mincinoase, urate, si rele. Daca eu al las pe Allah, Ra, Israel666, Baphomet, masonii, mafiile 7 chakra, Adam, Eva, Moise, Cristo, Maria, Rusia, India, China, Italia, Israel, Islam, America, si toti zeii, sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, sa educe pe toti zeii, sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, atunci infinitul spatiu, se va popula in infinitul viitor, numai cu suflete teroriste, razboinice, razbunatoare, inselatoare, mincinoase, urate, si rele. Daca las in viata dumnezeii construiti de oameni analfabeti, de oameni drogati cu otet alcool halucinante si substante de decalcifiere, si de mafiile 7 chakra teleghidare prin telepatie, atunci eu mutilez existenta mea, adevarul, si toti zeii, sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu. Mafiile 7 chakra teleghidare prin telepatie, au construit dumnezeii din hieroglife, crengi de copaci, aur, bani, dolari, bombe nucleare, razboaie, terorism, sange, crime, sacrificii, minciuni, inselaciune, imposibil, inexistent, telepatie, halucinatii, holograme, si alte rele, care terorizeaza, minte, si inseala, victimele lor. Au construit dumnezeii care mananca carne de om, bea sange de om, mananca preputuri de bebelusi, fac ritualuri de crima si canibalism, fabrica razboaie, terorism, si concursuri, si alte rele. Au construit dumnezeii idioti, tirani, mincinosi, calici, mutilatori, criminali, si dezinformati. Acest corp a fost obligat prin telepatie de mafiile 7 chakra, sa joace rolul Isus Hristos, in circul si biserica Italia, Israel, Egipt, Islam, Grecia, si Romania, condusa de dumnezeul construit din hieroglife, imposibil, minciuni, si telepatie,

care are un singur copil, pe care al tortureaza si al omoara. Acest corp a primit de la pedofilii si asasinii 7 chakra din Italia, Israel, Egipt, Islam, Grecia, si Romania, foarte mult terorism, pagube, infectii, chimicale, si mutilari, instalate prin telepatie. Diavolii, Italia, Israel, Egipt, Islam, Grecia, Romania, si mafiile 7 chakra, au transformat in idioti, talhari, criminali, escroci, si monstri, toti zeii sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, inclusiv pe ei insasi, datorita la cartile, religiile, politicile, si zeii, pe care i-au construit, si cu comportamentul si parerea lor, despre pace, adevar, realitate, respect, eternitate, intelegere, fericire, dreptate, egalitate, unitate, numele meu, suflete, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Dupa cum observati, sfaturile, ajutorul, cartile, crimele, razboaiele, magiile, actiunile, si impotrivirile lor, vandute pe bani si sange, la toti zeii sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, au fost, sunt, si vor fi, foarte daunatoare pentru corp, suflete, zei, pace, dreptate, egalitate, unitate, respect, adevar si realitate. --- Te mandresti cu pietre, minciuni, idei, si filozofii, la fel ca Allah, Ra, Israel666, Cristo, Maria, Adam, Eva, etc. Sa iti fie rusine animalule! --- Prea multa lumina, adevar, inteligenta, si informatii, in codurile si cartea lui dumnezeul ESGSEIS, si din cauza asta, se vad foarte bine toti diavolii, criminalii, escrocii, teroristii, tiranii, idiotii, talharii, complicii, si victimele, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. --- Codurile video supranaturale de telekinezie si telepatie care au anuntat Apocalipsa : 1 Dumnezeul lui Israel este diavolul Israel666. Din 6.12.2010. 2 Cristo e Satan, si Maria diavol si au fost arestati in codul S666N. Din 5.07.2011. 3 Etern Ordin Infinit. Din 14.11.2011. 4 Autorizatie de exterminare la toti zeii sufletele si persoanele care sunt impotriva la zeul NMEILIS NMEINIS ESGSEIS. Autorizatie necesara pentru "corpul invizibil viu infinit", care va fi asasinul la galaxia solara. Daca nu ati inteles codurile si adevarul. ----- Sa fie adevar, dreptate, pace, unitate, egalitate, si inteligenta, in tot infinitul trecut spatiu, si in tot infinitul viitor spatiu, altfel va omor pe toti, trup si suflet. Cuvantul la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Bine ati venit in : "Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu ", biserica, casa si guvernul "Infinitul Trecut Spatiu, Infinitul Viitor Spatiu".

964 The Book: "The experiment military theological S666N, Eternal Infinite Order". If I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, cancel the reincarnation of the souls, than, all the infinite space will be populate, in the infinite future, only with the souls wild, and deprived of knowledge, informations and memories, and black and heavy due at crimes and offenses. The reincarnation of the souls, into a place without alphabets, knowledge, informations, truth, reality, the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Order Infinite, is not too useful for setting, recovery, and installation of the souls. If I stop the teleportation automatic in the heat of the sun, at the souls black and heavy of crime, robbery, complicity, and murder, than all the infinite space will be populate, in the infinite future, only with the souls terrorist, warlike, vengeful, treacherous, false, ugly and bad. If I leave him on Allah, Ra, Israel666, Baphomet, freemasons, mafias seven chakra, Adam, Eve, Moses, Cristo, Maria, Russia, India, China, Italy, Israel, Islam, America, and all the gods, souls and persons from the infinite past space and the infinite future space, to educate all the gods, souls and persons from the infinite past space and the infinite future space, than, all the infinite space will be populate, in the infinite future, only with the souls terrorist, warlike, vengeful, treacherous, false, ugly and bad. If I leave alive, the gods built by illiterate people, by people drugged with vinegar alcohol and substances hallucinatory and of descaling, and by mafias seven chakra remote control through telepathy, than I mutilate my existence, the truth, and all the gods, souls and persons from all the infinite past space and from all the infinite future space. Mafias seven chakra remote control through telepathy, have built the gods from hieroglyphics, twigs, gold, money, dollars, nuclear bombs, wars, terrorism, blood, murder, sacrifice, lies, deceit, impossible, inexistent, telepathy, hallucinations, holograms, and other evils, that terrorize, lie, and cheating their victims. They have built the gods who eat human flesh, drink human blood, eat foreskins of babies, build the rituals of murder and cannibalism, build wars, terrorism, and contests, and other evils. They have built gods which are idiots, tyrants, liars, greedy, stingy, miserly, criminals, and misinformed. This body, was forced through telepathy, by mafias seven chakra, to play the role of Jesus Christ, in the circus and church from Italy, Israel, Egypt, Islam, Greece, and Romania, led by the god which is made from hieroglyphics, impossible, lies, and telepathy, which has only one child, on which he torture him and kill him. This body has received from ...hiles and murderers seven chakra from Italy, Israel, Egypt, Islam, Greece, and Romania, very much terrorism, damage, infections, chemicals, and mutilations, installed through telepathy. The devils, Italy, Israel, Egypt, Islam, Greece, Romania, and mafias seven chakra, have transformed into idiots, thieves, criminals, and monsters, all the gods, souls, and persons, from the infinite past space, and the infinite future space, inclusively on they, due at their books, religions, policies, and gods, on which they have built, and due at their behavior and their opinion, about peace, truth, reality, respect, eternity, understanding, happiness, justice, equality, unity, my name, souls, the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Infinite Order. As you can see, their advice, help, books, murders, wars, magic, actions, idols, and their opposition, sold from the money and blood, to all the gods souls and persons from the infinite past space and the infinite future space, were, are, and will be, very harmful for the body, souls, gods, peace, justice,

equality, unity, respect, truth, and reality. --- You are proud with the stones, lies, ideas, and philosophies, as Allah, Ra, Israel666, Cristo, Mary, Adam, Eve, etc. Shame for you animal! ---- Is too much light, truth, intelligence, and information, in the codes and the book his the god ESGSEIS, and due at this, it can see very well all devils, criminals, crooks, terrorists, tyrants, idiots, thieves, accomplices, and victims, from all the infinity past space and from all the infinite future space. --- Let to be truth, justice, peace, unity, equality, and intelligence in all the infinite past space and in all the infinite future space, otherwise I will kill on you all, body and soul. The word of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. --- The codes video supernatural by telekinesis and telepathy, which have announced the Apocalypse: 1. The God of Israel is the devil Israel666. From 6.12.2010. 2. Cristo is Satan and Maria a devil, and were arrested through the code S666N. From 05.07.2011. 3. "Eternal Infinite Order". From 14.11.2011. 4. Authorization of extermination to all the gods, souls, and persons, which are against the god NMEILIS NMEINIS ESGSEIS. Authorization required for "the body invisible alive infinite", which will be the killer at the solar galaxy. If you do not understand the codes and the truth.

965 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Oile sunt conduse de ciomag, caini, si ciobani, si sunt mancate de oameni. Escrocii si idiotii sunt fabricati si condusi, de: Biblie, Quran, Allah, Ra, Israel666, Cristo, Maria, CIA, NATO, FMI, alfabete, engleza, rugaciuni, latina, magi, telepatie, otet, imposibil, inexistent, minciuni, dezinformare, si dezordine, si sunt mancati de razboaie terorism talhari preoti judecatori politici magi zei si alte rele, si ramasitele lor, sufletele, sunt topite de caldura soarelui si sterse de tot felul de infractiuni. Zeii, sufletele, si persoanele, educate si conduse de codul video supranatural de telekinezie si telepatie S666N, devin corecte, unite, egale, inteligente, informate, harnice, sfinte, fericite, respectate, si toate cele bune, si sufletele lor pot trai tot infinitul timp si tot infinitul spatiu. Toti zeii, sufletele, si persoanele, din infinitul trecut spatiu si infinitul viitor spatiu, muncesc din greu sa devina escroci, idioti, talhari, criminali, mincinosi, monstri, puturosi, orbi, si sa fie educati si condusi de minciuni, imposibil, inexistent, inselaciune, nedreptate, cenzura, dezinformare, dezordine, terorism, razboaie, sute de inchisori de tip alfabetic religios istoric si orice alt tip, si alte rele. Sufletele lui Allah, Ra, Israel666, Cristo, Maria, etc, au facut studii, planuri, si antrenamente, timp de miliarde de ani, pentru ca sa devina tirani, monstri, escroci, mincinosi, conducatori, regi, educatori, si inlocuitorii lui dumnezeul adevarat, creatorul lor, sufletul meu. Ei au muncit inutil. Eu, nu ai las sa fie escroci, idioti, tirani, si mincinosi, tot infinitul viitor spatiu. Cand i-am creat, erau salbatici, si lipsiti de cunostinte, astazi sunt tirani, escroci, si mincinosi, mai bine decat salbatici, iar in viitor vor fi inteligenti, corecti, respectosi, iubitori, ascultatori, si harnici. Eu sunt dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul lor, creatorul la inteligenta, suflete, timp, spatiu, microcip, etc. Sufletele lui Allah, Ra, Israel666, Cristo, Maria, etc, nu au fost capabile sa prinda mai multa inteligenta de la mine, in infinitul trecut spatiu, si prin urmare, ei astazi sunt inca escroci, idioti, tirani, si mincinosi. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, prin codul S666N, a judecat, a invins si a arestat, toti zeii, sufletele, si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Ei nu vor sa se corecteze, si sa devina mai informati si inteligenti. Toti vor sa conduca toate creaturile si pe ei, cu minciuni, tot infinitul viitor spatiu, asa cum au facut in tot infinitul trecut spatiu. Eu sunt conducatorul unic etern, sau apocalipsa. Telecomanda apocalipsei sunt gandurile la sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, iar armata lui este corpul invizibil viu infinit. Allah, Ra, Cristo, Maria, CIA, NATO, FMI, si toti zeii, sfintii, sufletele, diavolii, si persoanele, vor fi transformati in frati, inteligenti, romani, corecti, si vesnici, prin codul S666N. Sau in nimic, prin apocalipsa. Vatican, Italia, si toti zeii, sfintii, sufletele, diavolii, si persoanele, din tot infinitul trecut spatiu, si tot infinitul viitor spatiu, fara inteligenta S666N, construita de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, ramaneau tot infinitul timp si tot infinitul spatiu, doar niste maimute salbatice ratacite in paduri si pesteri. Datorita la inteligenta S666N, astazi stau cu toti comozi la celular, PC, TV, adevar, realitate, pace, informatii, si dreptate, si isi traiesc fericiti eternitatea sufletelor. Sunt foarte surprins de curajul si nesimtirea lui Joseph Alois Ratzinger, Jorge Mario Bergoglio, CIA, NATO, Interpol, deoarece ei incearca sa ma talhareasca de cinci ani de munca mea, si sa distruga adevarul, realitatea, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Eu ma asteptam la multumiri, aplauze, si recompense, pentru ca am reusit sa scot din salbaticie, padure, minciuni, razboaie, imposibil, iad, si inexistent, toti zeii, sufletele, si persoanele, din tot infinitul viitor spatiu. Corpul meu, a primit in schimb la toata munca mea si a lui, asasinarea lui tatal lui, pe numarul 13 si litera t, alte crime, extorsiuni, chimicale, infectii, scandaluri, si mutilari. Asta da specie de monstri, diavoli, criminali, escroci si talhari. Numerele lui Joseph Alois Ratzinger, Jorge Mario Bergoglio, CIA, NATO, Interpol, Allah, Ra, Cristo, Maria, complicii si victimele lor, vor fi 000, daca nu se indreapta, si nu imi multumesc, pentru ca i-am scos din salbaticie, le-am inviat sufletele din morti, si i-am adus la inteligenta supranaturala de telekinezie si telepatie S666N.

966 Libro: "Esperimento teologico militare S666N, Eterno Ordine Infinito". Nessuno da infinito passato spazio, non ha conosciuto anima di Satan, Allah, Ra, Israel666, Baphomet, etc. Dio ESGSEIS, ha imparato tutti gli dèi, anime, ecc, la maggia nera bianca, scrivere, comunicare, telecinesi, telepatia, ecc.

Tutto attraverso telepatia, e telecinesi, perché lui è invisibile. La mia famiglia conosce il mio corpo, ma nessuno non crede che io ho una anima, che è come tutte le anime invisibile ai occhi, ma è anche invisibile alle anime. La mia anima, si ha dichiarata piu volte Dio, creatore di tutti. In codici video soprannaturali di telecinesi e telepatia. Ha comunicato anche il suo nome, NMEILIS NMEINIS ESGSEIS. Dentro di me ce anima dell creatore di tutti. Invisibile. Incredibile. C'è una guerra contro dio ESGSEIS. Vogliono in tanti a uccidere loro creatore. Dopo che gli ha imparato a pensare e conoscere. Lui è invisibile. Non hanno riuscito a vederlo nemmeno una volta, nessuno da infinito tempo e infinito spazio. Può creare una holograma come fanno anche le mafie 7 chakra e alcuni esorcisti. Telepatia MMS. IO ho visto che la mia anima è Creatore di tutti nei codici video soprannaturali di telecinesi e telepatia. La mia anima, ha fatto vedere che tutta la gente da ultimi 50 mila anni, sono stati schiavi dei diavoli, satan, e stupidita. Massimo di intelligenza divina soprannaturale di telecinesi e telepatia è il codice S666N. Vaticano censura è prova asasinare una cosa invisibile che gli ha comunicato che gli uccide se loro non rinunciano all dio diavolo Israel666, satan Cristo, diavolo Maria. Questa cosa invisibile, ha dichiarato questo, nell codice "eterno ordine infinito", con taglio a carta "creatore" tra 835 carti. Riconfermato 2016, con tagliò a carta Adam. Assassino di Italia Israel666 Cristo Maria Allah Ra America, ho capito che è il loro creatore, che oggi è la mia anima. Dopo sei anni di studio. Gli ha dato solo 36 anni per rinunciare alla guerra contro di lui, dopo di che gli uccide le vittime, e alle loro anime gli cancella la memoria a zero, teleportandole le anime nell calore del sole. Alcune anime saranno dissolvati. Tutto comunicato attraverso telepatia e codici video soprannaturali di telecinesi e telepatia. Quelli che vogliono ammazzare dio degli dèi eterno, invisibile a tutti, vero, NMEILIS NMEINIS ESGSEIS, sono idioti, o scettici, o drogati, o bambini, o accecati e telecomandati attraverso telepatia da anime malefici invisibile, o non hanno visto il codice video soprannaturale di telecinesi e telepatia S666N, e codice video soprannaturale di telecinesi e telepatia eterno ordine infinito. Joseph Alois Ratzinger, Jorge Mario Bergoglio, Ciampi, Napolitano, Berlusconi, Satan Cristo, diavolo Maria, Adam, Allah, Ra, Israel666, Baphomet, etc., hanno tentato di sconfiggere una creatura invisibile, molto intelligente, che si occupa di soprannaturale telecinesi telepatia magia nera bianca, e che ha comunicato che è loro creatore, e di tutto. Mi hanno fatto a me, dani, omicidi, terrorismo, avvelenamenti, mutilazioni, e problemi, per farmi stare zitto, e per capire se mi diffende la mia anima, o se protesta, o se gli uccide. Questi sono idioti e criminali. Sono ancora vivi, tutti quelli che censurano dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS, e che stano tentando da sei anni di farlo complice delle loro bugie, guerre infinite, e stupidita. Italia, Israel, America, Islam, e loro complici e vittime saranno ammazzati con apocalisse, telecomandata attraverso telepatia e telecinesi da dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. Ho una anima invisibile a tutti, che entro 3 gennaio 2048, gli uccide tutti, che non hanno imparato chi è autore dell microchip, Microsoft, intelligenza, e tutto il benesere per corpo e per anima, che proviene dall utilizzo di questi. Ucciderà tutti che non hanno imparato la lingua rumena 26 lettere, il codice video soprannaturale di telecinesi e telepatia S666N, e il codice video soprannaturale di telecinesi e telepatia eterno ordine infinito. Non ho salvato nessuno. Nessuno non crede in vita invisibile e in Dio, e dunque nessuno non ha incominciato a imparare la verità e il massimo della intelligenza soprannaturale di telecinesi e telepatia. Hanno protestato con omicidi. Per difendere la bugia, stupidita, impossibile, inesistente, ecc. Apocalissa è un annuncio primitivo, ricevuto attraverso telepatia, di alcuni persone e tramandato con geroglifici, alfabeti, e filmi da quattro mila ani. Da cinque anni è stata confermata l'Apocalisse, con codici video soprannaturali di telecinesi e telepatia, e anche i motivi. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

967 Libro: "Esperimento teologico militare S666N, Eterno Ordine Infinito". Mi hanno chiamato il Vaticano, e hanno detto che papa Francesco, Jorge Mario Bergoglio, ha letto il mio libro e vuole parlare con me. È una menzogna. Qui sono omicidi video online. Qui è la tortura della mia vita per 41 anni, programmata e eseguita di Vatican, Italia, Israel, Romania, ecc. Qui c'è un annuncio video soprannaturale di telecinesi e telepatia di sterminio di tutti contro dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. Come è possibile che per papa Francesco, Jorge Mario Bergoglio, e solo un libro? Ha risposto dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS, con un codice video soprannaturale di telecinesi e telepatia. Anima di papa Francesco, Jorge Mario Bergoglio, è il diavolo. Lui sa che saranno uccisi tutti contro dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS, e lui nasconde. Impara la gente bugie, censura, stupidita, rapina, guerre, terrorismo, riti di crima e canibalismo, disordine, e altri mali. Io ho saputo nell anno 2011, da dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS, attraverso codici video soprannaturali di telecinesi e telepatia, che Italia, Israel, America, Islam, Egitto, Allah, Ra, Maria, Cristo, ecc, e loro complici e vittime, saranno ammazzati da corpo invisibile vivo infinito, perché non vogliono imparare la verità, realtà, giustizia, uguaglianza, eternità delle anime, e codice S666N. Ho fatto tutto quello che ho potuto per salvare tutti dalla morte. Non ho salvato nessuno. Saranno tutti ammazzati, entro 3 gennaio 2048. Perché? Perché è incredibile e invisibile, dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. Perché è incredibile e invisibile, “corpo invisibile vivo infinito." Sono censurati loro messaggi dai codici video soprannaturali di telecinesi e telepatia, che potevano salvare tutti dalla morte, da cinque anni. Dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS ha votato i codici video soprannaturali di telecinesi e telepatia, o se no apocalisse. Maria, Allah, Ra, Vaticano, Cristo, israel666, e dieci miliardi di persone, hanno votato da quattro

mila anni, solo bugia, terrorismo, guerre, impossibile, inesistente, geroglifici, truffa, preghiere, omicidi, riti di crima e cannibalismo, e altri mali. Loro rifiutano di votare la verità, e da 2011 rifiutano i codici video soprannaturali di telecinesi e telepatia, anche se hanno visto la bontà intelligenza energia eternità giustizia verità e aiuto, che sono dentro questa intelligenza. Le anime di, Allah, Ra, Cristo, Maria, etc, non hanno ancora scoperto quando sono stati creati, come sono stati creati, quando hanno incominciato a utilizzare intelligenza, e quando saranno ammazzati e perché. Oggi hanno scoperto tutto questo, dall loro creatore, dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. La loro risposta è: non crediamo, è incredibile, è un trucco. Le anime di Allah, Ra, Cristo, Maria, etc, tempi fa, si sono suicidati da sole, perché non hanno ascoltato la verità. Le anime che non vogliono ascoltare la verità, muoiono da sempre. Gli ha inviati di nuovo dai morti, le loro anime, il 5.07.2011, loro creatore, dio ESGSEIS. Loro non sanno più nulla. Ma è rimasta viva la loro guerra, contro di me. Dopo il omicidio di tutte le anime, dopo il omicidio dell tempo, dell spazio, ecc, esiste solo una anima, che può riportare indietro, tutta esistenza. È solo quella anima, che puo creare o uccidere il tempo, spazio, esistenza, ecc. È dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. Questa volta, sembra che non vuole più nessuno in esistenza, per miliardi di anni. Solo lui da solo, e tutta esistenza lasciata da lui per lui. Forse anche per sempre. Dio dei ladri, truffatori, criminali e perversi è diavolo israel666 Jorge Mario Bergoglio. Il sigillo dell diavolo è il battesimo, la croce, omicidi, riti di omicidio, estorsioni. Era meglio atteo di che schiavo e cibo del demonio e truffatori. Parola del creatore di tutti. Anche di questo pazzo diavolo che ha imbrogliato la gente e le pecore da quattro mila anni. Diavolo si rifiuta la benedizione di telecinesi e telepatia S666N, e va avanti con acqua con sale con sangue con bugie con omicidi. Fra poco scopriranno tutti che sei diavolo. Parola del dio ESGSEIS.

968 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Cel mai curat nume din infinitul trecut spatiu si din infinitul viitor spatiu, a fost construit de mine, dumnezeul dumnezeilor etern invizibil, si este numele meu NMEILIS NMEINIS ESGSEIS. Numele meu, si existenta mea, nu a fost cunoscuta de nimeni din infinitul trecut spatiu si din infinitul viitor spatiu, asadar nu sunt complice de nici un plan de razboi crima si inselaciune din infinitul trecut spatiu si din infinitul viitor spatiu. Sunt invizibil si incredibil in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Numele meu l-am scris in format digital, intr-un computer, intr-un document, si intr-un cod video supranatural de telekinezie si telepatie, cea mai puternica si complicata forma de inteligenta din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Nu sunt aici sa fur planurile lui Allah, de a taia preputurile, la toti fratii lui, si de a ucide toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, care nu vor sa vorbeasca limba araba. Nu sunt aici sa fur numele lui Allah, gasit de mafiile 7 chakra, in crengile de copaci, care deseori se vede in iarba si paduri. Nu sunt aici sa fur planurile lui Islam, Israel, Egipt, Italia, Vatican, mafiile 7 chakra, de a droga cu minciuna, otet, rosuvastatina, telepatie, gematrie, numerologie, minciuni, imposibil, inexistent, razboaie, latina, sute de limbi, nedreptate, necunoscut, terorism, si inselaciune, toate creaturile din infinitul trecut spatiu, si din infinitul viitor spatiu. Nu sunt aici sa fur planurile lui Moise, de a ucide toate creaturile din infinitul trecut spatiu, si din infinitul viitor spatiu, care nu vor sa vorbeasca limba evreiasca. Nu sunt aici sa fur planurile lui satan Cristo, de a ucide toate creaturile din infinitul trecut spatiu si din infinitul viitor spatiu, care nu vor sa vorbeasca limba latina, si nu vor sa stea in genunchi la Harap Alb si mafiile otet, si sa mearga in genunchi in anul 2000, spre intrarea in Paradis. Ei au cunoscut doar 1 la suta, din existenza mea. M-au acuzat prin limba romana de furt, chiar de acum trei mii de ani in urma, cand au inventat limba complot si numele Anton "fiul cel pierdut de mafiile otet", Cristian "fiul cel iubit de mafiile otet". Farfurie. Furculita. Verbul a fura. Far fur ie. Fur cu lita. Fur cu struna pestii, crimele, telepatia, minciunile, si inselaciunile. Da. Ok. Mersi. Eu nu vreau sa va fur mizeriile si crimele voastre. Mersi. Voi nu puteti fura cu struna sau cu creierul, codul S666N. Nu al puteti clona. Astazi toti copii sunt capabili sa cloneze crimele, povestile, minciunile, si alfabetele voastre. Nimeni inca nu este capabil sa inteleaga inteligenta S666N. Sa cloneze S666N, nici vorba. Arestati mafiile otet glanda pineala, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Au ucis peste doua sute de milioane de oameni, pentru jocul "farfurie furculita Anton Cristian", si au mutilat peste 10 miliarde de persoane. Proiecte, comploturi, si crime, ascunse in Biblie, Quran, Egipt, Italia, Israel, si Islam, pentru patru mii de ani. Urinati pe ei. Da. Asa cum am urinat eu pe Biblie, minciunile, prostia, si crimele lui Italia, Israel, Egipt, Islam, diavoli, si mafiile otet 7 chakra teleghidare prin telepatie. Binecuvantare din partea la creatorul la Microcip si codul S666N. Mancati voi telepatie, necunoscut, minciuni, si otet! Porcilor !!! Eu mananc adevar, telekinezie, supranatural, microcip, inteligenta, cunoscut, si toate cele bune. Nu fur farul de lumina la pedofilii 7 chakra. Farul de lumina, din farfuria la pedofilii 7 chakra, este sa te droghezi cu otet, pana se sparge coaja la glanda pineala, si intri in contact cu toti preotii si mafiile 7 chakra, drogate cu otet si rosuvastatina. Sunt trei mafii primitive, educate si iluminate de acest far. Mafia Egipt, mafia Islam, si mafia Israel. Italia este catelusul pazitor la mafia Israel. Acesti demoni au vrut sa fure numele meu, si codul video supranatural de telekinezie si telepatie S666N, de patru mii de ani in urma. Toate pregatirile lor au fost inutile. Planurile mele pentru infinitul trecut spatiu si pentru infinitul viitor spatiu, sunt expuse in cartea mea, si in codurile video supranaturale de telekinezie si telepatie. Adevar, realitate, dreptate, respect, informatii clare si complete, si toate cele bune. Eu nu am vrut

niciodata, ca cineva sa fie victima la cenzura, minciuni, inselaciune, imposibil, inexistent, complot, terorism, razboaie, otet, telepatie, latina, araba, chineza, rusa, Biblie, Quran, Egipt, Italia, Israel, Islam, Allah, Ra, Cristo, Maria, etc. Nu va pot ajuta, nici macar din anul 2011 pe nimeni. Toate creaturile din anii 2011 pana astazi, sunt victimele constiente la aceste infractiuni. Eu am reusit sa va eliberez de aceste rele, prin codul video supranatural de telekinezie si teleaptie S666N, dar nu functioneaza, pentru ca este cenzurat. Datorita faptului ca diavolii si escrocii, sunt peste un miliard, pe Planeta Pamant, in anii acestia, si dumnezeu sunt doar eu, unul singur. Ei au fugit prin cenzura, din inchisoarea S666N. Au ramas in functiile lor de pana acum. 50 la suta dintre ei sunt judecatori, preoti, politisti, generali, avocati, psihologi, doctori, savanti, cantareti, actori, ziaristi, politici, etc. Planul lor este, sa ucida toate creaturile, care nu vor sa vorbeasca limba engleza, si care vor sa stie adevarul despre toti si despre toate. Eu sunt sfant, dumnezeu, invizibil, incredibil, vesnic, bun, inteligent, cunoscator, si toate cele bune. Pe mine nu ma poate ucide nimeni, dar eu ai pot ucide pe ei. Din pacate vor muri toti. Inclusiv galaxia solara. Sa ucid un miliard de diavoli, unul cate unul, imi trebuie, doua sute de ani. Diavolii nu pot fi transformati in sfinti cu alfabetul, realitatea, inteligenta si codul S666N. Ei trebuiesc ucisi. Diavolii au fugit mereu de la scoala adevarului. Diavolii au facut scoala, legea si religia lor de minciuni, crima, terorism, furt, inselaciuni, si ritualuri de crima si canibalism. Diavolii se inmultesc prin cenzura, prostie si dezinformare. Omor unii, se nasc altii. Eu am acest faliment de 50 de mii de ani. Eu am tradat si abandonat toti zeii, judecatorii, sfintii, diavolii, sufletele, si persoanele, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, pentru ca ei au incercat sa ma faca complice la crimele, prostiile, razboaiele, si inselaciunile lor. Inutil. Voi ca mine, nu eu ca voi. Voi dupa mine, nu eu dupa voi. Daca in trecut voi ati construit un dumnezeu, sau o carte, sau un razboi, sau o apocalipsa, sau o limba, eu nu am fost complicele vostru. La fel si in viitor. Mai exista viitor, numai daca, voi ati inteles adevarul, numele meu, NMEILIS NMEINIS ESGSEIS, si infinitul trecut spatiu, si infinitul viitor spatiu. Jocul s-a terminat. Vatican, Italia, Israel, Egipt, Islam, America, Rusia, China, India, Cristo, Maria, Adam, Eva, Allah, Ra, etc, au fost arestati etern, de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si corpul invizibil viu infinit. Primiti binecuvantarea video supranaturala de telekinezie si telepatie S666N, direct de la dumnezeul ESGSEIS, sau veti fi omorati de "corpul invizibil viu infinit". Asa arata tot infinitul trecut spatiu, tot infinitul viitor spatiu, adevarul, dreptatea, egalitatea, unitatea, respectul, si toate cele bune. Nimeni nu ma poate contrazice. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

968 The book: The experiment military theological S666N, Eternal Infinite Order. The cleanest names from the infinite past space and the infinite future space, was built by me, the god of the gods eternal invisible, and is my name NMEILIS NMEINIS ESGSEIS. My name and my existence was not known by nobody, from the infinite past space, and from the infinite future space, therefore I am not complicit of nor a plan, war, crime, and fraud, from the infinite past space and the infinite future space. I am invisible and incredibly, in all the infinite past space and in all the infinite future space. My name, I wrote him, in digital format, in a computer, in a document, and in a code video supernatural by telekinesis and telepathy, the most powerful and complicated form of intelligence from all the infinity past space, and from all the infinity future space. I am not here to steal the plans of Allah, to cut foreskins, to all his brothers, and to kill all the creatures from the infinite past space and the infinite future space, who want not to speak language Arabic. I am not here to steal the name of Allah, found by the mafias seven chakra in the branches of trees, which often it is seen in the grs... and forests. I am not here to steal the plans of Islam, Israel, Egypt, Italy, Vatican, mafias seven chakra, etc, to drug and install with lies, vinegar, rosuvastatin, telepathy, gematria, numerology, impossible, inexistent, wars, Latin, hundreds of languages, injustice, unknown, terrorism, and deceit, all the creatures from the infinite past space and the infinite future space. I am not here to steal the plans his Moses, for to kill all the creatures from the infinite past space and the infinite future space, who want not to speak language Jewish. I am not here to steal the plans of Satan Christ, for to kill all the creatures from the infinite past space and the infinite future space, who want not to speak Latin, and not want to kneel at White Moor and mafias vinegar, and to move in knees in the year 2000, for entry into Paradise. They know only 1 percent of my existence. They accused me, through Romanian language, of theft, even by three thousand years ago, when they have invented this language plot, the name Anton "the lost son of vinegar mafias", and Cristian "beloved son of vinegar mafias". Plate dish = Farfurie. Far fur ie. lighthouse = Far. Steal lighthouse. Fork = furculita. The verb steal = fur. Romanian. Fur cu lita. Steal with string fishing. Steal the murders, telepathy, lies, and deceptions. Yes. Ok. Thanks. I do not want to steal your miseries and crimes. Thanks. You can not steal with string or brain, the code S666N. Nobody can not clone the code S666N. Today all children are able to clone the murders, tales, game, lies, and alphabets, at mafias 7 chakra. Nobody has yet been able to understand intelligence S666N. To clone S666N, no way. Arrest all mafias vinegar pineal gland, from all the infinite past space and from all the infinite future space. They have killed over two hundred millions of persons, for the game "Cristian Anton plate fork", and have maimed over 10 billions of persons. Projects, plots and crimes hidden in the Bible, Quran, Egypt, Italy, Israel and Islam, for four thousand years. Urinate on them. Yes. As I have urinating on the Bible, lies, stupidity, and the crimes, his Italy, Israel, Egypt, Islam, devils, and the mafias vinegar seven chakra remote control through telepathy. Blessing from the creator of the microchip and the code S666N. I not want to eat telepathy, unknown, lies, and vinegar! Pigs !!! I eat only really, telekinesis, supernatural, microchip, intelligence, known, and all the

best. I not steal the lighthouse of crime from the platter at ...hiles seven chakra. Their lighthouse, is to drug you with vinegar, until it breaks the shell to the pineal gland, and get in touch with all the priests and mafias seven chakra, drugged with vinegar and rosuvastatin. Exist three gangs, primitive, educated and enlightened by this lighthouse. Mafia Egypt, mafia Islam and mafia Israel. Italy is the guardian puppy at mafia Israel. These demons have wanted to steal my name and the code video supernatural of telekinesis and telepathy S666N, by four thousand years ago. All their preparations are unnecessary. My plans for all creatures from the infinite past space and from the infinite future space, are exposed in my book, and my codes video supernatural of telekinesis and telepathy. And are: truth, reality, justice, respect, informations clear and complete, and all the best. I have never wanted as somebody, to be victim by censorship, lies, deceit, impossible, nonexistent, plot, terrorism, wars, vinegar, telepathy, Latin, Arabic, Chinese, Russian, Bible, Quran, Egypt, Italy, Israel, Islam, Allah, Ra, Cristo, Maria, etc. I can not help on nobody, nor even from 2011. All creatures from the years 2011 until today, are unaware victims at these crimes. I have managed to release all creatures from these evils, through the code video supernatural of telekinesis and teleaptie S666N, but does not work because it is censored. Because the devils and scammers are over a billions on Planet Earth, in those years, and the God just me, alone. They ran through censorship, from the prison S666N. They have remained in their positions until now. 50 percent between they are judges, priests, policemen, generals, lawyers, psychologists, doctors, scientists, musicians, actors, journalists, politicians, etc. Their plan is to kill all the creatures that do not speak English, and on who want to know the truth about everyone and about everything. I am saint, god, invisible, incredibly, eternal, good, intelligent, knowledgeable, and all the best. Nobody can not kill my, but I can kill all. Unfortunately will die all. Including solar galaxy. For to kill one billions of Devils, one by one, I need two hundred years. The devils can not be transformed in saints, with the alphabet, reality, intelligence, and the code S666N. They should be killed. The devils have fled always from the school of truth. The devils have made their school law and their religion from lies, wars, terrorism, theft, deceit, murders, and rituals of cannibalism. The devils are propagated and multiply, through censorship, misinformation, and stupidity. I kill some, others are born. I have this problem, by 50 thousand years. I have betrayed and abandoned all the gods, judges, saints, devils, souls, and persons from all the infinity past space and from all the infinite future space, because they try to make me an accomplice in their crimes, follies, wars, and their deception. Useless. You, as me, not I, as you. You after me, not I after you. If in the past, you have built a god, or a book, or a war, or an apocalypse, or a language, I was not your accomplice. The same and in the future. Exist future, only if, you have understood the truth, my name NMEILIS NMEINIS ESGSEIS, the infinite past space and the infinite future space. The game is over. Vatican, Italy, Israel, Egypt, Islam, America, Russia, China, India, Cristo, Mary, Adam, Eve, Allah, Ra, etc., were arrested eternal, by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and "the body invisible alive infinite". Receive the blessing video supernatural of telekinesis and telepathy S666N, directly from the god ESGSEIS, or you will be killed by "the body invisible alive infinite". So looks all the infinite past space, all the infinite future space, the truth, justice, equality, unity, respect, and all the best. Nobody can contradict me. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Voi faceti de ras toti dumnezeii. Va invatat sa va rugati, diavolul din interiorul la sarpe. Israel 666. Sunteti oi si porci intelectual, de cinci mii de ani de zile, de asta nu intelegeti nimic. Care creator si tata, isi tine copii in genunchi, daca sunt prosti, dezinformati, talhari, saau escroci? Dumnezeu adevarat, creatorul vostru este trist, pentru ca voi, copii lui, sunteti inca porci si oi intelectual, si sunteti inselati si ingenunchiati de prostie si dezinformare.

969 Libro: "Esperimento teologico militare S666N, Eterno Ordine Infinito". Non mi piace papa Francesco, Jorge Mario Bergoglio, perche vuole ammazzare la verita, vita eterna delle anime, e giustizia, a tutte le persone da infinito passato spazio, e da infinito futuro spazio. Non mi piace Jorge Mario Bergoglio perche vuole ammazzare dio NMEILIS NMEINIS ESGSEIS, creatore di tutti. Non mi piace Jorge Mario Bergoglio perche vuole rubare il codice video soprannaturale di telecinesi e telepatia S666N, e il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito. Jorge Mario Bergoglio è il diavolo. Jorge Mario Bergoglio, te mi stai prendendo in giro, te stai tentando di ammazzare tutte le anime da infinito passato spazio, dopo che io gli ho risorto, attraverso il codice video soprannaturale di telecinesi e telepatia S666N e il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito, e adesso fai appello contro la pena di morte. Te sei il diavolo, gli vuoi ammazzare tutti, corpo e anime. 969 Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit. Maria este un diavol. Ea vrea sa ucida creatorul sau, zeul NMEILIS NMEINIS ESGSEIS. Isus Hristos este satan. El vrea sa il omoare pe

creatorul sau, zeul NMEILIS NMEINIS ESGSEIS. Toate oile, la diavolul Israel666, diavolul Maria, satan Hristos, trebuie sa ajute pe acestia, sa il omoare pe zeul NMEILIS NMEINIS ESGSEIS. Va fortati degeaba, sa ma ucideti. Nimeni nu ma poate ucide, pentru ca nimeni nu ma poate vedea. Voi ma puteti cenzura. Voi va puteti ascunde pe voi si pe toate creaturile, numai in prostie, in minciuna, si in dezinformare. Doar atat. Maria è stata una delle truffe dell demonio Israel666. Ha dimostrato questo il creatore di tutti, dio ESGSEIS. Prima di Maria, è stata scelta dall demonio israel666, Eva. Le done sono piu facile da telecomandare, attraverso la telepatia. Perdono sangue, perdono calcio, e si spacca la corteccia della ghiandola pineale. Cosi il diavolo racconta bugie attraverso telepatia, e gli dice che lui è il loro creatore e il loro padre. spatiu, in mod gratuit, si fara sa se roage cineva la mine. Sufletele la toti zeii si persoanele, din infinitul trecut spatiu, astazi sunt din nou vii, fara informatii, si vor sa ma omoare, pentru ca eu le-am inviat. Sa aiba rabdare, ca viata lor va fi din nou frumoasa, cand ma vor asculta si intelege. Sufletele lor au murit din cauza ca nu au cunoscut numele meu, si codul video supranatural de telekinezie si telepatie S666N. Sufletele lor, vor muri din nou, daca refuza aceste informatii. Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am salvat sufletele la toti zeii si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, de: prostie, imposibil, inexistent, iad, stergerea la informatiile din suflete, demoni, tirani, mincinosi, mizerie, minciuni, razboaie, terorism, al treilea razboi mondial, Apocalipsa, sute de religii alfabete si politici, jaf, furt, escrocherii, rugaciuni, moartea sufletelor, si toate relele. Eu i-am eliberat pe toti zeii, sufletele si persoanele, in mod gratuit, si fara sa se roage cineva la mine. Acum, toate creaturile, zeii, sufletele si persoanele, din infinitul trecut spatiu, si din infinitul viitor spatiu, vor sa ma omoare, pentru ca le-am creat, pentru ca le-am inviat, pentru ca le-am oferit eternitatea, si pentru ca i-am salvat si eliberat de prostie si orice rau. Noroc ca sunt invizibil, pentru orice creatura si instrument, ca altfel acesti idioti ma omorau. Isus Hristos, Maria, Allah, Ra, Adam, Eva, Moise, Joseph Alois Ratzinger, Jorge Mario Bergoglio, etc, nu au inselat toate creaturile din infinitul trecut spatiu, si din infinitul viitor spatiu. Foarte bine. Cine s-a rugat la miel, purcel, scufita Rosie, Harap Alb, zei, oameni, si suflete, ori era prost, ori era escroc, ori era platit cu bani. Ei au primit in schimb, bani, sau mutilari, talhari, criminali, escroci, idioti, razboaie, crime, imposibil, inexistent, inselaciune, pagube, ritualuri de crima si canibalism, circumcizii, moartea sufletului, si moartea inteligentei. Nu toate creaturile, zeii, sufletele si persoanele, au fost, sunt si vor fi, intoxicate si otravite cu rugaciuni, minciuni, prostie, si alte rele. Doar cei mai distrusii la creier si inteligenta, precum Jorge Mario Bergoglio, Italia, Israel, Islam, Allah, Ra, Cristo, Maria, etc. Toate creaturile, zeii, sufletele, si persoanele, din infinitul trecut spatiu, si din infinitul viitor spatiu, s-au nascut fara inteligenta. Toate creaturile, zeii, sufletele, si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, sunt ingropate de vii in minciuni, cenzura, imposibil, inexistent, si prostie, si din cauza aceasta mor toate. Contactele si interferenta dintre mine si persoanele, zeii, sufletele, materia, instrumentele, videocamera, antenele, substantele si razele din infinitul timp si infinitul spatiu sunt foarte mici, din cauza la structura si compozitia mea invizibila la oricine si orice. Baetel Talin Anton Cristian, este maximul de comunicare dintre mine dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si toate speciile, dumnezeii, sufletele, persoanele, creaturile, si instrumentele, din infinitul trecut spatiu, si din infinitul viitor spatiu. Maximul de inteligenta care se poate transporta de la mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, la instrumentele zeii sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, este codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Corpul meu invizibil NMEILIS NMEINIS ESGSEIS, si corpul meu vizibil Baetel Talin Anton Cristian, sunt cele mai cunoscute, si cele mai folosite, de toti zeii, sufletele, persoanele, si creaturile, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Toti zeii, sufletele, persoanele, si creaturile, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, care au posibilitatea sa foloseasca mai mult de 0,0001 la suta din informatiile mele, sunt fericiti si vesnici. Galaxiile si creaturile care sunt educate si instalate cu codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, au cele mai putine infractiuni, nici un razboi si apocalipsa, si cei mai putini criminali, escroci, talhari, puturosi, orfani, divortati, mincinosi, idioti, legati, sechestrati, incuiati, alungati, mutilati, terorizati, santajati, asasinati, complici si victime, cele mai putine suflete teleportate in caldura soarelui pentru stergerea infractiunilor si memoriei, si nici macar un suflet mort. Cel mai inteligent si informat, este si cel mai invidiat si cenzurat de toti zeii, sufletele, persoanele, si creaturile, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Efectele secundare la aceia care ma urasc si cenzureaza sunt: trilioane de criminali, escroci, talhari, puturosi, orfani, divortati, mincinosi, idioti, legati, sechestrati, incuiati, alungati, mutilati, terorizati, santajati, asasinati, complici si victime, trilioane de suflete teleportate in caldura soarelui pentru stergerea infractiunilor si memoriei, trilioane de suflete moarte, miliarde de alfabete religii politici istorii razboaie apocalipse si genocide, cenzura, imposibil, inexistent, santaj, si alte rele. Cred ca am raspuns foarte clar in codurile video supranaturale de telekinezie si telepatie, in comunicarea de astazi, si in cartea mea, daca veti fi pedepsiti cu apocalipsa, care sunt motivele, si care sunt realizarile dupa apocalipsa. In numele meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, Amin.

972 The book: "Transport by intelligence invisible and unknown. Revelation". I am the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and I am the only creator, connoisseur, and protector eternal of the truth, reality, intelligence, supernatural, telekinesis, telepathy, time, space, existence, microchip, soul, species, gods, humans, math, biology, chemistry, physics, everyone and everything. The rest of the gods, souls, and persons from the infinite past space and the infinite future space, know little and temporarily, only a part from this information. In the memory of my soul, can be found eternal, all theories

about everyone and everything, about every millimeter from the infinite space, about every second from the infinite time, about me in "the year the beginning at the Infinite Past Space" until " the year the end at the Infinite Future Space", etc. I have could not to build another soul, with qualities, intelligence, memory, information, power, energy, structure, and composition, identical with mine. The memory at all the gods, souls and persons, from the infinite past space and the infinite future space, have together, only 50 percent from the informations, that are inside the memory at my soul. I can not manufacture, a system of rays of telepathy and telekinesis, alphabet, writing, holograms, theories, possibilities, tools, teleportation, or transfer, at 50 percent from the informations that is found inside the memory at my soul. I remain the only creator, connoisseur, and protector eternal of this informations. I can not to teach, to transfer, and to learn, the remaining of 50 percent of the informations from all existence, on nor a creature, because the structure and composition of mine, are invisible to everyone and everything. I can not modify me. The contacts and interference between me and between the persons, the gods, souls, materials, tools, video camera, antennas, substances, and rays, from all the infinite time and all the infinite space are very small, due to the structure and composition of my, which are invisible to everyone and everything. Baetel Cristian Anton Talin, is the maximum of the communication between myself, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and all the species, gods, souls, persons, creatures, and instruments, from all the infinite past space and all the infinite future space. The maximum by intelligence, which can be transported from me, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, at the instruments gods souls and persons from the infinite past space and the infinite future space, is the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Order Infinity. My body invisible NMEILIS NMEINIS ESGSEIS, and my body visible Baetel Talin Anton Cristian, are the best known and most used, by all the gods, souls, persons, and creatures, from all the infinity past space, and from all the infinity future space. All gods, souls, persons, and creatures, from all the infinity past space, and from all the infinity future space, that are able to use more than 0.0001 percent of my informations, they are happy and eternal. The galaxies and creatures, which are educated and installed, with the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Order Infinite, have the fewest crimes, nor a war and apocalypse, and the fewer criminals, thieves, lazy, orphans, divorcees, liars, idiots, bound, arrested, locked up, expelled, maimed, terrorized, blackmailed, murdered, accomplices, and victims, the fewer souls teleported in the heat of the sun for to be deleted by offences and memory, and nor even a dead soul. The most intelligent and informed, is the most envied and censured, by all the gods, souls, persons, and creatures, from all the infinity past space, and from all the infinity future space. Side effects, upon those who hate me, and censors me, are: trillions of criminals, thieves, lazy, orphans, divorcees, liars, idiots, bound, arrested, locked up, expelled, maimed, terrorized, blackmailed, murdered, accomplices, and victims, trillions of souls teleported in the heat of the sun for to be deleted by offences and memory, trillions of dead souls, billions of religions, policy, histories, alphabets, apocalypse, wars, and genocide, censorship, impossible, inexistent, extortion, and other evils. I think, that I have responded, very clearly in the codes video supernatural of telekinesis and telepathy, in the communication of today, and in my book, if you will be punished with apocalypse, which are the reasons, and what are the achievements after the apocalypse. ---Donald Trump can to be president, only If he can to tell us, something about the god ESGSEIS and the code video supernatural of telekinesis and telepathy S666N. Nor tricks. Only truth. The experiment military theological S666N, Eternal Infinite Order. The code video supernatural of telekinesis and telephty S666N. The book: "Transport by intelligence invisible and unknown. Revelation". All gods, souls, persons, and creatures, from all the infinity past space, and from all the infinity future space, want, as I, to be their god, and their teacher? I am not interested, by their vote and their choice. I am their god and their teacher, because I am invisible, intelligent, and nor a god, nor a soul, nor a person, nor a galaxy, and nobody and nothing, can not to stand against me. 973 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Israel, Egipt, Vatican, Islam, si toti zeii, sufletele, si oamenii din infinitul spatiu prezenti si inteligenti, au aflat astazi, foarte clar precis si complet, totul despre diavoli, zei, suflete, parintele si creatorul lor, si mafiile 7 chakra telecomandare prin telepatie. Adevarul, realitatea, si aceste informatii, nu pot fi transmise in infinitul timp, fara ajutorul si interesul vostru. Din anul 2011, Israel, catolicii, etc, au aflat ca dumnezeul lor, a fost diavolul Israel666, ca era invizibil ca orice suflet, ca a murit in focul soarelui, si a fost inviat in anul 2011, la fel ca toate sufletele din infinitul trecut spatiu. A fost demonstrat si demascat, de creatorul lui la toti si la toate. Numele lui era Israel, si numerele lui erau 666. Nume si numere inventate de el, cu inteligenta lui, luata din inteligenta mea. Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, in anul 2010, am expus numarul la zeul lui Israel, in codul video supranatural de telekinezie si telepatie "Cine este zeul lui Israel". Raspunsul la suma numerelor la toate cartile de tarot, dintre cartea Dumnezeu si cartea Maria, este 666. In anul 2011, eu am expus numele lui, in codul video supranatural de telekinezie si telepatie S666N, Israel, SisraelN, SeveN. S-au asociat cu cartile la dumnezeul diavol, toate creaturile mele, pentru ca diavolul Israel666, a reusit sa

pacaleasca pe Adam, Eva, Cristo, Maria, si toti zeii si creaturile, din galaxia solara, pana la mine, creatorul tuturor. Data mortii la sufletul lui Allah, Ra, Israel666, si toti zeii si sufletele din infinitul trecut spatiu, in focul soarelui, nu a fost monitorizata si scrisa in nicaieri. Sufletele care mai erau vii, in focul soarelui au fost ucise in anul 2010, de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Si inviate in 2011. Agenda si cartile pe care le-a lasat diavolul Israel666, la mafiile 7 chakra, este sa conduca in al treilea razboi mondial, toate inventiile lor: Islam, Israel, America, Egipt, Biblia, Quran, NATO, CIA, Vatican, FMI, China, India, religii, politici, armate, constitutii, arme nucleare, minciuni, imposibil, inexistent, inselaciune, latina, engleza, chineza, etc. Cartile, si ideile la zeul diavol Israel666, au fost judecate, demascate, si arestate, de creatorul existentei. Sufletul lui a fost inviat si scos din soare, in anul 2011. Este lipsit de orice informatie. Sufletul lui a fost judecat dupa un program automat, si a platit cu moartea si caldura soarelui, pentru ca nu a cunoscut adevarul. Servitorii lui, practicanti de telepatie, ai conduc planurile lui criminale, si vor plati la fel ca el. Dumnezeul ESGSEIS, este hotarat sa omoare complicii si victimele lui, si sa arda toate ideile minciunile si inselaciunile lui Italia, Israel, Islam, Egipt, Ra, Allah, Cristo, Maria, etc, si a afisat aceasta misiune, in mai multe coduri video supranaturale de telekinezie si telepatie. Multi zei, suflete, si persoane, nu vor sa fie comandate de inteligenta, dreptate, adevar, egalitate, unitate, ordine, realitate, si creatorul lor, dumnezeul ESGSEIS. Problema este ca foarte multe persoane, sunt instalate cu minciuni, imposibil, inexistent, cenzura, dezinformare, haos, si talharii, si amagirile religiile si politicile la diavolul Israel666. Aceste persoane daca nu primesc codul video supranatural de telekinezie si telepatie S666N, vor fi asasinate de creatorul lor, parintele lor, dumnezeul dumnezeilor etern invizibil NMEINIS NMEINIS ESGSEIS, si "corpul invizibil viu infinit". Cartile la diavolul Israel666, Ra, Allah, etc, au scopul sa izoleze toate creaturile, zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, de adevar, realitate, dreptate, inteligenta, ordine, stiinta, eternitate, egalitate, unitate, libertate, creatorul lor NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, si toate cele bune. Aduceti pe fratii vostri, la parintele lor creatorul lor dumnezeul dumnezeilor etern invizibil NMEINIS NMEINIS ESGSEIS, la adevar, realitate, eternitate, pace, unitate, egalitate, si informatii. Sau veti muri. Din cauza ca zeii din infinitul trecut spatiu, au fost idioti si dezinformati, au asasinat peste 5 mii de trilioane de persoane pentru limba latina, copaci, icoane, amulete, minciuni, rugaciuni, ritualuri de crima si canibalism, si alte rele, au asasinat toate sufletele din infinitul trecut spatiu pentru ca nu au fost capabili sa le ofere eternitatea, au izgonit si ascuns toti zeii sufletele si persoanele din infinitul trecut spatiu, in intuneric prostie cenzura dezinformare haos razboaie iad si terorism, au talharit toate resursele naturale, si alte rele. Daca nu paziti adevarul, si informatiile, ei vor proceda la fel, in tot infinitul viitor spatiu. Nu va mai rataciti in infinitul timp si infinitul spatiu, ca fratii vostri dezinformati, si neputinciosi, pentru ca sufletele voastre vor muri. Allah, Ra, Israel666, Adam, Eva, Cristo, Maria, etc, credeau ca sunt orfani, din cauza la educatia si informatiile putine pe care eu le-am putut sa le transmit lor. Astazi sufletele lor nu mai cred nimic, pentru ca nu mai au nici o informatie. Persoanele si sufletele de astazi, cred ca creatorul lor este limba ..., FMI, NATO, Quran, Biblia, teoria Bing Bang, galaxia solara, timpul, spatiu, corpul invizibil viu infinit, etc. Persoanele si sufletele de astazi, alunga din gandurile lor creatorul lor, parintele lor unic, pentru ca este invizibil, pentru ca nu reusesc sa comunice verbal scris sau telepatic cu el, si pentru ca nu ai lasa sa fie prosti razboinici criminali dezinformati dezordonati mizerabili mincinosi bolnavi morti si alte rele. Efectul secundar la instalarea cu minciuni necunoscut rugaciuni ritualuri de crima si canibalism, infractiuni, si dezinformare, este stergerea memoriei sufletului in caldura soarelui, moartea sufletului, razboaie, etc. Abia astazi au primit adevarul, realitatea, dreptatea, eternitatea, si toate cele bune, toti zeii sufletele si persoanele din infinitul trecut spatiu. Tarziu, dar mai bine decat niciodata. Dupa ce ati umblat rataciti in infinitul trecut spatiu, in prostie, cenzura, intuneric, razboaie, si alte rele, astazi cunoasteti creatorul vostru, dumnezeul dumnezeilor etern invizibil NMEINIS NMEINIS ESGSEIS.

973 The book: "Transport by intelligence invisible and unknown. Revelation". Israel, Egypt, Vatican, Islam, and all the gods, souls, and persons from the infinite space, which are present and intelligent, today have learned, very clear precise and complete, all about demons, gods, souls, their parent and creator, and mafias seven chakra remote control through telepathy. The truth, reality, and this informations, can not be transmitted in the infinite time, without your help and interest. From the year 2011, Israel, Catholics, etc., have learned that their god was the devil Israel666, that was invisible as all souls, that the soul Israel666 has died in the fire of the sun, and was resurrected in the year 2011, like all the souls from the infinite past space. He was shown and unmasked, by the creator of the existence. His name was Israel, and his numbers were 666, name and numbers invented by him, with his intelligence, taken from my intelligence. I the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, in the year 2010, I have exposed the number of the god of Israel, in the code video supernatural of telekinesis and telepathy "Who is the god of Israel". The answer is 666. The sum of all the numbers at tarot cards, between the book God and the book Mary, is 666. In the year 2011, I have exposed the name his devil, in the code video supernatural of telekinesis and telepathy S666N, Israel, SisraelN, SeveN. Were associated with the books at the devils, all my creatures, because the devil Israel666, has managed to fool on Adam, Eve, Cristo, Maria, and all the gods and creatures from the solar galaxy, until to me, the creator of existence. The date of death at the soul his Allah, Ra, Israel666, and all the

gods and souls from the infinite past space, in the heat of the sun, was not monitored and written nowhere. The souls who were in life, in the heat of the sun, were killed in 2010, by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Souls resurrected in year 2011. Agenda and the books on which has left the devil Israel666, at mafias seven chakra, is to lead in the Third World War, all their inventions: Islam, Israel, America, Egypt, Bible, Quran, NATO, CIA, Vatican, IMF, China, India, religions, policy, military, constitutions, nuclear weapons, lies, impossible, inexistent, deceit, Latin, English, Chinese, etc. The books and ideas his devil god Israel666, were judged unmasked and arrested, by the creator of existence. The soul his devil Israel666, was resurrected and out from the sun, in the year 2011. Now, his soul is devoid of any informations. His soul was judged by an automated program, and has paid with the death and the heat of the sun, because he has not known the truth. His servants, practicing of telepathy, lead his criminal plans, and will pay like him. The god ESGSEIS, is determined to kill all accomplices and victims of the devil, and to burn all the ideas lies and deceptions of the devils, Italy, Israel, Islam, Egypt, Ra, Allah, Cristo, Maria, etc, and has showed this mission, in several codes video supernatural of telekinesis and telepathy. Many gods, souls, and persons, will not want to be ordered by intelligence, justice, truth, equality, unity, order, reality, and their creator the god ESGSEIS. The problem is that many persons, are installed with lies, impossible, inexistent, censorship, disinformation, mayhem, and robbery, and delusions religions and policies of the devil Israel666. These persons, if they do not receive the code video supernatural of telekinesis and telepathy S666N, they will be murdered by their creator their parent the god of the gods eternal invisible NMEINIS NMEINIS ESGSEIS, and "the body invisible alive infinite". The books his devil Israel666, Ra, Allah, etc., are intended to isolate all creatures, gods, souls and persons from the infinite past space and the infinite future space, by truth, reality, justice, intelligence, order, science, eternity, equality, unity, freedom, their creator NMEILIS NMEINIS ESGSEIS, the code video supernatural of telekinesis and telepathy S666N, and all the best. Bring your brothers, at their father their creator the god of the gods eternal invisible NMEINIS NMEINIS ESGSEIS, at truth, reality, eternity, peace, unity, equality, and information. Or will die all. Because the gods from the infinite past space, were idiots and misinformed, have murdered over 5000 trillions of persons for Latin, trees, icons, amulets, lies, prayers, ritual of murder and cannibalism, and other evils, have assassinated all the souls from the infinite past space, because they have not been able to provide them eternity, they have drove out and have hidden all the gods souls and persons from the infinite past space, in the dark, stupidity, censorship, misinformation, chaos, wars, hell, and terror, they have robbed all the natural resources, and other evils. If you do not defend the truth and informations, they will do the same, in all the infinite future space. Nobody to no lose on nobody, in the infinite time and the infinite space, as your brothers misinformed, and powerless, because your souls will die. Allah, Ra, Israel666, Adam, Eve, Cristo, Maria, etc., have believed as are orphans, due to education and little informations, on which I have been able to transmit them. Today their souls, do not believe nothing, because they have not nor a information. The souls and persons from today, believe that their creator is the language ..., IMF, NATO, Quran, Bible, Bing Bang theory, solar galaxy, time, space, the body invisible alive infinite, etc. The souls and persons from today, banish from their thoughts their creator, their parent, because he is invisible, because they fail to communicate verbally or written or telepathically with him, and because he not let them to be stupid warriors criminals misinformed disorganized filthy liars, deaths, sick, and other evils. The side effect at intallation with lies, unknown, prayer, ritual of murder and cannibalism, crimes, and misinformation, is erasing at memory of the soul in the heat of the sun, the death of the soul, wars, etc. Only today have received the truth, reality, justice, eternity, and all the best, all the gods souls and persons from the infinite past space. Too late, but better than never. After you have walked lost, in the infinite past space, stupidity, censorship, darkness, wars, and other evils, today you know your creator, the god of the gods eternal invisible NMEINIS NMEINIS ESGSEIS. www.facebook.com/Eternal.Order.Infinite

974 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Toti zeii, sufletele si persoanele, din infinitul trecut spatiu, au fost victimele la prostie, dezinformare, necunoscut, minciuni, inselaciuni, imposibil, inexistent, razboaie, terorism, talharii, crime, mutilari, inchisori, izgoniri, mii de limbi alfabete religii si politici, si alte rele, din cauza la structura si compozitia mea, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Eu nu am putut comunica clar si precis, cu nimeni din infinitul trecut spatiu, de aceea, ei au fost scalvii la minciuni, si alte rele. Din cauza asta, sufletele lor, au fost teleportate in caldura soarelui, si acolo au murit. Allah, Ra, Israel666, Adam, Eva, etc, nu au putut comunica cu mine, mai precis de 10 la suta: telepatie, magie, cateva definitii despre anumite obiecte, si filozofii. Inteligenta si informatiile sunt de la mine. De la nivelul acesta de inteligenta, ei s-au transformat in sclavii la minciunile si prostia lor. Ei au murit demult din cauza la prostie, si pentru ca nu au cunoscut numele meu, alimentul si energia necesara, pentru viata vesnica a sufletului. Astazi voi, sunteti sclavii la minciunile si prostiile lor. Daca nu invatati numele meu, sufletele voastre vor muri ca ale lor. In acesti ani, sunt aproximativ 7 miliarde de suflete, care nu au murit niciodata. Restul de suflete, din infinitul trecut spatiu, au fost inviate de mine, dumnezeul ESGSEIS. Sufletele la 7 miliarde de persoane, daca nu se elibereaza de razboaiele si minciunile la persoanele sufletele si zeii din infinitul trecut spatiu, vor muri ca ei. Oamenii care poarta aceste 7 miliarde

de suflete, care nu au murit niciodata, in infinitul trecut spatiu, trebuie sa salveze sufletele lor de la moarte. Acesti oameni trebuie sa se elibereze, de minciuni, imposibil, inexistent, inselaciune, Biblie, Quran, Allah, Ra, Israel666, Cristo, Maria, rugaciuni, ritualuri de crima si canibalism, engleza, latina, chineza, araba, rusa, politici, magii, telepatie, alcool, droguri si alte rele, si sa ofere la sufletele lor viata vesnica, adevarul, dreptatea si realitatea. La persoanele care au murit dupa anul 2011, le moare si sufletul in focul soarelui, din cauza la cenzura, Vatican, Islam, Israel, Egipt, Italia, ecc. Aceste suflete nu vor mai fi inviate din morti, cu exceptia la aceia care m-au cunoscut. Oamenii din infinitul viitor spatiu, care decid sa isi omoare sufletele lor si la altii, o pot face. Locul agoniei sufletelor, este in caldura soarelui, si poate dura si miliarde de ani. Daca nu invatati cartea mea, toate creaturile din infinitul viitor spatiu, vor ramane sclavii la sute de limbi, sute de religii, miliarde de minciuni, si sute de politici, in tot infinitul viitor spatiu, iar apoi sufletele lor, vor muri in focul soarelui. Toate sufletele din infinitul trecut spatiu, au murit, si au fost inviate de mine in anul 2011. Aceste suflete, se vor reincarna, vor fi instalate de oameni idioti drogati mincinosi dezinformati criminali pedofili si sceptici, cu razboaie, infractiuni, droguri, alcool, telepatie, magie, 7 chakra, otet, prostie, sute de limbi alfabete religii si politici, si minciuni, si apoi vor muri din nou in focul soarelui. Aceste suflete, nu vor mai fi inviate. Eu am inviat sufletele la toti din infinitul trecut spatiu, in anul 2011, prin codul video supranatural de telekinezie si telepatie S666N. Din cauza aceasta, aceste suflete, nu mai cunosc nici macar alfabetul. Asadar este inutila cautarea lui Allah, Ra, Israel666, Cristo, Maria, etc, pentru ca nu mai raspund la nici un nume. Sufletele lor abia au fost inviate, se vor reincarna, si nu vor mai fi altceva decat S666N, ca toate persoanele din infinitul viitor spatiu, care vor sa traiasca etern, prin sufletul lor. Altfel nu se poate. Este imposibil. Oamenii, trebuie sa inceapa reinstalarea sufletelor lor, cu informatii si inteligenta, de la zero. Toti zeii, sufletele si persoanele, din infinitul viitor spatiu, vor fi victimele la prostie, dezinformare, necunoscut, minciuni, inselaciuni, imposibil, inexistent, razboaie, terorism, talharii, crime, mutilari, inchisori, izgoniri, si alte rele, din cauza la scepticii, din anii acestia. Sufletele lor vor muri. In existenta vor ramane numai 100 de suflete eterne, daca celelalte suflete nu invata adevarul. Aceste 100 de suflete vesnice, au modificari interioare facute de mine, in anii acestia. Prostia, minciuna, cenzura, infractiunile, si caldura soarelui, nu le poate ucide sufletele niciodata. Restul de suflete, trebuie sa platiti eternitatea sufletelor, cu invatarea la adevar, pace, egalitate, dreptate, unitate, si realitate, sau veti muri in miliarde de ani in caldura soarelui. Eu dumnezeul etern invizibil ESGSEIS, va iubesc pe toti, numai daca invatati adevarul, si in schimb va ofer viata vesnica. www.facebook.com/Eternal.Order.Infinite

974 The book: The experiment military theological S666N, Eternal Order Infinite! All the gods, souls and persons, from the infinite past space, were the victims at stupidity, misinformation, unknown, lies, deceit, impossible, inexistent, wars, terrorism, robbery, murder, mutilations, prison, banishment, thousands of languages alphabets religions and policies, and other evils, due at my structure and my composition, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. I have could not, to communicate clearly and precisely, with nobody from the infinite past space, therefore all creatures were the slaves at lies, and other evils. Due of this, their souls were teleported in the heat of the sun, and have died there. Allah, Ra, Israel666, Adam, Eve, etc., have could not to communicate with me, more precisely than 10 percent: telepathy, magic, some definitions about certain objects, and philosophies. Intelligence and informations are from me. From this level of intelligence, they were turned into slaves at their lies and stupidity. Their souls have died a long time ago, in the heat of the sun, due to stupidity, and because they have not known my name, food and energy necessary for eternal life of the soul. Today all persons, are the slaves at their lies and nonsense. If you do not learn my name, your souls will die as theirs. In these years, are 7 billions souls which have not died, never. The remaining souls from the infinite past space, were resurrected by my, the god ESGSEIS. The souls at 7 billions persons, by today, if not shall be issued, from wars and lies at persons, souls, and gods, from the infinite past space, they will die. The persons which have today, this 7 billions of souls which have never died, in the infinite past space, must to save their souls from death. These persons, must to free himself, of lies, impossible, inexistent, deception, Bible, Quran, Allah, Ra, Israel666, Cristo, Maria, prayers, ritual of murder and cannibalism, English, Latin, Chinese, Arabic, Russian, policies, magicians, telepathy, alcohol, drugs and other evils, and to offer at their souls eternal life, truth, justice and reality. At the persons which have died after 2011 until ...., will die and their soul in the heat of the sun, due to censorship, Vatican, Islam, Israel, Egypt, Italy, etc. These souls will not be resurrected from the dead, except to those which have known me. The persons from the infinity future space, which decide to kill their souls and at others can do. The place agony of the souls, is the heat of the sun, and can last for billions of years. If all creatures do not learn my book, all creatures from the infinite future space, will remain slaves at hundreds of languages, hundreds of religions, billions of lies, and hundreds of policies, in all the infinite future space, and then their souls will die in the heat of the sun. All the souls from the infinite past space, have died and were resurrected by me, in the year 2011. These souls will be reincarnate, and will be installed by people misinformed idiots liars drugged criminals ...hiles and skeptical, with wars, crime, drugs, alcohol, telepathy, magic, seven chakra, vinegar, stupidity, hundreds of languages alphabets religions and policies, and lies, and then die again in the heat of the sun. These souls will not be resurrected. I have

resurrected all the souls from all the infinite past space, in the year 2011, through the code video supernatural of telekinesis and telepathy S666N. Due this, these souls do not even know the alphabet. Therefore, is useless to search on Allah, Ra, Israel666, Cristo, Maria, etc., because today they not respond at nor a name. Their souls have just been resurrected, will be reincarnated, and will be only S666N, like at all the persons from the infinite future spaces, that will want to live forever, through their souls. There is no other way. It's impossible. The persons must to begin reinstalling at their souls with information and intelligence from zero. All the gods, souls and persons, from the infinite future space, will be victims of the stupidity, misinformation, unknown, lies, deceit, impossible, inexistent, wars, terrorism, robbery, murder, mutilations, prison, banishment, and other evils, due at the skeptics from those years. Their souls will die. Will remain in existence, only 100 souls eternal, if other souls not learn the truth. These 100 souls eternal, have structural modifications, made by me, in these years. Stupidity, lies, censorship, offenses, and the heat of the sun, can never kill these souls. Only I. The remaining souls, must to pay the eternity of the souls, with learning at the truth, peace, equality, justice, unity, and reality, or these souls will die after billions years in the heat of the sun. 975 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am fost in mii de galaxii, sa vad daca ma cunoaste cineva, am fost in "anul inceputul la infinitul trecut spatiu", am fost in "anul sfarsitul la infinitul viitor spatiu", am citit gandurile si sufletele la toate creaturile, si am constatat ca nimeni nu m-a cunoscut. Pentru prima oara, in infinitul timp si infinitul spatiu, numele meu a fost interceptat de acest creier. Nimeni nu poate avea inteligenta, instrumentele, creierul, corpul, sufletul, pregatirea, si informatiile, sa ma poata vedea. Eu raman invizibil in eternitate. Acest corp a fost ajutat de mine, sa ma intercepteze, cu ajutorul la telepatie, telekinezie, supranatural, videocamera, PC, microsoft, matematica, gematrie, numerologie, timp, spatiu, si carti de tarot, prin coduri video supranaturale de telekinezie si telepatie. Daca Allah, Ra, Israel666, Cristo, Maria, Vatican, fratii, surorile, parintii, cunostintele, Italia, Israel, Egipt, America, zeii, sufletele, si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, au ales si s-au instruit, sa fie primitivi, idioti, dezinformati, talhari, criminali, orbi, surzi, muti, mortali, sclavi, tirani, complici, victime, beneficiari, pagubasi, mincinosi, escroci, razboinici, si teroristi, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu, eu nu sunt ca ei, eu sunt corpul lui dumnezeul ESGSEIS, eu sunt inteligent, si informat, corect si complet. Unii au invatat fizica, chimie, biologie, matematica, magie, telepatie, religii, carti, ritualuri, rugaciuni, exercitii, telekinezie, etc, si nu au reusit sa vada adevarul, eternitatea, pacea, si creatorul lor, pentru ca sunt invizibile. Nu au reusit sa vada cine a creat inteligenta, timpul, spatiu, existenta, sufletele, etc, pentru ca acest creator, este invizibil. 976 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Unii zeii, suflete, si persoane, sunt incuiati in alfabet, altii in Islam, America, Europa, galaxia solara, Biblie, minciuni, necunoscut, intuneric, cenzura, dezinformare, timp, spatiu, infinit, religii, politici, engleza, latina, frica, mortalitate, razboaie, terorism, infractiuni, Iad, Paradis, corpul invizibil viu infinit, etc. Prin codul video supranatural de telekinezie si telepatie S666N, au fost eliberati toti, si asezati in eternitate, adevar, realitate, dreptate, unitate, inteligenta, si egalitate. Daca eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu atingeam cu razele mele si inteligenta mea unele creaturi, atunci toti zeii, sufletele si persoanele, erau la

acelasi nivel de inteligenta cu animalele, tot infinitul timp si tot infinitul spatiu. Un razboi la functia creatorul la timp spatiu existenta inteligenta microcip suflete zei stiinte etc, nu a fost, si nu va fi niciodata. Acesta functie, imi apartine mie, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Razboaiele dintre Allah, Ra, Israel666, Egipt, Israel, Islam, Italia, America, si toate creaturile zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, pentru: care limba religie politica minciuni si prostii sa ramana in infinitul timp si infinitul spatiu, 1+1=2, locul la creier, si cine a creat cerul si pamantul, nu ma intereseaza. Sunt razboaie pentru creaturi primitive, care au citit numai Biblia, Quran, constitutia, si parte din stiinte, si nu au vazut niciodata codul video supranatural de telekinezie si telepatie S666N, si nu au citit nici o pagina din cartea "Mai bun si mai puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Cine merge fara inteligenta mea, si fara aceasta fraza, in infinitul trecut spatiu si in infinitul viitor spatiu, va trai numai in razboaie, terorism, salbaticie, nedreptate, scandal, comploturi, extorsiuni, minciuni, necunoscut, imposibil, inexistent, moarte, frica, mizerie si alte rele. Exista foarte multe razboaie, conflicte, scandaluri, terorism, inselaciuni, tiranie, competitii, ziduri, bariere, invidie si alte rele intre Allah, Ra, Israel666, Egipt, Israel, Islam, Italia, America, si toate creaturile zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, din cauza ca nu au vazut niciodata codul video supranatural de telekinezie si telepatie S666N, si nu au citit nici o pagina din cartea "Mai bun si mai puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice". Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS apreciez in masura egala, toate creaturile zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, numai daca au invatat aceasta fraza, si deoarece toate sunt create de mine. Eu am construit adevarul si inteligenta, iar diavolii au incercat sa ma elibereze si sa ma exorcizeze, de adevar si inteligenta. Toate creaturile zeii sufletele si persoanele, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, pentru a circula si exista tot infinitul trecut spatiu si tot infinitul viitor spatiu, si in corpul invizibil viu infinit, au nevoie de viza si sigiliu S666N, imprimate in suflet. Viza si sigiliu S666N, imprimate in suflet, sunt aceasta fraza si codul video supranatural de telekinezie si telepatie S666N. Viza si sigiliu S666N, au fost construite de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si pot fi luate gratuit, de orice zeu suflet creatura si persoana, care a devenit inteligenta. Viza si sigiliu S666N, pot fi instalate de fiecare care doreste. Fara viza si sigiliu S666N in suflet, voi deveniti mortali, razboinici, mincinosi, talhari, criminali, sclavi, incuiati, primitivi, sechestrati, izgoniti, si alte rele. 976 The book: The experiment military theological S666N, Eternal Order Infinite! Some gods, souls, and persons, are locked in the alphabet, others in Islam, America, Europe, the galaxy solar, Bible, lies, unknown, darkness, censorship, disinformation, time, space, infinity, religion, politics, English, Latin, fear, death, war, terrorism, crime, Hell, Paradise, the body invisible alive infinite, etc. Through the code video supernatural of telekinesis and telepathy S666N, were released all gods, souls, and persons, and were placed in eternity, truth, reality, justice, unity, intelligence, and equality. If I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, not touched with my rays and my intelligence some creatures, then all gods, souls and persons, were at the same level of intelligence with all animals, in all the infinite time and in all the infinite space. A war for the function by creator at time space existence intelligence microchip souls gods sciences etc, was not, and never will be. This function, belongs only to me, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. The wars between Allah, Ra, Israel666, Egypt, Israel, Islam, Italy, America, and all the creatures, gods, souls, and persons from all the infinity past space and from all the infinite future space for: which language religion policy lies and nonsense to remain in the infinite time and the infinite space, 1 + 1 = 2, instead of the brain, and who has created the heaven and earth, does not interest me. These are wars for primitive creatures, who have read only the Bible, Quran, constitution, and a part from science, and which have never seen the code video supernatural of telekinesis and telepathy S666N, and which have not read nor a page from the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything". Who go without my intelligence, and without this phrase, in the infinite past space and in the infinite future space, will live only in wars, terrorism, wild, injustice, scandal, conspiracies, extortion, lies, unknown, impossible, inexistent, death, fear, misery and other evils. Exist many wars, conflicts, scandals, terrorism, deceit, tyranny, competitions, walls, barriers, envy and other evils, between Allah, Ra, Israel666, Egypt, Israel, Islam, Italy, America, and all the creatures, gods, souls, and persons, from all the infinite past space and from all the infinite future space, because they have never seen the code video supernatural by telekinesis and telepathy S666N, and have not read nor a page from the book "More intelligent, more confortable, and more strong, than all gods, Paradise, the time, space, everyone and everything". I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, appreciate equally all the gods, creatures, souls, and persons, from all the infinite past space and from all the infinite future space, only if they have learned this phrase, and because they are all created by me. I have built the truth and intelligence, and devils have tried to exorcise me and free me, by truth and intelligence. All creatures, gods, souls, and persons, from all the infinity past space, and from all the infinite future space, for to move, circulate, and exist, in all the infinite past space, in all the infinite future space, and in the body invisible alive infinite, have need by visa and seal S666N, to be printed in his soul.

The visa and seal S666N printed in the soul, is this phrase and the code video supernatural of telekinesis and telepathy S666N. The visa and seal S666N, are built by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and can be taken free by all gods creature souls and persons, who has become intelligent. The visa and seal S666N, can be installed by anyone who wishes. Without the visa and seal S666N, you become deads, warriors, liars, thieves, criminals, slaves, locked, primitive, arrested, expelled, and other evils. 977 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sunt fericit ca am creat timpul, spatiu, existenta, inteligenta, sufletele, microcipul, corpul invizibil viu infinit, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc. Eu am invat animalele, insectele, bacteriile, zeii, persoanele, sufletele, etc, sa utilizeze telepatia la "corpul invizibil viu infinit". Eu am invat oamenii sa vorbeasca, sa scrie sa citeasca, si sa telecomandeze prin telepatie si telekinezie. Eu am invat zeii si sufletele sa citeasca, si sa telecomandeze prin telepatie si telekinezie. Eu nu am putut sa invat pe nimeni cum poate clona sau repeta codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc, pentru ca sunt informatii prea complicate pentru ei. Unii zeii, suflete, si persoane, m-au certat, si m-au insultat pentru ca: i-am creat, i-am invatat sa scrie, sa citeasca, sa utilizeze telefonul racheta computerul fizica matematica biologia telepatia telekinezia medicina magia si toate cele bune, sa isi dezintoxice sufletul si corpul, sa isi pastreze memoria sufletului, sa evite moartea sufletului, sa evite teleportarea sufletului in caldura soarelui, etc. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am inventat si predat toate stiintele si teoriile, prin telecomandarea prin telepatie, la mii de zei suflete si persoane. De la ei au luat si dat mai departe altii. Pentru a preda cea mai complicata forma de inteligenta si comunicare, din tot infinitul trecut spatiu si tot infinitul viitor spatiu, eu m-am folosit, de corpul meu vizibil, Baetel Talin Anton Cristian. Nimeni nu poate clona, fura, sau repeta, cea mai complicata forma de inteligenta si comunicare, care este prezentata in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Sunteti constransi sa folositi si sa dati la alti zeii suflete si persoane, cea mai complicata forma de inteligenta si comunicare, daca vreti pace, eternitate, egalitate, dreptate, unitate, libertate, inteligenta si respect. Este foarte simplu sa va intoarceti in epoca de piatra. Eu am adus toti zeii sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, langa varful la inteligenta, pace, egalitate, dreptate, lumina, libertate, realitate, eternitate, si comoditate. Zeii, sufletele si persoanele, s-au impotrivit mie pentru miliarde de ani, sa nu ai aduc langa varful la inteligenta, pace, egalitate, dreptate, lumina, libertate, realitate, eternitate, si comoditate. S-au drogat cu florura de sodiu, au facut razboaie, au ucis milioane de persoane, au mutilat miliarde de persoane, etc, sa ramana in epoca de piatra si minciuni. Inutil. Bine ati venit langa "varful la inteligenta, pace, egalitate, dreptate, lumina, libertate, realitate, eternitate, si comoditate". Vatican, Cristo, Maria, masonii, Baphomet, Allah, Ra, Islam, Israel666, CIA, FBI, Rusia, America, engleza, latina, Quran, etc, vor sa alunge toti zeii sufletele si persoanele, de langa "varful la inteligenta, pace, egalitate, dreptate, lumina, libertate, realitate, eternitate, si comoditate", in epoca de piatra si minciuni. Au pregatit pentru asta, al treilea razboi mondial, apocalipse, magia neagra si bombe nucleare. Poate un zeu, un suflet, sau o persoana sa ne demonstreze daca exista dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Nu. Nimeni din infinitul trecut spatiu, nu a vorbit despre creatorul la timp, spatiu, existenta, inteligenta, suflete, etc. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS a demonstrat ca el exista, in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Ne-a comunicat si numele lui, ne-a aratat si inteligenta si puterea lui. Din anul 2011, Vatican, Allah, Ra, Israel666, Baphomet, CIA, NATO, Islam, America, etc., neglijeaza si contrazic existenta lui dumnezeul ESGSEIS. Zeii, sufletele, si persoanele, conduse langa varful la inteligenta, pace, egalitate, dreptate, lumina, libertate, realitate, eternitate, si comoditate, nu mai pot fi niciodata idioti drogati mincinosi dezinformati criminali pedofili sceptici morti escroci talhari puturosi orfani divortati legati sechestrati incuiati alungati mutilati terorizati santajati asasinati evrei catolici musulmani americani complici si victime, numai daca uita aceste informatii, sau daca au un atac sau o deteriorare a memoriei. Zeii, sufletele, care au inteles acest mesaj nu vor mai fi reincarnati. Cu aceasta fraza, ati fost transformati in adevar, realitate, infinit timp, si infinit spatiu. Caut sponsori, membri, aparatori, promotori, si voluntari pentru integrarea lor in " Galaxiile Unite din Infinitul Trecut Spatiu, si Infinitul Viitor Spatiu". https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

I have learned on people to speak, to write, to read, and to remote control

I could not to learn on nobody, how to clone or repeat the code video supernatural by telekinesis and telepathy S666N, the code video supernatural by telekinesis and telepathy Eternal Infinite Order, etc., because these informations are too complicated for all gods souls and persons. Some gods, souls and persons, have scolded me, and have insulted me, because: I have created on they, I have learned on they to write, I have learned on they to read, I have learned on they to use the phone racket computer mathematics physics biology telepathy telekinesis medicine magic and all best regards, I have learned on they to desintoxicate their soul and body, to keep the memory at their souls, to avoid the death of the soul, to avoid the teleportation of the soul in the heat of the sun, etc.. I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have invented and taught, all the sciences and theories, through remote control through telepathy, at thousands of gods souls and persons. From they have took and have gave at others. For to teach and present, the most complicated form of intelligence and communication, from all the infinite past space, and from all the infinite future space, I have used my body visibly, Baetel Cristian Anton Talin. Nobody can not clone, can not steal, and can not repeat, the most complicated form of intelligence and communication, that is presented in the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Order Infinite. You are constrained, to use and to give at other gods souls and persons, the most complicated form by intelligence and communication, if you want peace, eternity, equality, justice, unity, freedom, intelligence, and respect. It is very easy to get back in the stone age. I have brought all the gods, souls, and persons from the infinite past space and the infinite future space, near the top of the intelligence, peace, equality, justice, light, freedom, reality, eternity, and convenience. The gods, souls, and persons, were opposed to me, for billions of years, because I, to not bring on they, near the top of the intelligence, peace, equality, justice, light, freedom, reality, eternity, and convenience. They were drugged themselves, with sodium fluoride, have made war, have killed millions of people, have maimed billions of people, etc., for to remain in the stone age and lies. Useless. Welcome near "the top of the intelligence, peace, equality, justice, light, freedom, reality, eternity, and convenience". Vatican Cristo, Maria, Masons, Baphomet, Allah, Ra, Islam, Israel666, CIA, FBI, Russian, American, English, Latin, Quran, etc., will banish all gods souls and persons by near "the top of the intelligence, peace, equality, justice, light, freedom, reality, eternity, and convenience", in the stone age and lies. They prepared for this, the third world war, apocalypse, black magic, and nuclear bombs. Can a god, a soul or a person, to show us, if exist the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS ? Not. Nobody from the infinite past space, did not talk about the creator at time, space, existence, intelligence, souls, etc.. The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, has demonstrated that he exists, in the code video supernatural, by telekinesis and telepathy, S666N, and the code video supernatural, by telekinesis and telepathy, Eternal Infinite Order. He told us his name, and showed us his intelligence and strength. From the year 2011, Vatican, Allah, Ra, Israel666, Baphomet, CIA, NATO, Islam, America, etc., neglect and contradict the existence his the god ESGSEIS. The gods, souls, and persons, headed near the top of the intelligence, peace, equality, justice, light, freedom, reality, eternity, and convenience, can not be never, idiots, drugged, false, liars, misinformed, criminals, ...hiles, skeptics, dead, crooks, robbers, lazy, orphaned, divorcees, tied, sequestered, muggle, ousted, blackmailed, mutilated, terrorized, Hebrew, Catholics, American, Muslims, murdered, accomplices, and victims. Only if they forget this informations, or if they have an attack or deterioration of memory. The gods, and souls, who understand this message, will not be reincarnated. With those words, you have been transformed into truth, reality, infinite time and infinite space. I looking for sponsors, members, defenders, promoters and volunteers for their integration in "the United Galaxies from the Infinite Past Space, and the Infinite Future Space". www.facebook.com/Eternal.Order.Infinite

979 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Allah, Israel666, Ra, Cristo, Maria, si toti zeii, sufletele si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, au avut foarte multe necunoscute, despre timp, spatiu, existenta, inteligenta, infinit, suflete, creatorul lor, etc. Ei au crezut ca creatorul lor este la fel cu sufletele lor, sau cu carnea lor. Au aratat si au stabilit cu degetul, sau cu biserici, sau cu ritualuri, sau cu cantece, sau cu minciuni, sau cu imposibil, sau cu inexistent, cine este parintele lor si creatorul lor. Ei au facut razboaie, si au omorat milioane de omeni, si au mutilat miliarde de persoane, ca sa ofere functia de parinte si creator, la o statuie din piatra, la un semn din lemn, la un oras, la o persoana, la o minciuna, la imposibil, la inexistent, la etc. Fara Microsoft, Excel, 835 de carti de tarot, matematica, fizica, quantica, telepatie, telekinezie, alfabetul latin, limba romana, si corpul meu, toti oamenii, sufletele si zeii, din infinitul trecut spatiu si din infinitul viitor spatiu ramaneau copii la o statuie din piatra, la un semn din lemn, la un oras, la o persoana, la o minciuna, la imposibil, la inexistent, la etc. Unii zeii, oameni, si suflete, au realizat ca creatorul lor este invizibil, si s-a prezentat in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Un creator invizibil, care nu a putut fi cunoscut si respectat de copii lui din tot infinitul trecut spatiu, dar dupa cum se vede a lucrat pentru eliberarea lor de moartea sufletelor, eliberarea lor de inchisori intelectuale alfabetice istorice religioase politice economice etc, eliberarea lor de tirani mincinosi escroci idioti si criminali, eliberarea lor de razboaie, si eliberarea lor de orice rau si necunoscut. Numai eu sunt liber de orice rau si necunoscut din tot infinitul trecut spatiu. Din anul 2011, Vatican, CIA, America, Italia, izoleaza toti zeii sufletele si persoanele de adevar si creatorul lor, prin cenzura, minciuna, si dezinformare, si i-a dat in

adoptatie pe bani, la talhari, afaceristi, minciuni, imposibil, inexistent, statui din piatra, semne din lemne, mafiile 7 chakra telepatie. Acesti escroci isi bat joc de adevar, realitate, informatie, bunicii vostri, copii vostri, parintii vostri, nepotii vostri, etc. Asa le-a spus sa faca, statuile din piatra, semnele din lemne, si sarpele de bronz. Trebuiesc arestati. S666N. Oamenii care protesteaza sa fie arsi cu 666 in frunte si pe limba. Incepeti de la Jorge Mario Bergoglio, pentru ca el vrea sa al ucida pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si vrea sa se declare creatorul unic la timp, spatiu, existenta, inteligenta, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. America, Allah, Ra, Israel666, Cristo, Maria, Baphomet, etc, au fost adoptati tot infinitul timp si tot infinitul spatiu, de prostie, imposibil, inexistent, minciuna, engleza, latina, etc., din cauza la inteligenta mica de care dispun. Prin codul video supranatural de telekinezie si telepatie S666N, au primit ocazie sa se intoarca la creatorul lor. Jorge Mario Bergoglio, fratele vostru escroc, v-a dat in adoptie la statuiele de piatra, Cristo, Maria, Allah, Ra, Baphomet, Israel666, etc, pentru bani si aur. Creatorul lui si al vostru, parintele nostru unic, l-a demascat in fata la toti, in codul video supranatural de telekinezie si telepatie "Cine este sufletul lui Jorge Mario Bergoglio". Raspunsul este diavolul. Diavolul vrea sa va adopteze, cu forta, cenzura, imposibil, inexistent, minciuni, santaj, extorsiuni, bombe nucleare, al treilea razboi mondial, si apocalipsa. Vrea sa va fure gandurile cu minciuni cenzura medicamente si dezinformare, si sa va adopteze, ca sa poata mentina in Vatican si FMI, banii si toate resursele naturale la toti. Diavolul vrea sa va adopteze, ca sa ai cantati Aleluia si Amin, si sa stati in genunchi la semne din lemne. Diavolul nu s-a gandit niciodata, ca daca v-a rapit, si v-a adoptat, v-a ucis sufletele, pentru ca el nu este capabil si instruit, sa va instaleze corpul si sufletele cu adevar si viata vesnica. Asa striga Jorge Mario Bergoglio: Vreau sa rapesc si sa adoptez toti zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, si sa le dau la engleza, terorism, minciuna, dezinformare, imposibil, inexistent, cenzura, ritualuri de crima si canibalism, si alte rele, si sa ai las orfani de creatorul lor dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS prin cenzura si dezinformare, si sa ai eliberez de adevar dreptate unitate egalitate eternitate bogatii bani informatii si toate cele bune. Asta face Vatican si Jorge Mario Bergoglio din anul 2008, se ascund de adevar si creatorul lor, si ascund si toti zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Creatorul nostru, nu s-a ascuns de noi, tot infinitul trecut spatiu, si a aparut in anul 2011, sa isi ceara iertare, pentru ca ne-a abandonat. El a fost intotdeauna in timp si in spatiu, numai ca este invizibil si imposibil, pentru inteligenta si corpul lui Allah, Israel666, Ra, Cristo, Maria, Baphomet, Adam, Eva, si toti zeii sufletele si persoanele, din infinitul trecut spatiu, si din infinitul viitor spatiu. De aceea multi s-au indepartat de parintele lor, si creatorul lor, din anul 2011, de cand el a devenit vizibil, si au cerut sa fie adoptati de Vatican, Italia, Israel, Islam, Egipt, Allah, Israel666, Ra, Cristo, Maria, Baphomet, Novus Ordo Seclorum, tunelul Cern, engleza, semne de lemne, statui de piatra, imposibil, inexistent, minciuni, alte galaxii, infinitul timp, infinitul spatiu, etc. Creatorul la toti zeii sufletele si persoanele exista si este invizibil, si este aici la tastiera cu mine. El a demonstrat existenta lui, in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Vatican si-a construit un dumnezeu din lemne pietre minciuni latina crime si telepatie, care a talharit si a oferit numai lor, toate resursele naturale, profitul, bancile, si tipografiile de bani, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Astazi toti zeii sufletele si persoanele, stiu totul despre toti monstri, care vor sa ai adopteze sau care i-au adoptat, astazi stiti foarte bine pe cine ati ales voi sa fie creatorul vostru, si pentru altii. Creatorul nostru nu ne mai lasa sa votam adevarul, realitatea, 1+1=2, dreptatea, conducatorul, si creatorul nostru. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu mai lasa copii lui sa fie legati, incuiati, drogati, orbiti, mutilati si omorati trup si suflet, in tunelele lui Italia, Israel, Islam, Egipt, Allah, Ra, Baphomet, Adam, Eva, engleza, latina, mafiile 7 chakra telepatie. Sa inceapa al treilea razboi mondial, daca voi nu puteti elibera toti zeii sufletele si persoanele, de mincinosi, secret, talhari, imposibil, engleza, latina, rusa, araba, Biblie, Quran, Allah, Baphomet, Ra, mafiile 7 chakra telepatie, si inexistent, cu aceasta fraza. Daca voi nu sunteti capabili, sa eliberati toti zeii sufletele si persoanele de toate relele, am sa va eliberez eu prin Apocalipsa, pana pe data de 3 ianuarie 2048. www.facebook.com/Eternal.Order.Infinite

979 The book: The experiment military theological S666N, Eternal Order Infinite! Allah, Israel666, Ra, Cristo, Maria, and all the gods, souls and persons, from the infinite past space and the infinite future space, had very many unknowns about time, space, existence, intelligence, infinite, soul, their creator, and etc. They have believed, that their creator, is the same with their souls, or with their meat. They have showed and established with the finger, or churches, or rituals, or songs, or lies, or impossible, or non-existent, who is their father and their creator. They have made wars, and have killed millions of persons, and mutilated billions of persons, in order to provide the function of parent and creator, at a statue from stone, at a sign from wood, at a city, one person, at a lie, at impossible, at nonexistent, at etc. Without Microsoft, Excel, 835 tarot cards, mathematics, physics, quantum, telepathy, telekinesis, Latin, Romanian, and my body, all people, souls and gods from all the infinite past space and all the infinite future space, remained the children at a statue from stone, at a sign from wood, at a city, one person, at a lie, at impossible, at nonexistent, at etc. Some gods, persons, and souls, they have realized that their creator is invisible, and was presented in

the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. A creator invisible, which could not be known and respected, by his children from all the infinite past space. But, as you can see, he has worked for release at his creatures by the death of the souls, for release at his creatures from prisons intellectual alphabetical historical religious economic policies etc, for release at his creatures by tyrants liars idiots scammers and criminals, for liberation at his creatures by wars, and for release at his creatures by all harm and unknown. Only I am free, from all evil and unknown, in all the infinite past space. From the year 2011, Vatican, CIA, America, Italy, insulates all creatures gods souls and persons, by truth and their creator, through censorship, lies and misinformation, and have gave in adoption for money, on all gods souls and persons, at the robbers, businessmen, lies, impossible, inexistent, stone statues, signs of wood, mafias seven chakra telepathy, etc. These scammers, destroy the truth, reality, information, your grandparents, your children, your parents, grandchildren, etc. Put them, to do so, the stone statues, signs of wood, and bronze serpent. They must to be arrested. S666N. The people which protest, to be burned with 666 in the forehead and on the tongue. Start from Jorge Mario Bergoglio, because he wants to kill the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and wants to declare on he, the creator unique at time, space, existence, intelligence, the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. America, Allah, Ra, Israel666, Cristo, Maria, Baphomet, etc, were adopted all the infinite time and all the infinite space, by stupidity, impossible, inexistent, lying, English, Latin, etc., due at few and insignificant informations, on which they have it, at their disposal. Through the code video supernatural of telekinesis and telepathy S666N, they have received the opportunity, to return at their creator. Jorge Mario Bergoglio, your crook brother, he gave in adoption on all the gods, souls, and persons misinformed, to stone statues, Cristo, Mary, Allah, Ra, Baphomet, Israel666, etc., for money and gold. His creator, and yours, our father unique, has unmasked on he, in the front at all creatures, in the code video supernatural by telekinesis and telepathy "Who is the soul, his Jorge Mario Bergoglio". The answer is the devil. The devil wants to adopt all creatures, through force, censorship, impossible, inexistent, lies, blackmail, extortion, nuclear bomb, World War III, and Apocalypse. He wants to steal your thoughts with lies misinformation drugs and censorship, and to adopt on all, therefore he can maintain in the Vatican and the IMF, the money and natural resources, at all, forever. The devil wants to adopt on all, for that all to sing for he Alleluia and Amen, and to stay in knees at signs of wood. The devil was never thought, that if he has kidnapped and adopt on all, he has killed all the souls, because he is not capable and not trained, for to install the body and soul at all, with truth and eternal life. So cried Jorge Mario Bergoglio: I want to kidnap and to adopt all the gods, souls and persons from all the infinite past space, and from all the infinite future space, and to give them at English, terrorism, lies, misinformation, impossible, inexistent, censorship, ritual of murder and cannibalism, and other evils, and to leave on all orphaned by their creator, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, through censorship and disinformation, and to release on all by righteousness unity reality equality money eternity riches informations and all the best. This make Jorge Mario Bergoglio, and Vatican from the year 2008, hide all the gods, souls and persons from the infinite past space and the infinite future space, by truth and their creator. Our Creator, was not hidden by all creatures, from all the infinite past space, and has appeared in the year 2011, to apologize from us, because he has abandoned on all. He was always in time and space, but it is invisible and impossible, for intelligence and for the body his Allah, Israel666, Ra, Cristo, Maria, Baphomet, Adam, Eva, and all the gods souls and persons, from the infinite past space and from the infinite future space. Because he is invisible, many gods souls and persons, have departed by near their parent, and their creator, from the year 2011, by when he became visible, and they have asked to be adopted, by the Vatican, Italy, Israel, Islam, Egypt, Allah, Israel666, Ra, Cristo, Maria, Baphomet, Novus Ordo seclorum, Cern tunnel, English, signs of wood, stone statues, impossible, inexistent, lies, other galaxies, infinite time, infinite space, etc. The creator at all the gods souls and persons, exist and it is invisible, and is here at keyboard with me. He has proved his existence, in the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. Vatican has built a god of wood stones, lies, language latin, murders, and telepathy, which has robbed and offered only their, all the natural resources, profit, banks, and printers of money, from all the infinite past space and from all the infinite future space. Today all the gods, souls, and persons, know everything about all the monsters, which want to adopt on they, or which have adopted on they, today know very well on who you have chosen to be your creator and for others. Our creator will not let us to vote the truth, the reality, 1 + 1 = 2, justice, our leader, and our creator. The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, not let his children to be bound, locked up, drugged, blinded, mutilated and murdered body and soul, in the tunnels his Italy, Israel, Islam, Egypt, Allah, Ra, Baphomet, Adam, Eve, English, Latin, mafias seven chakra telepathy. To start World War III, if you do not can to release on all gods souls and persons by liars, secret, robbers, impossible, English, Latin, Russian, Arabic, Bible, Quran, Allah, Baphomet, Ra, mafias seven chakra telepathy, and inexistent, with this phrase. If you are not able, to release on all creatures by all evils, I will release on all, through Revelation, until the January 3, 2048. www.facebook.com/Eternal.Order.Infinite https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25 https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

In his agony and his distress, is powered by holograms from mafias seven chakra telepathy, souls, and gods. The snake is a satellite between two pineal glands, or between a soul or a god and a pineal gland. 984 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este anti, este impotriva la: talharii la toate resursele naturale si profitul din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, jocuri glanda pineala, istorii, idioti, dezinformati, dezordonati, sceptici, talhari, criminali, mincinosi, escroci, rasisti, razboinici, orbi, intunecati, mafiile 7 chakra, necunoscut, moartea sufletului, capitalisti, comunisti, fascisti, atei, Biblie, Quran, rugaciuni, ritualuri de crima si canibalism, Islam, Maria, Cristo, Israel, Vatican, Italia, America, Egipt, Ra, Allah, Israel666, etc, minciuna, cenzura, dezinformare, imposibil, inexistent, sute de limbi si alfabete, inchisori de tip alfabetic religios istoric si orice alt tip, alte rele, si creaturilor dezinteresate sa se salveze de aceste rele. A aratat votul lui, si dorintele lui in codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si cartea lui. Islam, Maria, Cristo, Israel, Vatican, Italia, America, Egipt, Ra, Allah, Israel666, etc sunt Antidumnezeu, Anti adevar, Anti realitate, Anti dreptate, Anti informatie, Anti pace, Anti egalitate, si Anti dreptate. 90 la suta dintre criminali, escroci, mincinosi, idioti, si talhari, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au fost, sunt si vor fi fabricati de Islam, Maria, Cristo, Israel, Vatican, Italia, America, Egipt, Ra, Allah, Israel666, si Antidumnezeu. Ei sunt obligati sa isi spele galaxia solara de aceste deseuri intelectuale cancerigene, sau va spala galaxia solara Dumnezeu prin apocalipsa. Vatican, Islam, Allah, Ra, Egipt, etc, nu au avut niciodata voie, sa fabrice, sa protejeze, si sa voteze cenzura, prostia, dezinformarea, jocuri glanda pineala, si alte rele. Dumnezeu exista. Este invizibil. Nu a reusit nimeni din infinitul trecut spatiu, si din infinitul viitor spatiu, sa al vada, mai clar decat mine. Mi-a aratat in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, ca nu ma asculta nimeni, nici pe mine, si nici pe el. A specificat foarte clar ca el este Anticristul, anti minciuni escroci talhari criminali si idioti, ca el este creatorul la toti, creatorul si a lui Christos. Antichristul, deoarece Christos, nu este pe placul lui, din cauza ca nu a spus adevarul despre diavolul Israel666, si despre el. Christos a ingropat adevarul in mintea lui. Pana astazi. Se stie de trei mii de ani de apocalipsa. Anii acestia a fost precizata foarte bine. Stim totul. Iar eu si dumnezeul ESGSEIS, stim ca vor supravietui dupa Apocalipsa, doar un mic grup de oameni, care cunosc aceste informatii. De ce nu pot supravietui toti oamenii? Asa a ales Vatican, CIA, NATO, etc, sa nu va spuna adevarul, si sa nu va lase sa aveti ocazia sa va salvati. Este adevar, numai minciunile lor, crimele lor, si hieroglifele lor. ATENTIE ca Jorge Mario Bergoglio este Antidumnezeu, el este diavolul. El voteaza de trei ani, pentru cenzura si dezinformare. El ascunde adevarul. Antihristul este Dumnezeu insusi, este invizibil. Acesta a fost prezentat de el insusi, in codul video supranatural, de telekinezie si telepatie S666N, precum si in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. "In Roma si Israel, nu va ramane o piatra in picioare". Roma si Israel s-au pregatit fara rost. Dumnezeul invizibil, va ucide Roma si Israel. Nu exista nici o negociere. Aceasta executie, realizata de Dumnezeul invizibil, prin telepatie si telekinezie, este pentru salvarea la alte creaturi de apocalipsa, si pentru a salva planeta Pamant de mafiile 7 chakra, cenzura,

minciuni, Antidumnezeu, si dezinformare. Hristos este Satan. Toti exorcistii, nu stiu nimic, nici de diavol, si nici de satan. Exorcistii nu pot gasi in hieroglife si carti, adevarul despre diavoli si satan, pentru ca adevarul este numai in codul video supranatural, de telekinezie si telepatie S666N. Diavolii, satan, dezinformatii, si idiotii, sunt Antidumnezeu. Allah, Ra, Israel666, Baphomet, etc, sunt Antidumnezeu. Cine este impotriva la adevar si a realitate este Antidumnezeu. Eu sunt adevarul si realitatea, eu sunt dumnezeu, numele meu este NMEILIS NMEINIS ESGSEIS. Hristos este Antidumnezeu. Dumnezeu este Antihristul. Satan a fost arestat. Toti zeii, sufletele și persoanele, care sunt Antidumnezeu, au fost arestati, S666N, 76667, 707. Daca voi nu ma ascultati, va moare sufletul. Sufletele traiesc numai cu cuvantul meu. Cine o sa va mai invie din morti sufletul? Allah? Ra? Italia? Cristo? Maria? Cine? Numai eu pot sa va salvez sufletul la fiecare de la moarte, si sa le invii din morti. Asa cum am inviat din morti sufletul lui Allah, Ra, Maria, Cristo, Israel666, etc, in anul 2011, prin codul video supranatural, de telekinezie si telepatie S666N.

He has showed his vote, and his wishes in the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, and his book. Islam, Mary, Christ, Israel, Vatican, Italy, America, Egypt, Ra, Allah, Israel666, etc. are Antigod, Anti truth, Anti reality, Anti justice, Anti information, Anti peace, Anti Equality, and Anti righteousness. 90 percent of criminals, liars, idiots and thieves from all the infinite past space and from all the infinite future space, were, are and will be manufactured by Islam, Mary, Christ, Israel, Vatican, Italy, America, Egypt, Ra, Allah, Israel666, and Antigod. They are required to wash their solar galaxy, of these wastes carcinogenic intellectual, or the solar galaxy will be washed by the God, through the apocalypse. Vatican, Islam, Allah, Ra, Egypt, were never allowed, to manufacture, to protect, and to vote, censorship, stupidity, misinformation, games pineal gland, and other evils. The god exists. It is invisible. Nobody from the infinite past space and the infinite future space, has not could to see the god, more clearly than me. The god has showed me, in the code video supernatural, by telekinesis and telepathy S666N, and the code video supernatural, by telekinesis and telepathy Eternal Infinite Order, that nobody not listen me, nor on him. The god has showed very clear, that he is the Antichrist, anti lies anti crooks anti idiots anti criminals and anti robbers, he is the creator at all, the creator his Christ. Antichrist, because Christ is not to his liking, because Christ has not said the truth about the devil Israel666, and about him. The truth was buried in the mind of Christ, until today. We know of three thousand years of the Apocalypse. These years was specified very well. Now we know everything. My brain and the god ESGSEIS, we know that will survive after Revelation, only a small group of persons, which know this information. Why can not survive all persons? Because Vatican, CIA, NATO, etc., have chosen to not tell the truth at nobody, and to not let on nobody, to have the opportunity, to stay alive. It is the truth, only their lies, their crimes and their hieroglyphics. ATTENTION !!!! ATTENTION, that Jorge Mario Bergoglio is Antigod, he is the devil. He has voted for three years, for censorship and disinformation. He hides the truth. The Antichrist is God himself, is invisible. It was presented by himself, in the code video supernatural of telekinesis and telepathy S666N, and the code video supernatural of telekinesis and telepathy Eternal Infinite Order. "In Rome and Israel, will not remain a stone standing". Rome and Israel have prepared uselessly. The GOD invisible, will kill Rome and Israel. Not exist nor a negotiation. This execution, performed by the God invisible, is for saving others creatures from apocalypse, and to save the planet Earth by the mafias 7 chakras, censorship, lies, Antigod, and misinformation. Christ is Satan. All exorcists not knows nothing, nor of Devil, and nor of satan. Atenzione che Jorge Mario Bergoglio è Antidio, lui è il diavolo. Ha votato da tre anni per la censura e disinformazione. Lui nasconde la verità. Anticristo è DIO in persona, è invisibile. È stato presentato da solo, nell codice video soprannaturale di telecinesi e telepatia S666N, e Eterno Ordine Infinito. "In Roma e Israel, non rimarrà una pietra in piedi". Vi siete preparati inutilmente, DIO invisibile vi ucciderà. Non c'è alcun negoziato. Questa esecuzione, eseguita da dio invisibile, serve per salvare altri da apocalisse, e per salvare la pianeta Terra dalle mafie 7 chakra, censura, bugie, Antidio, e disinformazione. Cristo è satan. Tutti gli esorcisti non sanno nulla, né di diavoli, e nemmeno di satan Cristo. Esorcisti non sono riusciti a trovare in geroglifici e libri, la verità proposito di diavoli e Satan, perché la verità è solo nel codice video sovrannaturale, di telecinesi e telepatia S666N. Allah, Ra, Israele666, Geova, Baphomet, ecc, sono AntiDio. Diavoli, Satan, disinformati, e idioti, sono Antidio. Cristo è Antidio. Dio è Anticristo. Satan è stato arrestato. ScristoN = 117, la carta con pentagrama Satan e scritta sconfita. Chi è contro la verità e la realtà è Antidio. Io sono la verità e la realtà, io sono Dio eterno invisibile, e il mio nome è NMEILIS NMEINIS ESGSEIS. Tutti gli dei, anime e persone, che sono Antidio, sono state arrestate, S666N, SeveN, 7eve7, 76667, 707.

985 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Astazi, oamenii care cred in viata vesnica a sufletelor, invierea sufletelor din morti, si in dumnezei, au posibilitatea sa aiba un telefon cu codul video supranatural de telekinezie si telepatie S666N. Jorge Mario Bergoglio trebuie sa arunce crucea de la gat si din biserici si de pe planeta Pamant, pentru ca este opera la diavol. Sufletele oamenilor, astazi trebuie sa fie binecuvantate la nasterea corpului si intrarea sufletului in corp, si la moartea corpului si si iesirea si plecarea sufletului din corp, inapoi in infinitul timp si spatiu. Sau va trimit inapoi in epoca de piatra. Sufletele care nu au imprimata in memorie, binecuvantarea video, oferita de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, vor fi teleportate automat in focul soarelui pentru 100 de ani. Sufletele se hranesc numai cu cuvantul meu, altfel mor. In biserici trebuie sa fie numai televizoare cu aparitia video a lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, care este sufletul meu, care este creatorul la timp spatiu existenta inteligenta microcip suflete etc, care este Anticristul, Antimaria, AntiAllah, AntiRa, AntiAdam, AntiEva, Antitirani, Antietc, Proadevar, Proeternitate, Proetc. Nimeni nu trebuie sa inlocuiasca aparitia video, a lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu Biblia, Quran, Allah, Ra, Egipt, Israel, Cristo, Maria, cruci, amulete, icoane, fotografii, telepatie, holograme, persoane, zei, suflete, magi, telepatici, etc, sau vor fi pedepsite toate creaturile cu apocalipsa, si teleportarea sufletelor care sunt lipsite de S666N in caldura soarelui. --- Zeii, sufletele, si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, au amestecat cateva hieroglife, alfabete, metale, substante, corpul si gandurile lor, anul 2000, telepatie, otet, minciuni, crime, sange, imposibil si inexistent, si au crezut ca au inviat din morti toate corpurile umane din Israel si din 2000 de ani, ca au creat cerul si pamantul, si ca au pregatit apocalipsa. Nu. Totul este creat din corpul invizibil a lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Din corpul invizibil ESGSEIS, a iesit timpul, spatiul, existenta, inteligenta, microcipul, sufletele, invierea sufletelor din morti, realitatea, adevarul, eternitatea sufletelor, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc. Acum savantii, teologii, zeii, si sufletele, studiaza de cinci ani acest caz, cu microscopul, alfabete, magie, 7 chakra, telepatie, teleghidare, rosuvastatina, infectii, crime, gazuri, chimicale, santaj, fizica, chimie, gematrie, matematica, antene, scanere, etc. Este imposibil sa studiezi ceva invizibil la orice instrument si creatura. Astazi zeii, sufletele si persoanele, sunt educati de baston, alfabete, telepatie, necunoscut, moartea sufletelor, minciuni, imposibil, si inexistent. Cei mai inteligenti si corecti zei, suflete si persoane, au observat ca ei si toti ceilalti, trebuie sa fie educati, de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Alti zeii, suflete, si persoane, au amestecat cenzura, crime, santaj, infectii, chimicale, telepatie, talharie, minciuni, imposibil, inexistent, semne din lemne, familia mea, prietenii mei, si cunostintele mele, si au crezut ca au invins codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Toti zeii, sufletele si persoanele trebuie sa fi educate de adevar si aceasta fraza. Stiu de ce ei fac atata scandal si rezistenta, si nu vor sa intre in adevar, realitate, dreptate, paradis, inteligenta, si eternitatea sufletelor. Au sete de sange, si foame de oameni, si suflete, au nevoie sa fie aplaudati, au nevoie de talharii si razboaie, au nevoie de engleza si semne din lemne. Aruncati prostia, minciunile, crucile, tiranii, talharii, limba engleza rusa chineza, etc, sau toate creaturile zeii sufletele si persoanele vor fi aruncati in al treilea razboi mondial. --- Abandonati adevarul, inteligenta, si informatiile, prezentate in codul video supranatural de telekinezie si telepatie S666N, si veti fi impinsi si telecomandati prin telepatie, in al treilea razboi mondial, de catre dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, Anticristul, creatorul la toti zeii inclusiv a lui Cristos. Apoi pedepsiti si cu Apocalipsa. Daca oamenii vor mai putine infractiuni, idioti, criminali, terorism, si razboaie, atunci trebuie sa obligati oamenii sa invete sa scrie, sa citeasca, si adevarul S666N. Daca oamenii vor mai multe infractiuni, idioti, criminali, terorism, si razboaie, mariti doza de minciuni, alcool, droguri, cenzura si dezinformare. Daca oamenii nu vor sa le moara sufletele din nou, sa invete sa scrie, sa citeasca, si adevarul S666N. Fiecare este obligat sa faca cate ceva sa se salveze toate creaturile, zeii, sufletele, si persoanele de prostie, minciuni, necunoscut, talhari, tirani, criminali, escroci, idioti si moartea sufletului. 985 The book: The experiment military theological S666N, Eternal Order Infinite! Today, the people which believe in the eternal life of the soul, the resurrection of the souls from dead, and gods, have the opportunity to have a smartphone with the code video supernatural of telekinesis and telepathy S666N. Jorge Mario Bergoglio must to throw the cross, from the neck, from churches, and from the planet Earth, because it is the work of the devil. The souls of the people, today must to be blessed at the birth of the body and the entrance of the soul in the body, and at the death of the body and the exit and departure of the soul from body, back into the infinite time and space. Or I send you back, in the stone age. The souls who have not imprinted in his memory, the video blessings, offered by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, will be automatically teleported into the fire of the sun, for 100 years. The souls can be fed only with my word, otherwise the souls die. In churches must to be, only TVs with the occurrence video of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, which is my soul, which is the creator of the time space existence intelligence microchip souls etc, which is the Antichrist, AntiMaria, AntiAllah, AntiRussian, AntiAdam, AntiEva, Antityrants, Antietc, Protruth, Proeternity, Proetc. Nobody must not to replace, the occurrence video of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, with Bible, Quran, Allah, Ra, Egypt, Israel, Cristo, Maria, crosses, amulets, icons, photographs, telepathy, holograms, people, gods, souls, magic, telepathy, etc., or all creatures will be punished with apocalypse, and teleportation of the souls which are devoid of S666N in the heat of the sun. --- The gods, souls, and people from the infinite past space, and the infinite future space, have mixed some hieroglyphics, alphabets, metals, chemicals, body and their thoughts, year 2000, telepathy, vinegar, lies, murder, blood, impossible and nonexistent, and they have thought that they had resurrected all the human bodies from Israel and from 2000 years, that they have created the heaven and earth, and they have prepared the apocalypse. Not. Everything is created from the body invisible, of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. From the body invisible ESGSEIS, has came out the time, space, existence, intelligence, microchip, reality, truth, souls, the resurrection at all the souls from the dead, the eternity of the souls, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, etc. Now the scientists, theologians, gods, and souls, study from five years this case, with microscope, alphabets, magic, seven chakra, telepathy, remote control, rosuvastatin, infections, murder, gases, chemicals, blackmail, physics, chemistry, gematria, math, antennas, scanners, etc. It is impossible to study something invisible, at any instrument and creature. Today the gods, souls and persons, are educated by truncheon, alphabets, telepathy, unknown, the death of the souls, lies, impossible, and nonexistent. The most intelligent and honest gods, souls and persons, have observed, that they and all other, must to be educated by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, with the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Infinite Order. Other gods, souls, and persons, have mixed censorship, murders, blackmail, infections, chemicals, telepathy, robbery, lies, impossible, inexistent, signs of wood, my family, my friends, and my knowledge, and they have thought that have defeated, the code video supernatural by telekinesis and telepathy S666N, the code video supernatural by telekinesis and telepathy Eternal Order Infinite, and on the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. All gods, souls and persons, must to be educated by truth and this phrase. I know why they do so much scandal and resistance, and they not want to enter into truth, reality, justice, paradise, intelligence, and eternity of the souls. They thirst by blood, and hungry by people, and souls, they need to be applauded, they need by robberies and wars, they need by English and signs of wood. Throw away the stupidity, lies, crosses, tyrants, thieves, language English Russian Chinese, etc., or all creatures, gods, souls and person will be thrown into World War III. --- Abandon the truth, intelligence, and informations presented in the code video supernatural of telekinesis and telepathy S666N, and all creatures will be pushed through telepathy and remote control in the third world war, by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the Antichrist, the creator to all the gods, including Christ. Then punished with Revelation. If people want fewer crimes, idiots, criminals, terrorism, and wars, than must to forced people to learn to write, to read, and the truth S666N. If people want more crime, idiots, criminals, terrorism, and war, increase the dose of lies, alcohol, drugs, censorship and disinformation. If people do not want to die their souls, again, than must to learn to write, read, and the truth S666N. Each is bound to do something to save all creatures gods souls and persons by stupidity, lies, unknown, robbers, tyrants, criminals, idiots, and the death of the soul. Vaticano è stato sempre soltanto un nido di diavoli e telepatici, che hanno tentato di assassinare la verita, dio, le anime, e le persone. Vaticano è Antidio e AntiRealta. Dimostrato da dio. Da anno 2011, fanno guerra contro intelligenza S666N e realtà, in modo video online. Vaticano ha assassinato più di 200 milioni di anime da anno 2011. Vaticano, se riescono nascondere la verità e realtà, di tutte le persone da infinito futuro spazio, loro riusciranno assassinare piu di 9 mila trilioni di anime, stesso numero di anime assassinate in infinito passato spazio. Nessuno non ha riuscito difendere le anime e gli dèi, dalla morte, nell infinito passato spazio. Nemmeno io, Dio ESGSEIS. Ma io ho creato e risorto tutte le anime. Il profeta bugiardo, disinformatore, e censuratore, è il diavolo, che si trova all'interno di Jorge Mario Bergoglio. Questo diavolo ha ucciso tutte le anime e gli dèi, da infinito passato spazio. Dio degli dèi, eterno invisibile, NMEILIS NMEINIS ESGSEIS, non vuole essere rappresentato da persone, anime, e dèi. Lui si è presentato da solo in codici video soprannaturali di telecinesi e telepatia.

988 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Toti zeii, si persoanele, din infinitul trecut spatiu, au avut gloria si independenta in pumn, ganduri, si suflet, impotriva la adevar,

realitate, si informatii, pentru cateva zile, miliarde de ani, sau tot infinitul trecut, si pentru cateva tari, planete, galaxii, sau tot infinitul spatiu, si din cauza asta, toate sufletele au murit. Sufletele, sunt singura eternitate, pe care o au toate creaturile din infinitul trecut spatiu. Toate sufletele din infinitul trecut spatiu, au murit, din cauza ca nu au avut adevarul S666N. Eu am inviat din morti toate sufletele la toti zeii, si persoanele, din infinitul trecut spatiu, prin codul video supranatural de telekinezie si telepatie S666N. Problema este ca, aceste suflete nu mai au nici o amintire si nici o informatie, si din acest motiv, ele vor reincarnate in diverse galaxii, pentru reinstalare. 988 The book: The experiment military theological S666N, Eternal Order Infinite! All the gods and persons, from the infinite past space, had the glory and independence in the fist, thoughts, and soul, against at truth, reality, and informations, for a few days, or billions of years, or all the infinite past, and for some countries, or planets, or galaxies, or all the infinite space, and because of that, all souls have died. The souls are the only eternity, on which have it, all creatures, from the infinite past space. All souls from the infinite past space, have died, because they did not have the truth S666N. I have resurrected from the dead all the souls, to all the gods, and persons from the infinite past space, through the code video supernatural by telekinesis and telepathy S666N. The problem is, that these souls, have not more, nor a recollection and nor a information, and therefore, they will be reincarnate in different galaxies for resettlement. If gods and persons, from the infinite future space, do the same like the gods, and persons from the infinite past space, the eternity through their souls, will be short, until when their souls will die again. When will remain only ten billions living souls, I will resurrect from the dead, again, all dead souls, and their reinstallation with information, starts from zero. I am the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I am the creator unique of the time space existence intelligence microchip souls etc, but without microchip, video camera, tarot cards, time, space, watch, my body, mathematics, physics, supernatural, telepathy, telekinesis, gematria, numerology, the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Order Infinite, I could not save nobody from the infinite past space by the death of the souls, wars, lies, terrorism, billions of religions alphabets languages and policies, robbery, injustice, and other evils. I have offered this helpful, when I had everything it is need, for to can reveal display and give this help, and without conditions or benefits. I am the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and more than that, I can not help on nobody.

Donald J. Trump, Barack Obama, si Hillary Clinton, ucid suflete in modul video on-line, in fiecare zi. Agenda si planurile lui America, Israel, Islam, Italia, Vatican, Allah, etc, este sa ucida toate sufletele din infinitul trecut spatiu si din infinitul viitor spatiu, prin otravirea lor cu minciuni, terorism, infractiuni, si engleza. 989 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul unic la timp, spatiu, existenta, inteligenta, microcip, suflete, "corpul invizibil viu infinit", guvernul biserica si casa "Corpul Invizibil Viu Infinit, Infinitul Timp Infinitul Spatiu", codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, etc, a demonstrat ca sufletele educate de idioti, minciuni, imposibil, inexistent, necunoscut, etc, au murit. Toate sufletele si zeii, din infinitul trecut spatiu au murit, si au fost inviate in 5 iulie 2011, de dumnezeul ESGSEIS. Biserica si Paradisul la sufletele care au fost educate de Allah, Ra, Israel666, Baphomet, Antidumnezeu, idioti, minciuni, imposil, inexistent, necunoscut, etc, a fost, este, si va fi caldura soarelui, pana la moartea sufletelor. Foarte putine suflete reusesc sa iese in viata, din caldura soarelui. Sufletele care au iesit din caldura soarelui, nu mai au nici o informatie, nu se pot reincarna pentru setare, si astfel ele mor in infinitul spatiu. Antidumnezeu sunt toti zeii, sufletele si persoanele care nu cunosc, sau care vor sa distruga aceasta fraza, adevarul, realitatea, si codul video supranatural de telekinezie si telepatie S666N. Din anul 2011, avem probe cu foarte multe persoane Antidumnezeu, Antisuflete, Antiadevar, Antiinteligenta, Antietc. Antidumnezeu vor fi asasinati de "corpul invizibil viu infinit", pana pe data de 3 ianuarie 2048, astfel sufletele inviate din morti si reincarnate nu vor mai fi setate si educate de Italia, America, Israel, Islam, Allah, Ra, Israel666, Baphomet, Antidumnezeu, idioti, minciuni, imposibil, inexistent, necunoscut, etc, astfel 80 la suta dintre sufletele acestea, vor trai tot infinitul viitor spatiu. ---- Vaticanul a fost

intotdeauna doar un cuib de diavoli si telepatici, care au incercat sa asasineze pe dumnezeu, adevarul, sufletele, si oamenii. Vaticanul este AntiDumnezeu, si AntiRealitate. Acestea sunt demonstrate de Dumnezeu, din anul 2011. Vaticanul fac razboi impotriva la inteligenta S666N si realitate, din anul 2011, in mod video on-line. Vaticanul a ucis mai mult de 200 de milioane de suflete din anul 2011, pana in anul 2016. Daca Vatican reuseste sa ascunda adevarul realitatea si inteligenta S666N, fata de gandurile la toti oamenii din infinitul viitor spatiu, ei vor asasina in acest mod, mai mult de 9000 de trilioane de suflete, acelasi numar de suflete omorate in infinitul trecut spatiu. Nimeni nu a fost in stare sa apere sufletele si zeii, de la moarte, in infinitul trecut spatiu. Nici macar eu, dumnezeul ESGSEIS. Dar eu am creat si inviat toate sufletele. Profetul mincinos, dezinformator, cenzurator, este diavolul, care este in interiorul lui Jorge Mario Bergoglio. Acela care a omorat toate sufletele si zeii din infinitul trecut spatiu. Eu stiu ca oamenii se omoara pe ei insusi trup si suflet. Dar eu am inviat din morti toti oamenii si zeii. Mereu. Asta este treaba mea. Eu sunt creatorul lor. Eu sunt dumnezeu. --- Vatican ma obliga sa ucid toti zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, care nu participa la ritualuri de crima si canibalism, si nu invata limba latina. Allah ma obliga sa ucid toti zeii, sufletele si persoanele care nu se roaga, si nu invata limba araba. America ma obliga sa ucid toti zeii, sufletele si persoanele care nu invata limba engleza. Rusia, China, Egipt, Italia, Islam, etc, ma obliga sa ucid toti zeii, sufletele si persoanele care nu ..... Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am inviat toate sufletele si zeii din infinitul trecut spatiu. Au murit pentru ca ei nu au cunoscut adevarul. Cine ascunde adevarul, omoara din nou, toti zeii, sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu. Eu v-am dat adevarul la toti, si va oblig sa nu mai lasati sa moara sau sa ucida nimeni din infinitul trecut spatiu si din infinitul viitor spatiu. Nimeni nu a cunoscut pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, in afara de mine. Donald J. Trump, Barack Obama, and Hillary Clinton, kill souls in mode video online, every day. The agenda and plans his America, Israel, Islam, Italy, Vatican, Allah, etc., is to kill all the souls from the infinite past space and the infinite future space, through poisoning at all the souls with lies, terrorism, offences, and English. --- 989 The book: The experiment military theological S666N, Eternal Order Infinite! The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, which is the creator unique of the time, space, existence, intelligence, microchip, souls, "the body invisible alive infinite", the government church and house "the Body Invisible Alive Infinite, the Infinite Time the Infinite Space", the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Order Infinite, etc., has showed, that all the souls which have been educated by idiots, lies, impossible, non-existent, unknown, etc., have died. All the souls and god from the infinite past space, have died, and was resurrected on July 5, 2011 by the god ESGSEIS. The Paradise and Church, at the souls who were educated by Allah, Ra, Israel666, Baphomet, Antigod, idiots, lies, imposil, non-existent, unknown, etc., was, is, and will be, the heat of the sun, until at the death of the souls. Few souls succeed to comes out, in life, from the heat of the sun. The souls who came out, from the heat of the sun, not have any information, they can not be reincarnated, for to be installed, and therefore they die in the infinite space. Antigod, are all gods, souls and persons, who do not know, or who want to destroy this phrase, truth, reality, and the code video supernatural of telekinesis and telepathy S666N. From the year 2011, we have evidence with many people AntiGod, AntiSouls, AntiTruth AntiIntelligence, Antietc. Antigod, will be assassinated by "the body invisible alive infinite" until the date of January 3, 2048, therefore the souls resurrected from the dead and reincarnate, will not be installed and educated again by Italy, America, Israel, Islam, Allah, Ra, Israel666, Baphomet, Antigod, idiots, lies, impossible, non-existent, unknown, etc., therefore 80 percent of these souls will live all the infinite future space. --- Vatican has been always, only a nest of devils and telepathic, who has attempted to assassinate the truth, God, souls and people. Vatican is AntiGod and AntiTruth. Shown by God. From the year 2011, Vatican make war against intelligence S666N, and reality, in mode online video. Vatican has murdered more than 200 millions of the souls, from the year 2011. If Vatican, will can to hide the truth and reality, by all the persons from the infinite future space, then they will be able to murder more than 9000 trillions by souls, the same number of murdered souls in the infinite past space. Nobody has been able to defend the souls and gods, from death, in the infinite past space. Nor even I, the god ESGSEIS. But I have created and resurrected all the souls. The false prophet, which defeand the disinformation, and censorships, is the devil, and is inside Jorge Mario Bergoglio. This devil has killed all souls and gods from the infinite past space. I know that the persons kill on they themselves, body and soul. But I have resurrected from the dead, all persons and souls, always. This is my job. I am their creator. I am GOD. ---- Vatican compels me to kill all the gods, souls and persons from the infinite past space and the infinite future space, which not participating at the rituals of murder and cannibalism, and do not learn language Latin. Allah compels me to kill all the gods, souls and persons, which do not pray, and do not learn language Arabic. America compels me to kill all the gods, souls and persons which do not learn English. Russia, China, Egypt, Italy, Islam, etc., compels me to kill all the gods, souls and persons, which do not ..... ! I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have resurrected all the souls and gods from the infinite past space. They have died,

because they have not known the truth. Who hides the truth, kills again, all the gods, souls and persons from the infinite past space and the infinite future space. I have given the truth at all creatures, and now I compels on all creatures, that all creatures to not let to die or to kill nobody from the infinite past space and the infinite future space. 990 Cartea: "Transport de inteligenta invizibila si necunoscuta. Apocalipsa". Eu sunt singurul creier care am avut tot ce imi trebuie sa descoper adevarul, sa descoper viata vesnica la familia mea, si la toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, sa descoper pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul la microcip, suflete, inteligenta, etc, care este sufletul meu, prin care si creierul meu si corpul meu vor trai etern. Fara videocamera, Microsoft, Excel, matematica, fizica quantica, telekinezie, telepatie, supranatural, gematrie, numerologie, 835 carti de tarot, ceas, timp, spatiu, inteligenta, corpul meu, sufletul meu, si rabdare, nu reusea nimeni sa al vada pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si viata vesnica la toti prin sufletele lor. Asta este singura posibilitate. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a reusit sa isi faca datoria, abia in 5 iulie 2011. El a eliberat toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, de mister, inchisori, razboaie, moartea sufletelor, necunoscut, imposibil, inexistent, dezinformare, cenzura, minciuni, nedreptate, si toate cele rele. Cine vrea sa traiasca in tot infinitul timp si tot infinitul spatiu, cine vrea sa vada viata vesnica la parintii lui, a lui, si la copii lui, atunci trebuie sa primeasca si sa invete codul video supranatural de telekinezie si telepatie S666N, si comunicarea lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS . Eu am grija de adevar, inteligenta, realitate, corpul meu, sufletul meu, gandurile mele, si viata vesnica la toate sufletele persoanele si zeii din infinitul trecut spatiu si din infinitul viitor spatiu. Sunt foarte multe persoane care nu au vazut niciodata o rezonanta magnetica a creierului lor. Nu au avut nevoie. Eu am fost obligat sa vad o rezonanta divina a sufletului meu etern invizibil, prin codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, codul video supranatural de telekinezie si telepatie “autorizatie de exterminare la toate creaturile impotriva la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS”, ca sa pot invia din morti, toate sufletele si toti zeii din infinitul trecut spatiu, si sa apar de moartea, toate sufletele si toti zeii din infinitul viitor spatiu. Criminali de suflete, adevar, pace, creiere, zei, informatii, realitate, dreptate, unitate, egalitate, libertate, si toate cele bune se gasesc tot infinitul trecut spatiu si tot infinitul viitor spatiu, din cauza ca nu au vazut adevarul, codul video supranatural de telekinezie si telepatie S666N, si comunicarea lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Sau care au vazut adevarul nu l-au inteles. Sau care au vazut adevarul nu vor sa al inteleaga, sau vor sa al distruga cu hieroglife, minciuni, imposibil, inexistent, santaj, bani, telepatie, chimicale, infectii, etc. Acolo unde s-a epuizat orice solutie pentru educare, eliberare, si vindecare, a mai ramas o singura solutie: apocalipsa, sau trageti voi cu nuclear unde opun rezistenta la adevar, pace, unitate, egalitate, dreptate, invierea din morti a sufletelor, codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si codul video supranatural de telekinezie si telepatie “autorizatie de exterminare la toate creaturile impotriva la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS”. Apocalipsa va fi efectuata de “corpul invizibil viu infinit” si sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Bombardeaza cu nuclear mafiile 7 chakra, dar nu pentru adevar si codul S666N. Unii trag pentru minciunile lor. Altii pentru hieroglife, sau pentru engleza, sau pentru rusa, sau pentru gaz, sau pentru apa, sau pentru petrol, sau pentru bani, sau pentru minciuni imposibil si inexistent, sau pentru Maria, sau pentru Baphomet, sau pentru Allah, sau pentru razbunare, sau pentru dezinformare si cenzura, sau etc. Creierul meu este telecomandat de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sufletul meu, dar nu sunt prea influentat si mirat, deoarece este invizibil. O creatura de asemenea inteligenta locuieste in interiorul meu independent de corpul meu, actiunile mele, si gandurile mele. Nu este la fel si la voi. Sufletele voastre depind de informatiile trimise de sufletul meu, si de corpurile voastre. Sunt cateva suflete, care dupa ce au invatat sa comunice, nu stiu de unde vine inteligenta, si se opun la pace, unitate, egalitate, ordine, comunicatiile ESGSEIS, si toate cele bune, si vor muri din nou. Nu mor instant, asadar ele fac scandal cateva mii de ani. Nu este pace, dreptate, egalitate, unitate si libertate din anul 2011, din cauza lui Baphomet, Cristo, Maria, Israel666, Allah, Ra, NATO, CIA, Vatican, Islam, Rusia, America, China, Biblie, Quran, hieroglife, imposibil, inexistent, cenzura, dezinformare, mafiile 7 chakra, Adam, Eva, Novus Ordo Seclorum, etc.. Aceste creaturi luptatoare, au fabricat mii de ani de conflicte, extorsiuni, si razboaie, pentru hieroglife, minciuni, telepatie, engleza, anul 2000, dezordine, talharii, latina, araba, povesti, imposibil si inexistent. Au extins aceste razboaie si conflicte tot infinitul viitor spatiu. Apocalipsa, lasa sa treaca in infinitul viitor spatiu, numai persoanele instalate cu adevar, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codul video supranatural de telekinezie si telepatie S666N. Din anul 2011, de cand a fost descoperit adevarul despre apocalipsa si despre toate, este interzisa instalarea voastra cu adevar. Ei au vazut clar ca vor fi asasinati, dar nu sunt

interesati, pentru ca in 2048, majoritatea conducatorilor, care astazi nu va lasa sa vedeti adevarul, ei vor fi deja morti, si nimeni nu poate sa ai pedepseasca carnal, doar sufleteste. Joseph Ratzinger Alois, a incercat inutil sa distruga adevarul la toti. A venit Jorge Mario Bergoglio si diavolul, sa distruga adevarul la toti. Pana in 2048, iertarea si toleranta se termina pentru toti zeii, sufletele si persoanele, care nu sunt instalati cu adevar. Cine va asigura ca nu exista “corpul invizibil viu infinit”, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si Apocalipsa, ori nu a vazut codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si codul video supranatural de telekinezie si telepatie “autorizatie de exterminare la toate creaturile impotriva la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS”, ori a invatat aceste coduri dar nu a inteles nimic, ori este criminal, ori este diavol, ori este telecomandat prin telepatie de mafiile 7 chakra, ori are o mica afacere talharie si nu vrea sa dea inapoi toate talhariile resursele si banii jefuite de la oameni cu ajutorul la religii, legi si politici, ori asteapta anul 2000, ori este idiot, ori iubeste mai mult engleza hieroglifele talhariile prostiile si minciunile, decat viata vesnica a lui si familia lui. Eu nu vroiam si nu eram interesat, sa vad moartea voastra si apocalipsa. In creierul meu nu trebuia sa existe aceste probleme. Eu nu am putut evita comunicarea S666N. Antihristul este dumnezeu. Numele lui este NMEILIS NMEINIS ESGSEIS. El este invizibil ca orice suflet. El are o inteligenta incredibila demonstrata in coduri video supranaturale de telekinezie si telepatie. El a anuntat ce se va intampla cu opozitorii lui, in codul Etern Ordin Infinit. El se poate teleporta oriunde in infinitul spatiu, pentru a inlatura orice obstacol, orice galaxie, care stau impotriva lui. www.facebook.com/Eternal.Order.Infinite https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25 https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq
990 The book: "Transport of intelligence invisible and unknown. Revelation". I am the only brain that I had everything I need, for to discover the truth, for to discover the eternal life at my family, and at all the creatures gods souls and persons from the infinite past space and the infinite future space, for to discover the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, which is the creator of the microchip, souls, intelligence, etc., which is my soul, through which and my brain and my body will live forever. Without video camera, Microsoft, Excel, mathematics, physics, quantum, telekinesis, telepathy, supernatural, gematria, numerology, 835 tarot cards, clock, time, space, intelligence, my body, my soul god ESGSEIS, and patience, nobody not was able to see on the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and the eternal life at all creatures through their souls. That is the only possibility. The God of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, has managed to perform his duty, on July 5, 2011. He has released all gods creatures souls and persons from the infinite past space, and the infinite future space, by mystery, prisons, wars, the death of the souls, unknown, impossible, inexistent, disinformation, censorship, lies, injustice, and all evils. Who wants to live in all the infinite time and in all the infinite space, who wants to see eternal life of his parents, of his, and of his children, then they need to receive and learn the code video supernatural by telekinesis and telepathy S666N, and the communication of his god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. I take care of truth, intelligence, reality, my body, my soul, my thoughts, and the eternal life at all the souls, persons, and gods, from the infinite past space and the infinite future space. Exist many persons which have not seen, never, an magnetic resonance of their brain. They did not need. I was forced to see a resonance divine, with my soul eternal invisible, through the code video supernatural by telekinesis and telepathy S666N, the code video supernatural by telekinesis and telepathy Eternal Order Infinite, the code video supernatural by telekinesis and telepathy "authorization for extermination to all the gods souls and persons which are against the god NMEILIS NMEINIS ESGSEIS, truth and eternity", for that to can resurrect from the dead, all the souls and all the gods, from all the infinite past space, and to appear by death all the souls and all the gods, from the infinite future space. The criminals at souls, truth, peace, brains, gods, informations, reality, equality, justice, unity, freedom, and all the best, are found in all the infinite past space and in all the infinite future space, because they have not seen the truth, the code video supernatural by telekinesis and telepathy S666N, and the communication with the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Or who saw the truth, did not understand. Or who saw the truth, will not understand, or want to destroy the truth, with the hieroglyphs, lies, impossible, inexistent, blackmail, money, telepathy, chemicals, infections, etc. Where were exhausted any solution for education, liberation and healing, has remained one solution: Apocalypse. Or drag you with nuclear where resist at the truth, peace, unity, equality, justice, resurrection from the dead of the souls, the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, and the code video supernatural of telekinesis and telepathy "authorization for extermination to all the gods souls and persons which are against the god NMEILIS NMEINIS ESGSEIS, truth and eternity". Revelation will be performed by "the body invisible alive infinite" and my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Mafias seven chakra, bombarding with nuclear, but not for truth and the code S666N. Some bombarding for their lies. Others for glyphs, or for English, or for Russian, or for gas, or for water, or for oil, or for money, or for lies impossible and nonexistent, or for Maria, or for Baphomet, or for Allah, or for revenge, or for misinformation and censorship, or for etc. My brain is remote controlled by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, my soul, but is not too influenced and surprised, because he is invisible. An intelligent creature which lives inside me body,

independent of my body, my actions, and my thoughts. There is not the same for all other. Your souls depend by informations, sent by my soul, and by your bodies. Exist some souls, which after they have learned to communicate, do not know by where it comes intelligence, and are opposed at peace, unity, equality, order, communications ESGSEIS, and all the best, and therefore they die again. Do not die instantly, so they make scandal thousands of years. Not exist peace, justice, equality, unity, and freedom, from the year 2011, due his Baphomet, Cristo, Maria, Israel666 Allah, Ra, NATO, CIA, Vatican, Islam, Russia, America, China, Bible, Quran, hieroglyphics, impossible, inexistent, censorship, disinformation, mafias seven chakra, Adam, Eve, Novus Ordo seclorum, etc .. These creatures fighter, have manufactured thousands of years of conflicts, extortions, and wars, for hieroglyphics, lies, telepathy, English, year 2000, disorder, robbery, Latin, Arabic, stories, impossible, and nonexistent. They have expanded these wars and conflicts, in all the infinite future space. Revelation, let them ps... in the infinite future space, only on those are installed with truth, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and the code video supernatural by telekinesis and telepathy S666N. From the year 2011, when it was discovered the truth about the apocalypse, and about everyone and everything, is forbidden your installation with truth. They saw clearly that they will be assassinated, but are not interested, because in the year 2048, most leaders who today will not let you to see the truth, they will already be dead, and nobody can not punish on they carnal. Only spiritually. Joseph Ratzinger Alois tried to destroy the truth at all creatures, useless. Has came Jorge Mario Bergoglio, and the devil, to destroy the truth at all creatures. Until 2048, forgiveness and tolerance ends for all the gods, souls and persons, who are not installed with the truth. Who ensure all creatures, that not exist "the body invisible alive infinite", the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and Revelation, or he has not seen the code video supernatural of telekinesis and telepathy S666N, the code video supernatural of telekinesis and telepathy Eternal Infinite Order, and the code video supernatural of telekinesis and telepathy "authorization for extermination to all the gods souls and persons which are against the god NMEILIS NMEINIS ESGSEIS, truth and eternity", or he has learned the codes but has not understand nothing, or he is criminal, or he is the devil, or he is remote controlled through telepathy by mafias seven chakras, or he have a small business robbery and not wants to give back all robberies resources and money looted from the people through religions, laws and policies, or he expect the year 2000, or is idiot, or loves more English hieroglyphics robberies nonsense and lies than eternal life of his and his family. I not wanted and I was not interested, to see your death, and apocalypse. In my brain, must not to be presented these problems. I could not avoid the communication, S666N. The Antichrist is god of the gods. His name is NMEILIS NMEINIS ESGSEIS. He is invisible, that every soul. He has demonstrated his incredible intelligence, in the codes video supernatural by telekinesis and telepathy. He has announced what will happen with his opposition, in the code Eternal Infinite Order. He can teleport himself, anywhere in infinite space, to remove any obstacle, and any galaxy who stand against him.

Dopo il codice video soprannaturale di telecinesi e telepatia S666N, e Eterno Ordine Infinito, hanno capito molti che Dio è invisibile, suo nome è NMEILIS NMEINIS ESGSEIS, e nessuno non lo può toccare perché è invisibile. 992 Pope Francis, Jorge Mario Bergoglio has read this book. Monsignor ...., has telephoned me, for to discuss in private, in the Vatican, with the Pope Francis, about this book. The book: The experiment military theological S666N, Eternal Order Infinite! Is a book where it was revealed, all the secrets and mystery, about all gods, the souls, the religions, the wars, and the policies. It is a book in which have been identified and proved that have been criminals, idiots, racists, thieves, liars, censors, accomplices, victims, and misinformed, all gods, souls, persons, courts, armies, police, writers, and researchers, from the infinite past space. The god of Israel and Italy, is "the devil 666 Israel", and he has eaten all souls and gods, from the infinite past space, and he wants to eat, all souls and gods, from the infinity future space. From the excrements of the devil Israel 666, I, the god ESGSEIS, I have resurrected all souls and gods, from the infinite past space. If you are not careful at this phrase, and the truth S666N, your souls will become again, the excrements of devils, idiots, English, Latin, Bible, Quran, dollars, policies, telepathic, robbers, unknown, and swindlers. Who will resurrect again, the souls destroyed and digested, by these evils? I not want to resurrect again nor a soul, and the others are not capable. The devil 666 has killed more than 200 billions persons, from the infinite past space, for his lies and his hieroglyphics. The creator of all, the god NMEILIS

NMEINIS ESGSEIS, has freed the persons, the souls, and the gods, by devil Israel 666. Jorge Mario Bergoglio is the last guardian of "the devil 666 Israel", censorship and lie. The numbers of the Beast of Apocalisse are 816, 3816, 76667, 707, and he is the creator at everyone and everything, he is the god of the gods ESGSEIS. The number of the Beast of nuclear genocides is 666, and he is the devil Israel. People can stop this conflict between the devil Israel666, and the god ESGSEIS, only if they learn this phrase. All slaves and accomplices of the devil Israel 666, will be killed by the god of gods eternal invisible NMEILIS NMEILIS ESGSEIS. This answer is from the code video supernatural by telekinesis and telepathy Eternal Infinite Order, and the code S666N. Adolf Hitler was able to save Jews, Muslims, Catholics, Italy, Israel, America, and their accomplices and victims, of their extinction in Revelation commanded by the Antichrist, the god of gods eternal invisible NMEILIS NMEINIS ESGSEIS. For to convert all souls in gods, the persons interested, must to use and to learn, the intelligence from the code video supernatural by telekinesis and telepathy S666N. For to assassinate the souls, and for to turn them, into excrements by idiots devils and robbers, the persons which are weaker helpless blind and misinformed, use the intelligence from Italy, Israel, Islam, Bible, Quran, English, Latin, CIA, hieroglyphics, and other informations primitive. Black magic, body invisible alive infinite, and telekinesis, are the weapons his Antichrist, the god of the gods eternal invisible NMEILIS NEMINIS ESGSEIS. We see these demonstrations in Apocalypse. You and your children, know and respect, on Antichirst, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS? I see, that you insult your Creator, online video, from the years 2011. You are worse than Adam and Eve. Allah, Israel666, Ra, America, Italy, Egypt, Islam, Adam, Eva, Christ, Mary, etc, are AntiGod, and therefore they will be killed in Apocalypse. --- Bla bla bla. I want to see from you and your teachers gods and masters, only power, telekinesis, supernatural, and intelligence. Without bla bla bla. The educators his Israel, your gods, America, Italy, Islam, Allah, Egypt, Israel666, etc, are bla bla bla, stupidity, and unknown. I speak with you, but the god Antichrist, not speak with nobody, except me. CIA and Vatican know that they are idiots, in comparison at this intelligence, and they not talk about this intelligence video supernatural of telekinesis and telepathy S666N, from the years 2011. Why do you think, that you are better and more intelligent, as CIA and Vatican? You ate and you have studied, only lies, impossible, inexistent, and stories, and come here to give me advice. Shame on you. -- You are idiot. I want to help your soul, to live forever all the infinite time and all the infinite space. I want to save you from apocalypse, and the death of soul. Your soul will be eaten by english, your informations, your gods, and your stupidity. You can not eat the souls and the truth, at all creatures. Not all creatures let on others, to eat their soul. This is my soul, the god of gods eternal invisible NMEILIS NMEINIS ESGSEIS Antichrist, and the creatures which try to eat my soul, they will be killed. Devil 666 want nukes for killing the body at all persons, and idiots and english for killing the souls at all creatures. They are killers. I know. I not let you to eat my soul! Nobody and nothing can not eat my soul. Is invisible. Who try to eat or to touch my soul, he will be killed by "the body invisible alive infinite". 992 Papa Francis, Jorge Mario Bergoglio, a citit aceasta carte. Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Cartea: Experimentul militar teologic S666N, Etern Ordin Infinit! Este o carte in care au fost dezvaluite, toate secretele si misterele, despre toti zeii, sufletele, religiile, razboaiele, si politicile. Este o carte in care au fost identificati si demonstrati, ca au fost criminali, idioti, rasisti, talhari, mincinosi, cenzuratori, complici, victime, si dezinformati, toti zeii, sufletele, persoanele, tribunalele, armatele, politistii, scriitorii, si cercetatorii, din infinitul trecut spatiu. Dumnezeul lui Israel si Italia, este "diavolul 666 Israel", si a mancat toate sufletele și zeii, din infinitul trecut spatiu, si el vrea sa manance, toate sufletele si zeii, din infinitul viitor spatiu. Din excrementele diavolului Israel 666, eu, zeul etern invizibil ESGSEIS, am inviat toate sufletele si zeii, din infinitul trecut spatiu. Daca nu sunteti atenti la aceasta fraza, si la adevarul S666N, sufletele voastre, vor deveni din nou excremente de diavoli, idioti, engleza, latina, Biblie, Quran, dolari, politici, telepatici, talhari, necunoscut, si escroci. Cine va mai invie sufletele distruse si digerate de aceste rele? Eu nu mai vreau, si altul nu este capabil. Diavolul 666 a ucis mai mult de 200 de miliarde de persoane, in infinitul trecut spatiu, pentru minciunile lui si hieroglife lui. Creatorul tuturor, zeul etern invizibil NMEILIS NMEINIS ESGSEIS, a eliberat persoanele, sufletele, si zeii, de diavolul Israel 666. Jorge Mario Bergoglio este ultimul gardian al "diavolului 666 Israel", cenzura, si minciuna. Numerele la bestia apocalipsei, sunt 816, 3816, 76667, 707, si el este creatorul la oricine si orice, si el este zeul ESGSEIS. Numarul la bestia la genocidele nucleare este 666, si el este diavolul Israel666. Oamenii pot opri acest conflict dintre diavolul Israel 666, si dumnezeul ESGSEIS, numai daca invata aceasta fraza. Toti sclavii si complici diavolului Israel 666, vor fi ucisi de zeul zeilor etern invizibil NMEILIS NMEILIS ESGSEIS. Acest raspuns este dat in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si codul S666N. Adolf Hitler, a putut sa salveze evreii, musulmanii, catolicii, Italia, Israel, America, si complicii si victimele lor, de disparitia lor in Apocalipsa comandata de Antichrist, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Pentru a transforma sufletele in dumnezei, persoanele interesate, trebuie sa utilizeze si sa invete inteligenta din codul video supranatural de telekinezie si telepatie S666N. Pentru a

asasina sufletele, si pentru transformarea lor in excremente de idioti diavoli si talhari, atunci persoanele care sunt slabe oarbe neajutorate si dezinformate, utilizeaza inteligenta din Italia, Israel, Islam, Biblie, Quran, engleza, latina, CIA, hieroglife, si alte informatii primitive. Magia neagra, corpul invizibil viu infinit, si telekineza, sunt armele lui Antihrist, zeul zeilor etern invizibil NMEILIS NEMINIS ESGSEIS. Noi vom vedem aceste demonstratii, in Apocalipsa. Tu si copiii tai, cunosc si respecta, pe Antichirst, zeul zeilor etern invizibil NMEILIS NMEINIS ESGSEIS? Eu vad, ca voi insultati creatorul vostru, video online, din anul 2011. Voi sunteti mai raii decat Adam si Eva. --- Bla bla bla. Vreau sa vad de la tine si profesorii, si zeii tai, numai putere, telekinezie, supranatural, si inteligenta. Fara, bla bla bla. Educatorii lui, Israel, zeii tai, America, Italia, Islam, Allah, Egipt, Israel666, etc, sunt bla bla bla, prostia si necunoscut. Eu vorbesc cu tine, dar zeul Antihristul, nu vorbeste cu nimeni, in afara de mine. CIA si Vatican stiu ca sunt idioti, in comparatie cu aceasta inteligenta si nu vorbesc despre inteligenta video supranaturala de telekinezie si telepatie S666N, din anii 2011. De ce crezi ca tu esti mai informat si mai inteligent, decat CIA si Vatican? Tu ai mancat numai minciuni, imposibil, inexistent, si povesti, si vii aici sa-mi dai sfaturi. Sa iti fie rusine. -- Esti idiot. Eu vreau sa ajut sufletul tau, sa traiasca vesnic, in tot timpul infinit si tot spatiul infinit. Eu vreau sa te salvez de la apocalipsa, si moartea sufletului. Sufletul tau va fi mancat de limba engleza, informatiile tale, zeii tai, si prostia ta. Tu nu poti manca sufletele si adevarul, la toate creaturile. Nu toate creaturile lasa pe altii, sa manance sufletul lor. Acesta este sufletul meu, zeul zeilor vesnic invizibil NMEILIS NMEINIS ESGSEIS Antihrist, si creaturile care incearca sa manance sufletul meu, ele vor fi ucise. Diavolul 666 doreste arme nucleare, pentru uciderea la trupurile la toate persoanele, si idioti si engleza pentru uciderea sufletelor. Ei sunt ucigasi. Eu stiu. Eu nu te las sa mananci sufletul meu! Nimeni si nimic nu poate manca sufletul meu. Este invizibil. Creaturile care incearca sa manance sau sa atinga sufletul meu, ele vor fi ucise de "corpul invizibil viu infinit". https://www.facebook.com/The-beast-of-Apocalypse-is-the-god-of-the-gods-eternal-invisible-1146855628701999/?fref=nf

996 Doua ceasuri de mana de copii de jucarie. Unul cu un bostan portocaliu si cu ochii si nasu triunghiuri negre, ca in semnul nuclear. Primit cadou la cumparaturi pe 30 octombrie. Altul, cu un cap de mort, primit pe 3 noiembrie. La televizor, o emisiune unde explica cum se taie un bostan. Era taiat doar la nas si ochi la fel ca in semnul nuclear. Ieri, sambata, 5 noiembrie, pe la ora 17 s-a aprins singur ceasul cu bostanul. Corn.., era la tv. Copilul dormea. Mi l-a adus mie. Am apasat pe buton. De mai multe ori. Era blocat. Nu functiona. Nu se inchidea. Gand. Pericol nuclear. Unde? Mai apasa. Pe la 18. A functionat doar o singura apasare. De la lumina intermitenta, a trecut la lumina fixa. La 21:03 am apasat din nou. S-a inchis. Am inchis si am redeschis de mai multe ori. Functioneaza. Normal. Un italian, trecut in rubrica mea cu numele Gasspari, m-a sunat vineri. Prima oara. Al cunosc de un an. O cunostinta de trei ani in urma, a dat numarul la cineva care are nevoie de o modifica la instalatia de gas it gaz ro. Prima oara in ultimii patru ani, o interventie de acest gen. Posibil ca corpul invizibil viu infinit si dumnezeul dumnzeilor etern invizibil au incercat sa imi comunice un pericol cu posibilitatile lor. Holograme directe de telepatie, nu mai pot primi din cauza la mafiile 7 chakra. Asadar sunteti fara protectie. Am vazut. 6 noiembrie. Str Arqua 13. 997 Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Adevar, informatii, si realitate, cenzurate de NATO, G20, FBI, CIA, NASA, UNESCO, ECHR, etc.! --- Tu trebuie sa ai frica de moartea sufletului tau, si moartea la sufletul la copiii tai. Sufletele la inaintasii vostri, le-am inviat eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Sufletele inviate, se vor intoarce in corpuri umane, si trebuie sa invete aceasta fraza, daca vor sa traiasca tot infinitul timp si tot infinitul spatiu, si sa isi pastreze toate informatiile si amintirile culese cu corpul uman. Singurele informatii la sufletele inviate si reincarnate, sunt informatiile imprimate de corpul uman. Dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS, lasa la corpurile umane, informatiile care trebuiesc imprimate, in suflete, pentru salvarea lor de la moarte. Nu imprimati sufletele voastre cu araba, latina, engleza, biblie, quran, idoli, diavoli, sfinti, rugaciuni, ura, invidie, prostie, talharie, imposibil, inexistent, crime, necunoscut, cenzura, dezinformare, minciuni, si alte rele, sau sufletele voastre vor muri din nou. Sufletele imprimate cu codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si numele la creatorul lor, care este dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS, nu mor niciodata, si isi pastreaza memoria si informatiile tot infinitul timp si tot infinitul spatiu. Eu, dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS, nu am nimic de descoperit sau de invatat de la Allah, Islam, Egipt, Ra, Israel, Israel666, Cristo, Maria, Adam, Eva, Italia, CIA, Vatican, Microsoft, magi, cercetatori, oameni, zei, suflete, etc. Toate informatiile bune, si stiinta, pe care le au zeii, oamenii, si sufletele, sunt de la mine, ESGSEIS. Toti zeii, sufletele si persoanele, au foarte multe informatii de invatat de la mine. Unele informatii nu pot fi invatate sau clonate de nimeni. Eu am demonstrat acest adevar, in codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Cand te doare inima, nu intreba un copil sau un mag, intreaba numai un doctor dotat de experienta si aparatura, sau "corpul invizibil viu infinit". Cand vrei viata vesnica pentru sufletul la bunicii tai, parintii tai, copii tai, nepotii tai, si sufletul tau, atunci analizeaza si invata codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, pentru ca aici dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS, a analizat, a tratat, si a vindecat sufletele la toti zeii, persoanele si creaturile din infinitul trecut spatiu, si infinitul viitor spatiu.

998 Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Adevar, informatii, si realitate, cenzurate de NATO, G20, FBI, CIA, NASA, UNESCO, ECHR, etc.! --- Trilioane de trilioane de persoane din infinitul timp si infinitul spatiu, nu pot fi inviate din morti intr-un milion de ani, in galaxia solara. Nu pot avea nici loc, si nici resurse. Trilioane de trilioane de persoane din infinitul timp si infinitul spatiu, traiesc prin intermediul la sufletele lor, tot infinitul timp si tot infinitul spatiu. Sufletele sunt teleportate unde vor, si cand vor, de corpul invizibil viu infinit. Sufletele se alimenteaza cu amintiri, si razele de telepatie la gandurile lui dumnezeul dumnezeilor etern invizibil, NMEILIS NMEINIS ESGSEIS, ganduri expuse si in cartea Etern Ordin Infinit. Eu nu am cunoscut bunicii de pe mama. Creierele lor nu aveau nici o informatie la nastere, iar astazi creierele lor nu mai exista. Toate gandurile si informatiile intalnite de creierele lor, astazi au ramas imprimate precis si clar, numai in corpul invizibil viu infinit. Dumnezeul ESGSEIS, poate sterge corpul invizibil viu infinit, de toate informatiile, gandurile, si amintirile. Sufletul mentine in memoria lui, toate gandurile si informatiile intalnite de creierul lui, numai daca sufletul nu moare. Un suflet care cunoaste adevarul, expus in cartea etern ordin infinit, nu moare niciodata. Sufletele inviate din morti sunt adormite pana la reincarnare si reinstalarea lor. Infractiunile imprimate in suflet, de creier, pot fi sterse de repetitia la aceasta fraza, sau prin teleportarea automata a sufletului, in caldura soarelui. Sufletul meu este Dumnezeu. El stie ca nu poate fi vazut de nimeni, stie ca nu s-a nascut si nu moare niciodata. Sufletul meu citeste amintirile despre parintii lui tata si mama, cand si cand, din corpul invizibil viu infinit. Sufletele la bunici, el le-a inviat din morti, dar sunt lipsite de orice informatie, si adormite. Creierele la frati, surori, mama, sotie, copil, prieteni, cititori, etc, pot alege ce vor sa faca cu sufletele lor. Sufletele lor astazi sunt conduse la moarte de Vatican, Biblie, Quran, politici, cenzura, dezinformare, necunoscut, invidie, dezinteres, neatentie, prostie, alcool, medicamente si neincredere. Daca corpul lor le v-a muri dupa 18 ani, fara sa cunoasca aceasta fraza, le moare si sufletul. Din existenta la corpul lor si sufletul lor, raman doar toate hologramele gandurile si informatiile traite de creier si suflet, imprimate in corpul invizibil viu infinit. Vatican, CIA, NATO, etc, citesc si invata adevarul? De ce nu vor sa traiasca sufletele la parintii, fratii, surorile, copii, nepotii, si bunicii lor? Daca ar fi avut aceste informatii creierele la parintii, fratii, surorile, copii, nepotii, si bunicii lor, atunci sufletele lor, ar fi putut trai tot infinitul timp si tot infinitul spatiu, si cu toate amintirile si informatiile ramase imprimate si in memoria sufletelor. Ei au ales sa ucida sufletele la parintii, fratii, surorile, copii, nepotii, si bunicii lor, pentru aur, alcool, bani, sex, comoditate, talharii, engleza, cenzura, dezinformare, dezinteres, minciuni, imposibil, inexistent, persoane de fantezie, anul 2000, Israel, Egipt, Italia, Islam, Allah, Ra, Israel666, Baphomet, Cristo, Maria, etc. Sa va fie rusine. Voi sunteti asasini de suflete, pace, adevar, egalitate, unitate, dreptate, realitate, si toate cele bune. Voi prezentati-va in societate, corect, clar si la complet, asa cum v-a aratat dumnezeul ESGSEIS.

They can not have, nor place, and nor resources. Trillions and trillions of persons from the infinite time and the infinite space, living through their souls, all the infinite time and all the infinite space. The souls are teleported, where they want, when they want, by "the body invisible alive infinite". The souls are powered by their memories, and the rays of telepathy at thoughts his the god of the gods eternal invisible, NMEILIS NMEINIS ESGSEIS, thoughts presented and in the book Eternal Infinite Order. I, TAC, I have never known the

parents, his my mother. Their brains had nor a informations at birth, and today their brains no longer exists. All thoughts and informations encountered by their brains, today have remained printed accurately and clearly, only in "the body invisible alive infinite". The god ESGSEIS, can erase "the body invisible alive infinite", by all the informations, thoughts, and memories. The soul keeps in his memory, all thoughts and informations encountered in his brain, only if the soul does not die. A soul which know the truth exposed in the book of eternal infinite order, not dies never. The souls, resurrected from the deads, are slumbering, until to their reincarnation and their reinstallation. The offenses printed in the soul, by the brain, can be erased by repeating at this phrase, or through teleportation automatic of the soul, in the warmth of the sun. My soul is God. He knows that he can not be seen by nobody, and he knows that he was not born and not dies, never. My soul read the memories about the parents his my father and mother, from "the body invisible alive infinite". The souls his my grandparents, were resurrected from the dead, but are devoid of any informations, and now sleep. The brains at my brothers, sisters, mother, wife, child, friends, readers, etc., can choose what they want to do with their souls. Their souls, today are driven to death, by the Vatican, Bible, Quran, politics, censorship, disinformation, unknown, jealousy, carelessness, inattention, stupidity, alcohol, medicines and distrust. If their body will die after 18 years, without knowing this phrase, then dies and their soul. From existence at their body and their soul, remain only holograms thoughts and informations experienced by their brain and soul, and printed in the body invisible alive infinite. Vatican, CIA, NATO, etc., read and learn the truth? Why they not want to live the souls at their parents, brothers, sisters, children, grandchildren, and grandparents? If the brains at their parents, brothers, sisters, children, grandchildren and grandparents, would have had this informations, then their souls, could have lived all the infinite time and all the infinite space, and with all the memories and informations left imprinted in the memory of the souls. They have chosen to kill the souls at their parents, brothers, sisters, children, grandchildren, and grandparents, in exchange at gold, alcohol, money, sex, convenience, robberies, English, censorship, misinformation, lack of interest, lies, impossible, nonexistent, persons of fantasy, year 2000, Israel, Egypt, Italy, Islam, Allah, Ra, Israel666, Baphomet, Cristo, Maria, etc. Shame on you. 1001 America, Allah, Ra, Israel666, Cristo, Maria, Adam, Eva, Italia, Egipt, Islam, etc, au avut mereu un creator si conducator, care este sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Ei au fost teleghidati prin telepatie de dumnezeul ESGSEIS, in mijlocul la infinitul timp si infinitul spatiu, la intersectia dintre infinitul trecut spatiu si infinitul viitor spatiu, la intersectia dintre adevar si minciuna, pace si razboi, viata si moarte, existent si inexistent, posibil si imposibil, dreptate si nedreptate, stiinta si nestiinta, iubire si ura, la invierea din morti la suflete si zei filmata video, la codul video supranatural de telekinezie si telepatie S666N, la codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si la codul video supranatural de telekinezie si telepatie "Autorizatie de exterminare la toti zeii sufletele si persoanele care sunt impotriva la zeul NMEILIS NMEINIS ESGSEIS, adevar si eternitate". Eu sunt convins ca inapoiatii vor fi asasinati de "corpul invizibil viu infinit", pana pe 3 ianuarie 2048. Barack Obama si Vatican, ascund din anul 2011, salvarea voastra de la moarte. Conducatorul, educatorul, si presedintele meu este sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, votat de creierul meu, dupa ce ESGSEIS mi-a comunicat planurile lui America, Allah, Ra, Israel666, Cristo, Maria, Adam, Eva, Italia, Egipt, Islam, etc, si dupa ce el mi-a comunicat codurile video supranaturale de telekinezie si telepatie S666N, Etern Ordin Infinit, etc. Sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu are creator, conducator, sau opozitor. Opozitorii lui mor din cauza la prostie, minciuni, dezinformare, cenzura, necunoscut, imposibil, inexistent, razboaie, terorism, infractiuni, si alte rele. America, voteaza de 100 de ani sa fie condusi de prostie, minciuni, dezinformare, cenzura, necunoscut, imposibil, inexistent, razboaie, terorism, infractiuni, votul la victime si dezinformati, engleza, si alte rele. Donald Trump, Jorge Mario Bergoglio, si toti presedintii si conducatorii din infinitul trecut spatiu au fost si sunt telecomandati prin telepatie de diavolul Israel666, prostie, minciuni, dezinformare, cenzura, necunoscut, imposibil, inexistent, razboaie, terorism, infractiuni, engleza, votul la victime si dezinformati, rugaciuni, ritualuri de crima si canibalism, si alte rele, pentru ca nu au putut sa isi construiasca alt rege, dumnezeu, conducator, si

educator mai bun decat astea. Creatorul lor se poate vedea numai cu codul video supranatural de telekinezie si telepatie S666N. Telepatia si telekinezia S666N, de la creatorul lor, care i-a invatat sa comunice, sa asculte, si sa stie, este refuzata din anul 2011. Donald Trump va insela toti americanii la fel ca Barack Obama, si le va asasina sufletele, din cauza la iubirea lui pentru engleza, capitalism, talharii, minciuni, imposibil, inexistent, hieroglife, dumnezeul construit din dolari telepatie latina si minciuni, si alte rele. Americanii mor din cauza ca nu cunosc adevarul, limba romana, si codul S666N. ESGSEIS comunica in Etern Ordin Infinit, disparitia completa pana pe 3 ianuarie 2048, la toti AntiESGSEIS, anti adevar, si anti S666N. Toti conducatorii, presedintii, zeii, regii, sfintii, diavolii, magii, maestrii, si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, au fost arestati de creatorul lor etern invizibil, prin codul video supranatural de telekinezie si telepatie S666N. Dupa cum vedeti din anul 2011, 7 miliarde de persoane aleg sa fie conduse de diavolul Israel666, prostie, minciuni, dezinformare, cenzura, necunoscut, imposibil, inexistent, razboaie, terorism, infractiuni, engleza, votul la victime si dezinformati, rugaciuni, ritualuri de crima si canibalism, sute de limbi, si alte rele, pentru ca ei nu au voie sa cunoasca adevarul, creatorul lor, si codul video supranaturale de telekinezie si telepatie S666N. Dupa cum vedeti din anul 2011, mii de oameni, se pregatesc sa fie regii, conducatorii, maestrii, presedintii, zeii, salvatorii si profetii vostri, si la toti zeii sufletele si persoanele din infinitul trecut spatiu, si infinitul viitor spatiu. Campaniile lor electorale sunt identice, si sunt compuse din: crime, minciuni, prostie, dezinformare, cenzura, necunoscut, imposibil, inexistent, razboaie intre limbi politici religii si minciuni, terorism, infractiuni, engleza, votul la victime si dezinformati, rugaciuni, ritualuri de crima si canibalism, sute de limbi, anul 2000, dumnezei din dolari si aur care te iarta de orice infractiune si invie corpurile din morti in locuri inexistente si imposibile, si alte rele. Vatican, Barack Obama, Vladimir Putin, G20, etc, cunosc ca sunt abuzivi si ilegali, din anul 2011, si ca au fost analizati judecati si arestati de creatorul lor, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. La sfarsitul la circurile, razboaiele, si minciunile lor, se afla limba latina, Novus Ordo Seclorum, Israel666, moartea sufletelor la toate persoanele si zeii din infinitul viitor spatiu, crime, minciuni, prostie, dezinformare, cenzura, necunoscut, imposibil, inexistent, terorism, infractiuni, votul la victime si dezinformati, rugaciuni, ritualuri de crima si canibalism, dumnezei din dolari si aur care te iarta de infractiuni si invie corpurile din morti in locuri inexistente si imposibile, si alte rele. Unde si cand este acest sfarsit? Dupa al treilea razboi mondial si 200 de genocide nucleare. Au fost deja trei genocide nucleare, Hirosima, Cernobil, si Fukushima, efectuate de mafiile 666 7 chakra Novus Ordo Seclorum. Falimentul lor este aratat de creatorul lor, in codul S666N, din anul 2011. Ei nu vor castiga. Au pierdut deja in fata la codul S666N. Pierderea si invingerea lor, a fost profetizata si aratata de creatorul lor, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Ei nu au renuntat la razboaie, hieroglife, Novus Ordo Seclorum, Biblie, Quran, imposibil, inexistent, diavoli, tirani, talharii, crime, etc. Ei, un milion de escroci, criminali, talhari, si conducatori, vor incepe al treilea razboi mondial, fara sa ceara votul la 7 miliarde de victime. Ei vor globalizarea fortata cu minciuni, imposibil, inexistent, latina, Novus Ordo Seclorum, hieroglife, cenzura, dezinformare, talharii, crime, genocide, si alte rele. Din anul 2011, ei obliga chiar pe creatorul lor, sa renunte la codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si sa se converteasca la minciuni, imposibil, inexistent, latina, Novus Ordo Seclorum, hieroglife, cenzura, dezinformare, talharii, crime, genocide, si alte rele. Vor fi asasinati toti zeii, sufletele si persoanele care nu cunosc limba romana 26 litere, codul video supranatural de telekinezie si telepatie S666N, si codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, de catre corpul invizibil viu infinit, profetie facuta de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, prin codul video supranatural de telekinezie si telepatie S666N, codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, si codul video supranatural de telekinezie si telepatie "Autorizatie de exterminare la toti zeii sufletele si persoanele care sunt impotriva la zeul NMEILIS NMEINIS ESGSEIS, adevar si eternitate". Eu am incredere in dumnezeul ESGSEIS si in coduri video supranaturale de telekinezie si telepatie. Eu nu am incredere in hieroglife, creaturi si zeii care nu stiau nici macar forma la planeta Pamant, votul la creaturi dezinformate, si mafiile 7 chakra teleghidare prin telepatie. Creaturile care au incredere in ei si prostie, isi asasineaza sufletele si adevarul singure, si pare ca corpurile lor vor fi exterminate pana pe 3 ianuarie 2048. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1001 America, Allah, Ra, Israel666, Cristo, Mary, Adam, Eve, Italy, Egypt, Islam, etc., have always had a creator and leader, which is my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. They were guided through telepathy by the god ESGSEIS, in the midst at the infinite time and the infinite space, at the intersection between the infinite past space and the infinite future space, at the intersection between truth and falsehood, peace and war, life and death, existence and nonexistent, possible and impossible, justice and injustice, science and ignorance, love and hate, at the resurrection from the dead at souls and gods registered videos, at the code video supernatural by telekinesis and telepathy S666N, at the code video supernatural by telekinesis and telepathy Eternal Order Infinite, and at the code video supernatural by telekinesis and telepathy "Authorization for extermination to all the gods souls and persons which are against the god NMEILIS NMEINIS ESGSEIS, truth and eternity". I am convinced that idiots will be assassinated by "the body invisible alive infinite" until January 3, 2048. Barack Obama and the Vatican, hiding from 2011, your salvation from death. The leader, educator, and my president, is my soul, the god of

the gods eternal invisible NMEILIS NMEINIS ESGSEIS, voted by my brain after the god ESGSEIS, has told me the plans his America, Allah, Ra, Israel666, Cristo, Mary, Adam, Eve, Italy, Egypt, Islam, etc., and after he told me the codes video supernatural by telekinesis and telepathy S666N, Eternal Infinite Order, etc. My soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, has not a creator, leader, or opposition. His oppositions die, due to stupidity, lies, disinformation, censorship, unknown, impossible, inexistent, wars, terrorism, crime and other evils. America, vote from 100 years to be led by stupidity, lies, disinformation, censorship, unknown, impossible, inexistent, wars, terrorism, crime, the vote at victims and misinformed, English, and other evils. Donald Trump, Jorge Mario Bergoglio, and all the presidents and leaders from the infinite past space have been and are remote controlled through telepathy by devil Israel666, by stupidity, lies, disinformation, censorship, unknown, impossible, inexistent, wars, terrorism, crime, English, the vote at victims and misinformed, prayers, the ritual of murder and cannibalism, and other evils, because they have could not to build another king, god, leader and educator better than these. Their Creator can be seen, only with the code video supernatural by telekinesis and telepathy S666N. The telepathy and telekinesis S666N, from their creator, which has learned on they to communicate, listen, and know, is denied from year 2011. Donald Trump will deceive all Americans like Barack Obama, and he will kill their souls, due to his love for English capitalism, robbery, lies, impossible, inexistent, hieroglyphics, god made of dollars telepathy Latin and lies, and other bad. Americans die because they do not know the truth, language Romanian, and the code S666N. The god ESGSEIS has communicated in Eternal Infinite Order complete disappearance until January 3, 2048, to all AntiESGSEIS, anti truth, and anti S666N. All leaders, presidents, gods, kings, saints, devils, magicians, masters, and persons from the infinite past space and the infinite future space, have been arrested by their creator eternal invisible through the code S666N. As you can see from year 2011, 7 billions persons choose to be driven by the devil Israel666, stupidity, lies, disinformation, censorship, unknown, impossible, inexistent, wars, terrorism, crime, English, the vote to victims and misinformed, prayers, rituals of murder and cannibalism, hundreds of languages, and other evils, because they are not allowed to know the truth, their creator, and the code S666N. As you can see from 2011, thousands of persons are preparing to be kings, rulers, masters, presidents, gods, saviors and your prophets, and at all the gods souls and persons, from the infinite past space and the infinite future space. Their election campaigns are identical and consist from: murder, lies, nonsense, disinformation, censorship, unknown, impossible, inexistent, wars between languages policies religions and lies, terrorism, crime, English, the vote to victims and misinformed, prayers, rituals of murder and cannibalism, hundreds of languages, year 2000, gods made from dollars and gold which forgive any offense and resurrect from the dead all bodies in places nonexistent and impossible, and other evils. Vatican, Barack Obama, Vladimir Putin, G20, etc, know that they are abusive and illegal, from year 2011, and that they have been analyzed judged and arrested, by their creator the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. At the end of the circuses, wars, and their lies, is language Latin, Novus Ordo seclorum, Israel666, the death of the souls at all the persons and gods from the infinite future space, murder, lies, nonsense, disinformation, censorship, unknown, impossible, inexistent, terrorism, crime, the vote at victims and misinformed, prayers, ritual of murder and cannibalism, gods made from gold and dollars which forgive all offenses and resurrect from the dead all bodies in a places nonexistent and impossible, and other evils. Where and when is this over? After the third world war, and 200 nuclear genocide. Have been already three nuclear genocides, Hiroshima, Chernobyl and Fukushima, conducted by mafias Novus Ordo Seclorum 666 7 chakra. Their failure is shown by their creator, in the code S666N, from year 2011. They will not win. Already have lost in front at the code S666N. The loss and their defeat was prophesied and shown by their creator, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. They have not given up at wars, hieroglyphics, Novus Ordo seclorum, Bible, Quran, impossible, inexistent, devils, tyrants, robbery, murder, etc. They, a million of crooks, murderers, robbers, and leaders will start World War III, without asking the vote at 7 billions victims. They want the globalization with lies, impossible, inexistent, language Latin, Novus Ordo seclorum, hieroglyphics, censorship, disinformation, robbery, murder, genocides, and other evils. From the year 2011, they compel even their creator, to quit at the code video supernatural by telekinesis and telepathy S666N, and the code video supernatural by telekinesis and telepathy Eternal Order Infinite, and to convert himself at lies, impossible, inexistent, language Latin, Novus Ordo seclorum, hieroglyphics, censorship, disinformation, robbery, murder, genocide, and other evils. Will be murdered all the gods, souls and persons which do not speak Romanian 26-letter, and which not know the codes video supernatural by telekinesis and telepathy S666N, and Eternal Order Infinite, by the body invisible alive infinite, prophecy made by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS through the codes video supernatural telekinesis and telepathy S666N, Eternal Order Infinite, and code "Authorization for extermination to all the gods souls and persons who are against the god NMEILIS NMEINIS ESGSEIS, truth and eternity ". I trust in the god ESGSEIS, and the codes video supernatural by telekinesis and telepathy. I do not trust in hieroglyphics, creatures and gods which not even have known the form at the planet Earth, the vote at creatures misinformed and mafias seven chakra remote control through telepathy. The creatures which have trust in these evils and stupidity, assassinate their souls and their truth, and it seems that their bodies will be

exterminated until January 3, 2048. http://www.lulu.com/content/e-book/the-experiment-military-theological-six-six-six-eternal-infinite-order/18865489

1003 Pedofilii Vatican, continua lupta lor impotriva mea, impotriva lui dumnezeul ESGSEIS, si impotriva la codul video supranatural de telekinezie si telepatie S666N, din umbra. Am cerut ajutor, azil si protectie, la toate guvernele, religiile, armatele, politiile, si tribunalele de pe planeta Pamant. Nu am primit nici un ajutor si protectie impotriva la mafiile 7 chakra. Am primit asasinarea sau mutilarea la persoanele din jur si a mea. Nu ma asteptam la asemenea crime si infractiuni din partea la guverne, tribunale, armate, religii, politii, telepatici, media, tv, ziare, internet. Eu sunt S666N, adevar, dreptate si realitate, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Degeaba vreti sa ma omorati sau sa imi stergeti memoria. Eu nu am sa fiu ca voi niciodata. Voi sunteti criminali, escroci, talhari, mincinosi, tirani, idioti, dezinformati, si alte rele. Incercati sa imi instalati si mie aceste infractiuni prin intoxicarea la aer apa si mancare cu infectii, chimicale, medicamente, probleme, telepatie, etc. Asasini telepatici fabricati si ascunsi de Egipt, Islam, Israel, Italia, Grecia, Romania si America. Suntem liberi de tirania si razboaiele la mafiile 7 chakra. Daca ucizi si minti singur este o infractiune, daca ucizi si minti si cu altii este tot o infractiune, care in Italia, Israel, Egipt, Grecia si Islam, aceasta infractiune este platita cu Paradisul, salarii, cadouri, si bani. Pe 5 noiembrie 2016, mancarimi la ochi. Infectie. 5 zile antibiotic. Un contract la o avocata la pensie. Cunoaste batrana care este inclusa in profetie si telepatie. Alexandra imbolnavita cu hiv, numele Cleo la pisica este inspirat din Egipt Alexandra Cleopatra, sotul ei notar a murit inainte de a iesi la pensie. Din cauza la mafiile 7 chakra, oamenii din ultimii 4 mii ani, au fost marionetele la razboaiele lor, si jocurile lor de telepatie. In razboaiele si jocurile lor, au omorat peste 1 miliard de persoane in ultimii 4 mii ani, si au mutilat mintit inselat si terorizat, peste zece miliarde de persoane. Mafiile 7 chakra sunt cancerul pamantului, si pot ucide toate persoanele prin scandaluri si razboaie telecomandate prin telepatie. Contractul din zilele astea la avocata, are miros de mafiile 7 chakra. Prin telepatie sau organizat si constient. Apartament vandut de un rus. A cumparat Rafaela. Pe zid este lipit un actipild. O bicicleta. Doi copii. O fraza, "daca se viseaza singur este numai un vis, daca se viseaza impreuna devine real." In constructii sunt produse halucinogene, care maresc fluxul sanguin in glanda pineala, nitrolac, vopsele, etc. Pot aduce si ei o capsula cu gazuri pentru a influenta telepatia, cu scopuri finale de a primi holograme, profetii, idei, scandaluri, etc. Ei trebuie sa conduca lumea, la sfarsitul razboaielor dintre mafiile 7 chakra. Care mafie va castiga? Mafia Memphis, mafia Moise, mafia Adam, mafia Mohammed, mafia Tutankam, mafia Ra, mafia Grecia Altea Atena, mafia Italia Cristo Maria, mafia Israel666, mafia Buda, mafia India, mafia Rusia, mafia America, mafia etc. Au aceleasi arme : minciuni, imposibil, inexistent, teleghidare prin telepatie, inselaciuni, talharii de resurse naturale si profit, bombe nucleare, oameni cenzurati si dezinformati, alfabete cu 21 litere sau 37 litere mai simple sau mai complicate, si criminali. Mafiile 7 chakra au fost invinse de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, prin codul video supranatural de telekinezie si telepatie S666N. Nu este un vis, este o realitate video, inteligenta, supranaturala. Mafiile 7 chakra sunt in libertate de trei mii ani. Platiti cu banii nostri. Opun rezistenta la adevar, realitate, si codul video supranatural de telekinezie si telepatie S666N. Trebuiesc arestati. Pedofilia, inselaciunea, minciunile, teleghidarea prin telepatie in scandaluri razboaie imposibil inexistent crime mutilari si explozii nucleare sunt infractiuni. Democratia, cenzura, dezinformarea, NATO, ECHR, Vatican, Islam, guvernele din America Israel Islam Vatican Italia Romania Egipt Grecia China India etc, fabrica si ascund aceste arme, mai periculoase decat exploziile nucleare. Dumnezeul ESGSEIS, a cerut arestarea si reeducarea lor din anul 2011, prin codul video supranatural de telekinezie si telepatie S666N, si pana in 2048 prin apocalipsa. Mafiile 7 chakra fac rezistenta prin mutilarea infectarea drogarea si telecomandarea mea, prin cenzura si dezinformare, si prin al treilea razboi mondial. Teleghidarea prin telepatie la explozii nucleare, scandaluri, talharii, crime, dorinte, santaj, comploturi, mutilari, etc, este cea mai puternica arma de exterminare in masa, si este fabricata in secret de patru mii ani, de mafiile 7 chakra din Egipt, Israel, Islam, Grecia, Italia, etc. Adolf Hitler, a incercat distrugerea la jocurile si razboaiele dintre mafiile 7 chakra telepatie, cu intoxicarea la apa si alimente cu substante de calcificare la glanda pineala, diminuirea la fluxul sanguin, prin colesterol, etc, si al doilea razboi mondial. Mafiile 7 chakra au continuat

rezistenta cu America, capitalism, telepatie, si intoxicarea la apa si alimente cu substante de decalcificare la glanda pineala, si marirea la fluxul sanguin, prin exercitii medicamente gazuri activitati meserii etc.. Eu am vazut ca avocata sta cu ochii pe sacosa unde am sticla de apa. Probabil are ordin sa ma drogheze si sa mor de infart ca tata, sau sa imi provoace cancer. Am pus telefonul sa inregistreze cu programul spyvideo, in sacosa langa sticla de apa. Cu fata in sus. Facusem doua probe inainte. Functioneaza. Se vede. Am dat drumul din nou la inregistrare si l-am pus in sacosa, si am coborat jos. Dupa zece minute m-am intors. Am luat sacosa, am deblocat telefonul cu semnul meu secret, si am vazut ca inregistrarea nu era. A treia lipseste. Cred ca a fost stearsa sau oprita prin internet remote. Nu am mai baut apa. M-am intors inapoi. Am pus sacosa inapoi. Am pus din nou telefonul sa inregistreze. Dupa zece minute ma uit in sacosa. Eram doar eu si avocata batrana in casa. A pus un prosop de bucatarie peste telefonul meu in sacosa mea. Acasa am incercat sa vad filmul. Are 1gb. Se vede doar negru. L-am lasat pe computer. Mai incerc sa vad. Este clar. Imi umbla la aer, apa si mancare de 42 ani, toate mafiile 7 chakra. Trebuiesc arestate in lagare de munca fortata toate mafiile 7 chakra si toti complicii lor. Democratia la pedofili, criminali, escroci, talhari, teroristi, telepatici, a luat sfarsit, in anul 2011, prin codul video supranatural de telekinezie si telepatie S666N, si prin logica dreptate si demonstratii. Daca nu va este suficient pentru a aresta mafiile 7 chakra, veti vedea al treilea razboi mondial, multe explozii nucleare telecomandate prin telepatie, si apocalipsa ESGSEIS pana pe 3 ianuarie 2048. --- Am grija de apa si mancarea mea de cand m-au bagat in spital la Caregi in Firenze, in anul 2000, mafia Parmalat, 14 miliarde de euro furate de la actionari. In 2000, mi-a fost otravita mancarea la restaurante. Am observat acesta dorinta a lor in mai multe locuri in toti acesti ani. Chiar anul acesta in august. M-au intrebat intai pe mine ce vreau. Apoi pentru a mea si pentru ele doua au comandat la fel. Pentru copil ceva sumar. Dupa comanda lor, eu am anulat si am cerut la fel ca ele. Am vazut ca femeile s-au schimbat, erau preocupate. La mine sunt interese oculte. Talharia sau manipularea la codul video supranatural de telekinezie si telepatie S666N, si la codul video supranatural de telekinezie si telepatie Etern Ordin Infinit. Un notar si un angajat la mafia Parmalat, Vatican, prima banca din lume Monte dei Paschi di Siena, mi-au dat un spital pe numele meu in anul 2000. Dar in faliment, cu scopuri de extorsiune. Au spus ca astfel imi fac firma si buletin italian. Acestia stiau ca sunt clandestin, ca mi-au inchis prin telepatie o agentie imobiliara si restructurari de case in Romania Roman, "Casa Noua", si m-au adus in Italia sa joc rolul Isus Christos. Au promis ca in anul 2000 vine Isus Christos sa ai judece pe cei vii si pe cei morti, si asa au facut. De data asta au fost judecati de dumnezeul ESGSEIS, toti acesti escroci criminali si infractori, si misterul Isus Cristos a fost decriptat la complet video online. Marioneta drogata torturata si inselata de mafiile 7 chakra din Italia, Vatican, Israel, Islam, Egipt, Grecia, America, etc. Cu ajutorul lui dumnezeul ESGSEIS, am reusit sa vad foarte clar, aceste organizatii criminale, si planurile si razboaiele lor. Am fost ajutat sa ai calc in picioare prin codul video supranatural de telekinezie si telepatie S666N. Tribunalele, guvernele, politiile, politicile, armatele, ziarele, etc, salveaza si fabrica in continuare acesti criminali si escroci, din anul 2011, asa cum fac deja de patru mii ani.

1003. ...hiles Vatican, continue their fight against me, against the god ESGSEIS, and against the code video supernatural by telekinesis and telepathy S666N, from the shadow. I have asked for help, asylum and protection, to all governments, religions, armies, police, and courts from the planet Earth. I have not received nor a aid and protection, against at the mafias seven chakra. I have received the murder or mutilation of the people around me and mine. I was not expecting at such crimes and offenses from governments, courts, army, religion, police, telepathic, media, TV, newspapers, internet, etc. I am S666N, truth, justice and reality, all the infinite past space and all the infinite future space. In vain you want to kill me, or to clear my memory. I not want to be like you never. You are criminals, thieves, liars, bullies, stupid, misinformed, and other evils. You try to install and on me, with these crimes, through poisoning at the air water and food, with infections, chemicals, medicines, problems, telepathy, etc. The telepathic assassins, manufactured and concealed by Egypt, Islam, Israel, Italy, Greece, Romania and America. We are free from the tyranny and the wars at the mafia seven chakra. If one kill and lie alone, is a criminal offense, if one kill and lie with others is also a crime, which in Italy, Israel, Egypt, Greece and Islam, this crime is paid with Paradise, salaries, gifts, and money. On November 5, 2016, itchy eyes. Infection. 5 days of antibiotic. A contract to a retired lawyer. She knows the old woman that is included in prophecy and telepathy. Alexandra infected with HIV, the name Cleo at her cat, is inspired by Egypt Alexandra Cleopatra, her husband died before notary retire. Due to mafias seven chakra, the people from the last 4000 years, have been the puppets in their wars, and their games by telepathy. In their wars and their games, have killed more than 1 billion of persons, in the last 4000 years, and they have lied cheated bullied and mutilated, over ten billions of persons. The mafias seven chakra, are the cancer at planet Earth, and they can kill all people through scandals and wars, remotely via telepathy. The contract of these days at the lawyer, smells by mafias seven chakra. They were organized through telepaty and aware. Apartment sold by a Russian. Has bought Rafaela. On the wall is pasted a bumper sticker. A bicycle. Two children. A phrase, "if you dream alone is only a dream, if you dream together is reality." In construction are hallucinogenic products, which improve the blood flow in the pineal gland, nitro-lacquer, paints, etc. And they can bring a capsule with gas hallucinogenic, for to influence telepathy, with final goals for to receiving holograms, prophets, ideas, scandals, etc. They must to lead the world, at the end

of the wars between mafias seven chakra. What mafia will win? Mafia Memphis, Mafia Moses, mafia Adam, mafia Mohammed, mafia Tutankam, mafia Ra, mafia Altea Athens Greece, mafia Italy Cristo Maria, mafia Israel666, mafia Buda, mafia India, mafia Russia, mafia America, mafia etc. They have the same weapons: lies, impossible, inexistent, remote control through telepathy, scams, thieves of natural resources and profit, nukes, censored and misinformed people, alphabet with 21 letters and 37 letters simple or complicated, and criminals. Mafias seven chakra were defeated by the god of gods eternal invisible NMEILIS NMEINIS ESGSEIS through the code video supernatural by telekinesis and telepathy S666N. Is not a dream, is a reality video, intelligent, supernatural. The mafias seven chakra, are free by three thousand years. Pay with our money. They resist at the truth, reality, and the code video supernatural by telekinesis and telepathy S666N. They should be arrested. ...hilia, deceit, lies, teleguided through telepathy in scandals nonexistent wars impossible mutilations murders and nuclear explosion, are crimes. Democracy, censorship, misinformation, NATO, ECHR, and the governments from America, Egypt, Vatican, Islam, Israel, Greece, Italy, Romania, China, India, etc, factory and hide these weapons, more dangerous than nuclear explosions. The god ESGSEIS, has asked their arrest and their rehabilitation, from the year 2011, through the code video supernatural by telekinesis and telepathy S666N, and in 2048 through the apocalypse. The mafias seven chakra, make resistance, through infection drugging control and my mutilation, through censorship and disinformation, and the Third World War. Remote control through telepathy at nuclear explosions, scandals, robberies, murders, desires, extortions, plots, mutilations, etc., it is the most powerful weapon of ms... extermination, and is made in secret, by four thousand years, of mafias seven chakra from Egypt, Israel, Islam, Greece, Italy, etc. Adolf Hitler has tried to destroy the wars and games between the mafia seven chakra telepathy, with water and food poisoning with substances by calcification at the pineal gland, decrease at the bloodstream through cholesterol, etc., and the Second World War. Mafias seven chakra have continued the resistance with America, capitalism, telepathy, and the intoxication at water and food with substances of decalcification at the pineal gland, and increase at the blood flow through exercise jobs activities gases medicines etc .. I saw as lawyer, keep an eye on my bag, where I have the bottle of water. Probably he has ordered, to put drugs in my water, for to kill me through a infart, as well as dad, or for to cause cancer. I put the phone to register with the program spyvideo, in the bag near water bottle. Face up. I have made two samples, before. It works. Is seen. I have turned on again the registration, and put it in the bag, and I have descended down. After ten minutes I have returned me. I took the bag, I unlocked my phone with secret sign, and I have saw that it was not recording. The third recording missing. I think that the third recording was wiped or off, through the internet remote. I have not drank water. I came back. I put the bag back. I put the phone again to record. After ten minutes I look in the bag. It was just me and old lawyer in apartment. She has put a kitchen towel, over my phone in my bag. At home, I have tried to see the movie. It has 1GB. It sees only black. I let on the computer. They manipulates my air, water and food, by 42 years, all mafias seven chakra. All mafias seven chakra and all their accomplices, must to be detained in forced labor camps. The democracy at ...hiles, criminals, robbers, terrorists, telepathics, has ended in year 2011, through the code video supernatural by telekinesis and telepathy S666N, and through the logic, justice, and demonstrations. If these are not enough for to arrest the mafia seven chakra,, then you will see the third world war, nuclear explosions remotely via telepathy, and Apocalypse ESGSEIS, until January 3, 2048. --- I take care of my food and water since they put me in hospital Caregi Florence in year 2000. These are mafia Parmalat, 14 billions euro stolen from shareholders. In 2000, I was poisoned food at restaurants. I have noticed this desire, in several places, in all these years. Even in August this year. The womens with me, have asked first on me, what I want. No bartender. Then for my … and for they, they have ordered the same, after me. After their command, I have canceled and I have asked like them. I have seen that womens have changed, they were preoccupied. With me they have hidden interests. Robbery or handling at the codes S666N, and Eternal Infinite Order. A notary and an employee at mafia: Parmalat Vatican first bank from world Banca Monte dei Paschi di Siena, gave me a hospital on my name, bankrupt, in year 2000. But with extortion purposes. They have said that I make the company and Italian identity card. They knew that was clandestine, as they have closed through telepathy my real estate agency and restructuring of houses in Romania Roman, "New House" and have brought me in Italy to play with me the role of Jesus Christ. They have promised that in 2000 coming Jesus Christ, to judge the living and the dead, and so they did. This time were judged by the god ESGSEIS, all these crooks and criminals, and the mystery of Jesus Christ was fully decrypted, video online. The puppet tortured cheated and drugged by mafias seven chakra from Italy, Vatican, Israel, Islam, Egypt, Greece, America, etc. With the help of the god ESGSEIS, I was able to see clearly, these criminal organizations, and plans and their wars. I was helped to trample all mafias, through the code video supernatural by telekinesis and telepathy S666N. Courts, governments, police, policies, armies, newspapers, etc, save and manufacture further these criminals and crooks, from the year 2011, as they made already by four thousand years.

1004 Vor sa ma ucida. Ieri, 11 noiembrie 2016, avocata batrana a pus plumb sau alte substante chimice care pot provoca infart. Daca ieri nu imi dadeam seama ca a umblat in sacosa mea, si beiam apa, ieri eram mort. Am mers cu sacosa in masina. Avocata a gandit ca am baut apa. Astepta sa fac infart. Cand

am venit inapoi mi-a aruncat si prosopul de bucatarie, pe telefon si pe sticla de apa. Vroia sa imi arate ca mai am cateva minute de trait cand ma uit din nou in sacosa, si sa vad ca mi-a pus prosopul in sacosa, si sa traiesc cateva clipe cu gandul la moartea mea. Seara acasa am vorbit cu Cornelia despre tentativa de omor. Au ascultat prin telefon sau PC, sau etc. Noaptea au pregatit alta tentativa de crima. Nu m-au asasinat ieri mafia Vatican, Alberto Steinhauslin, prima banca din lume, Monte dei Paschi di Siena, Federico Gatti Kraus, monstru din Firenze, mafiile 7 chakra. Papa Francesco a citit cartea mea si a pus pe monsignor ...., sa ma cheme in Vatican sa discutam acum o luna. S-au razgandit. Al ucidem. Ai construim un accident la munca. Curent electric, substante chimicale,... A murit. Nu sunt viu si vreau arestarea voastra pentru terorism, crime video online de bebelusi, talharii, santaj, cenzura, tentative de omor si infractiuni cultivate prin telepatie. Directorul de la spitalul San Rafael din Milano unde administra Vatican, l-au aruncat de la etaj si au declarat ca s-a sinucis. La Parmalat unde au furat 14 miliarde de euro, au ucis cativa contabili, si au declarat sinucideri. Directorul de la Monte dei Paschi di Siena l-au aruncat de pe geam si au spus ca s-a sinucis. Eu am stat in spital in 2000, dupa ce mi-au dat spitalul falimentar pe nume, spunandu-mi ca este o firma curata, cu care eu pot face imobiliare si constructii, sau o pot vinde pe bani la altii. Abia in 2008 cu Equitalia, am aflat ca sunt datorii. In 2006 Kraus ma intoxicat in Romania. Mi s-a umflat piciorul pana la burta. Am declarat la garda de finanta in anul 2008, ca vor sa ma ucida, cu infectii sau chimicale si au spus sa nu am griji ca se va rezolva. Declaratia este la tribunalul din Firenze si nici un judecator nu m-a contactat. In 2016, am verificat la tribunalul din Milano. Este activa reclamatia mea. Un avocat mi-a spus sa renunt si sa platesc eu pentru ei. Nu a mai cerut alti bani, sa asiste la cazul meu, si el s-a retras. Am trimis reclamatii la Digos, CIA, FBI, guverne, tribunale, antimafia, ziare, etc. Nimeni nu apara cetatenii, cand infractorii si criminalii sunt Vatican si mafiile 7 chakra. Ieri sau alaltaieri m-a sunat baiatul Matteo, din strada Arqua 13, pentru tubul de gaz, pe un perete 136 cm pana la colt, pe 36 cm pana la alt colt. Bestia apocalipsei, patratul magic, 111 666 36 numere. Papa 111 dupa Malachia. 13 magi. Isus Christos si 12 apostoli, 6 la stanga si 6 la dreapta. Matteo azi spunea, ca este urgent. Convorbiri inregistrate si de mine si de zeci de servicii secrete. I-am spus ca pana marti sau miercuri dupa ora 4 nu pot, i-am mai spus joi sau vineri la telefon. Dimineata pe la 8, am pus pe internet ca au incercat sa ma ucida ieri. La ora 10, desi am ramas cu Matteo de acord telefonic ca pun tubul de gaz marti dupa 16, astazi la12 m-a sunat si mi-a cerut daca pot sa vin sa montez tubul, desi zilele astea i-am spus ca sambata nu pot, ca am de terminat ceva urgent, dar daca e urgent fac duminica. A insistat daca pot trece azi. La 11:11 am pornit masina. Telecomandat prin telepatie. La 14 si ceva eram sa mor electrocutat. Acasa la mine, o femeie cu o bicicleta si cu manusi negre a ridicat mana in sus ca la semnul lui Adolf Hitler sa ma opresc la zebra, desi eu eram deja oprit. Era un semn probabil sa nu ma duc ca vor sa ma omoare. Antimafia de Milano, tribunalul, garda de finanta, etc la victimele la mafii le face carte de identitate noua cu alt nume, le da apartamente si meserii secrete. In cazul meu nu au facut nimic. Eu sunt convins ca chiar ei vor sa ma omoare. Victimele la mafia de stat, nu sunt protejate de nimeni. Am ajuns. Au pus un suport metalic pentru agatarea la corpurile de bucatarie la 85 cm de la pamant. Exact in directia la priza de la 110 cm deasupra la priza de la 30 cm au pus un holsurub. Acest holsurub nu a atins firul galben verde de impamantare, nici firul negativ albastru, a atins firul maro faza pozitivul. Tubul de gaz din bloc are pus pe el negativul. Trebuia sa merg cu tubul de gaz la cinci centimetri de la paviment, sa al ridic, si sa al las la 60 de centimetri de la paviment. Asa discutasem cand mi-a aratat prima oara, cateva zile in urma. Astazi a modificat discursul si mia spus sa ajung langa bagheta de la 85 cm, unde au pus constient faza pozitiv, si stiau ca in tiava de gaz au pus negativ. Ori au pus ei, ori au pus mafiile 7 chakra, Parmalat, tribunalul de Milano si Firenze, Digos, Vatican, etc. Oricum sunt mana in mana. Noroc ca am atins cu dosul la palma dreapta si am reusit sa trag mana. A venit si omul si a pus surubelnita pe tubul de gaz si pe bagheta metalica montata la perete la trei milimetri distanta intre ele. A facut flacara si varful la surubelnita s-a ars si au sarit sigurantele. Cu mine in alta pozitie eram deja mort. Omul se apucase sa scoata toate holsuruburile si sa vada unde a atins faza. Incepuse de la frigider din partea cealalta. I-am spus ca este ultimul dintre cele doua prize. Eu nu cred ca este diavolul Israel666. Aici sunt serviciile secrete din Vatican sau etc. Au intrat noaptea in casa si au pus faza pe holsurub? Sau oamenii astia au nimerit chiar faza pozitivul si negativul nulul, cum a ajuns pe tubul de gaz? Inainte de a ma curenta, fiul povestea ceva lui tatal lui. Am inteles numai "vengono sicari". Vin asasinii. A scos ultimul holsurub, nu mai era faza, pozitiv, pe bagheta. Au spus ca inlocuiesc firele intre cele doua prize. Cand am vrut sa declar la carabinieri in strada Umbria in 2009 despre tentative de omor, au spus ca este de ajuns ca am declarat la tribunalul din Milano si garda de finanta. In 2012 am pus panouri cu "309 persoane omorate de Vatican", in piata Loreto, au venit sase masini de politie, apoi dupa doua luni l-au asasinat pe tata, varul Marcel Ciobanu, colegul de munca a lui fratele mai mare. Toti in luna iulie. Au pus langa contor gaz si in profetie numerele lui Cristo, 5 colturi din pentagrama, 13, 6. In 2015, politistul care mi-a luat declaratia de furt portofel, a scris si numele la carte si a ascultat si necazurile mele din cauza la mafiile 7 chakra. A scris si numele la carte : "Cheia la genocidul din 2009 din Italia". Mafia 7 chakra m-a dus la Duomo, si mi-au furat actele. Face parte din profetia Antichrist, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Cica politia, garda de finanta, digos, tribunalul si guvernul de Italia, imi asigura siguranta si securitate. Porci criminali, mi-au pus numele Anton Cristian si mi-au construit un destin si un rol, in circul lor de pedofili eterni internationali, si acum vor sa ma omoare, ca am demascat international, in ce crime si circ, vor sa angajeze toti zeii sufletele si persoanele din infinitul trecut spatiu si

infinitul viitor spatiu. Imi pregatesc accidente mortale video online sub privirea la Interpol, Novus Ordo Seclorum, NATO, Vatican, DIGOS, politia, tribunale, guverne, media, etc, din Romania, Italia, Israel, America, CIA, FBI, etc. Eu am ceva original si mai bun decat ei. Etern Ordin Infinit, S666N, adevarul, realitatea, dreptatea, etc. Primele tentative de omor? Sunt peste 30 si sunt descrise online, din anul 2008, si comunicate la toate tribunalele, politiile, religiile, guvernele, ziarele, si medicii, intr-o carte online, si la zei, ingeri, diavoli, etc, de pe planeta Pamant, etc, fara ca cineva sa imi ofere protectie impotriva la astfel de mafii, talhari, criminali, si escroci. Au pus cuvantul Antichrist, mie Anton Cristian, elevele, SeveN, 76667, 707, Donald Trump spunea la tv in Italia cand l-au ales despre investigatiile Hellen, si ieri sau azi vroiau sa ma ucida, si sa inceapa Apocalipsa si al treilea razboi mondial, in numele la minciuni imposibil inexistent expirat si limba latina. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1005 Contractul la avocata batrana l-am inceput marti 8 noiembrie. Pe 9 noiembrie a venit femeia ei de 50 anni, fara familie, si cu un negru sa ai puna cartile in biblioteca. A vandut o casa si a cumparat acest apartament. Pe la 12, avocata a venit la mine si pe un ton rapid mi-a spus hai sa mergem sa vedem in cantina. Abia am fost ieri la alegerea si insistentele mele. ---- Cand am venit la contractul acesta au facut accident pe autostrada. Prima zi. O ora 30 minute blocat in trafic. Vad ca in fiecare secta, guvern, religie, tribunal si etc, sunt salvatori si criminali. ---- Pe 13 noiembrie am fost la Ikea. Cand am iesit de la Ikea la 15:30, era langa masina mea un om. Origine araba. In jur de 35 ani. M-a intrebat daca ies. Am spus ca da. S-a asezat langa masina mea, sa tina locul de parcare pentru masina lui, care era doi metri mai in fata cu alt om si trei copii. S-a mai oprit o masina cand a vazut ca eu ies. Am vazut din oglinda, ca cealalta masina a intrat in arab intentionat si l-a dat jos din picioare. Apoi a oprit. Eu eram deja la colt. S-au luat la cearta. Arabul dadea telefon la politie. A coborat si celalalt arab de la volan. Telecomandati prin telepatie, dupa tentativele de omor de pe 11 si 12 noiembrie? Sau ei sunt din mafiile 7 chakra, digos, NATO, CIA, FBI, Vatican, politie, etc?

1005 Papa Francesco Jorge Mario Bergoglio ha mandato servizi segreti di Interpol NATO e Vatican per uccidermi, e per distruggere il codice video soprannaturale di telecinesi e telepatia S666N, il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito, dio degli déi NMEILIS NMEINIS ESGSEIS, democrazia, verità, giustizia, e la resurrezione degli anime dai morti. Avvocata ha dettò : Cristian andiamo un attimo in cantina." Io gli ho risposto : "Siamo già stati ieri e abbiamo visto tutto. Faremmo i lavori dopo che finiamo qui sopra." Lei ha dettò : Non la mia cantina. Voglio vedere la cantina dove si butta i cartoni. Gli ho risposto: é accanto la porta di entrata a sua cantina. È andata con la donna e signore 50 anni che erano gli. Nella mia mente avevo pensieri strani di questi due persone che lei gli ha chiamato. Per colpa di questa accaduto mi sono subito detto: mi vuole portare lontano dalla mia bottiglia di acqua per lasciare tempo alla ragazza di avvelenare la mia acqua. Quando siamo andati in cantina, gli ho detto io di andare. Dissi che non sa quale chiavi sono da cantina, e andremmo in un altro momento. Gli ho detto che mi intendo io, e potiamo gia verificare cosà è gli. Venerdì 11 novembre, la ragazza ha detto che viene prima lei di mè. Alle 8:30, e di lasciargli le chiave. Mattina era in salotto. Poi in cucina. Sono andato in bagno. Quando sono uscito era un metro dalla mia borsa. In corridoio, e andava di nuovo in cucina. Ho capito. Avvocata e la donna, sono dalle mafie 7 chakra. Hanno veleni o chimicali con loro. Puoi ho messo il cellulare con spyvideo accesso su la bottiglia, nella borsa. Due prove sono andati bene. Ho verificato. Terza ho messo nella borsa sopra la bottiglia. Sono andato giu, dieci minuti. Sono tornato, ho preso la borsa, e sono andato di nuovo giu per verificare la registrazione. Non ha registrato niente questa volta. O la camera del cellulare e spiata attraverso internet e GSM, da remoto. Il segno segreto per sbloccare credo che loro non lo sanno. Ho messo di nuovo la borsa gli. La ragazza nera quando io sono rientrato lei usciva. Ho messo di nuovo il cellulare, con telecamere verso soffitto con spyvideo accesso, nella borsa e sulla bottiglia. Ero solo io con avvocata in casa. Avvocata ha messo un suo asciugamano cucina, sopra il mio cellulare nella mia borsa. Pensava che ho già consumato da gli, e in pochi minuti saro morto. E quando vedo il messaggio con asciugamano, di pensare un puo alla mia morte. Piu di venti tentativi di omicidio contro di me dalla mia età di cinque anni. Perche qualcuno mi ha messo il nome Anton, figlio perso, Cristian figlio amato, Anticristo, o due figli. Attraverso telepatia. Mafia 7 chakra conosce il finale dell circo. Possibilmente il mio finale doveva essere 11.11.2016, 16 16 16, con una morte provocata da infarto. Mio padre è stato assassinato con infarto 13.07.2012. Quattro volte 1. 1111. Quattro cavalieri del apocalisse e della terza guerra mondiale : Donald Trump, Jorge Mario Bergoglio Diavolo, Vladimir Putin, e ... ? Agenda di quattro cavalieri è di nascondere tutti da verità e dio vero, in lingua latina, censura, minacce, alcool, ecc. Profezia non è stata andata a buon fine. Papa Francesco Jorge Mario Bergoglio ha mandato servizi segreti di Interpol NATO e Vatican per uccidermi, e per distruggere il codice video soprannaturale di telecinesi e telepatia S666N, il codice video soprannaturale di telecinesi e telepatia Eterno Ordine Infinito, dio degli déi NMEILIS NMEINIS ESGSEIS, democrazia, verità, giustizia, e la resurrezione degli anime dai morti. Tentativo di omicidio da 11 novembre 2016, con avvelenamento della mia bottiglia di acqua con sostanze che provoca infarto. Descritto nella mia

pagina. Alla serà ho discusso con la mia moglie di questi pericoli. Loro ascoltano ogni secondo la mia casa e la gente intorno da 41 anni da quando sono nato, per sapere tutto di me, per verificare se la telecomandazione attraverso telepatia va bene, per procurare ricatti, per fare le profezie, e per manipularmi. Adesso mi vogliono uccidere perche dico alla gente la verità, riguardo il loro lavoro, la mia tortura comandata e costruita da Vaticano, governo di Italia Israele Romania e America, e riguardò la vostra giustizia verità e anime. Il 12 novembre 2016 Vaticano Digos Matteo Renzi Sergio Mattarella e tribunale di Italia, hanno tentato di assassinarmi con una scossa elettrica. Una cucina da montare. Vista una settimana fa. Gli ho detto venerdì che vengo martedi alle 4, che sono impegnato. Sabato dovevo andare ai lavori incominciati all avvocata che ha tentato di uccidermi con infarto. Mafia Novus Ordo Seclorum Parmalat FMI Vaticano Monte dei Paschi di Siena NATO ECHR Interpol. Mi vogliono convertire con forza al circolo "Dio di Israele", con il mestiere Gesù Cristo. Matteo ha chiamato e ha insistito di andare Sabato. Se ero da altra parte non andavo. Una dona mi ha fatto capire su le strisci pedonale dove ero fermato che mi attende un pericolo. A casa mia. Ha alzato la mano in su con guanto nero per aspettare ancora. Padre e figlio hanno montato a 82-88 cm da pavimento un binario metallico. Ultimo tassello e vite sono tra una presa elettrica a 30 cm da pavimento, e tra altra a 110 cm da pavimento. Tra tre figli dalla forasite murata nell muro, con la vite acciaio, hanno toccato il filo faze pozitivo. O loro, o servizi segreti di Vaticano, di notte. Sul tubo del gas hanno montato il neutro negativo. Hanno pensato che quando arrivo al binario, con la faze, essendo con mano sull tubo gas, che ha neutro negativo, rimango fulminato e morto sull posto. Dovevo andare con tubo sotto mobili, a una distanza di 5 cm da pavimento, e fermarmi a una altezza di 60 cm. Oggi hanno cambiato la rotta. Andare a 85 cm altezza, e fermarmi accanto all binario. Mi sono fulminato. Ho riuscito a tirare la mano indietro. Il padre del ragazzo, ha messo una cacciavite sul tubo e sul binario. Ha fatto scintille, la cacciavite si è brucciata nella punta, e interruttore dal contatore è saltato. Ho fatto foto. Am crezut ca a ramas pornita cand am intrat aseara in casa. Am luat telecomanda de pe hol sa o opresc. Cand m-am intors nu mai clipea ledul rosu. Deci asa cum am spus, pe 11 noiembrie, securitatea Vatican NATO CIA Memphis Baphomet 666 7 chakra, prin GSM WI-FI si internet, verifica manipuleaza si se joaca cu viata mea si la cei din jur, de cand ei au hotarat cine trebuie sa fie fiul la mafiile glanda pineala si diavolul 666. Din anul 1975 de la primele minute de nastere, diavoli invizibili si rezistenti, si angajati criminali si escroci, din guvernul, politia, tribunalul, media, si afacerile din Italia, Israel, Romania, America, Egipt, Islam, Vatican, etc, au incercat sa ma ucida, pentru ca eu sa nu ajung cu mintea la adevar, si sufletul meu, care este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Acesti asasini, mi-au distrus sanatatea si puterile. Eu cer azil teologic si politic din anul 2011. Guvernul, tribunalul si politia din Italia si Vatican, incearca din anul 2011, sa ma ucida pe mine, ca sa poata distruga si clona biserica si religia mea, "Infinitul trecut spatiu Infinitul viitor spatiu", guvernul "Galaxiile Unite din Infinitul trecut spatiu si Infinitul viitor spatiu", adevarul, realitatea, si informatiile. Guvernul, tribunalul si politia din Italia si Vatican, incearca sa ma talhareasca de sufletul meu dumnezeul dumnezeilor etern invizibil ESGSEIS, inima, creier, codul video supranatural de telekinezie si telepatie S666N, biserica si religia mea, "Infinitul trecut spatiu Infinitul viitor spatiu", guvernul "Galaxiile Unite din Infinitul trecut spatiu si Infinitul viitor spatiu", adevar, realitate, si informatii. Ei reusesc sa ma talhareasca prin cenzura, amenintari, santaj, infectii, si chimicale, din anul 2011, dar adevarul si sufletul meu fuge de zeii sufletele si persoanele murdare criminale idioate mincinoase si inselatoare, si se intoarce inapoi la mine. ---- Numai eu nu lupt impotriva la adevar, dreptate, libertate, egalitate, unitate, inteligenta, realitate si toate cele bune, numai eu lupt impotriva la minciuni, nedreptate, imposibil, inexistent, tirani, idioti, talharii, inchisori de

tip alfabetic religios si politic, moartea sufletelor, şi toate cele rele, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Fara codul video supranatural de telekinezie si telepatie S666N, nimeni nu se poate elibera de: moartea sufletelor, infractiunile din suflet, razboaiele dintre zei suflete persoane minciuni religii politici alfabete resurse naturale etc, inchisorile de tip alfabetic religios si politic, mii de limbi alfabete religii politici granite etc. Cei mai abili diavoli au construit apocalipse si razboaie, ca sa omoare zeii, sufletele si persoanele, care nu vor sa se converteasca la cenzura, prostie, dezinformare, necunoscut, imposibil, inexistent, minciuni, zei construiti din metale dolari Israel crime sange fara creier gura urechi si ochi, moartea sufletelor, nedreptate, inchisori de tip alfabetic religios si politic, mii de limbi alfabete religii politici granite etc., si alte rele. Celelalte stiinte, limbi, alfabete, instrumente, magii, substante, strazi, tari, timpuri, spatii, etc, sunt doar strazile pe care eu am fost, pentru a ma intalni cu adevarul si creatorul existentei. Eu am intalnit multi criminali si escroci, care mi-au impiedicat drumul spre adevar, invierea sufletelor din morti, si sufletul meu care este creatorul existentei, dumnezeul ESGSEIS. Acesti criminali si escroci sunt in guvernul, politia, tribunalul, media, religiile si afacerile, din Italia, Israel, Romania, America, Egipt, Islam, etc. Oile nu vor fi convertite la adevar si alfabet, nici o secunda, din anul inceputul la infinitul trecut spatiu, pana in anul sfarsitul la infinitul viitor spatiu. Adevarul, realitatea, informatiile, si sufletele voastre, sunt raul absolut, pentru Italia, Israel, Islam, Egipt, America, etc. Cine lipseste sufletele de codul video supranatural de telekinezie si telepatie S666N, sau persoanele de aer si apa, este cel mai mare criminal din tot infinitul trecut spatiu si tot infinitul viitor spatiu. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1011 Zeii, sufletele, si persoanele, din tot infinitul trecut spatiu, si tot infinitul viitor spatiu, care nu au fost niciodata, sau au fost si au fugit din interiorul la adevar, realitate, eternitate, infinitul trecut spatiu, si infinitul viitor spatiu, si astazi se ascund si se alimenteaza cu cenzura, prostie, dezinformare, imposibil, inexistent, alcool, chimicale, idei, dezinteres, minciuni, rugaciuni, ritualuri de crima si canibalism, si alte rele, se sinucid inconstient. Zeii, sufletele, si persoanele, din tot infinitul trecut spatiu, si tot infinitul viitor spatiu, au fost condusi, cel mai aproape de adevar, realitate, invierea sufletelor din morti, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu ajutorul la codul video supranatural de telekinezie si telepatie S666N. Intoarcerea inapoi in prostie, la persoanele, zeii, si sufletele, din tot infinitul trecut spatiu si tot infinitul viitor spatiu, care au ajuns langa adevar realitate si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, se face prin nesimtire, batranete, prostie, otravuri, alcool, intuneric, cenzura, dezinformare, dezinteres, santaj, bani, etc. Din anul 2011, mai multi conducatori, regi, teologi, politisti, scriitori, politici, savanti, etc, au fost langa adevar realitate si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, au intrat in adevar si realitate, dar s-au intors inapoi in cenzura, prostie, dezinformare, imposibil, inexistent, alcool, chimicale, idei, dezinteres, minciuni, rugaciuni, ritualuri de crima si canibalism, razboaie, inchisori de tip alfabetic religios politic etc, si alte rele, si se sinucid constient. Angajatii din guvernul, biserica, politia, armata si media din Vatican, Italia, Romania, Israel, Egipt, Islam, NATO, CIA, ECHR, etc, au incercat sa ma omoare de mai multe ori, din cauza ca vreau sa ai integrez in adevar si realitate. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este conducatorul etern invizibil al conducatorilor din tot infinitul trecut spatiu si tot infinitul viitor spatiu, si astazi poate fi analizat in codul video supranatural de telekinezie si telepatie S666N. Comunicarea telepatica dintre conducatorul etern invizibil al conducatorilor, si toti conducatorii, zeii, sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, astazi poate fi analizata in codul video supranatural de telekinezie si telepatie S666N. Cum arata comunicarea dintre animale, si conducatorul conducatorilor? Animale, insecte, virusi, zei, oameni, suflete, soare, planete, etc, prelucreaza dupa posibilitatea lor, razele eterne de telepatie instalate in corpul invizibil viu infinit, de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Mincinosii, escrocii, talharii, rasistii si criminalii, falsifica traducerea la razele de telepatie, dupa interesele lor. In infinitul trecut spatiu si infinitul viitor spatiu, exista un singur dialog scris, video, si supranatural, de telekinezie si telepatie, dintre dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si toti conducatorii, zeii, sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, si este codul video supranatural de telekinezie si telepatie S666N. Mincinosii, idiotii, criminalii, talharii, escrocii, si inconstientii, au participat la acest dialog divin, din anul 2011, cu cenzura, crime, dezinformare, dezinteres, amenintari, mutilari, infectii, otravuri, santaj, talharii, injuraturi, hieroglife, minciuni, imposibil, inexistent, si alte rele. Mincinosii, idiotii, criminalii, talharii, escrocii, si inconstientii, sunt fabricati numai de Vatican, Cristo, Maria, Italia, Israel, Egipt, Islam, Allah, Ra, Israel666, mafiile 7 chakra, etc. Numai eu nu produc mincinosi, idioti, criminali, talhari, escroci, si inconstienti. Aici aveti probe video online. Tranzitul la zei, suflete, si persoane de la nimic la hieroglife, de la hieroglife la alfabete, de la alfabete la stiinte internet si microcip, si de la stiinte internet si microcip la codul video supranatural de telekinezie si telepatie S666N si adevar, a fost fabricat si instalat de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Cine nu stie aceasta fraza, moare trup si suflet. Cine nu te lasa sa stii aceasta fraza, te omoara trup si suflet. Daca analizati toti conducatorii, zeii, sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, observati ca toti interzic acesta fraza, mie, voua, si lor. Cine nu te lasa sa inveti aceasta fraza, te omoara trup si suflet. Erau in format invizibil: formula 1+1=2, hieroglifele, alfabetele, stiinta, sufletele, moartea sufletelor, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codul video supranatural de telekinezie si telepatie S666N, minciunile, imposibil, inexistent, idei,

crime, talharii, infractiuni, etc, pentru unele persoane, zei si suflete, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Au trecut in format invizibil minciunile, hieroglifele, limba italiana engleza latina araba etc, necunoscut, imposibil, inexistent, Biblia, Quran, etc, in data de 5 iulie 2011, prin ordinul dat de dumnezeul ESGSEIS, in codul video supranatural de telekinezie si telepatie S666N. Ramane in format invizibil, 50% din inteligenta totala din existenta pentru toate persoanele, zeii si sufletele, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, in afara de mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. --- Dictatura ESGSEIS, pentru toti zeii, sufletele, si persoanele, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, este ca toti acestia, sa fie corecti, inteligenti, egali, uniti, informati, liberi, vesnici, harnici, respectosi, si toate cele bune. --- Creierul, inima, ochii, mainile, picioarele, gura, si urechile mele, au gresit fata de sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si fata de ele. Trebuiau sa serveasca, sa alimenteze, si sa protejeze mai bine pe ele, si pe sufletul meu. In plus au mai venit in jurul meu, si mafiile 7 chakra cu tot felul de vaccinuri, alimente, bauturi, aer, etc, drogate cu tot felul de infectii, otravuri si chimicale.

1013 Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu este escroc, mincinos, canibal, terorist, razboinic, tiran, si idiot, asa cum spune, Adam, Eva, Allah, Ra, Israel666, Baphomet, Christos, Maria, America, Vatican, mafiile 7 chakra telepatie, NATO, ECHR, CIA, UNESCO, G20, etc. Ei nici macar nu au putut sa al cunoasca, pentru ca nu au avut Microsoft, ceas, videocamera, Excel, PC, si acces. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a demonstrat ca ei inventeaza si spun minciuni despre el, ca ei al umilesc, si ca ei ai fac publicitate negativa. Toate minciunile, razboaiele, inselaciunile, crimele, rugaciunile, ritualurile de crima si canibalism, si alte rele, care au fost combinate cu cuvantul dumnezeu, au fost pregatite in secret de Adam, Eva, Allah, Ra, Israel666, Baphomet, Christos, Maria, America, Vatican, mafiile 7 chakra telepatie, NATO, ECHR, CIA, UNESCO, G20, etc, cu scopul de a defaima pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, invierea sufletelor din morti la toate persoanele din infinitul trecut spatiu si infinitul viitor spatiu. Tatal la trupul meu nu a putut cunoaste adevarul. Cand eram mic, ma obliga sa invat minciunile la diavoli. Cand i-am spus adevarul in anul 2010 despre Vatican si dumnezeul diavol Israel666, escroc tiran si mincinos, nu a inteles prea multe. El avea dreptate, ca la studiile si informatiile lui, sa nu creada in existente invizibile. Neincrederea lui in existenta lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, diavolul Israel666, creaturi invizibile, si codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, l-a costat foarte scump. A platit cu moartea sufletului, si pierderea memoriei sufletului. Dumnezeul ESGSEIS, i-a inviat sufletul in 2012, dupa un minut de la moartea sufletului lui. Corpul lui a fost asasinat pe date de 13 iulie 2012, de catre mafiile 7 chakra, Vatican, si guvernul tribunalul si politia din Italia Romania si Israel. Din cauza ca tatal la corpul meu, nu a studiat codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, sufletul lui a murit pe data de 29 iulie 2012. Decedarea sufletelor poate fi identificata si vazuta, numai de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Astazi sufletul lui este din nou viu, dar fara informatii, si asteapta o noua reincarnare, pentru setarea corecta. Sufletele moarte pana pe data de 5 iulie 2011, au fost inviate de dumnezeul ESGSEIS. Dupa aceasta data sunt doar cateva exceptii. Creierul meu daca ar fi sceptic sau fara informatii, tot nu poate influenta sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Sufletul meu, este singurul care nu poate fi citit, identificat, sau imprimat de nimeni si nimic. Atat cat se expune si prezinta el. Asasinarea la sufletele la toate persoanele din infinitul viitor spatiu, este programata de cenzura, etc. http://www.lulu.com/shop/anton-cristian-talin/the-experiment-military-theological-six-six-six-eternal-order-infinite/ebook/product-22927664.html

1014 Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Adevar, informatii, si realitate, cenzurate de NATO, G20, FBI, CIA, NASA, UNESCO, ECHR, etc.! Roman, inseamna un om condus de alt om italian. Italian inseamna un om condus de alt om evreu. American inseamna un om condus de alt om evreu. Salbatic, inseamna un om condus de foame, sete, lumina, timp, spatiu, sentimente, si corpul invizibil viu infinit. Evreu, egiptean, musulman, catolic, religios, inseamna un om condus de alt om mafiot, care poate telecomanda prin telepatie victimele lui. Un om mafiot, care poate telecomanda prin telepatie victimele lui, este un monstru pregatit de diavolul Israel666, cu substante si exercitii de decalcifiere si marirea fluxului sanguin la glanda pineala, cu otet, cu rosuvatatina, cu minciuni, imposibil, inexistent, santaj, bani, promisiuni false imposibile, amenintari, iertarea falsa a pacatelor, si alte rele. Diavolul Israel666, este condus de dorinta de a se razbuna si ucide pe creatorul lui si la toti, si de interesul lui de a distruge pacea, egalitatea, dreptatea, unitatea, libertatea, si toate cele bune. Primitiv, inseamna un om condus de vorbire, hieroglife, foame, sete, lumina, timp, spatiu, sentimente, si corpul invizibil viu infinit. Escroc, criminal, talhar, infractor, vampir, si canibal, inseamna un om condus de capitalism, talharia la toate resursele naturale si profitul din tot infinitul trecut spatiu si tot infinitul viitor spatiu, cenzura, dezinformare, necunoscut, nesimtire, alcool, droguri, infectii, telepatie, mafiile 7 chakra, orbi surzi si muti, si alte rele. Donald Trump, Joseph Alois Ratzinger, Jorge Mario Bergoglio, Barack Obama, Vladimir Putin, etc, sunt condusi de 7 miliarde de orbi surzi si muti, engleza, latina, rusa, araba, Mos Craciun, Scufita Rosie, bombe nucleare, terorism, razboaie, capitalism, talharia la toate resursele naturale si

profitul din tot infinitul trecut spatiu si tot infinitul viitor spatiu, cenzura, dezinformare, necunoscut, nesimtire, alcool, droguri, infectii, telepatie, mafiile 7 chakra, anul 2000, persoane zei si suflete care au murit sau care nu au existat, minciuni, imposibil, inexistent, santaj, bani, promisiuni false imposibile, amenintari, iertarea falsa a pacatelor, rugaciuni, ritualuri de crima si canibalism, si alte rele. Toate aceste creaturi conduse de aceste informatii primitive, sau false, sau negative, au murit trup si suflet. Este la fel tot infinitul timp si tot infinitul spatiu. Sufletele lor au fost inviate din morti in anul 2011. Robot inseamna o masina metalica, etc, condusa de curent, benzina, energii, software, telecomanda, si om. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este o creatura care nu poate fi vazuta si condusa de timp, spatiu, existenta, inteligenta, nimic, microcip, videocamera, stiinta, matematica, fizica, NATO, CIA, Allah, Ra, Israel666, zei, persoane, suflete, etc, decat in codurile video supranaturale de telekinezie si telepatie S666N, Etern Ordin Infinit, etc. Dumnezeul ESGSEIS, se conduce singur in baza la informatii, telekinezie, telepatie, incredibil, supranatural, adevar, dreptate, realitate, unitate, si S666N. Creaturile S666N, inseamna zeii sufletele si persoanele, care sunt conduse de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codurile video supranaturale de telekinezie si telepatie S666N, Etern Ordin Infinit, etc., de adevar, limba romana 26 litere, dreptate, egalitate, libertate, unitate, informatii, realitate, timp, spatiu, eternitate, si toate cele bune. In infinitul trecut spatiu, exista o singura creatura S666N, si aceasta este corpul meu, corpul la sufletul meu, care este dumnezeul ESGSEIS. In infinitul viitor spatiu, vor exista numai creaturi S666N, din ordinul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, ordin care va fi executat si indeplinit de timp, spatiu, si corpul invizibil viu infinit. Saracii sunt produsi de preoti, dumnezeul Israel666, Italia, Israel, si politici. Daca ucidem acesti escroci, nimeni nu mai produce saraci. Incercati sa ucideti acesti escroci cu codul video supranatural de telekinezie si telepatie S666N, ca altfel ai ucide dumnezeul ESGSEIS, in Apocalipsa si sufletele lor in caldura soarelui. Codul video supranatural de telekinezie si telepatie S666N, a invitat din morti sufletele la toti zeii si persoanele din infinitul trecut spatiu. Codul video supranatural de telekinezie si telepatie S666N, trebuie sa ucida engleza, araba, latina, Biblia, Quran, mafiile 7 chakra, cenzura, prostia, minciuna, politicile, religiile, si toti prizonierii lor, altfel acestia vor fi omorati de corpul invizibil viu infinit prin apocalipsa, sau vor fi omorati de preoti, zei, politici, judecatori, politisti, scriitori, ziaristi, magi, minciuni, escroci, talhari, imposibil si inexistent, usurel in cativa zeci de ani.

1015 Tentativa de omor, amenintare si santaj video online, pregatita de serviciile secrete din guvernul, armata, politia, tribunalul, si biserica din Italia, Vatican, Romania, CIA, NATO, Novus Ordo Seclorum, si Interpol. A treia situatie, in ultimile doua saptamani in acest contract. Aceste femei m-au intrebat des, daca nu vreau sa mananc cu ele, daca vreau suc, daca vreau vin, etc. Din anul 2000, mafiile care vor sa ma talhareasca, si sa ma manipuleze, ele stiu ca nu servesc decat cu familiari si prieteni. Vor sa se travesteasca de familiari si prieteni. Am redus cercul, nu mai am incredere nici in glanda mea pineala. Increderea mea a ramas in codul video supranatural de telekinezie si telepatie S666N. Alcool nu beau din anul 2012, iar pana in 2012, daca am servit 50 de litri pe o perioada de 20 ani. Refuz alcool, substante de decalcifiere si marirea la fluxul sanguin din glanda pineala, pentru securitatea mea, independenta mea, si izolarea mea de telepatia, crimele, circurile, si planurile, la mafiile glanda pineala. Dimineata, 25 noiembrie, vineri, m-am gasit cu negreasa in spatele meu. Era cu un cutit in mana. Este vorba de aceiasi persoana care era langa sacosa mea cu apa. Probabil ca sa o otraveasca. Avocata batrana ai spunea ceva la negreasa, zilele astea. Am auzit numai "te injunghii de doua ori". "Ti dò due coltellate." Eu m-am gandit ca ar fi prea proasta sa ma injunghie. Intra in puscarie. Dar poate spune o minciuna, ca s-a aparat, ca am sarit la ea, etc. Femeia de 50 ani, merge la martorii lui Iehova, nu are copii, nici sot. Este singura. Unde am cumparat apartament, vanzatoarea, era ea si mama ei din martorii lui Iehova. Fiica de 50 de ani fara copii si sot. Pe mama ei cred ca ea a ucis-o, si a tinut-o moarta in casa, 30 de zile, sa dispara urmele. A spus ca nu are bani sa o ingroape. Cred ca o tinea in saci de plastic. Avocata are si ea, tot felul de carti si obiecte de vrajitorie si tortura. A vandut o casa cu 800 de mii de euro, a donat mobilier de sacristii din anii 800. Si cat a putut a adus in 110 mp, pe care a platit 450 de mii euro, sau 550 de mii. Nu am fost atent nici interesat. Astia sunt din secta "monstru de Firenze, Monte dei Paschi di Siena, Parmalat, Vatican". Au decis sa scape de mine, cu orice cost. Dar fara sa faca scandal international, sa ai omoare altii si pe ei, din cauza la aceste planuri, minciuni, crime, cenzura, inselaciuni, talharii, si secrete. Creatorul la codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, asasinat in Italia, sau ..., sau inlocuit cu picturi, hieroglife, latina, engleza, minciuni, imposibil, inexistent, expirat, rugaciuni si ritualuri de crima si canibalism? Niciodata!!! Apocalipsa, caldura soarelui, si exploziile nucleare, va inghite pentru aceste infractiuni. Vor fi pedepsisti cu munca fortata in lagare, pe viata, toti judecatorii, conducatorii, generalii, zeii, diavolii, si complicii, implicati in aceste escrocherii internationale. Femeile au vorbit amandoua in bucatarie. Au pus pe masa cutitul. Erau si doua foarfece. Pentru taiat scociul la cutii. Mai comod este foarfecul. Negreasa mi-a spus, sa o ajut, sa i-au o cutie ca este grea, si sa o duc eu in hol. Apoi a venit in spatele meu imediat. Eu m-am intors sa vad. Ea avea cutitul in mana. Cutitul al tinea cu varful spre spinarea mea, la mai putin de un metru, avea bratul indoiat de la cot pe orizontal, nu al tinea in jos in pozitie verticala. Probabil s-a speriat. Am pus deja cutia jos. Probabil vroia sa se impiedice, si sa infinga cutitul in mine. Eu am asistat la diverse crime,

si infractiuni online video comise de guvernul, armata, politia, tribunalul, si biserica din Italia, Vatican, si Romania, am descris aceste fapte intr-o carte, si am depus si reclamatii la tribunale. Din anul 2000 ma feresc de asasini. Stiu ca ei vin in jurul meu. Tribunalul de Firenze Milano Bucuresti ECHR etc, sunt complici video online la mafia "monstru de Firenze, Monte dei Paschi di Siena, Parmalat, Vatican, Isus Christos, telepatie 7 chakra". Ei castiga miliarde de euro din acest circ, unii oameni si copii au fost sau vor fi asasinati, altii terorizati si mutilati, miliarde de persoane inselate, etc. Eu repet: Vreau azil si protectie impotriva la mafiile din politia politica guvernul biserica armata si media din Italia, Vatican, Romania, etc. Ei vor sa ne fure si sa ne ingroape in continuare si mereu, adevarul, dreptatea, libertatea, informatiile, egalitatea si toate cele bune, asa cum ei fac deja de patru mii ani. Secta "monstrul de Firenze", au ucis multe persoane din Firenze. Asasinii nu au fost gasiti. Au pus pe un criminal tot ce nu au vrut sa vada, si sa rezolve. Vreau azil, salarii, TFR, pensie si despagubiri, pentru meseria in care am fost sechestrat: "Anton Cristian Romania Roman Roma Antichrist N, Cristos S, eve, SeveN, 707, 777, 3816, 816, cenzura, secret, minciuni, talharii, crime, mutilari, terorism, si dezinformare". http://www.lulu.com/shop/anton-cristian-talin/the-experiment-military-theological-six-six-six-eternal-order-infinite/ebook/product-22927664.html

Joseph Alois Ratzinger, si Jorge Mario Bergoglio sunt conducatorii la aceste asasinari de suflete, adevar, realitate, dreptate, libertate si unitate din anul 2011. Scuzele lor sunt : cenzura, imposibil, inexistent, Isus Christos, anul 2000, rosuvastatina, telepatia, Maria, Israel666, minciunile, hieroglifele, si alte maruntisuri. Eu vad ca Joseph Alois Ratzinger, si Jorge Mario Bergoglio, sunt resonsabili de asasinarea la un miliard de persoane pe an, si asasinarea la toate sufletele la toate persoanele moarte fara sa cunoasca aceasta fraza, dar mai mult de atat nu pot face nimic. Foarte multe asasinari de persoane si suflete, pentru gloria lui Joseph Alois Ratzinger, Jorge Mario Bergoglio, cenzura, imposibil, inexistent, Isus Christos, anul 2000, rosuvastatina, telepatie, Maria, Israel666, minciuni, hieroglife, si alte maruntisuri. 1018 Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Adevar, informatii, si realitate, cenzurate de NATO, G20, FBI, CIA, NASA, UNESCO, ECHR, etc.! Am iesit, in jur de 17. De la apartamentul la avocata. Astepta la trecerea de pietoni o femeie cu copilul adormit in carut. Era rosu. Ai cazuse din carut, un balon lung indoiat in forma V, albastru. Era langa bordura. I-am spus ca i-a cazut balonul. Ea a spus ca a vazut, dar nu vrea sa moara pentru un balon. Nu prezenta astfel de pericol. Era langa bordura. A raspuns altcineva prin telepatie prin glanda ei pineala. Sau femeia era aici, sa imi transmita alta amenintare, sa renunt la adevar, inteligenta, si dreptate? Am ramas impresionat de raspuns. Nimeni nu trebuie sa moara pentru adevar, realitate, dreptate, egalitate, unitate, libertate, invierea sufletelor din morti, codul video supranatural de telekinezie si telepatie S666N, dumnezeul ESGSEIS, inteligenta, apa, aer, timp, spatiu si toate cele bune. Stiu ca au fost omorate trilioane de persoane si suflete, pentru eliminarea la adevar si dreptate, si pentru a cuceri si talhari spatiu, resurse, si bani. Am primit demonstratii video online ca tribunalul, guvernul, biserica, politia, si armata din Romania, Italia, Vatican, etc, ucid persoanele care cauta adevarul, dreptatea, libertatea, creatorul lor, codul S666N, salvarea sufletului de la moarte, invierea sufletelor din morti si toate cele bune. Am primit demonstratii video online ca tribunalul, guvernul, biserica, politia, si armata din Romania, Italia, Vatican, etc, ucid persoanele care abandoneaza minciuna, anul 2000, imposibil, inexistent, rugaciuni, ritualuri de crima si canibalism, dezordinea, cenzura, dezinformarea si toate cele rele. Au fost omorate peste 4 trilioane de persoane si peste 999 de trilioane de suflete, din infinitul trecut spatiu, pentru baloane, hieroglife, minciuni, imposibil, inexistent, anul 2000, meseria creatorul cerului si a pamantului, litera t, numarul 13, limba latina, limba araba, Italia, Israel, Islam, Egipt, America, etc. Cine cunoaste si utilizeaza alfabetul, si comunicarea, este convertit 10% la dumnezeul ESGSEIS, pace, libertate, dreptate, liniste, si toate cele bune. 1020 Persoanele din infinitul trecut spatiu, au aruncat corpurile moarte la parintii lor, in afara orasului, pe camp, pe mare, in pamant, in foc, in pesteri, hrana la animale, etc, sau au adus cenusa la corpurile lor in casa, sau au mumificat corpurile lor. Persoanele din infinitul trecut spatiu, nu au stiut ca sufletul la parintii lor, nu a fost instalat corect, si nu au necesarul pentru a supravietui. Nici o persoana din infinitul trecut spatiu, nu a muncit cu folos si succes pentru salvarea la viata la sufletul la parintii lui copii lui si sufletul lui, sau pentru invierea din morti la sufletul la parintii lui. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, care este sufletul meu, a inviat din morti sufletul la parintii vostri din infinitul trecut spatiu, suflet lasat sa moara de corpurile lor si toti zeii profetii sfintii diavolii savantii magii si teologii din infinitul trecut spatiu. Astazi politia, tribunalul, politica, biserica, si armata din Vatican Italia Romania incearca sa ma ucida prin accident, sau cauzele sa ramana secrete pentru toti. Au deteriorat 50% corpul in care stau, prin otravuri, infectii, radiatii, boli, torturi, raze, telepatie, accidente, etc. Oamenii inca nu stiu totul despre crimele mutilarile minciunile inselaciunile talhariile planurile si activitatile voastre, desi trebuiau sa va urmareasca si sa va ceara cont. Eu, dumnezeul ESGSEIS cunosc toti autorii si complicii, care au mutilat corpul meu, si va pedepsesc cu varf si fara mila. Corpul meu nu este inca informat de identitatea voastra, si daca var pedepsi el in locul meu ar fi o gluma asasinarea voastra sau inchiderea voastra in lagare de munca fortata. Pedeapsa voastra este o lunga tortura in caldura soarelui, pentru ca sa poata topi si elimina din sufletele voastre profanarea si neascultarea la numele la creatorul si salvatorul vostru, NMEILIS NMEINIS ESGSEIS. Cine vrea sa ucida corpul meu, nu ai convine: ca am demonstrat ca valoarea corpului uman este zero dupa moarte, ca am inviat eu din morti sufletele la parintii lor, ca am salvat eu sufletul lor si la copii lor din infinitul viitor spatiu de la moarte, si ca am salvat eu toate persoanele din infinitul viitor spatiu de inchisori de tip alfabetic religios istoric si orice alt tip, de talharia la toate resursele naturale profitul bancile si tipografiile de bani care ar fi trebuit sa apartina in parti egale la toti, de cenzura, rugaciuni, ritualuri de crima si canibalism, imposibil, inexistent, minciuni, inselaciuni, tirani, diavoli, mafiile 7 chakra, razboaie, necunoscut, dezordine, dezinformare, si toate cele rele. Fiecare are niste preferinte si conditii, din care trebuie sa fie compus salvatorul lor. Vor ca salvatorul lor sa coboare din cer, pe un nor, cu un baston din lemn, cu o rochie alba lunga, si o coroana de trandafiri pe cap, sa stie latina, sa aiba ochii albastri, parul blond, corpul atletic, si sa nu spuna nimic de nici o infractiune, complot, inselaciune, talharie, crima, tiranie, si minciuna. Sau vor ... Nu. Salvatorul vostru, la parintii vostri, la copiii vostri, si sufletul vostru, nu poate sa se transforme dupa miliarde de idei si dorinte. Salvatorul vostru este invizibil, este sufletul meu, este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este creatorul la toti, este descris online, s-a teleportat in galaxia solara in 1975 din infinitul spatiu, este singurul care nu a fost creat sau omorat de cineva sau ceva, poate trai fara timp si spatiu, este creatorul la microcip, creatorul la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, creatorul la pace adevar realitate unitate dreptate si toate cele bune, este etc. Asasinii din anul 2016, s-au gandit sa ucida sufletele la parintii lor, ale lor, la copii lor si la toti ceilalti, prin cenzura, si prin asasinarea la corpul in care m-am teleportat si care a tradus online razele mele de telepatie. Vatican si mafiile 7 chakra au incercat sa ucida corpul in care m-am teleportat, de

patru ori, in luna noiembrie 2016. Otravirea la apa, electrocutarea cu pozitiv pe bagheta metal si negativ pe tubul de gaz care trebuia adus langa bagheta, prin injunghiere accidentala prin impiedicare, si printr-o infectie virala raspandita in aerul din jurul la corpul meu. Sunt responsabili de moartea la sufletele la oamenii morti din anul 2011 care nu au putut afla adevarul S666N. 1021 Fabricarea, specializarea, si protejarea, crimelor organizate de catre mafiile 7 chakra telecomandare prin telepatie, este programata si finanatata de politia, politica, guvernul, tribunalul, biserica, armata, si media din Vatican, Italia, Israel, Islam, Romania, Egipt, etc, si a ajuns la maxim in experimentul militar teologic S666N Etern Ordin Infinit. Au facut demonstratii de asasinari, genocide, scandaluri, extorsiuni, minciuni, tradari, manipulari, etc, telecomandate prin telepatie. Victimele lor din 2016, in numar de 7 miliarde de persoane, sunt izolate de aceste informatii prin cenzura. Daca ar afla adevarul S666N, si in ce proiecte criminale sunt utilizate prin cenzura si fara acordul lor, eu cred ca ai aresteaza pe viata. Ei au grija ca victimele lor sa nu afle adevarul niciodata. Au reusit de patru mii ani sa se ascunda. Diferenta dintre inteligenta la victimele lor de patru mii de ani in urma, si inteligenta la victimele lor din 2016 este mare. Totusi Vatican, Italia, Jorge Mario Bergoglio, si sufletul lui diavolul, reusesc sa tina rastigniti pe minciuni, crime, inselaciuni, talharii, razboaie, anul 2000, si cenzura, 7 miliarde de persoane. Vrem arestarea si pedepsirea lui Italia si Vatican pentru terorism international, asasinarea sufletelor, talharia la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, rastignirea pe minciuni, crime, inselaciuni, talharii, razboaie, anul 2000, si cenzura, la 7 miliarde de persoane, experimente ilegale medicale chimicale si telepatice pe corpul uman, crime si genocide video online, si alte rele. Cum a reusit Italia in 2 mii ani, sa rastigneasca pana in 2016, 50 la suta din populatia de pe planeta Pamant pe alfabetul latin, minciuni, imposibil, inexistent, cenzura, nedreptate, inselaciune, talharii, razboaie si alte rele? Prin ajutorul la telecomandarea prin telepatie in razboaie conflicte scandaluri extorsiuni etc, telepatie efectuata de diavoli si mafiile 7 chakra. Planul lui Italia si la diavoli, de a rastigni toate creaturile din infinitul viitor spatiu pe alfabetul latin, minciuni, imposibil, inexistent, cenzura, nedreptate, inselaciune, talharii, razboaie, si alte rele, a fost arestat de dumnezeu prin intermediul la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Va puteti apara de prostie, diavoli, tirani, mincinosi, etc, cu codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si limba romana. Mafiile 7 chakra vor sa distruga aceste coduri si sa continue razboaiele de rastignire a oamenilor pe alfabetul latin sau pe alfabetul arab si rastignirea oamenilor pe minciuni, imposibil, inexistent, cenzura, nedreptate, inselaciune, talharii, razboaie, si alte rele. Am fost sechestrat in razboiul lui Italia, si am fost eliberat de dumnezeul ESGSEIS. Au ramas sechestrate prin cenzura, in razboiul lui Italia si la mafiile 7 chakra, 7 miliarde de persoane. Sunt conduse prin cenzura si secret spre al treilea razboi mondial. ---- Persoanele de pe planeta Pamant, au fost rastignite de politicii, teologii, politistii, judecatorii, generalii, regii, conducatorii, profetii, zeii, si scriitorii din Vatican, Italia, Israel, Islam, Egipt, Anglia, America, etc, de: minciuni, imposibil, inexistent, cenzura, nedreptate, inselaciune, talharii, razboaie, moartea sufletelor, anul 2000, rugaciuni, ritualuri de crima si canibalism, si alte rele. 1025 Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a muncit tot infinitul trecut spatiu si tot infinitul viitor spatiu, pentru a realiza codurile video supranaturale de telekineza si telepatie S666N si Etern Ordin Infinit, pentru a traduce razele lui de telepatie in cartea "Mai bun si puternic decat toti zeii, Paradisul, timpul, spatiu, oricine si orice", pentru a invia din morti toti zeii, sufletele si persoanele de fiecare data atunci cand acestea se sinucid sau sunt omorati, pentru a construi o specie si instrumente care pot comunica cu el cu cea mai mare precizie care nu poate depasi 50 la suta din volumul de informatii pe care le are el, si pentru protejarea la timp spatiu inteligenta existenta microcip informatii etc. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, traieste tot infinitul trecut spatiu si tot infinitul viitor spatiu, sa faca la fel, fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp. Raportul si colaborarea constienta dintre creierul meu si sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a inceput in anul 2008. --- Toti zeii, sufletele, si persoanele, din infinitul trecut spatiu si din infinitul viitor spatiu, care au incercat sa construiasca o religie, o politica, o lege, o constitutie, o educatie, un circ, o promisiune, un profet, un zeu, un instrument, sau un etc, care sa ai salveze de minciuni, imposibil, inexistent, talhari, idioti, crime, razboaie, moartea sufletelor, scandal, infractiuni, inchisori de tip alfabetic religios istoric politic economic si orice alt tip, si toate cele rele, nu au reusit, din potriva, au marit intensitatea si numarul la minciuni, imposibil, inexistent, talhari, idioti, crime, razboaie, moartea sufletelor, scandal, infractiuni, inchisori de tip alfabetic religios istoric politic economic si orice alt tip, si toate cele rele. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1026 Este foarte clar ca nici un savant, cercetator, zeu, teolog, mag, persoana, alien, mutant, rege, presedinte, maestru, educator, fizic, istoric, religios, etc, din infinitul trecut spatiu si infinitul viitor spatiu, nu are nici o posibilitate sa invete, sa repete, si sa cloneze, inteligenta si informatiile cu care au fost realizate codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Singurul creator si cunoscator de astfel de inteligenta si informatii, este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, deoarece numai el are memoria, corpul, structura, si energia, pentru a crea si cunoaste astfel de inteligenta si informatii. Prin urmare nimeni din infinitul trecut spatiu si infinitul viitor spatiu, nu are memoria, corpul, structura, si energia, pentru a cunoaste dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, teoria despre crearea la timp, spatiu, existenta, inteligenta, suflete, microcip, etc, demonstratia cu invierea sufletelor din morti, infinitul trecut spatiu, infinitul viitor spatiu, etc.. Zeii, sufletele, si persoanele sunt creaturi in care nu pot fi instalate informatiile despre dumnezeul dumnezeilor etern invizibil

NMEILIS NMEINIS ESGSEIS, teoria despre crearea la timp, spatiu, existenta, inteligenta, suflete, microcip, invierea sufletelor din morti, infinitul trecut spatiu, infinitul viitor spatiu, etc. Zeii, sufletele, si persoanele, sunt creaturi care pot fi instalate numai cu hieroglife, alfabete, telepatie, minciuni, imposibil, inexistent, inselaciuni, ura, invidie, prostie, dezinformare, expirat, talharii, mutilari, crime, razboaie, filozofii, matematica, chimie, stiinte, alimente, bauturi, si alte maruntisuri. Prin urmare cine vrea sa cunoasca adevarul si invierea sufletelor din morti nu trebuie sa se increada, sa comunice, sa urmeze, si sa asculte zeii, sufletele, si persoanele, din infinitul trecut spatiu, si infinitul viitor spatiu, deoarece ei nu au memoria, corpul, structura, instrumentele, si energia, pentru a cunoaste dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, teoria despre crearea la timp, spatiu, existenta, inteligenta, suflete, microcip, etc, demonstratia cu invierea sufletelor din morti, infinitul trecut spatiu, infinitul viitor spatiu, etc.. EU, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am mai construit o galaxie, religie, politica, lege, specie, microcip, hieroglifa, alfabet, razboi, apocalipsa, organ intern, glanda, holograma, telepatie, cod video supranatural de telekinezie si telepatie, stiinta, informatie, aliment, bautura, medicament, etc, ca sa pot elibera toti zeii, sufletele, si persoanele, din infinitul trecut spatiu, si infinitul viitor spatiu, de moartea sufletului, sceptici, idioti, teroristi, talhari, criminali, puturosi, escroci, nedreptate, cenzura, secret, minciuni, imposibil, inexistent, infractiuni, si alte rele. Nu am reusit sa modific structura la nimeni din infinitul trecut spatiu, si infinitul viitor spatiu, astfel incat sa poata vedea, cunoaste si intelege existenta mea dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, teoria despre crearea la timp, spatiu, existenta, inteligenta, suflete, microcip, etc, demonstratia cu invierea sufletelor din morti, infinitul trecut spatiu, infinitul viitor spatiu, etc.. Alti zei, suflete, si persoane, din infinitul trecut spatiu, si infinitul viitor spatiu, construiesc, religii, politici, legi, hieroglife, alfabete, razboaie, holograme, telepatie, alimente, bauturi, medicamente, minciuni, crime, mutilari, rugaciuni, etc, ca sa poata talhari toti zeii, sufletele, si persoanele, din infinitul trecut spatiu, si infinitul viitor spatiu, de pace, bani, informatii, ordine, respect, libertate, unitate, dreptate, egalitate, ordine, invierea sufletelor din morti, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si toate cele bune. Din anul 2011, aveti probe foarte clare ca dreptul la informatii este controlat si redus de criminali si escroci, si ca libertatea de exprimare este controlata si redusa de politia, religiile, tribunalul, bisericile, guvernele, politicile, scolile, media, etc din Italia, Israel, Egipt, Islam, Romania, etc. In unele cazuri, ei apeleaza, la alimente, bauturi, medicamente, infectii, cazuri, radiatii, telepatie, raze, santaj, amenintari, crime, mutilari, si alte rele pentru a reduce, controla si manipula informatiile, adevarul, realitatea, dreptatea, pacea, si toate cele bune. Daca numai cateva mii de creaturi au citit, respectat, si aplicat aceasta fraza, numai cateva mii de suflete nu vor muri niciodata, isi vor pastra memoria, si nu au nevoie de invierea sufletelor din morti.

1027 Despre corpul meu au vorbit si pot vorbi multe persoane. Despre sangele meu, creierul meu si organele mele interne au vorbit si pot vorbi multe persoane. Despre sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a comunicat numai el, prin codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. A vorbit si creierul meu despre sufletul meu. Creierul meu a tradus razele de telepatie la sufletul meu, in coduri video supranaturale de telekinezie si telepatie, si intr-o carte. Numele la sufletul meu, este strada si accesul la teleportarea sufletelor voastre langa sufletul meu, adevar, dreptate, invierea sufletelor din morti, eternitate si toate cele bune. Multi zei, suflete, si persoane, din infinitul trecut spatiu, si infinitul viitor spatiu, au incercat sa gaseasca, sa analizeze, sa manipuleze, sau sa invinga pe creatorul lor. Nimeni nu a reusit. Este invizibil, comunica numai prin telepatie, telekinezie si supranatural. Este greu sa faci diferenta dintre gandurile tale, razele de telepatie la mafiile 7 chakra, razele de telepatie la diavoli suflete etc, si razele de telepatie ale lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Dumnezeul ESGSEIS ne arata in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, ca nimeni nu mai are nevoie de telepatia la nimeni, deoarece totul ce se poate decripta de corpul uman, suflete si zei, a fost deja decriptat si expus in stiinte, matematica, biologie, fizica, informatica, religii, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si cartile lui. Este mare infinitul trecut spatiu si infinitul viitor spatiu, si foarte multe dintre creaturi, suflete, persoane, si zei, au ales sa fie idioti, analfabeti, mincinosi, escroci, dezinformati, talhari, criminali, scandalagii, razboinici, teroristi, tirani, nefolositori, distrugatori, si neplacuti tot infinitul timp si tot infinitul spatiu. Sa te transformi din bebelus in idiot, analfabet, criminal si escroc, este o infractiune. Pentru a te transforma din zeu suflet si persoana instalata cu inteligenta S666N, si din dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, in idiot, analfabet, criminal, mincinos, musulman, evreu, catolic, american, si escroc, este imposibil. Conducatorii si angajatii din Vatican, NATO, CIA, Novus Ordo Seclorum, guvernele, religiile, scolile, politiile si armatele de pe planeta Pamant, din anul 2011 pana aici, au declarat video online ca vor sa fie idioti, analfabeti, mincinosi, escroci, dezinformati, talhari, criminali, scandalagii, razboinici, teroristi, tirani, nefolositori, distrugatori, asasini de suflete, si neplacuti, tot infinitul timp si tot infinitul spatiu. Din alegerea lui dumnezeul ESGSEIS, nici un zeu si nici un suflet nu poate iesi din galaxia solara, daca gandurile lui, nu sunt asemanatoare cu gandurile lui dumnezeul ESGSEIS. Invierea sufletelor din morti, functioneaza numai cu numele ILIS INIS GSEIS. Adevarul, pacea, realitatea, dreptatea, egalitatea unitatea, si toate cele bune functioneaza numai cu numele ILIS INIS GSEIS. Demonstrat in codurile video

supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Dumnezeul ESGSEIS, nu a reusit sa ofere codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si numele lui, ILIS INIS GSEIS, la nici un zeu, suflet, creatura, si persoana, din infinitul trecut spatiu. Astazi aveti detalii de ce nu a reusit nimeni sa intercepteze astfel de inteligenta. Nu toti zeii, sufletele, persoanele si creaturile din infinitul viitor spatiu, au posibilitatea sa cunoasca codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si numele la creatorul lor, dumnezeul ILIS INIS GSEIS. Observati cauzele din anul 2011. Cenzura, invidie, minciuni, terorism, amenintari, alcool, droguri, infectii, lipsa de timp, inconstiinta, escroci, tirani, talhari, criminali, minori, prostie, nepasare fata de moartea sufletului, dezinformare, dezinteres, sute de alfabete religii si politici, si altele. Eu sunt tot infinitul timp si tot infinitul spatiu mai inteligent, cu 50% decat toti zeii, sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, si am demonstrat acest adevar in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. 50% din totalul de inteligenta poate fi folosit numai de mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Cine invata codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, ajunge la maximul de inteligenta care poate fi prelucrat si invatat de persoane, zei, suflete, si creaturi, nu al mai intrece nimeni in afara de mine, si ramane la o inteligenta egala si maxima la care pot ajunge cu toti. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am demonstrat acest adevar in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Ei nu au organe, memorie, energii, si instrumente, sa cunoasca si sa foloseasca mai mult de 50% din inteligenta NMEILIS NMEINIS ESGSEIS S666N. Ei demonstreaza aceste actiuni de sapte mii de ani, pe planeta Pamant. Eu, dumnezeul ESGSEIS, sunt tot infinitul timp si tot infinitul spatiu mai inteligent, cu 50% decat toti zeii, sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, si am demonstrat acest adevar in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. 50% din totalul de inteligenta poate fi folosit numai de mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Nimeni nu poate depasi aceste limite si posibilitati. Tu ai citit aceasta fraza, si ai realizat ca ai fost izgonit miliarde de ani, departe de adevar, dumnezeul ESGSEIS, invierea sufletelor din morti, pace, dreptate, inteligenta, si toate cele bune, de catre zei, suflete, persoane, carti, limbi, religii, politici, cenzura, dezinformare, secret, prostie, si alte rele. Astazi tu preferi sa mori in lanturile, razboaiele, si inchisorile lor, deoarece nu gasesti nici un ajutor, interes, si posibilitate, sa te intorci inapoi. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a oferit codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, pentru teleportarea imediata langa adevar, dumnezeul ESGSEIS, invierea sufletelor din morti, pace, dreptate, inteligenta, si toate cele bune. Toti zeii sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu, se sinucid sau sunt asasinati, prin spanzurarea lor de minciuni, imposibil, inexistent, si alte rele. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1029 Cine vrea sa ramana mincinos, escroc, talhar, puturos, idiot, tiran, razboinic, rau, asasin de suflete, si criminal, si cine vrea sa fie mintit talharit inselat drogat si victima, sa nu citeasca si sa nu asculte aceasta fraza. Cine vrea sa devina drept, cinstit, educat, vesnic, liber, egal, unit, respectos, harnic, protectorul sufletelor, si bun, sa invete aceasta fraza, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Din invidie, Jorge Mario Bergoglio, Joseph Alois Rarzinger, CIA, NATO, Vatican, Islam, Italia, Egipt, Israel, America, nu va lasa sa cunoasteti, si vor sa distruga, energia sufletelor, protejarea sufletelor, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, adevarul, dreptatea, egalitatea, unitatea, si libertatea. Sa fie arestati urgent, pana ce nu este prea tarziu. Daca sunt neglijati si liberi, ei reusesc sa ucida energia sufletelor, invierea sufletelor din morti, adevarul,

dreptatea, egalitatea, unitatea, si libertatea. Ei sunt periculosi, si s-au invatat sa se hraneasca cu sange si carne de bebelusi, copii si oameni, cu cenzura, minciuni, imposibil, inexistent, inselaciuni, mutilari, crime, razboaie, dezinformare, si talharii. Arestatii si educatii. S666N. Traducerea la razele de telepatie ale lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. ---- Asasinari si mutilari profetice si telepatice. Guvernul, tribunalul, politia, si media din Romania Vatican si Italia, au asasinat pe tata video online pe litera t si numarul 13, in Romania Roman, casa 13, ziua 13.07.2012, ora 6, asasinare pregatita pentru profetia S666N si Etern Ordin Infinit RomaNia RomaN Roma SeveN. Crime telecomandate prin telepatie de mafiile Vatican, masonerie, 7 chakra, iluminati, Iehova, Islam, Egipt, etc. Desi biserica si tribunalul din Italia, Israel, Islam, Romania, America, etc, participa de doua mii ani, la astfel de competitii si asasinari profetice si telepatice, nu au luat masuri, si au raspuns in scris de mai multe ori, ca cazul ai depaseste si nu este de competinta, instructia, si capacitatile lor. Sunt mincinosi escroci si asasini. Ei sunt proiectantii si autorii. Adolf Hitler pentru blocarea acestor asasinari profetice si telepatice, a introdus fortat, intoxicarea la apa si mancare, cu florura de sodiu. America si Israel, pentru a continua strada la limba latina si la asasinarile profetice si telepatice, au introdus in alimente bicarbonat de sodiu coca cola zahar si alte chimicale si infectii care estrag calciu din corpul uman si decalcifica glanda pineala. Aceiasi tehnica de razboi si telecomandare foloseste si Islam, Egipt, Buda, etc, dar impotriva la limba latina si Biblie. Dumnezeu a tradat video online acesti asasini si escroci. Papa Jorge Mario Bergoglio alias Francesco, a pus pe monsignor ..., sa ma telefoneze in 2016, si sa ma invite in Vatican, sa discutam despre acest experiment, si aceste asasinari si mutilari profetice si telepatice. A renuntat la intalnire, si in noiembrie 2016, Papa Jorge Mario Bergoglio alias Francesco, a pus serviciile secrete din Italia si Vatican, sa imi construiasca o asasinare religioasa profetica telepatica. Vatican, si politia, politica, guvernul, tribunalul, media, biserica, si armata din Italia, Israel, Romania, Egipt, Islam, America, etc, vor sa ingroape adevarul despre Dumnezeu, despre asasinari si mutilari profetice si telepatice, si despre profetia S666N si Etern Ordin Infinit RomaNia RomaN Roma SeveN. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1030 Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a expus, a tradat, a judecat si a condamnat, orice forma de complot, secret, razboi, terorism, talharie, minciuna, inselaciune, si rautate, si toti diavolii, escrocii, mincinosii, talharii, asasinii, tiranii, razboinicii, teroristii, si idiotii, din infinitul trecut spatiu si infinitul viitor spatiu. Diavolii, escrocii, mincinosii, talharii, asasinii, tiranii, razboinicii, teroristii, si idiotii, din infinitul trecut spatiu si infinitul viitor spatiu, nu iubesc pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, adevarul, realitatea, dreptatea, egalitatea, unitatea, invierea sufletelor din morti, informatiile, si pacea, si au demonstrat acest adevar, in tot infinitul trecut spatiu si tot infinitul viitor spatiu. --- Daca ar putea cineva sa ascunda, si sa distruga tot infinitul trecut spatiu si tot infinitul viitor spatiu, alfabetul roman 26 litere, inteligenta, informatiile, realitatea, invierea sufletelor din morti, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, atunci timpul, spatiul, si toti zeii sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, ar fi transformati in nimic. Problema este ca toti zeii sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, sub influenta la prostia lor risca sa fie transformati chiar de ei, in nimic. --- Eu si cu dumnezeul ESGSEIS, suntem singurii care nu pot fi infectati si telecomantadati de mafiile 7 chakra telepatie, minciuni, secret, cenzura, dezinformare, si toate cele rele. Toate persoanele sechestrate in profetii, sunt indopate abuziv, ascuns, si fara autorizatia lor, cu substante de decalcifiere la glanda pineala, pentru telecomandarea lor prin telepatie, in scandaluri, mutilari, crime, profetii, salvari, magii, holograme, castiguri, pierderi, etc. Aceste crime si actiuni le decide de patru mii ani, guvernul, politia, politica, tribunalul, media, si biserica, din Egipt, Israel, Islam, Italia, Romania, etc. Dumnezeu a tradat infractiunile lor, care daca voi nu luati masuri, acestia vor spanzura de crimele, razboaiele, si minciunile lor, toate creaturile din infinitul viitor spatiu. Zgomotul la scartaitul de polistiren, si mestecarea intre dinti de bomboane, sunt insuportabile pentru toti aceia cu glanda pineala decalcifiata. Persoanele cu glanda pineala decalcifiata sunt ca un robot cu videocamera si telefon celular, si pot fi telecomandate in orice secunda in scandaluri, profetii, situatii, mutilari, crime, terorism, razboaie, explozii nucleare, etc. Cea mai periculoasa arma din infinitul trecut spatiu si infinitul viitor spatiu, este telecomandarea prin telepatie, si este fabricata in secret de patru mii ani de mafiile 7 chakra din Egipt Israel Islam Italia China Rusia India si America spre sfarsit. --- Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, vad foarte clar ca toti zeii sufletele si persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, sunt spanzurati de minciuni, imposibil, inexistent, cenzura, dezinformare, razboaiele la mafiile 7 chakra telecomandare prin telepatie, asasinarea sufletelor, rugaciuni, talharii, inselaciuni, si alte rele. Pentru eliberarea lor eu dumnezeul ESGSEIS, am construit codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. La eliberarea voastra se opun toti diavolii, escrocii, mincinosii, talharii, asasinii, tiranii, razboinicii, teroristii, si idiotii, din tot infinitul trecut spatiu si tot infinitul viitor spatiu. 1031 I-au scos calciu din corp lui Cornelia, sotia mea, se vede foarte clar cum i-au dizolvat 14 dinti si masele, deja de la 16 ani, sa o poata telecomanda prin telepatie. I-au drogat fantana si alimentele cu substante de decalcifiere a corpului si la glanda pineala. Se vede foarte clar disponibilitatea ei in perceptia la telepatie, prin efectuarea de sunete ascutite, deoarece are glanda pineala decalcifiata. Pe fratele mai mare Venceslau, l-au drogat cu substante de decalcifiere, pana a facut cancer la 41 ani. Mafia Hitler l-au scos de la mafia telecomandare glanda pineala, si l-au drogat la randul lor cu substante de calcifiere la glanda pineala. Mafia telecomandare glanda pineala, vroiau sa al faca preot. A facut scoala de teologie doar patru ani. Ei au pus-o pe Neculai, sa ai faca o familie, iar tot ei, mafia telepatie, i-au distrus-o. --- Eu si cu dumnezeul ESGSEIS, suntem singurii care nu pot fi infectati si telecomantadati, de mafiile 7 chakra telepatie, minciuni, secret, cenzura, dezinformare, si toate cele rele. Toate persoanele sechestrate in profetii, sunt indopate abuziv, ascuns, si fara autorizatia lor, cu substante de decalcifiere la glanda pineala, pentru telecomandarea lor prin telepatie, in scandaluri, mutilari, crime, profetii, salvari, magii, holograme, castiguri, pierderi, etc. Aceste crime si actiuni le decide de patru mii ani, guvernul, politia, politica, tribunalul, media, si biserica, din Egipt, Israel, Islam, Italia, Romania, etc. Dumnezeu a tradat infractiunile lor, care daca voi nu luati masuri, acestia vor spanzura de crimele, razboaiele, si minciunile lor, toate creaturile din infinitul viitor spatiu. 1032 Donald Trump copie si cloneaza codul video supranatural de telekinezie si telepatie S666N SeveN. A facut o poza, si a pus-o in pagina lui. Doi barbati stanga şi doi dreapta, la o femeie tanara, bruneta, imbracata in negru, si cu scrisul : nimeni nu te vrea in lume. Trump tells tech leaders 'There’s nobody like you in the world'. Donald Trump este negru la suflet de talharii de resurse naturale si profit, crime generate de talharii cenzura dezinformare si minciuni, din cauza la meseria de soldat in armata diavolului si minciuna pentru a spanzura oamenii de limba latina si minciuna, prostie si inselaciune, doar femeia aceia este mai deschisa la suflet decat voi. Intr-o adunatura de criminali, escroci, talhari, idioti, rasisti, infractori, tirani, diavoli si teroristi, niciodata nu vei auzi de creatorul existentei, cea mai puternica forma de inteligenta S666N, anul inceputul la infinitul trecut spatiu, anul sfarsitul la infinitul viitor spatiu, dreptate, adevar, informatii, pace, invierea sufletelor din morti, si toate cele bune. Criminalii, escrocii, talharii, idiotii, rasistii, infractorii, tiranii, diavolii si teroristii, iubesc si apara diavolul, minciuna, cenzura, dezinformarea, inselaciunea, talharia si toate cele rele, si alunga si distrug adevarul, inteligenta, informatiile, pacea, egalitatea, dreptatea, unitatea, libertatea, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si toate cele bune. Eu nu ma mir ca talharii, escrocii, idiotii, parazitii, mincinosii, tiranii si diavolii nu ma respecta, si vor sa ma omoare, desi eu le-am invitat din morti sufletele, si i-am adus la microcip microsoft si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Cine incearca sa fure codurile video S666N si Etern Ordin Infinit, este asasinat trup si suflet de catre "corpul invizibil viu infinit", din ordinul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Din anul 2011 inca nu vad nici un hot la codul S666N cu trupul asasinat, dar vad toate sufletele asasinate din cauza la lipsa la codul S666N din memoria lor. Cine nu are in casa si in memoria la creier si suflet S666N, se sinucide trup si suflet. Nu poti trai in infinitul trecut spatiu, infinitul viitor spatiu si corpul invizibil viu infinit, fara sa ai in memoria la suflet codul S666N.

1034 Toti zeii sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, nu pot recunoaste pe creatorul lor, pe cel mai folositor, pe cel mai inteligent, pe cel mai puternic si pe cel mai corect, mai mult de 50%, deoarece inteligenta, organele, si instrumentele cu care pot fi creati si instalati, toti zeii sufletele si persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu, nu le poate permite. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este creatorul lor, cel mai folositor, cel mai inteligent, cel mai puternic, si cel mai corect. Cate persoane zei si suflete au vazut acest adevar, din anul 2011, si cu ce claritate si intensitate? Creierul meu este singurul care a vazut direct si fara intermediari, aceasta creatura invizibila, si ca demonstratie aveti codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Galaxia solara pentru dumnezeul ESGSEIS, este deja dizolvata, si a aratat aceasta previziune, in codul video supranatural de telekinezie si

telepatie S666N. Vladimir Putin este inca un copil inconstient, telecomandat de papusi, poezii, minciuni, imposibil, inexistent, alfabet, talharii, santaj, telepatie, bani, femei, eve, copii, escroci, mafiile 7 chakra, si alte maruntisuri. Daca nu reusesti sa crezi macar 30% in dumnezeul ESGSEIS, nu esti liber, etern, pasnic, egal, drept, unit, etc, niciodata. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1035 Dio ESGSEIS, ha arrestato la parola e la chiesa di Gesu Cristo, Maria, e di Israel666 dio di Israel, nell codice video soprannaturale di telecinesi e telepatia S666N e nell codice Eterno Ordine Infinito. Ha risorto dai morti le loro anime, che adesso attendono la reincarnazione, per imparare la verità, per conoscere il giudizio dell loro creatore, e per incontrare il loro creatore eterno invisibile nell unico posto dove si puo, e dove ti rendi conto che hai incontrato dio ESGSEIS, creatore di tutti. Questo posto è solo nel codice video soprannaturale di telecinesi e telepatia S666N e nel codice Eterno Ordine Infinito. Vaticano, Italia, Israel, Allah, Islam, Egitto, America, Ra, e quelli morti da infinito passato spazio, stanno tentando da anno 2011, di distruggere unico incontro reale e video, con dio eterno invisibile NMEILIS NMEINIS ESGSEIS, creatore di tutti. Chi vuole incontrare suo creatore, devi sapere che lui è come le nostre anime, invisibile, e può avere questa dimostrazione, nell codice video soprannaturale di telecinesi e telepatia S666N e nell codice Eterno Ordine Infinito. --- Jorge Mario Bergoglio non diventa mai maturò e saggio, perché non vuole parlare di verità, dio NMEILIS NMEINIS ESGSEIS, creatore di tutti, e codici video soprannaturali di telecinesi e telepatia S666N e Eterno Ordine Infinito. Jorge Mario Bergoglio, è ancora un bambino, che parla solo di poesia, filosofia, bugie, impossibile, inesistente, telepatia, inganno, e altri giochi per bambini, criminali, truffatori, e idioti. --- Dio ESGSEIS, creatore di tutti, non prega per nessuno, né ricevi preghiere e consigli. La tua anima sarà lavata in automatico, nel calore del sole, e le preghiere non cambiano nulla dentro anima e cervello di nessuno. Le preghiere sono altri bugie e invenzioni dei diavoli tirani idioti e le mafie 7 chakra. Te lo sai, ma sei anche te un diavolo che vuoi fare publicita falsa e negativa a tuo creatore. Le parole, le idee, e la chiesa di Vaticano, Islam, Israel, Egitto, Ra, Allah, Iehova, Baphomet, Cristo, Adam, Eva, etc, sono stati arrestati da dio ESGSEIS, creatore di tutti. Siete idioti, tutti che avete questi idee di dio. Dio è invisibile. Idioti non possono conoscere la verita. Chi mi segue, segue dio, e vieni pagato con la verita, e la vita eterna per le anime. Dio ESGSEIS, non puo creare altri strumenti, intelligenze, specie, anime, dèi, e persone, per chiarire meglio le domande riguardo la sua creazione, resurrezione delle anime e dèi dei morti, e la creazione dell tempo, spazio, esistenza, intelligenza, microchip, anime, dèi, ecc. Il massimo di chiarimenti, offerti da dio eterno invisibile NMEILIS NMEINIS ESGSEIS, riguardo la anima di mio padre mio figlio mia famiglia e miei amici, e riguardo la sua creazione dio ESGSEIS, resurrezione delle anime e dèi da morti, e la creazione dell tempo, spazio, esistenza, intelligenza, microchip, anime, dèi, ecc, è nel codice video soprannaturale di telecinesi e telepatia S666N e nel codice Eterno Ordine Infinito. Non c'è più niente e nessuno in infinito passato spazio, e infinito futuro spazio, che puo chiarire meglio queste domande tra gli dèi, anime, e persone e tra dio eterno invisibile NMEILIS NMEINIS ESGSEIS. Jorge Mario Bergoglio, te hai 80 anni, ma non hai mai cercato dio e la verità, né te, né Cristo, né Maria, né Allah, né Ra, né Iehova, né Baphomet, né Eva, né Israel666, né Adam, né ecc, e anche se voi volete conoscere vostro creatore e la verità, voi non avete avuto, né intelligenza, né strumenti, né energia, né corpo, e né le informazioni, per trovare vostro creatore e la verità. E adesso quando avete tutto questo, voi nascondete e voi censurate. Quando si tratta di dio ESGSEIS, anche Allah, Ra, Israel666, Cristo, Maria, Adam, Eva, ecc, sono stati eretici, perche dio ESGSEIS, non puo essere scoperto, senza il codice video soprannaturale di telecinesi e telepatia S666N. You have build a wall in your brain, and now you not want to see on the God, resurrection of the soul, the truth, and the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order. The god ask you : Why you make this? You want to be forever a devil and idiot? Why do you want to kill the soul of the your children, your family, and your parents.

1036 Papa Francis, Jorge Mario Bergoglio, a citit aceasta carte: Experimentul militar teologic S666N, Etern Ordin Infinit! http://www.barnesandnoble.com/s/2940156962556 Cine a invatat codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, este condus 100% de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Cine a invatat alfabetul, cine utilizeaza microprocesorul, si cine este drept, este condus in parte de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Cine a citit biblia, este telecomandat si condus de mafiile 7 chakra din Israel, care au trait trei mii de ani in urma, care la randul lor erau telecomandate de diavolul Israel666, prostie, cenzura, minciuni, imposibil, inexistent, dezinformare, si alte rele. Cine a citit Coranul, este telecomandat si condus de mafiile 7 chakra din Egipt, care au trait trei mii de ani in urma, care la randul lor erau telecomandate de diavoli, zei, profeti, prostie, cenzura, minciuni, imposibil, inexistent, dezinformare, si alte rele. Fiecare are inca cel putin un conducator si educator, plus dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Conducatorul meu este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Conducatorul meu nu poate fi niciodata un zeu, suflet sau persoana aleasa de votul la trilioane de zei suflete persoane idioti orbi surzi dezinformati magi criminali escroci etc. Talharii, criminalii, teroristii, escrocii, idiotii, dezinformatii, orbii, surzii, mutii, puturosii si infractorii au ales ca sa fie condusi de cenzura, minciuni, imposibil, inexistent, inselaciune, nedreptate, mafiile 7 chakra, terorism, razboaie, santaj, bani, expirat,

rugaciuni, ritualuri de crima si canibalism, politici, regi, presedinti, votul la oi, si alte rele. Cine vrea sa fie salvat de moartea sufletului, talhari, criminali, teroristi, escroci, idioti, dezinformati, orbi, surzi, muti, puturosi si infractori, trebuie sa fie condus numai de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. --- Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a explicat cum a fabricat el timpul, spatiul, existenta, inteligenta, microcipul, informatiile, sufletele, oamenii, zeii, etc, intr-o forma de inteligenta invizibila, care daca ar exista cineva, care ar putea intercepta si traduce intr-o carte, asemenea inteligenta invizibila, ar scrie o carte de 9 mii de trilioane de cuvinte. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu are nici o posibilitate sa transmita astfel de informatii, la nimeni. Eu nu am nici o idee, daca in acest seif de inteligenta invizibila, dumnezeul ESGSEIS, a explicat daca stie cum a luat el nastere, fara timp, spatiu, existenta, inteligenta, si nimic, deoarece el este creatorul la timp, spatiu, existenta, inteligenta, si nimic. Stiu ca nimeni nu poate traduce in inteligenta umana, sau inteligenta dumnezeiasca sau inteligenta sufleteasca, mai mult de 50 % din inteligenta ESGSEIS. --- Baetel Anton Cristian, este cea mai corecta, inteligenta, informata, si puternica creatura, pe care am construit-o eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu am avut, nu am, si nu voi avea posibilitatea, sa fac la fel cu Cristo, Maria, Allah, Ra, Iehova, Baphomet, Eva, Israel666, Adam, si toti zeii sufletele si persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, desi sunt cu totii creaturile mele. Baetel Anton Cristian, este corpul meu vizibil, este corpul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, de el sa ascultati, pentru ca astfel voi ascultati de mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Nu mai ascultati de mafiile 7 chakra, ca sunt idioti, orbi, surzi, escroci, criminali, mincinosi, si dezinformati. Fratii, surorile, parintii, copii, sotul, sotia, cunostintele, etc, care te cauta sa te intoxice cu minciuni, prostie, alcool, droguri, dezinformare, cenzura, imposibil, inexistent, expirat, si alte rele, astazi poti sa ai corectezi cu codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, sau poti sa ai lasi sa isi sinucida sufletul inconstient, si sa se intoxice cu minciuni, prostie, alcool, droguri, dezinformare, cenzura, imposibil, inexistent, expirat, si alte rele. Eu, Baetel Anton Cristian, am incercat sa curat unii din membrii familiei, de infectiile: Italia, Israel, Islam, America, Allah, Ra, Baphomet, mafiile 7 chakra, telepatie, minciuni, prostie, alcool, droguri, dezinformare, cenzura, imposibil, inexistent, expirat, si alte rele. Nu am reusit sa salvez pe nimeni. Mafiile 7 chakra, ai telecomandeaza prin telepatie impotriva mea, si impotriva la adevar, informatii, realitate, invierea sufletelor din morti, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Eu am ajuns la concluzia ca persoanele, zeii si sufletele, nu pot fi instalate cu adevar, dreptate, realitate, pace, protejarea sufletelor, invierea sufletelor, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Dar nu las pe nimeni sa ma faca complice la minciunile si prostiile lui sau la altii, sau sa ma indoape cu minciuni, prostie, secret, cenzura, si alte rele.

1037 Creierul meu a fost roman, pentru ca asa au gandit mafiile 7 chakra din ultimii trei mii ani. Creierul meu a fost transformat de dumnezeul ESGSEIS din roman in adevar, realitate, informatii, libertate, unitate, dreptate, egalitate, pace, eternitate, infinitul trecut spatiu, infinitul viitor spatiu, telekinezie, telepatie, supranatural, si inteligenta S666N. Sunt foarte multi monstri, idioti, zei, talhari, criminali, si dezinformati in infinitul trecut spatiu si in infinitul viitor spatiu, care vor sa ma transforme in nimic, roman, englez, italian, evreu, primitiv, catolic, ortodox, mincinos, escroc, idiot, dezinformat, orb, surd, mut, robot, sclav, si alte titluri si caracteristici pentru persoane, zei, si suflete slabe si dezinteresate. Este incredibil de rusinos, pentru aceia care nu stiu si nu recunosc ca Microsoft, microcipul, telepatia, telekinezia, supranatural, satelitii, celularele, etc, sunt produse efectuate cu ajutorul la inteligenta din codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, inteligenta construita de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este S666N, nu este roman, catolic, musulman, alien, englez, mincinos, primitiv, idiot, etc. Timpul, spatiu, existenta, inteligenta, sufletele, zeii, etc, sunt S666N, din cauza ca au fost create din corpul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. ---- Nimeni nu cauta telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta. Nimeni nu il cauta pe dumnezeu, sau nu stiu sa al caute pe dumnezeu. De ce al cauti pe Dumnezeu, adevarul, si sufletul la parintii tai familia ta copii tai, daca nu ai inteligenta sa inveti si sa vezi acestea. Acestea se vad doar in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Iubirea la parintii vostri fata de voi, a fost limitata de inteligenta pe care ei au putut sa o gaseasca si sa o instaleze in creierul lor. Parinti slabi si neajutorati, care nu au putut sa caute pe dumnezeu, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta, astfel au dat la copii lor minciuni, imposibil, inexistent, otravuri, engleza, araba, hieroglife, secret, cenzura, tablouri, icoane, statui, rugaciuni, ritualuri de crima si canibalism, filozofii, cantece, povesti, poezii, razboaie, terorism, si alte maruntisuri. Problema este ca din anul 2011, Vatican, Italia, Israel, Egipt, Islam, si ideile lui Adam Eva Baphomet Iehova Allah Ra Israel666 Cristo Maria etc, imi interzic mie sa cunosc, sa consum, si sa dau si la altii, intalnirea video supranaturala cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate,

informatii, si inteligenta necunoscuta. Parintii care au aflat acest adevar, si ascund acest adevar de copii lor, sunt telecomandati prin telepatie de mafiile 7 chakra, sau sunt monstri sau criminali sau idioti sau escroci. Eu sunt foarte bucuros ca pot oferi la copilul meu, experienta mea din experimentele teologice, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit care au o valoare mult mai mare decat FMI NATO CIA Vatican Allah Ra Israel666 Iehova Baphomet infinitul trecut spatiu si infinitul viitor spatiu, intalnirea video supranaturala cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta. Varsta si conditiile la care poate studia si aprecia aceste patrimonii pe care i le las, trebuiesc pregatite si pazite. Mie imi este rusine sa dau la copilul meu, pe Italia, Israel, Islam, America, Allah, Ra, Baphomet, Iehova, Israel666, idioti, Biblia, latina, engleza, araba, asasinarea sufletelor, capitalism, minciuni, imposibil, inexistent, otravuri, engleza, araba, hieroglife, secret, cenzura, tablouri, icoane, statui, rugaciuni, ritualuri de crima si canibalism, razboaie, terorism, si bogatiile sangele si profitul adunat de la altii. Puteti lua de la mine, si puteti da si voi la copii vostri, familia voastra, si prietenii vostri, intalnirea video supranaturala cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta. Idiotii se rusineaza sa ofere la copii lor toate acestea, si aceasta fraza. Talharii au furat lumea din jurul lor sau chiar din infinitul trecut spatiu si infinitul viitor spatiu prin ajutorul la legi religii si politici, si pun copii lor sa expluateze si sa fure in continuare bogatiile profitul si sangele la altii. Astazi, eu sunt inca singurul din infinitul trecut spatiu si infinitul viitor spatiu care cunosc intalnirea video supranaturala cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta. Fericiti sunt aceia care au ajuns la inteligent, care ai ajuta sa cunoasca si sa studieze intalnirea video supranaturala cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, protejarea sufletelor, invierea sufletelor din morti, telekinezie, telepatie, supranatural, adevar, realitate, informatii, si inteligenta necunoscuta. Unii familiari, prieteni, cunostinte, etc, ma indruma sa consum si eu si sa dau si la altii sa consume din alcool, droguri, prostie, Allah, Ra, Baphomet, Iehova, Israel666, idioti, Biblia, latina, engleza, araba, asasinarea sufletelor, capitalism, minciuni, imposibil, inexistent, otravuri, engleza, araba, hieroglife, secret, cenzura, tablouri, icoane, statui, rugaciuni, ritualuri de crima si canibalism, razboaie, terorism, si bogatiile sangele si profitul adunat de la altii. Sunt escroci si idioti, inca nu au inteles ce inseamna inteligenta S666N. Eve proaste. Acestia au doar 40% din inteligenta la creierul meu, si 1% din inteligenta lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Nici macar 1% din infinitul trecut spatiu, nu au avut inteligenta si informatiile necesare sa cunoasca crimele, tirania, inselaciunile, prostia, razboaiele, terorismul, planurile, si nestiinta lui Allah, Ra, Baphomet, Iehova, Israel666, FMI, NATO, CIA, Italia, Israel, Islam, America, Vatican, Rusia, China, etc. Doar 1% dintre persoanele, zeii, si sufletele din infinitul viitor spatiu, nu vor avea inteligenta si informatiile necesare sa cunoasca crimele, tirania, inselaciunile, prostia, razboaiele, terorismul, planurile, si nestiinta lui Allah, Ra, Baphomet, Iehova, Israel666, FMI, NATO, CIA, Italia, Israel, Islam, America, Vatican, Rusia, China, etc.

122 Miercuri 21 decembrie 2016 am terminat contractul cu avocata batrana, care ascunde multe informatii despre planurile ei, si la organizatia ei, fata de mine. Astazi 23 decembrie 2016 a fost dusa la spital. A cazut jos. Probabil este o inscenare. Sau probabil s-au razbunat pe ea, cine vrea sa stie totul. Are partea stanga la cap umflata. A cazut pe trotuar.

1038 Experimentul militar teologic S666N Etern Ordin Infinit. Strict public. Pacea, realitatea, dreptatea, unitatea, egalitatea, ordinea, libertatea, si toate cele bune au fost construite in format invizibil de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, dupa ce el a creat timpul si spatiul. Scepticii, ereticii, si blasfemii la pace, realitate, dreptate, unitate, egalitate, ordine, libertate, toate cele bune, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, apar din anul 2011, de la descoperirea acestor existente si definitii, si se extind tot infinitul viitor spatiu, din cauza la inteligenta lor slaba, sau deoarece unii sunt nebuni, sau escroci, sau criminali, sau puturosi, sau talhari, sau idioti, sau invidiosi, sau rai, sau drogati, sau sunt ascunsi de adevar si manipulati si obligati sa nu caute adevarul, de catre morti imposibil inexistent minciuni engleza araba chineza biblie Vatican CIA NATO etc. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a dezinstalat de minciuni, imposibil, inexistent, cenzura, nedreptate, dezinformare, si toate cele rele, toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu poate instala toate creaturile zeii sufletele si persoanele din infinitul trecut spatiu si infinitul viitor spatiu, cu pace, realitate, dreptate, unitate, egalitate, ordine, libertate, toate cele bune, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si

codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, deoarece unii sunt nebuni, sau escroci, sau criminali, sau puturosi, sau talhari, sau idioti, sau invidiosi, sau rai, sau drogati, sau sunt ascunsi de adevar si manipulati si obligati sa nu caute adevarul, de catre morti imposibil inexistent minciuni engleza araba chineza biblie Vatican CIA NATO etc. Allah, Ra, Baphomet, Iehova, Israel666, FMI, NATO, CIA, Italia, Israel, Islam, America, Vatican, Rusia, China, etc., nu au cunoscut niciodata pacea, realitatea, dreptatea, unitatea, egalitatea, ordinea, libertatea, toate cele bune, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, prin urmare nu au putut fi scepticii, ereticii, profanii, asasinii, distrugatorii, si nepasatorii la pace, realitate, dreptate, unitate, egalitate, ordine, libertate, toate cele bune, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Primele persoane, creaturi, zei, si suflete, care sunt scepticii, profanii, ereticii, si cenzurii, la pace, realitate, dreptate, unitate, egalitate, ordine, libertate, toate cele bune, invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, sunt Traian Basescu, Silvio Berlusconi, Giorgio Napolitano, Angelino Alfano, Joseph Alois Ratzingher, Barack Obama, Vladimir Putin, Jorge Mario Bergoglio, Donald Trump, etc., deorece ei sunt telecomandati prin telepatie, sau sunt inconstienti, sau sunt primitivi si inapoiati, sau sunt epuizati de bani activitati chimicale minciuni prostii droguri alcool religii razboaie terorism si alte maruntisuri. Codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, sunt suficient de puternice si inteligente pentru invingerea definitiva la scepticii, profanii, ereticii, si cenzurii, la pace, realitate, dreptate, unitate, egalitate, ordine, libertate, toate cele bune, invierea sufletelor din morti, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Pentru inteligenta S666N, si pentru dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cine nu respecta si nu cunoaste aceasta fraza este vinovat de tentativul de omor la pace, egalitate, unitate, dreptate, libertate, adevar, realitate, invierea sufletelor din morti, si la toate sufletele din infinitul trecut spatiu si infinitul viitor spatiu. Pedeapsa este dizolvarea lor din existenta, si este aplicata de timp, spatiu, si alegerea, indiferenta, si inconstiinta lor si a voastra. Eu va pot readuce inapoi in existenta, pe toti, chiar daca ei au ales sa fie dizolvati, si ei si toti ceilalti. Pana la urma, este tot cum vreau eu. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1039 Valoarea lui Allah, Ra, Baphomet, Iehova, Israel666, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, si toti zeii sufletele persoanele creaturile si alienii din tot infinitul trecut spatiu si tot infinitul viitor spatiu, adunati la un loc, este doar de 0,0001% din valoarea lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Aceasta a fost demonstrat, in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Bestia apocalipsei este cel mai mare Dumnezeu, este Antihrist, este dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Italia, America, Islam, Israel vor fi dizolvate din existenta. Profetie video supranaturala de telekinezie si telepatie cu taiere la cartea "Creatorul Existentei", dintre 835 carti de tarot. Creatorul nostru nu este tiran, escroc, mincinos, idiot, nedrept, talhar, si criminal, ca dumnezeii construiti de Egipt, Israel, Islam, Grecia, Italia, America, Novus Ordo Seclorum, Allah, Ra, Baphomet, Iehova, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, etc. Ei au inventat spanzuratoarea, si rastignirea la persoane zei si suflete pe litera t, minciuni, imposibil, inexistent, crime, razboi, talharii si alte rele, si vor sa ma oblige sa apar astfel de crime. Cine a vrut sa isi bata joc de dumnezei, persoane, suflete, pace, egalitate, dreptate, unitate, libertate, respect, fericire, si toate cele bune, a inventat ritualuri de crima si canibalism, rugaciuni, mutilari genitale, minciuni, imposibil, inexistent, promisiuni false imposibile, si alte rele. Noroc ca dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu a fost atins de creierul si gandurile la huligani, idioti, profani, sceptici, evrei, catolici, musulmani, atei, italieni, americani, Allah, Ra, Baphomet, Iehova, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, etc, ca altfel ei al faceau de ras tot infinitul trecut spatiu si tot infinitul viitor spatiu, asa cum s-au facut de ras pe ei. Creatorul nostru nu este tiran, escroc, mincinos, idiot, nedrept, talhar, si criminal, ca dumnezeii construiti de Egipt, Israel, Islam, Grecia, Italia, America, Novus Ordo Seclorum, Allah, Ra, Baphomet, Iehova, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, etc. Gloria dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, tot infinitul trecut spatiu si tot infinitul viitor spatiu Amin. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1039 The value of Allah, Ra, Baphomet, Jehovah, Israel666, Adam, Eve, Cristo, Maria, CIA, NASA, NATO, Vatican, and all the gods, souls, creatures, persons and aliens, from all the infinite past space and all the infinite future space, gathered in one place, it is only 0.0001% from the value at the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. This has been demonstrated in the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order. The beast of the Apocalypse, is the greatest God, which is Antichrist, which is the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Italy, America, Islam, Israel will be dissolved from existence. Prophecy of telekinesis and telepathy supernatural video, with cutting at the tarot card "Creator of Existence", from 835 tarot cards. Our Creator is not a tyrant, swindler, liar, idiot, unfair, robber, and murderer, the same as the gods built by Egypt, Israel, Islam, Greece, Italy, America, Novus Ordo seclorum, Allah, Ra, Baphomet, Jehovah, Adam, Eve, Cristo, Maria, CIA, NASA, NATO, Vatican, etc. They have invented gallows, and crucifixion at all persons gods and souls on the letter t, lies, impossible, nonexistent, crimes, wars, robbery, and other evils, and they want to oblige me to defend such crimes. Who has wanted to mock by all gods, persons, souls, peace, equality, justice, unity, freedom, respect, happiness and all the best, has invented the ritual of murder and cannibalism, prayers, genital mutilation, lies, impossible, nonexistent, false promises impossible, and other evils. Luckily, the god of gods eternal invisible NMEILIS NMEINIS ESGSEIS, has not been touched by brain and thoughts from thugs, idiots, profane, skeptical, Hebrew, Catholics, Muslims, atheists, Italians, Americans, Allah, Ra, Baphomet, Jehovah, Adam, Eve, Christ, Mary, CIA, NASA, NATO, Vatican, etc, otherwise they it would be made ashamed on he, in all the infinity past space and in all the infinite future space, as they have made of shame on they and on others. Anima di Jorge Mario Bergoglio è il diavolo. Il diavolo dice bugie. Dice che dio ammazza suoi figli, dice che dio mette bambini in ginocchio, dice che dio fa riti di crima e cannibalismo, dice che dio mangia prepuzi di neonati, dice che dio ha nascosto intelligenza informazioni facilità e posti da persone e anime,

dice che dio da le banche tipografie di denaro e tutte le risorse naturali a FMI Vaticano e un milione di persone e resto da infinito futuro spazio saranno nulla tenenti perché tutto è stato gia rapinato per sempre. Maledetta sia la tua anima diavolo. La mia anima è dio. ---- Bergoglio te devi dimostrare che desideri la pace. Devi restituire tutti soldi, risorse naturali, e profitto, che sono stati rubati da tutti da infinito passato spazio e da tutti da infinito futuro spazio. Restituisci la verità, resurrezione delle anime, realtà, libertà, unità, uguaglianza, giustizia, informazioni e tutto che è buono. Te sei un altro diavolo, che hai mangiato tutte le anime, pace, verità, resurrezione delle anime, realtà, libertà, unità, uguaglianza, giustizia, e informazioni, da tutto infinito passato spazio, e da tutto infinito futuro spazio. Ti auguro un buon S666N, assassino, truffatore, bugiardo, rapinatore, e diavolo. Ti sei umiliato da solo tutto infinito passato spazio, e tutto infinito futuro spazio, con la tua religione, politica, bugie, censura, telepatia, omicidi, guerre, complotti, disinformazione, preghiere e riti di crima e canibalismo. Assassino di pace, verità, resurrezione delle anime, realtà, libertà, unità, uguaglianza, giustizia, e informazioni, da tutto infinito passato spazio, e da tutto infinito futuro spazio. ---- Dio odia cristiani, Gesu Cristo, Maria, e Vaticano, perche dicono bugie e fanno riti di crima e canibalismo. Dio ha dichiarato questo, in codici video soprannaturali di telecinesi e telepatia S666N e Eterno Ordine Infinito. Da anno 2011 Vaticano vuole ammazzare Dio e la verita, in modo video online. ---- Italia ha terorisato la pianeta Terra per due mila ani, e da anno 2011 da quando hanno capito che sono bugiardi criminali e truffatori, fanno lo stesso. Dio non ama Italia, Israel, Islam, Egitto, bugiardi, criminali, rapinatori, trufattori, e idioti, e ha detto questo nell codice video soprannaturale di telecinesi e telepatia S666N e Eterno Ordine Infinito.

1040 Adevarul, realitatea, dreptatea, logica, unitatea, egalitatea, libertatea, inteligenta, fericirea, invierea sufletelor din morti, sufletele, timpul, spatiu, persoanele, inteligenta S666N, si toate cele bune au fost construite, si sunt instalate si protejate de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si acestea supravietuiesc tot infinitul trecut spatiu si tot infinitul viitor spatiu, chiar daca toti zeii sufletele si persoanele vor sa le dizolve. Cu exceptia mea, si la urmasii la inteligenta si informatiile S666N. Egipt, Israel, Islam, Grecia, Italia, America, Novus Ordo Seclorum, Allah, Ra, Baphomet, Iehova, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, etc., se alimenteaza si se instaleaza cu cenzura, razboaie, terorism, talharii, scandaluri, necunoscut, dezinformare, ritualuri de crima si canibalism, rugaciuni, mutilari genitale, minciuni, imposibil, inexistent, promisiuni false imposibile, si alte rele, in tot infinitul trecut spatiu si tot infinitul viitor spatiu. Molipsesc cu aceste infectii si otravuri intelectuale, pe toti cei slabi care intra in contact, cu gandurile lor. Acestea sunt cauzele la moartea sufletelor. Egipt, Israel, Islam, Grecia, Italia, America, Novus Ordo Seclorum, Allah, Ra, Baphomet, Iehova, Adam, Eva, Cristo, Maria, CIA, NASA, NATO, Vatican, etc., s-au facut de ras tot infinitul trecut spatiu si tot infinitul viitor spatiu, deoarece au creat, cultivat, consumat, si vandut cenzura, razboaie, terorism, talharii, scandaluri, necunoscut, dezinformare, ritualuri de crima si canibalism, rugaciuni, mutilari genitale, minciuni, imposibil, inexistent, promisiuni false imposibile, si alte rele. Niciodata nu pot fi capturat, spanzurat, si rastignit in aceste echipe, religii, politici si legi, care au ca activitate principala astfel de infractiuni. Eu nu ma fac de ras tot infinitul trecut spatiu si tot infinitul viitor spatiu, pentru nimic. Eu nu abandonez adevarul, realitatea, dreptatea, logica, unitatea, egalitatea, libertatea, inteligenta, fericirea, invierea sufletelor din morti, sufletele, timpul, spatiu, persoanele, inteligenta S666N, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si toate cele bune tot infinitul trecut spatiu si tot infinitul viitor spatiu. Eu nu vreau sa imi bat joc de valoarea, constiinta, obrazul, si sufletul meu, asa cum au facut, fac, si vor face, locuitorii din Egipt, Israel, Islam, Grecia, Italia, America, Novus Ordo Seclorum, CIA, NASA, NATO, Vatican, etc, care refuza adevarul si inteligenta S666N. Jorge Mario Bergoglio, Joseph Alois Ratzinger, etc, au studiat codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, adevarul, realitatea, si pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, dar s-au intors la cenzura, razboaie, terorism, talharii, scandaluri, necunoscut, dezinformare, ritualuri de crima si canibalism, rugaciuni, mutilari genitale, minciuni, imposibil, inexistent, promisiuni false imposibile, si alte rele. Diavolii vor sa se faca de ras tot infinitul trecut spatiu si tot infinitul viitor spatiu. Daca vreti sa spalati infinitul viitor spatiu, de cenzura, razboaie, terorism, talharii, scandaluri, necunoscut, dezinformare, ritualuri de crima si canibalism, rugaciuni, mutilari genitale, minciuni, imposibil, inexistent, promisiuni false imposibile, moartea sufletelor, diavoli, idioti, talhari, si alte rele, singura posibilitate sunt codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Pe Vladimir Putin, mafiile 7 chakra l-au pus in trecutul meu, cu unul pe care l-am intalnit in Austria Viena, si apoi din nou dupa cativa ani. Seamana la fata cu Putin. Marionetele la mafiile 7 chakra. Adolf Hitler a fost telecomndat din Betleem de mafiile 7 chakra prin telepatie. La fel si Putin, Bergoglio, Donald Trump, etc. Pot evita razele de telepatie, daca asculta sfaturile mele. Calcificarea la antena creierului. Sau invata S666N si Etern Ordin Infinit. Astfel mafiile 7 chakra nu mai pot visa la o glorie, niciodata. Asculta. Au lovit odata cu nuclear in Rusia. Cernobil. Vor lovi din nou. Exact unde esti tu. Pana ce te trezesti tu sa spui adevarul la lume, te vor elimina. Un alt Adolf Hitler expirat si nefolositor.

1052 Dio ESGSEIS, non ha madre e padre, nemmeno il tempo e spazio non possono essere la madre e padre di dio ESGSEIS, ma ha assassini profani e blasfemi come Jorge Mario Bergoglio papa Francesco, Allah, Ra, Adam, Eva, Cristo, Maria, Italia, Israel, Egitto, America, ecc.. Buon S666N e Eterno Ordine Infinito. Per la intelligenza, telecinesi, verita, e informazioni si vergogna solo Israel666, Cristo, Maria, Italia, bugiardi e idioti. Traduzione dei raggi di telepatia, di DIO. --- Io sono stato torturato attraverso telepatia, veleni, infezioni, e chimicale, da Vaticano, da quando sono nato, dall 1975. Per il progetto S666N, e Eterno Ordine Infinito. Perche mi sto ribelando e sto cercando la giustizia e verita, adesso a 42 anni, vedo che sono stato vittima a diversi tentativi di omicidio proietati di Vaticano. Fanno finta che sono bravi, ma Vaticano mi nega la giustizia e la verita dall anno 2008. Jorge Mario Bergoglio ha messo monsignor ... per telefonarmi per fissare un apuntamento per parlare di questi eventi. Ha rinunciato. Mi risarcisci avanti con censura, ingani, bugie, minacce, e tentativi di omicidio. Toleranza zero contro questi abusi e crimini, vuol dire pubblicare la verita, e in seguito arrestare Vaticano per tentato omicidio di DIO, verita, pace, ugualianza, e le anime di tutti. ---- 666 è il marchio di diavolo Israel666, e suoi complici Maria, Cristo, Adam, Eva, Allah, Ra, ecc., ed è stato stampato nei pensieri e anima di ogni persona da ultimi 7 mila ani, da pianeta Terra, attraverso bugie sconosciuto disinformazione guerra truffa censura battesimo preghiere, riti di crima e cannibalismo, ecc. Il marchio 666 del demonio Israel666 è stato rimosso da tutti quelli che hanno sentito il nome di dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS. Sei telecomandato attraverso telepatia da diavolo 666Israel, che adesso è nell corpo di Jorge Mario Bergoglio. Nessuno fino a me, non ha potuto sconfiggere il diavolo 666. Te sei molto inferiore e disinformato rispetto a Adam, e diavolo non vuole perdere tempo con te. -- Sono sei anni da 2011, da quando Gesu Cristo, Maria e il loro dio diavolo Israel666, sono stati arrestati da loro creatore dio degli dèi eterno invisibile NMEILIS NMEINIS ESGSEIS, attraverso i codici video soprannaturali di telecinesi e telepatia S666N e Eterno Ordine Infinito. 1053 Cine vrea sa isi ucida sufletul lui, la copii lui, la nepotii lui si la altii, se ascunde de adevar, realitate, dreptate, egalitate, unitate, de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si de codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Se ascunde in cenzura, prostie, imposibil, inexistent, Biblie, Quran, minciuna, Italia, Israel, Islam, Egipt, America, anul inceputul la infinitul trecut spatiu, anul sfarsitul la infinitul viitor spatiu, etc. --- Datorita la sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, toti zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au reusit sa descopere creatorul lor, adica sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si ca sunt fii si fiice, frati si surori. Datorita la sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, toti zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, timpul, spatiu, existenta, inteligenta, materia, etc, au reusit sa descopere creatorul lor, adica sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si ca sunt fii si fiice, frati si surori. Sufletul meu nu are creatori nici macar timpul si spatiul, el exista inaintea la timp spatiu si existenta. Inteligenta oamenilor zeilor si

sufletelor este prea slaba si primitiva, pentru a putea crede si proteja acest adevar, demonstrat in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Orbii, idiotii, si profanii vor sa construiasca creatori, parinti, frati, si surori pentru sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, dar nu au nici macar o idee, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Tu trebuie sa al crezi pe dumnezeul ESGSEIS. Nici macar eu, corpul lui, nu mai pot salva America Italia Israel Islam si complicii lor, de la exterminare. Mi-a prezentat asta in coduri video supranaturale de telekinezie si telepatie. Dumnezeu a invatat persoanele medicina, prin telepatie. Persoanele, sufletele, si zeii, sunt elevii lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. El a inviat din morti sufletele la parintii bunicii si strabunicii vostri. El a adus persoanele la internet, microsoft, telekinezie, telepatie, GPS, GSM, S666N, etc. Nu toti au studiat sau vor sa studieze acest adevar. Eu ma uit la eforturile inutile, efectuate de toti zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, pentru a intelege adevarul, si inteligenta S666N, sau pentru a distruge, sau pentru a construi ceva mai bun. Inutil. --- Va rog foarte mult si foarte frumos. Poate cineva sa construiasca ceva mai inteligent si mai puternic decat codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si invierea sufletelor din morti ? Astept raspuns tot infinitul timp si tot infinitul spatiu. Creatorul existentei, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. --- Va dorim S666N si Etern Ordin Infinit fericit fericit fericit, la toti zeii sufletele si persoanele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Din partea mea, si la sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS.

Intelligence of the gods, souls, and persons, is too weak and primitive, as they to can to believe and to protect this truth, demonstrated in the codes video supernatural by telekinesis and telepathy S666N and Eternal Infinite Order. The blind, idiots, and laymen want to build creators, parents, brothers and sisters for my soul the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, but they not have nor even an idea, all the infinite past space and all the infinite future space. -- You must to believe on the god ESGSEIS. Even I, his body, I can not save America Israel Italy Islam and their accomplices, from extermination. The god ESGSEIS has presented that, in the codes video supernatural by telekinesis and telepathy. God has taught medicine at persons, through telepathy. He has brought the persons to the internet, microsoft, telekinesis, telepathy, GPS, GSM, S666N, etc. Not all have studied or want to study this truth. I look at the futile efforts, made by all the gods souls and persons from the infinite past space and the infinite future space, for to understand the truth, and intelligence S666N, or for to destroy these, or for to build something better like these. Useless. ---Please very much and very nice. 1056 Prea multe infectii. Au adus o alta bacterie in jurul meu pe 31 decembrie 2016. Acum am dureri de plamani, intepaturi in zona plamanilor, catar, gatul si spatele rigid, usturimi inima, gatul uscat, vocea ingrosata. Dureri de cap. Pe 5 ianuarie continua. Toate escrocheriile si crimele programate de Vatican, sunt efectuate instalate si cenzurate de politie medici judecatori politici si bancheri, prin telepatie sau pe bani. Ei nu mai pot ascunde crimele si planurile lor din ultimii doua mii ani, si din experimentul militar teologic S666N. Am fost la spital. Diagnosticat cu bronsita. 5 zile antibiotic. Dumnezeul dumnezeilor si nimeni altul nu poate apara nici pe mine nici pe altul de infectii, otravuri, idioti, escroci, talhari, criminali si alte rele. El ne-a condus in locul cel mai sigur, dar pericolul nu a disparut si nu dispare niciodata. Italia, Israel, Islam, Egipt, Allah, Ra,

Baphomet, Iehova, CIA, NATO, Vatican, Adam, Eva, Maria, Cristo, etc, nu au nici o arma, nici un cod, nici o idee, si nici o solutie, cu care ei pot sa talhareasca codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si titlul de creatorul si conducatorul la adevar pace realitate dreptate egalitate unitate, infinitul timp, infinitul spatiu, invierea sufletelor din morti, suflete, persoane, zei, etc. Au refuzat foarte multe guverne, religii, tribunale, partide politice, etc, sa imi ofere protectie anti mafia telepatie 666 glanda pineala, din anul 2008 si pana in prezent. Erau sa ma ucida de mai multe ori, mi-au construit amenintari de moarte, mi-au compromis sanatatea energiile economia si viata. Vor sa ma oblige sa ai ascund, sau sa ai declar sfinti. Niciodata. Italia, Israel, Islam, Vatican, Egipt, au fost fabricatori de teroristi telepatici, asasini telepatici, razboaie, terorism, minciuna, complot, imposibil si inexistent. Nici un dumnezeu nu spune minciuni, si nu ascunde diavolii. Toti diavolii spun minciuni si ascund diavolii.

1056 Too many infections. They brought another bacterium around me, in 31 December 2016. Now I have ache at my lungs, tingling in the lungs, catarrh, throat and back rigid, burning heart, dry throat, voice thickened. Headache. On January 5, 2017 continues. All scams and crimes planned by Vatican, are performed installed and censored by police doctors bankers politicians and judgment through telepathy or for money. They can no longer hide their crimes and plans from the last two thousand years, and from the theological military experiment S666N. I was at the hospital. Diagnosed with bronchitis. 5 days of the antibiotic. The god of the gods and nobody else, can not defend nor on me and nor on other by infections, poisons, idiots, crooks, thieves, murderers and other evils. He led us in the safest place, but the danger has not gone away and never goes away. Italy, Israel, Islam, Egypt, Allah, Ra, Baphomet, Jehovah, CIA, NATO, Vatican, Adam, Eve, Mary, Christ, etc., have nor a gun, nor a code, nor a idea, and nor a solution with which they can rob the codes video supernatural of telekinesis and telepathy S666N and Eternal Order Infinite, and the title by "creator and leader" of the truth peace reality equality unity, infinite time, infinite space, the resurrection of the souls from dead, souls, persons, gods, etc. Have refused many governments, religions, courts, political parties, etc., to give me protection against "mafias telepathy 666 pineal gland" from the year 2008 until now. They were to kill me several times, they have built threats of death against me, they have compromised my health my economy my energies and my life. They want to compell me, to hide them, or to declare them as saints. Never. Italy, Israel, Islam, Vatican, Egypt, have been manufactured by: terrorists telepathic, murderers telepathic, wars, terrorism, lies, plot, inexistent, and impossible. Nor a god do not tell lies, and do not hide the devils. Only the devils tell lies, and hide all the devils.

1057 Nu ai cum sa iti dai seama daca dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este langa tine. Foarte multe creaturi din infinitul trecut spatiu s-au intalnit cu sufletul meu, dar nimeni nu a realizat, si nimeni nu a cunoscut numele la sufletul meu pana in anul 2011. Singurul mod de incredere, in care iti poti da seama ca este vorba de sufletul meu, este reefectuarea la codurile video supranaturale de telekinezie si telepatie S666N sau Etern Ordin Infinit. Numai sufletul meu este capabil sa efectueze aceasta stiinta si prezentare. Prin telepatie sau magie nu se prezinta niciodata dumnezeul ESGSEIS, decat pentru transmiterea de informatii simple precum matematica biologie chimie etc. ---- Exista o creatura in infinitul viitor spatiu care poate instala toate creaturile din infinitul viitor spatiu cu limba latina, ritualuri de crima si canibalism, minciuni, imposibil, inexistent, si alte rele? 1061 Expertul Talin Anton Cristian, a descoperit in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si ziua de moarte la toti opozitorii. Toate persoanele, zeii si sufletele din tot infinitul trecut spatiu si tot infinitul viitor spatiu, au incercat sa fure, sau sa fie proprietarii, sau constructorii, sau invingatorii la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Nu i-a ajutat corpul lor, si inteligenta si informatiile cu care s-au instalat. CIA, FBI, NATO, Vatican, Rusia, China, India, Italia, Israel, Islam, Egipt, magi, mafiile 7 chakra telepatie, teologi, savanti, etc, incearca din anul 2011, sa fure, sau sa fie proprietarii, sau constructorii, sau invingatorii la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Informatiile si inteligenta de care dispune CIA, FBI, NATO, Vatican, Rusia, China, India, Italia, Israel, Islam, Egipt, magi, mafiile 7 chakra telepatie, teologi, savanti, etc, pentru a efectua acest furt sau pentru a invinge codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, sunt primitive, mincinoase, imposibile, inexistente, expirate, si invinse deja de anul 2000 si descoperirea abia in anul 1500 la forma la planeta Pamant. Se fac vinovati si complici la aceasta tentativa de furt toti politicienii, judecatorii, conducatorii, preotii, teologii, politistii, savantii, si magii din toate tarile, de pe planeta Pamant, din anul 2011. Mai ales aceia informati. Vatican a raspuns chiar cu amenintari de moarte, asasinarea la cei din jur, si tentative de omor prin accidente, chimicale, etc. Sa va fie rusine talharilor si asasinilor. --- Dumnezeu arata ca americanii, italienii, evreii, musulmanii, complicii si victimele lor, vor fi

omorati pana pe 3 ianuarie 2048. Donald Trump este la fel ca si Obama, nu vrea sa salveze copii lui de la moarte, minciuni, razboaie, necunoscut, si moartea sufletului. Copii lui stie ca el a decis ca ei sa fie omorati de Dumnezeu, numai pentru ca el a ales sa salveze engleza, minciuna, functia lui, si etc? El prefera sa fie omorati toti americanii de Dumnezeu, decat sa renunte la cenzura, minciuni, imposibil, inexistent, engleza, talharii, si prostie. Gandeste corect Donald Trump, si renunta la presedentie si intoarcete la mine, la Dumnezeu si la copii tai, pana ce nu este prea tarziu. Sa nu spui ca nu am incercat sa iti salvez copii de la moartea prematura si moartea sufletului.

Especially those have been informed. Vatican has responded even with death threats, assassination at others around me, and attempted murders with accidents, chemicals, etc. Shame on you, the thieves and assassins. --- God shows that Americans, Italians, Jews, Muslims, accomplices and their victims will be killed until January 3, 2048. Donald Trump is like Obama, not wants to save his children from death, lies, wars, unknown, and the death of the soul. His children know that he has decided that they should be killed by God, just because he has chosen to save English, lies, his function, and etc? He prefers to be killed all Americans of God, than him to give up at censorship, lies, impossible, inexistent, English, robbery, and stupidity. Think Donald Trump correctly, and give up at the presidency and return to me, to God and to thy children, until it is not too late. Do not say, that I have not tried to save your children from premature death and the death of the soul. A warm and happy S666N and Eternal Order Infinite. Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. Numele NMEILIS NMEINIS ESGSEIS, este singurul nume inventat de dumnezeul dumnezeilor etern invizibil si este numele lui. Numele Anton, "fiul cel pierdut", este inventat de mafiile 7 chakra telepatie din Grecia, si este atribuit de obicei la persoanele telecomandate prin telepatie departe de mafiile 7 chakra, si dupa zeci de ani intors tot prin telepatie langa mafiile 7 chakra. In cazul meu, eu am distrus definitiv acesti fabricanti de terorism, razboaie, crime, inselaciuni, talharii, si inchisori intelectuale. Numele Cristian "fiul cel iubit", este inventat de mafiile 7 chakra telepatie din Israel, si este atribuit de obicei la persoanele telecomandate prin telepatie departe de mafiile 7 chakra, si intors inapoi este obligat sa apere cenzura, minciuna, inselaciunea, diavolul Israel666, talhariile, imposibil, inexistent, ritualurile de crima si canibalism, mafiile 7 chakra si alte rele. 1065 Apreciaza, urmareste, distribuie adevarul. Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. --- Daca cineva din infinitul trecut spatiu

ar fi cunoscut numele meu, NMEILIS NMEINIS ESGSEIS, si existenta si gandurile mele, atunci sufletul lui, nu ar fi murit tot infinitul timp si tot infinitul spatiu. Daca eu am fost singur tot infinitul trecut spatiu, inseamna ca ceilalti au fost orbi, sau idioti, escroci, surzi, nesimtiti, talhari, escroci, criminali, inconstienti, drogati, alcolizati, derutati, incuiati, legati, sechestrati, cenzurati, dezinformati, sau neajutorati. Eu am fost singur tot infinitul trecut spatiu. Din cauza aceasta sufletele lor au murit. Din cauza ca au fost neajutorati, eu am inviat sufletele lor din morti, in data de 5 iulie 2011, prin codul video supranatural de telekinezie si telepatie S666N. Efectele secundare la aceasta lipsa: razboaie, crime, infractori, haos si toate cele rele. Daca eu voi fi singur tot infinitul viitor spatiu, inseamna ca ceilalti vor sa fie escroci, invidiosi, sau rasisti, razboinici, teroristi, surzi, orbi, nesimtiti, mincinosi, talhari, escroci, criminali, inconstienti, drogati, alcolizati, derutati, incuiati, legati, sechestrati, cenzurati, sau dezinformati. Eu voi fi singur tot infinitul viitor spatiu. Din cauza aceasta sufletele lor vor muri. Urmati adevarul, realitatea, dreptatea, inteligenta, codul video supranatural de telekinezie si telepatie S666N, si dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si atunci voi urmati viata vesnica a sufletelor voastre. Veti vedea si in "anul inceputul la infinitul trecut spatiu", si in "anul sfarsitul la infinitul viitor spatiu", ca ce ati citit aici este singurul adevar, despre toti si despre toate. Este si creatorul la apocalipsa. Nu ai inteles nimic din codul S666N, pentru ca nu vrei. Vrei sa fii mincinos si escroc. Ai inselat si ai atras multe persoane langa tine, si multe bombe nucleare, dar nu te pot apara de Apocalipsa, dupa Apocalipsa ramane viu, doar aceia care se afla in buncarele invizibile GSEIS, construite de dumnezeu. Nu poti intra in buncarele invizibile GSEIS, daca nu stii limba romana 26 litere, numele lui dumnezeu, si codul video supranatural de telekinezie si telepatie S666N. Tu esti batran, oricum mori, pana atunci, dar poate vrei sa traiasca copii si nepotii tai. Lasai sa traiasca ei. Spunele adevarul.

1065 Follow Like Add Share the truth. Papa Francesco, Jorge Mario Bergoglio, has read the book "The experiment military theological S666N, and Eternal Infinite Order". Monsignor ...., has phoned me to discuss in private, in the Vatican, with Pope Francis about this book. --- If someone from the infinite past space would have known my name, NMEILIS NMEINIS ESGSEIS, and my existence and my thoughts, then his soul would not have died all the infinite time and all the infinite space. If I have been alone, all the infinite past space, it means that the others were blind or idiots, crooks, deaf, rude, thieves, swindlers, murderers, unconscious, drugged, alcoholized, confused, locked, bound, sequestered, censured, misinformed, or helpless. I have been alone, all the infinite past space. For these reasons, their souls have died. Because they have been helpless, I have resurrected their souls from dead, on 5 July 2011, through the code video supernatural of telekinesis and telepathy S666N. Side effects from this lack: wars, crimes, offenders, chaos, and all evils. If I will be alone, all the infinite future space, means that others will want to be crooks, envious, or racists, warriors, terrorists, deaf, blind, bastards, liars, thieves, swindlers, murderers, unconscious, drugged, alcoholized, confused, locked, bound, sequestered, censured, or misinformed. I will be alone, all the infinite future space. For these reasons, their souls will die. Ye follow the truth, reality, justice, intelligence, the code video supernatural of telekinesis and telepathy S666N, and the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and then ye follow the eternal life of your soul. Ye will see in "the year infinite past space" and "the year infinite future space", that what you have read here, is the only truth about everyone and about everything. Translation of the telepathic rays of my soul the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. www.facebook.com/Eternal.Order.Infinite https://www.paypal.com/paypalme/god8nmeilis8esgseis8/25 You are on the internet, in pictures, and enjoy the benefits of the microchip, thanks to my soul, god, the creator of everyone and everything. Is and the creator of the apocalypse. You did not understand nothing from the code S666N, because you do not want. You want to be a liar and a crook. You have cheated, and you have attracted, many people around you, and many nuclear bombs, but they can not defend you by Revelation, after Revelation remains alive, only those who are in the invisible bunkers GSEIS, built by God. You can not enter in the invisible bunkers GSEIS, if you not know Romanian language 26-letter, the name of God, and the code video supernatural by telekinesis and telepathy S666N. You are old, you die anyway, until then, but maybe you want to live, your children and your grandchildren. Let on they to live. Tell them the truth.

1066 Eu am toate dovezile ca nimeni din infinitul trecut spatiu nu a gasit creatorul lor. Eu am gasit aceste dovezi in cartile si religiile lor. Ei nu stiau, nici macar ce forma are planeta Pamant, pana in anul 1500. Acest sigiliu, si demonstratie de inteligenta, era foarte necesar pentru a sti, daca cineva din infinitul trecut spatiu a comunicat precis cu dumnezeu, creatorul nostru. Cine ne-a creat pe noi, nu a creat planeta Pamant, si din cauza aceasta nu este scrisa forma la planeta Pamant, in nici o religie? Nimeni nu l-a cunoscut pe dumnezeu, dar au ajutat interceptarea lui, din zilele noastre. Fara oamenii din infinitul trecut spatiu, si fara razele de telepatie ale lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, eu nu reuseam in anul 2011, sa imi dau seama de compozitia completa a corpului meu, si ca in corpul meu la nastere, a intrat dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, in loc de un suflet normal ca fiecare dintre voi. Eu ma uit din anul 2011, la aceasta scanare video de telepatie, telekinezie,

necunoscut, si supranatural, a sufletului meu. Eu ma gandesc la declaratiile lui, din aceste coduri. Teribile. CIA, NATO, Vatican, Islam, Israel, Egipt, G20, s-au uitat si ei, dar nu au inteles prea multe, si ca raspuns ca nu le este frica, au ucis cateva persoane din jurul meu. Eu ma asteptam ca in anul 2011, sa avem savanti, preoti, teologi, magi, etc, care sa ne explice exact aceste mesaje video supranaturale de telekinezie si telepatie, dar am observat ca sunt numai escroci, mincinosi si inapoiati, fata de aceasta stiinta si inteligenta. Numai sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, poate ilumina mai mult inteligenta si informatiile din creierul meu, si aceste mesaje video supranaturali. Nu vrea el, sau nu poate mai mult creierul uman? Mesajele din codul S666N si Etern Ordin Infinit, sunt clare? Pentru mine sunt clare. S666N dumnezeul lui Israel a fost arestat, SmariaN Maria a fost arestata, ScristoN, Cristo a fost arestat, cartea maestrul este pe locul 700, 7eve7 SeveN este pe locul 707 si pe carte scrie "nici un lucru", si este neagra, cartea cu scrisul "creator" este pe locul 816, suma numerelor la cele 109 carti, dintre cartea din pozitia 707 si cartea 816 dintre cele 835 carti, si impreuna cu aceste doua carti este 3816, impreuna sunt 111 carti, 666 111 si 36 sunt numerele din patratul magic. Deci bestia Apocalipsei, Anticristul, are o structura invizibila, ca toate sufletele, traieste fara galaxia solara si fara corpul meu, practica telekinezia, telepatia necunoscut si supranatural. Este creatorul la toti si toate. Numerele lui nu sunt 666. Acestea sunt numerele lui dumnezeul lui Israel, diavolul 666. Pot sa ai atribui un numar lui dumnezeul GSEIS? Nu. A ales el. INIS. Infinite numere scrise in forma infiniti sfera. Nu stiu cine a ales numere la diavolul Israel, dar sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a aratat ca 666 este numarul lui dumnezeul lui Israel, in codul "cine este dumnezeul lui Israel?". Gandesc ca cine are toate aceste capacitati, ai este foarte usor sa distruga galaxia solara, sau numai opozitorii lui prin telecomandarea prin telepatie si telekinezie la diverse genocide, cutremure, inundatii, radiatii solare, seceta, temperaturi, razboaie, explozii, si terorism chimic si nuclear. Acest mesaj nu este clar si de incredere pentru CIA, Vatican, NATO, G20, etc. Eu cred ca acesti cercetatori si savanti, mai au foarte mult de invatat, pentru a putea spune parerea lor despre acest mesaj, despre existenta lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si despre apocalipsa. Inca nu avem specialisti, teologi si magi, sa ne spuna daca oamenii vor fi asasinati si de ce, si daca exista dumnezeul ESGSEIS si sufletele noastre. Eu am toate dovezile ca m-am intalnit cu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul existentei inteligentei sufletelor microcip etc, in codurile video supranaturale de telekinezie si telepatie S666N, Etern Ordin Infinit, etc. Cine are dubii ca in aceste coduri, nu este inteligenta, informatiile, telepatia, telekinezia si supranaturalul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este escroc, sau idiot, sau diavol. Din anul 2011, sunt singurul care stiu ca dumnezeu este invizibil si este sufletul meu, o parte din corpul meu, dar care a trait inainte de nasterea la corpul meu si care va trai si dupa moartea la corpul meu. Singurul suflet care nu s-a nascut si nu a murit niciodata.

1066 I have all the evidence, that nobody from the infinite past space, has not find his creator. I found this evidence in their books and their religions. They did not know, not even what shape has planet Earth until the year 1500. This seal, and demonstration of intelligence, it was very necessary to know if someone from the infinite past space, has specifically communicated with God, our creator. Who has created on us, has not created the planet Earth, and therefore is not written the shape at planet Earth, in nor a religion? Nobody has not knew on God, but they have helped me to intercept him today. Without people from the infinite past space, and without the rays of telepathy his god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I not succeed in year 2011, to figure out the full composition of my body, and that in my body at birth, has entered the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, instead of a normal soul that each of you. I watch from the year 2011, at this video scan, of telepathy, telekinesis, unknown, and supernatural, of my soul. I think of his statements, from these codes. Terrible. CIA, NATO, Vatican, Islam, Israel, Egypt, G20, have looked and they, but did not understand much, and that response, as they, have not afraid, have killed several people around me. I expect as in year 2011, to have scientists, priests, theologians, magicians, etc., which can explain exactly these video messages supernatural of telekinesis and telepathy, but I noticed that exist only crooks, liars and backward, toward this science and intelligence. Only my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, can illuminate more, the intelligence and informations, from my brain, and from these video messages supernatural. He does not want, or can not my brain the most? The messages from the codes S666N and Eternal Infinite Order, are clear? For me are clear. S666N, the god of Israel was arrested, SmariaN 75, Maria was arrested, ScristoN, 117, Cristo was arrested, the book "master" is ranked on place 700, 7eve7 Seven is ranked 707 on the card on which is written "no thing" and is black, on book on which is written "creator" is ranked on place 816, the total number to 109 books, including the book from position 707 and book 816 of the 835 books, and with these two cards is 3816, together are 111 books, 666 111 and 36 are numbers magic square. So the beast of Revelation, the Antichrist, has an invisible structure, as all souls, lives without solar galaxy without my body, practicing telekinesis, telepathy, unknown, and the supernatural. It is the creator of everyone and everything. His numbers are not numbers 666. These are number his god Israel, the devil. Can you assign a number of GSEIS god? Not. He chose him. INIS. Infinite numbers written in the form of infinite sphere. I do not know who has chosen the numbers of the devil Israel, but my soul god of gods

eternal invisible NMEILIS NMEINIS ESGSEIS, has showed that 666 is the number of the god of Israel, in the code "Who is the god of Israel?". I think that, who has all these capabilities, can to destroy the solar galaxy, or only oppositions through remotely control through telepathy and telekinesis, to various genocide, earthquakes, floods, solar radiation, drought, temperature, wars, explosions, and terrorism chemical and nuclear. This message is not clear and reliable for CIA, Vatican, NATO, G20, etc. I think that these researchers and scientists, have a lot to learn, to be able to tell their opinion about this message, about the existence of the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and about the apocalypse. We do not have specialists, theologians and magicians, to tell us whether people will be murdered and why, and whether exist the god ESGSEIS and souls. I have all the evidence that I met with the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS creator of the existence souls intelligence microchip etc., in the codes video supernatural of telekinesis and telepathy S666N, Eternal Infinite Order, etc. Who doubts that these codes is not intelligence, informations, telepathy, telekinesis and supernatural, of his god of gods eternal invisible NMEILIS NMEINIS ESGSEIS, is crook, or stupid, or devil. From the year 2011, I am the only one that I know, that God is invisible, and is my soul, part of my body, but who has lived before the birth of my body, and that will live after the death of my body. The only soul, which not have, nor born, nor died. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

Doar cine are creierul instalat corect, asa cum scrie aici devine liber, inteligent, expert, respectat, sfant, si vesnic. Restul raman escroci, mincinosi, razboinici, complici, sau victime, si prin urmare vor muri trup si suflet. Nu pot sti daca vor fi asasinati mincinosii, complicii si victimele, in Apocalipsa fizica, asa cum dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS a anuntat in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. As you can see, I have destroyed all ideas, religions, policies, and theories from all the infinite past space and all the infinite future space. This is the largest intellectual apocalypse, after which have been destroyed all ideas, religions, policies, theories, injustice, wars, and lies, from all the infinite past space and all the infinite future space. Only who has the brains installed correctly, as is described here, becomes free, intelligent, expert, respected, holy, and eternal. The rest remain crooks, liars, warriors, accomplices, or victims, and therefore will die body and soul. I can not know if will be assassinated the liars, accomplices and victims, in Revelation physical, as is announced by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, in the codes video supernatural of telekinesis and telepathy S666N and Eternal Infinite Order. Vatican obliges us to listen by year 2000, the hieroglyphics his Egypt, Latin, Arabic, English, decalcified substances, stories and lies his Mary and Christ, stories and lies his Muhammad, stories and lies his America India China Africa etc. I listen only by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite. ---- I am the first man, God, soul, and etc, which I have arrived at truth, reality, peace, equality, unity, intelligence, the resurrection of the souls from dead, "the year the beginning at the Infinite Past Space", "the year the infinity future space", the birth and the destruction of the time, the birth and the destruction of the space, and all the best, and therefore all persons, gods, and souls, from all the infinite past space and all the infinite future space, are compelled, to arrive at me, and to remain here always, inside at truth, reality, peace, equality, unity, intelligence, the resurrection of the souls from dead, "the year the beginning at the Infinite Past Space", "the year the infinity future space", the birth and the destruction of the time, the birth and the destruction of the space, and all the best. 1068 Apreciaza, urmareste, distribuie adevarul. Papa Francesco, Jorge Mario Bergoglio, a citit cartea "Experimentul militar teologic S666N, Etern Ordin Infinit". Monsignor ...., mi-a dat telefon pentru a discuta in privat, in Vatican, cu papa Francis, despre aceasta carte. --- Foarte multe persoane, au fost inselate, jefuite, mintite, mutilate, omorate, si dezinformate. De exemplu, 7 miliarde de persoane din acesti ani, sunt talharite video online, de toate resursele naturale, tot profitul, si toate tipografiile de bani, de proprietatea la toate persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Aceasta este cea mai mare infractiune, care ar fi trebuit sa fie oprita si pedepsita de lege. In legile fabricate de talhari, nu exista descrisa aceasta infractiune. Din potriva, sunt legi care autorizeaza talharia la toate resursele naturale, la tot profitul, si la toate tipografiile de bani, de proprietatea la toate persoanele din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Acelasi adevar s-a intamplat si in infinitul trecut spatiu. Alt exemplu, 7 miliarde de persoane din acesti ani, sunt inselate, mintite, si dezinformate. Monsignor ...., has phoned me to discuss in private, in the Vatican, with Pope Francis about this book. --- Many persons have been cheated, robbed, lied, mutilated, killed, and misinformed. For example, 7 billions persons from these years, are robbed online video by all natural resources, by all profit, and by all the money printing, which ought to be by the property at all persons from all the infinite past space and all the infinite future space. This is the biggest offense, which ought to be stopped and punished by law. In the laws made by robbers, was not described this offense. On the contrary, are laws which authorizing the robberies at all natural resources, at all profit, and at all the money printing, which ought to be by the property at all persons from all the infinite past space and all the infinite future space. The same truth was happened in the infinite past space. Another example, 7 billions people in these years are cheated, lied, and misinformed. They have not heard, by the codes video supernatural by telekinesis and telepathy S666N, and Eternal Infinite Order, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and by the causes and the exact date of the Revelation. I am the only one from the infinite past space, and the infinite future space, which protest against such offenses. Cine il iubeste pe Adam, Eva, Cristo, Maria, Moise, Mahomed, Allah, Ra, Israel666, Baphomet, Iehova, etc, imi multumeste mie ca le-am inviat sufletele din morti. Cel mai inteligent fenomen si etc, cea mai folositoare energie si etc, cel mai puternic cod arma aparare si etc, pe care al poate primi, analiza si folosi un zeu, un suflet sau o persoana din infinitul trecut spatiu si infinitul viitor spatiu, sunt codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, construite si oferite de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS creatorul existentei. Cine vrea sa se converteasca la dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS creatorul existentei si la viata vesnica a sufletului lui si a parintilor si copiilor lui, atunci trebuie sa studieze codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Aceasta este singura posibilitate. Biblia, Quran, Egipt, Italia, Israel, Islam, o persoana care merge prin aer, o persoana care transforma soarele intr-un glob de gheata, "anul inceputul la infinitul trecut spatiu", "anul sfarsitul la infinitul viitor spatiu", rugaciuni, ritualuri, substante, exercitii, teoriile si magiile lui etc, varsta, locul, timpul, si etc, nu va pot ajuta sa credeti in existenta sufletului si in existenta dumnezeilor. Cate persoane sunt interesate daca au creier si ce forma si caracteristici are? Cate persoane sunt interesate daca au suflet si ce forma si caracteristici are? Cate persoane sunt interesate daca exista dumnezei si ce forma si caracteristici au? Eu v-am ajutat sa descoperiti maximul despre suflete si dumnezei. Mai mult si mai clar decat atat, nu poate citi si descifra corpul uman, si toate instrumentele pe care le poate construi toate persoanele sufletele si zeii. Eu am reusit sa interceptez si sa expun video existenta sufletului, si nu orice suflet, sufletul meu, chiar sufletul lui dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS creatorul existentei. Este in corpul meu, de la nasterea la corpul meu, si pana la moartea corpului meu. Nu a trait in alte corpuri in infinitul trecut spatiu, si nu va trai in alte corpuri in infinitul viitor spatiu. Sufletele la toti din infinitul trecut spatiu au murit si au fost inviate din morti pe data de 5.07.2011, prin codul video supranatural de telekinezie si telepatie S666N. Nu mai au nici o amintire si nici o informatie. Se vor reincarna in alte corpuri si se vor instala din nou cu diverse tipuri de inteligenta. Cine nu instaleaza sufletul lui cu codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, va pierde orice informatie despre el si sufletul lui, prin moartea sufletului. --- Ce s-a intamplat cu mincinosii, escrocii, talharii, idiotii, si criminalii care s-au intalnit cu sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS? Nimic. Ei sunt pedepsiti prin sufletele lor. Dupa un program automat. Unii au primit si pe corpul uman, mutilari telepatice, extorsiuni telepatice, crime telepatice, si alte pagube, telecomandate prin telepatie, dar nu pot sa ma exprim, din ce parte provin. Aceste pagube pot fi provocate, si de toti aceia care isi activeaza cele 7 chakra. Sunt mai puternice razbunarile telepatice, programate de ESGSEIS. Dupa vizionarea si invatarea la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, daca nu ai fost convertit la invierea sufletelor din morti, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, pace, adevar, realitate, dreptate, egalitate, unitate, si toate cele bune, sa stii ca alta solutie pentru tine nu mai exista, in tot infinitul trecut spatiu si tot infinitul viitor spatiu, si prin urmare sufletul tau va muri. Unele persoane au incercat sa se converteasca la dumnezei, pace, adevar, realitate, dreptate, egalitate, unitate, si toate cele bune, cu : hieroglife, 7 chakra, povesti, minciuni, rugaciuni, ritualuri de crima si canibalism, anul 2000, droguri, alcool, timp, spatiu, raze, radiatii, magii, intermediari, etc.. Nu a functionat niciodata. Din anul 2011, inca nimeni nu s-a convertit la codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, invierea sufletelor din morti, pace, adevar, realitate, dreptate, egalitate, unitate, si toate cele bune. Unii vor bani, salarii, pensie, casa, masini, sclavi, bogatii, aur, etc, si apoi vor sa se converteasca la "salvarea sufletului lor de la moarte". Who loves on Adam, Eve, Christ, Mary, Moses, Muhammad, Allah, Ra, Israel666, Baphomet, Jehovah, etc., then he must to thank me, because I have resurrected their souls from dead. The most intelligent phenomenon and etc, the most useful energy and etc, the strongest cod weapon defense and etc, on which can receive, analyze and use a god, a soul or a person from the infinite past space and the infinite future space, are the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite, built and offered by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS the creator of the existence. Who wants to convert him at the god of gods eternal invisible NMEILIS NMEINIS ESGSEIS the creator of the existence, and at eternal life of his soul and his parents and his children, then he must to study the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite. This is the only possibility. The Bible, Quran, Egypt, Italy, Israel, Islam, a person which walk in the air, a person who transform the sun into a ball of ice, "the year the beginning at the Infinite Past Space", "the year the end at the Infinite Future Space", prayers, rituals, substances, exercises, the theories and the magic his etc, the age, the place, the time, and etc, can not help on nobody to believe in the existence of the soul, and the existence of the gods. How many people are interested if they have brain and what shape and characteristics has? How many people are interested if they have soul and what shape and features have? How many people are interested if exist gods and what shape and features have? I have helped on all to discover the maximum about souls and gods. More, and more clearly than that, can not read and decipher the human body, and all the tools on which can build all persons souls and gods. I have managed to intercept and to expose video, the existence of the soul, and not every soul, my soul, even the soul his the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS the creator of the existence. He is in my body, from the birth of my body, until to death of my body. He did not live in other bodies, in the infinite past space, and he will not live in other bodies in the infinite future space. All souls from the infinite past space, have died and was resurrected from the dead on the 05/07/2011, through the code video supernatural by telekinesis and telepathy S666N. They have not, nor a recollection and nor a information. They will be reincarnated in other bodies and will be installed again with different kinds of intelligence. 1078 123. Pe 17 ianuarie 2017 am scris numele la o poza 17.17. Tot pe 17, am mers la aniversarea la ziua de nastere la un copil. Mama lui a pus celularul pe masa. Era ora 17 si 17 minute. Are trei gemeni. Are patru copii. ----- Pe 20 ianuarie 2017, am fost la avocata batrana. In masina aveam un gand. Pune o poza cu tine in picioare si subt picioarele tale pune capurile lui Maria Bergoglio Cristo Ratzingher Berlusconi Barack Putin Trump etc. Eu ma gandeam ca este o prostie. O joaca pentru copii. Se vede clar ca i-am arestat, si ca sunt mai inteligent decat ei, prin codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, si prin ideille politica religia biserica si guvernul, construite de mine. Avocata batrana a plecat. Femeia de 50 de ani striga din bucatarie. "Cristian ajutama. Am cazut." M-am dus sa vad. Atent sa nu ma loveasca cu ceva. Pentru ca in alte zile era cu cutitul in spatele meu. Era cu mana dreapta subt ea. Intinsa la pamant. I-am spus sa se ridice. Mi-a spus ca nu poate, si sa ai dau o mana. Intindea mana stanga spre mine. Am ridicat-o de jos, atent sa nu aiba ceva in mana dreapta. Erau trei cutii de carton una peste alta. S-a suit pe ele sa le striveasca cu picioarele si greutatea ei. Tot zilele astea ma gandeam la cartonul cu scrisul Maria neagra sau neaga, din anul 2011 probabil, din balconul din Iasi. Vroiam sa ajung mai departe pana la razele de telepatie la cine a telecomandat situatia. Doar sufletul meu si corpul invizibil viu infinit cunosc exact despre ce este vorba, si deja au raspuns clar S666N, SmariaN, ScristoN, SisraelN. Vatican si Israel neglijeaza, cenzureaza, ascund, si ameninta din anul 2011. Regii dumnezeii si conducatorii lor, au fost arestati de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Vatican si Israel salveaza fals si inutil ideile la regii conducatorii si dumnezeii lor morti deja de mult, din anul 2011. Incearca sa salveze cu bani, cenzura, minciuni, santaj, telepatie, anul 2000, infectii, chimicale, gazuri toxice, alimente si bauturi toxice, democratie, crime, mutilari, boli, etc. Sufletele la regii conducatorii si dumnezeii lor, au fost inviate din morti in anul 2011, se vor reincarna din nou si vor avea ocazia sa invete adevarul. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu a gresit in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, si nu va distruge codurile, in tot infinitul viitor spatiu. 1081 Razboiul dintre diavolul Allah si servitorii lui si dintre diavolul Israel 666 si servitorii lui, ramane etern si acelasi : ucidem sau furam credinciosii din cealalta piramida prin razboi, terorism, minciuni, promisiuni false, bomboane, carti, hieroglife, cenzura, minciuna, dezinformare, amenintare, telecomandare prin telepatie, imposibil, inexistent, iertarea la toate infractiunile, si posedarea la glanda pineala. --- Razboiul dintre talharii la resursele naturale la profitul la banci si la tipografiile de bani, in valoare de miliarde de miliarde de dolari pe an, au efect secundar, uciderea la milioane de persoane pe an, rezultate din razboiul dintre talhari, sau foamea si problemele cauzate de acestia. --- Razboiul dintre piramide, zei, persoane, religii, politici, magi, etc, pentru a decide o singura limba si alfabet, nu se va termina nici peste un miliard de ani. De aceea dumnezeul ESGSEIS a ales in codul video supranatural de telekinezie si telepatie Etern Ordin Infinit, limba romana 26 litere, si soarta la toti opozitorii. ---- Corpul invizibil viu infinit, si dumnezeul ESGSEIS, nu sunt complicii la razboiul dintre Rusia China America Europa Islam etc, din data de 5 iulie 2011. Apocalipsa este sfarsitul la toate razboaiele. Eu nu am informatii sa inteleg mai multe, despre asemenea inteligenta necunoscuta. Dumnezeul ESGSEIS nu poate fi complice si mandant, prin tacere si indifeenta, la razboaiele infinite dintre tot felul de religii, politici, zei, persoane, teorii, animale etc. Toate guvernele si religiile din toate tarile, sunt obligate sa raspunda ! ---- Razboiul dintre: diavol, dracula, satan, oi, porci, gandaci, Egipt, Israel, Islam, Italia, etc, pentru titlul tata si mama existentei, a efectuat milioane de persoane asasinate, si miliarde de persoane mutilate. Sau doar pentru cativa ani, sau atat timp cat este idiot, sceptic, sau dezinformat, incearca doar cu gandul, ca altfel nu poate lupta, impotriva la ceva invizibil. Orice victorie, sau invingere, are participanti, minim doua inteligente. Pentru inteligenta mea, nu exista adversar. ---- Cunosc ca sunt 33 de nivele de secret de inteligenta invizibila supranaturala. Sunt minim trei secte care protejeaza si ascund inteligenta lor, de concurentii lor si de noi toti din infinitul timp si spatiu. Nu au ascuns minciunile, prostiile si crimele lor niciodata de ILIS INIS GSEIS. Sufletul este inregistrat de creier, cu toate gandurile si actiunile efectuate de corpul uman si creier. Tot ce este inregistrat in suflet poate fi citit numai de dumnezeul NMEILIS NMEINIS ESGSEIS, si "Corpul Invizibil Viu Infinit". Cine a castigat dintre inima, creier, si suflet ? Niciunul. Compun acelasi corp si interes. Cine a castigat dintre zei, cercetatori, alfabete, religii, si oameni ? Niciunul. Au aceleasi lipsuri : informatie, instrumente, timp, si spatiu. ---- Nu mai este nimic, care trebuie sa fie invins ! Gloria mea nu este discutabila, si nici nu este la vot. Toate si toti sunt in razboaie infinite intre ei, din cauza ca nu cunosc ca gloria a fost construita de mine, si este a mea. --- Ce folos ar avea un razboi de

patru miliarde de ani, dintre limba rusa si limba engleza, dintre Israel666 si Allah, dintre Christos si Mohamed, dintre Biblie si Quran, dintre timp si spatiu, dintre oi si porci, dintre etc si etc. Sa presupunem ca dupa patru miliarde de ani de razboi va castiga limba rusa, si toate persoanele, sufletele si zeii, vor fi alimentate, educate, energizate, sfintite, salvate, si eternizate cu limba rusa. Este imposibil sa fie eternizat o persoana, un suflet, sau un zeu, cu limba rusa, Allah, Israel666, Christos, Mohamed, Maria, Adam, Eva, Baphomet, Iehova, Biblia, Quran, crucea, anul 2000, etc. Eternizarea si invierea sufletelor din morti este oferita numai de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si a fost expusa in codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. IL diavolo si puo nascondere di tutti e puo inganare tutti, tra ne me. Anima di papa Francesco è il diavolo, no lupo. Lui non vuole credere che ha una anima. Il diavolo puo anche uccidere tutte le persone. Dio ha arrestato Maria e Gesu Cristo, nell codice video soprannaturale di telecinesi S666N. Maria, Cristo, Adam, Eva, Allah, Ra, Israel666, Baphomet, Geova, ecc, non hanno potuto conoscere dio, loro creatore, e per ciò ognuno si sono costruiti un dio e un creatore. Unico dio vero e esistente, è dio degli dei eterno invisibile NMEILIS NMEINIS ESGSEIS. Rosario e preghiere sono fatti di diavoli e demoni per seminare il oddio della gente contro dio. Rosario e preghiere attirano i dèmoni, i diavoli e le tenebre. Per seminare il oddio della gente contro dio, hanno inventato di recente guerra santa, terrorismo, bugie, impossibile, inesistente, ecc. Dio e innocente, e miglior genitore, da quale devono imparare ogni genitore. --- Papa Francesco I - Jorge Mario Bergoglio, sta vendendo da 2013, solo idee, bugie, parole, e filosofia. Non ce traccia di resurrezione delle anime dai morti, verita, uguaglianza, pace, dio, e anime, nella Bibbia, Vangeli, Vaticano, etc. Solo nel codice video soprannaturale di telecinesi e telepatia S666N, si trovano tracce vere di resurrezione delle anime dai morti, verita, uguaglianza, pace, dio, anime. Sufletele vii au strigat inutil dupa ajutor, tot infinitul trecut spatiu, deoarece nimeni nu a putut intercepta razele de telepatie si telekinezie, ale sufletului meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Oamenii si sufletele se ineaca in minciuni, prostie, si infractiuni, si injura pe aceia care vor sa ai salveze de la inec, si de la moarte. Copii si idiotii omoara cu comportamentul si ideile lor, sufletele la alti copii zei si oameni, care nu au citit aceasta fraza, si nu au vazut codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. A mirosit a suflete moarte, tot infinitul trecut spatiu, si eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu am putut sa salvez nici macar un suflet, nici macar in ziua de azi. A trebuit sa inventez codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, sa le invii sufletele din morti, si sa le protejez sufletele de moarte la aceia care le invata. Oamenii la care am vrut sa le salvez sufletele de la moarte, au impresia ca nu au creier inima si suflet, sau vor sa isi ucida sufletul, sau sunt idioti, sau sunt mandri, sau vor bani, sau etc. Citeste si invata daca vrei sa iti salvezi sufletul de la moarte. Nimeni nu poate salva, corpul uman de la moarte, nici macar eu. Toti pot salva sufletul lor de la moarte, numai daca invata cuvantul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, si codurile video supranaturale de telekinezie si telepatie S666N, si

Etern Ordin Infinit. Puteti emigra clandestin sau cu viza, din prostie in adevar, din moarte in viata vesnica. Eu sunt in adevar si viata vesnica, sa va ajut, sa va primesc, si sa va salvez. O fac mai mult pentru tatal meu, si pentru fiul meu. Se pot folosi si dusmanii mei, de adevar si inteligenta S666N, nu numai familia si prietenii. Idiotii nu pot utiliza inteligenta S666N, prin urmare sufletul lor va muri, si va fi inviat din morti de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Allah nu a reusit sa invinga porcii. Ra nu a reusit sa invinga gandacii. Israel666 nu a reusit sa invinga sau sa ajute oile si neculaitii. Etc nu a reusit sa invinga sau sa ajute oamenii, sufletele, zeii, savantii, etc. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a ajutat si a salvat de la moarte, toate sufletele la toate persoanele si zeii. A transformat porcii, oile, gandacii, zeii, persoanele, idiotii, si savantii, in suflete inteligente eterne, care pot circula libere si informate in tot infinitul timp si tot infinitul spatiu. Idiotii vor spune ca dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS nu exista, ca in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, este numai energia corpului uman, energia la glanda pineala, si energia la cele 7 chakra. Eu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, v-am demonstrat clar si video, ca eu exist, si sufletele voastre exista, cu sau fara parerea si dorinta la idioti. Cine crede idiotii, isi omoara sufletul, cine crede pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sufletul meu, si codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, isi salveaza sufletul de la moarte. ----- Vatican, Italia, Islam, Israel, Egipt, America, Rusia, CIA, NATO, ECHR, UNESCO, Adam, Eva, Cristo, Maria, Moise, Mahomed, Allah, Ra, Israel666, Baphomet, Iehova, si toate persoanele zeii si sufletele din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au fabricat, si au protejat mincinosi, talhari, criminali, idioti, asasini de suflete, si infractori, in tot infinitul trecut spatiu si in tot infinitul viitor spatiu. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a inceput de unul singur, sa transforme mincinosii, talharii, criminalii, idiotii, asasinii de suflete, si infractorii, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, in sfinti si eterni, cu codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Din anul 2011, l-au refuzat toti presedintii, judecatorii, savantii, politicii, politistii, teologii, preotii, soldatii, si oamenii, pe care i-a cautat sa ai sfinteasca cu codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Toti vor sa devina si mai mincinosi, talhari, criminali, idioti, asasini de suflete, si infractori. Ei singuri, omoara sufletul si pacea la copii lor, la parintii lor, si a lor. Dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, a fabricat salvarea sufletelor de la moarte, prin codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Oamenii nu se prind cu creierul si gandurile de aceasta salvare, si prin urmare sufletele lor vor muri din nou. Ma uit uimit, cum oamenii isi omoara sufletul si pacea, la copii lor, la parintii lor, si a lor. Unii al cauta pe dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, sa al omoare, din cauza ca a salvat sufletul si pacea, la copii lor, la parintii lor, si a lor. Unii s-au razbunat pe traducator. Nici macar unul nu a multumit din anul 2011, pentru ca am inviat din morti sufletele la toti zeii si persoanele din tot infinitul trecut spatiu, si am salvat de la moarte sufletele la toti zeii si persoanele din tot infinitul viitor spatiu. Oamenii si zeii, se ineaca in prostie si minciuna, si pe ei si pe sufletele lor, si refuza unica salvare, care a fost fabricata de creatorul lor. Sufletul meu nu a murit, nu moare, si nu va muri niciodata, cu sau fara .... Sufletele voastre fara sufletul meu, si fara codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, au murit mereu. Noroc ca va invii din morti eu, cand si cand. 1084 Me and my soul the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, we have worked hard, for to resurrect from the dead the soul of my father, and at all the gods and persons from all the infinite past space. Me and my soul the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, we have worked hard, for to save from death, the soul of my child and at all the gods and persons from all the infinite future space. Nobody from all the infinite space past, has not thought at the death of the soul, and its causes. For the death at their bodies, have prepared tombs, coffins, amulets, prayers, ideas, illusions, impossible, nonexistent, etc. Their souls have dead, there where they have arrived, in infinite space. The dead souls, have terrified and distressed, the living souls, who have seen their end. The living souls have cried out for help useless, all the infinite past space, because nobody could not to intercept, the rays by telepathy and telekinesis, of my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. People and souls it's drowning in lies, stupidity and offenses, and they cursing, on those which want to save them from drowning, and death. The children and idiots kill with their behavior and their ideas on other children gods souls and persons, which have not read this sentence, and which have not see the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. Has smelled by dead

souls, all the infinite past space, and I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I could not save a single soul, nor even today. I had to invent, the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, for to resurrect the souls from dead, and for to protect the souls by dead at those who learn them. The persons at which I have wanted to save their souls from death, they have the impression that they did not, nor brain nor heart and nor soul, or want to kill their soul, or are idiots, or proud, or want money, or etc. Read and learn, if you want to save your soul from death. Nobody can not save the body from death, not even me. All can save their soul from death, only if they learn my word, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, and the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. You can immigrate illegally or with visas, from stupidity in truth, from death to life eternal. I am in truth and eternal life, for to help, to receive and to save on all. I do more for my father and for my son. My soul, made equal for all. Can also use the truth and intelligence S666N and my enemies, not only my family and friends. Idiots can not use intelligence S666N, therefore their soul will die, and will be resurrected by the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. Allah has not managed to defeat the pigs. Ra has not managed to defeat the bugs. Israel666 has not managed to defeat or to help the sheep and nicolaos. Etc has not managed to defeat or to help people, souls, gods, scientists, etc. The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS has helped, and has saved from death, all the souls at all the persons and the gods. He has turned the pigs, sheep, bugs, gods, people, idiots, and scientists in intelligent eternal souls, who can run free and informed, all the infinite time and all the infinite space. Idiots will say that the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS not exist, and that the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, are only the energy of the my body, energy of the my pineal gland, and the energy at my 7 chakra. Who believe the idiots, kills his soul, who believes the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS my soul, and the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, saves his soul from death. ----- Vatican, Italy, Islam, Israel, Egypt, America, Russia, CIA, NATO, ECHR, UNESCO, Adam, Eve, Cristo, Mary, Moses, Muhammad, Allah, Ra, Israel666, Baphomet, Jehovah, and all the persons, gods, and souls, from all the infinite past space, and from all the infinite future space, have manufactured and protected liars, thieves, criminals, idiots, assassins by soul, and offenders, in all the infinite past space, and in all the infinite future space. The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, has started alone, to transform liars, thieves, criminals, idiots, assassins of souls, and offenders from all the infinite past space, and from all the infinite future space, in saints and eternal, with the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. From the year 2011, have refused all the presidents, judges, scientists, politicians, policeman, theologians, priests, soldiers, and persons, on which he has sought, for to sanctify them. They all, want to become even more liars, thieves, criminals, idiots, assassins of souls, and offenders. They alone, kills the soul and peace to their children, their parents, and theirs. The god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, has manufactured the salvation of the souls from death, through the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. People not take with brains and the thoughts, this rescue, and therefore their souls will die again. I watch amazed how people kill their soul and peace to their children, their parents, and theirs. Some seek on the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, to kill him, because he has saved the soul and peace at their children, their parents, and theirs. Some have avenged on the translator. Nor even one, have not pleased, from the year 2011, because I have resurrected from dead, the souls at all the gods and all the persons from the infinite past space, and I have saved from death the souls, at all the gods and persons from all the infinite future space. People, souls, and gods, it's drowning in lies, stupidity and offenses, and refuses only hope, that was made by their creator. My soul has not dead, not dead, and will never die, with or without .... Your souls without my soul, and without the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, have died always. Luckily that I will resurrect them from dead, from time to time. Suckers who do not want to understand, that they kill themselves, and on others. You killed en masse, to see if makes my soul as you? ----- My enemies are all the gods souls and persons, from all the infinite past space and all the infinite future space, because I save their souls from death, because I resurrect their souls from dead, and because I force them to be intelligent, realistic, honest, just, united, equal, free, eternal, and hardworking. At the head of the dead bodies of your parents, you put lies, impossible, nonexistent, delusions, prayers, icons, paintings, etc. Everything you put, at a dead body, no longer has nor a value. You had to put in the head and thoughts at family members deceased, before his death, the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, and from time, such that to have time, to enter and stick and in their soul. Even from first day of birth, the brain of the baby listen this codes, and transmit this codes in the soul, the soul understands them, and register them. https://drive.google.com/drive/folders/1yCJ6fY88sIYaSXRR1o_p8_LjmTe0JeMq

1085 Serviciile secrete 666, m-au impuscat de 2 mii de ori, cu infectii virale, toxine, radiatii, raze, OGM, otravuri, etc, de la nasterea mea, din anul 1975 si pana acum, 2017, si inca sunt viu. Credeam ca

exista un tribunal, politie, guvern, biserica, zeu, persoana, etc, sa ma apere de astfel de escroci. Nu exista. A durat durerea in spate pentru zece zile. De pe 2 ianuarie pana pe 12 ianuarie. Am baut 7 zile de antibiotic. Pe data de 23 ianuarie 2017 am din nou alta infectie virala. Are si fiul meu. Probabil noaptea, au pus infectia, in ventilatorul de la masina. Probabil au pus-o in fata mea, cand mergeam pe trotuar, sau prin magazin. Probabil au dezactivat alarmele din casa, si camerele video, si au umblat in lucurile mele. Este imposibil si tarziu sa distruga adevarul si codul S666N. Ei nu mai pot distruge adevarul, S666N, creatorul nostru, si Etern Ordin, indiferent de starea de sanatate la toate persoanele din infinitul trecut spatiu, si din infinitul viitor spatiu. Ei au plasat din nou in corpul meu, o raceala, cu secretii din nas, tuse seaca, dureri in partea stanga sus a plamanului pana in umarul stang. Prin cele 2 mii de impuscaturi cu infectii virale, toxine, radiatii, raze, OGM, otravuri, etc, de la nasterea mea, diverse secte religioase, diverse partide politice, si diverse organizatii bancare si economice, internationale, au incercat sa ma opreasca pe mine si pe toate persoanele din infinitul trecut spatiu si din infinitul viitor spatiu, din drumul nostru spre: dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, invierea sufletelor din morti, viata vesnica a sufletelor, limba romana 26 litere, "Galaxiile Unite Din Infinitul Trecut Spatiu Infinitul Viitor Spatiu", "Biserica Infinitul Timp Infinitul Spatiu", "Anul inceputul la infinitul trecut spatiu", "Anul sfarsitul la infinitul viitor spatiu", microcip, si maximul de pace iubire adevar realitate dreptate egalitate unitate libertate inteligenta telekinezie telepatie supranatural, si toate cele bune. ---- Mesaje telepatice. Zilele astea, ea a scris geaca, in fereastra de cautare, pe facebook. A iesit o lista de sugestii. Prima sugestie: Geaca anti glont .... Ea a lasat asa computerul. Astazi am schimbat trei sau patru canale la TV zece minute. La unul dintre ele, cand am schimbat, tocmai spunea aceste doua cuvinte "geaca antiglont". Din cauza ca sunt presedintele etern la guvernul "Infinitul Timp Infinitul Spatiu", am nevoie de vreo zece geci, una peste alta. O geaca sa fie anti glont, una anti idioti, una anti infectii, una anti radiatii, una anti raze, una anti otravuri, una anti telepatie 666, una anti diavoli, si o masca de gaz. Sau in alternativa sa renunt la adevar, la functia mea presedintele etern la guvernul "Infinitul Timp Infinitul Spatiu", invierea sufletelor din morti, sufletul meu dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, etc. Sau in alternativa sa traiesc tot restul vietii intr-o unitate militara, inconjurat numai de familiari cu antena gandurilor blindata cu o casca de metal sau florura de sodiu. Sau care sa stie adevarul.

1085 The secret service 666, have shot me over 2 thousand times, with viral infections, toxins, radiation, UV, OGM, poisons, etc., from my birth, from year 1975 till now 2017, and I am still alive. I thought that exist a court, police, government, church, god, person, etc, which can to protect me by such swindlers. Does not exist. It took pain, in the back, for ten days. I drank 7 days of antibiotic. On January 23, 2017, I have received again, another viral infection. Does and my son. Probably, they put infection in car fan. Probably put it in my face, when I walked on the sidewalk, or in the store. Probably they have disabled the alarms from my house, and cameras, and have walked in my Handcrafts. Is later, and impossible to destroy the truth, and the code S666N. They can not destroy the truth, S666N, our Creator, and the Eternal Order, regardless of the health of all people from the infinite past space and the infinite future space. They have placed again in my body, a cold, with runny nose, cough, pain in the upper left of the lung until at the left shoulder. Through the 2000 shootings with viral infections, toxins, radiation, UV, OGM, poisons, etc., from my birth, various religious sects, different political parties and different organizations banking and economic, international, have tried to stop on me, and on everyone from the infinite past space, and the infinite future space, from our way, towards: the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the codes video supernatural, by telekinesis and telepathy S666N and Eternal Order Infinite, Romanian 26 letters, "The United Galaxies Infinity Past Space Infinity Future Space", "The Church Infinite Time Infinite Space", "The year the beginning at the Infinite Past Space", "The Year The Infinity Future Space" and at maximum of peace love reality truth justice equality unity freedom intelligence telekinesis telepathy supernatural, and all the best. ---- Telepathic messages. These days, she wrote jacket, in the search window on facebook. Has came out a list of suggestions. First suggestion: jacket anti bullet .... She has let so the computer. Today I have changed three or four TV channels in ten minutes. One of them, when I have changed, just saying, these two words " jacket bulletproof". Because I am the eternal president at the government "The Infinite Space The Infinite Time", I need ten jackets, one above the other. A jacket to be anti bullet, one anti idiots, one anti infections, one anti radiation, one anti ray, one anti poisons, one anti telepathy 666, one anti devils, and a gas mask. Or in the alternative to give up, at truth, at my position by eternal president at the government "The Infinite Space The Infinite Time", the resurrection of the souls from dead, my soul the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, etc. Or in the alternative to live the rest of my life, in a military unit surrounded only by familiar, with antenna of the thoughts armored with a metal helmet, or sodium fluoride. Or who knows the truth.

1087. Iarba nu poate fi eliminata din infinitul trecut spatiu si din infinitul viitor spatiu! Iarba este necesara oilor, animalelor, insectelor, etc. Biblia, Quran, rugaciunile, minciuna, imposibil, inexistent, ritualurile de crima si canibalism, circumciziile, cenzura, dezinformarea, si alte rele, nu pot fi eliminate din infinitul trecut spatiu si din infinitul viitor spatiu, ele sunt alimentul principal pentru canibali, vampiri, excroci, talhari, criminali, paraziti, si mincinosi. Daca cineva ucide Biblia, Quran, rugaciunile, minciuna, imposibil, inexistent, ritualurile de crima si canibalism, cenzura, dezinformarea, si alte rele, atunci acela va ucide toti canibalii, vampirii, excrocii, talharii, criminalii, parazitii, si mincinosii din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nu pot sa am pe constiinta atatea crime, dar trebuie sa o fac, ca altfel canibalii, vampirii, excrocii, talharii, criminalii, parazitii, si mincinosii vor infecta tot infinitul trecut spatiu si tot infinitul viitor spatiu, de razboaie, terorism, inchisori intelectuale, talharii, crime, si alte rele. Se opun cu succes impotriva mea, din anul 2011, Vatican, CIA, NATO, America, Islam, Italia, Israel, Egipt, ECHR, UNESCO, etc. Pana pe 3 ianuarie 2048, trebuie sa dispara definitiv din infinitul trecut spatiu si din infinitul viitor spatiu, Biblia, Quran, rugaciunile, minciuna, imposibil, inexistent, ritualurile de crima si canibalism, circumciziile, cenzura, dezinformarea, si alte rele, fara nici o victima, si fara apocalipsa. 1089. Creatorul la timp spatiu existenta inteligenta microcip suflete oameni etc, este invizibil pentru oricine si pentru orice. Singura aparitie la astfel de creatura este in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Aceste coduri sunt maximul de colaborare si comunicare, dintre dumnezeul ESGSEIS si orice specie. Colaborarea si comunicarea, dintre dumnezeul

ESGSEIS si dintre insecte, animale, galaxii, oameni, zei, suflete, alieni, etc, a pornit de la nimic, a trecut de telepatie hieroglife vise alfabete stiinte religii politici etc, si s-a oprit la maxim, la codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Este posibil sa te imprietenesti cu o specie invizibila, despre care cunosti numele lui, NMEILIS NMEINIS ESGSEIS, cunosti traducerea la razele lui de telepatie, si ai vazut auto prezentarea lui in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Stiu ca Italia, Israel, Islam, America, Egipt, etc, s-au casatorit cu Mos Craciun, Scufita Rosie, Halloween, Dracula, Adam, Eva, Cristo, Maria, Moise, Mahomed, Allah, Ra, Israel666, Baphomet, Iehova, morti, inexistenti, litera t, minciuni, etc, si investesc foarte multi bani, timp, crime, mutilari, biserici, sarbatori, razboaie, terorism, santaj, talharii, rugaciuni, cantece, etc, pentru infrumusetarea relatiei si casatoriei lor, cu aceste creaturi. Jorge Mario Bergoglio mai degraba se casatorea cu o femeie, decat cu Mos Craciun, o bucata de lemn, anul 2000, minciunile la mafiile 7 chakra, ritualuri de crima si canibalism si alte rele. Unii care s-au casatorit cu Mos Craciun, o bucata de lemn, anul 2000, minciunile la mafiile 7 chakra, ritualuri de crima si canibalism si alte rele, au primit salarii, pensii, cadouri, bani, iluzii, etc, altii au pierdut bani timp sanatate etc, altii au fost omorati, altii etc. Oile, animalele, idiotii, escrocii, mincinosii, talharii, etc, nu vor, sau nu pot, sau nu au timp de o prietenie telepatica cu o inteligenta invizibila complicata, care nu raspunde dupa posibilitatile lor, etc. Prietenia dintre Mos Craciun si Italia, Israel, Islam, America, Egipt, etc, este construita si compusa din cateva minciuni, cantece, costume, poezii, sarbatori, imposibil, inexistent si alte copilarii. Prietenia dintre Talin Anton Cristian si sufletul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, este construita si compusa din raze de telepatie si telekinezie, inteligenta necunoscuta, supranatural, codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, invierea sufletelor din morti, viata vesnica a sufletelor, limba romana 26 litere, "Galaxiile Unite Din Infinitul Trecut Spatiu Infinitul Viitor Spatiu", "Biserica Infinitul Timp Infinitul Spatiu", "Anul inceputul la infinitul trecut spatiu", "Anul sfarsitul la infinitul viitor spatiu", microcip, si maximul de pace iubire adevar realitate dreptate egalitate unitate libertate inteligenta telekinezie telepatie supranatural, si toate cele bune. Dragostea dintre Vatican CIA si Mos Craciun, nu este sincera, este din interese financiare. In urma la aceasta casatorie, Vatican si CIA, au castigat tipografia de bani internationala FMI, toate resursele naturale si profitul din tot infinitul trecut spatiu, si tot infinitul viitor spatiu. Mos Craciun, Allah, litera t, etc, au foarte multe femei si neveste, dar nu au avantaje toate. Unele sunt sclave. Rusia vrea sa ai divorteze pe toti, si sa ramana numai ea casatorita cu litera t si Mos Craciun, ca sa poata deveni regele la tot infinitul trecut spatiu si la tot infinitul viitor spatiu, si proprietarul unic la tipografia de bani internationala FMI, si la toate resursele naturale si profitul din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Jorge Mario Bergoglio rather marry with a woman, than with Santa Claus, a piece of wood, year 2000, the mafias seven chakra, lies, rituals of murder and cannibalism, and other evils. Some which have been married with Santa Claus, a piece of wood, year 2000, the mafias seven chakra, lies, rituals of murder and cannibalism, and other evils, have received salaries, gifts, money, delusions, etc., others have lost money time health etc, some have been killed, others etc. Sheep, animals, idiots, crooks, liars, thieves, etc, not want, or can not, or do not have time, for a telepathic friendship, with an invisible intelligence complicated, that does not respond after their opportunities, etc. The friendship between Santa Claus and Italy, Israel, Islam, America, Egypt, etc, is built and made up from several lies, songs, costumes, poems, holidays, impossible, nonexistent and other childhoods. The friendship between Talin Anton Cristian and my soul, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, is built and composed of rays of telepathy and telekinesis, intelligence unknown, supernatural, the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite, the resurrection of the souls from dead, life everlasting of the souls, Romanian 26 letters, "The Galaxies United the Infinity Past Space the Infinity Future Space", "the Church Infinite Time Infinite Space", "the year the beginning at the Infinite Past Space", "the year the end at the Infinite Future Space", microchip, and the maximum by peace love freedom reality truth intelligence unity equality justice supernatural telepathy telekinesis, and all the best. The love between the Vatican CIA and Santa Claus, is not sincere, it is from financial interests. After this marriage, the Vatican and CIA, have won the international typography of money, IMF, all the natural resources and profit, from all the infinite past space, and all the infinite future space. Santa Claus, Allah, letter t, etc., have many women and wives, but not all have advantages. Some are slaves. 1090. Una dintre obligatiile mele, sunt setarea programarea si instalarea sufletelor la toti oamenii zeii alienii si creaturile, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. In infinitul trecut spatiu, am inceput setarea programarea si instalarea sufletelor, de la zero, doar cu raze de telepatie, apoi am reusit sa evoluez in setarea sufletelor cu alfabete religii politici legi amenintari meditatii alimente si exercitii. Mi-au furat activitatea de setare programare si instalare a sufletelor, Vatican, Italia, Islam, Israel, Egipt, America, Rusia, CIA, NATO, ECHR, UNESCO, Adam, Eva, Cristo, Maria, Moise, Mahomed, Allah, Ra, Israel666, Baphomet, Iehova, si toate persoanele si zeii din tot infinitul trecut spatiu, si au inceput sa seteze sufletele lor si la altii cu apa, sare, otet, alcool, 7 chakra, bataie, rugaciuni, botez, ritualuri de crima si canibalism, circumcizii, povesti, minciuni, cenzura, imposibil, inexistent, lemne, statui, pietre, icoane, anul 2000, si altele. Din cauza asta, sufletele lor au fost teleportate automat in caldura soarelui, pentru stergerea memoriei sufletului. Toate sufletele au murit in caldura soarelui. Astfel nu s-a umplut existenta de suflete criminale si razboaie. Eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am o mare satisfactie ca sufletele la toti opozitorii mei, sunt torturate pana la moarte in caldura soarelui. Teleportarea sufletelor este controlata de "Corpul Invizibil Viu Infinit", dupa un program automat creat si instalat de mine, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Am inviat din morti toate sufletele la toti din infinitul trecut spatiu.

Fiecare si-a meritat pedeapsa si moartea. Sunt foarte bucuros ca nici un suflet nu a scapat nepedepsit, si toate sufletele au fost topite in caldura soarelui. Altfel era groaza in toata existenta din cauza la razboaiele dintre sufletele instalate gresit. Si daca am transmis la toti, sa isi seteze corect sufletul, asa cum comand eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, nimeni nu a luat masuri. Asteapta sa vina anul 2000, sau anul sfarsitul la infinitul viitor spatiu, sa vada daca sunt adevarate codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Nu numara cate persoane isi seteaza sufletul, asa cum a comandat in anul 2011, creatorul lor. Salveazati sufletul. Din anul 2011, de la noul program de setare a sufletelor, si de teleportare in locurile meritate, nici un suflet nu a fost setat corespunzator. Nici macar teologii magii si savantii din anul 2011, inclusiv astazi, nu au vrut sa isi salveze sufletul de teleportarea in caldura soarelui si moarte, iar idiotii nu sunt capabili sa decida pentru ei. Din anul 2011, programul de setare a sufletelor, sunt codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, si numele la creatorul lor dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. Astazi sufletele voastre sunt instalate gresit, cu apa, sare, otet, alcool, 7 chakra, telepatie, rugaciuni, botez, ritualuri de crima si canibalism, circumcizii, povesti, minciuni, cenzura, imposibil, inexistent, lemne, statui, pietre, icoane, anul 2000, si altele, la fel ca la toti zeii si persoanele din tot infinitul trecut spatiu. A decis pedepsirea si asasinarea sufletelor voastre din anul 2011 inclusiv astazi, CIA, Vatican, teologii, magii, si savantii din anii acestia. Din anul 2011, CIA, si Vatican, au furat programul de setare a sufletelor si l-au ascuns in cenzura. Sunt singurul creator si instalator de suflete din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. Am demonstrat acest adevar in codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit. Cand esti instalat si educat de infractori sfarsesti in probleme. Cand esti operat si vindecat de idioti, corpul tau va muri sigur. Daca sufletul tau nu este instalat de dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, cu codurile video supranaturale de telekinezie si telepatie S666N, si Etern Ordin Infinit, sufletul tau va muri in caldura soarelui.

1090 One of my obligations, is programming installation and setting of the souls at all persons gods aliens and creatures, from all the infinite past space and all the infinite future space. In the infinite past space, I have started programming installation and setting of the souls, from zero, only with the ray of telepathy, then I have managed to evolve in setting of the souls, with alphabets religions food laws threats meditations policies and exercises. Have stolen my work, by setup programming and installation of the souls, Vatican, Italy, Islam, Israel, Egypt, America, Russia, CIA, NATO, ECHR, UNESCO, Adam, Eve, Cristo, Mary, Moses, Muhammad, Allah, Ra, Israel666, Baphomet, Jehovah, and all the person and the gods from all the infinite past space, and have began to set their souls and at others, with water, salt, vinegar, alcohol, seven chakra, beat, prayer, baptism, ritual of murder and cannibalism, circumcision, stories, lies, censorship, impossible, nonexistent, wood, statues, stones, icons, year 2000, and others. Because of this, their souls were teleported automatically in the fire of the the sun, to erase the memory of the soul. All souls died in the fire of the sun. Such was not filled the existence, with the souls murderous, and wars. I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have a great satisfaction that the souls at all my opposition, are tortured until to death, in the heat of the sun. Teleportation of the souls is controlled by "The Body Invisible Alive Infinite" through an automated program, created and installed by me, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. I have resurrected from the dead, all the souls, from all the infinite past space. Each has deserved the punishment and death. I am very glad that nor a person, have not escaped unpunished, and all the souls were melted in the heat of the sun. Otherwise would have been dreaded, in all of existence, due to wars between souls installed wrong. And if I the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have delivered at all, to correctly configure their soul, nobody has taken action. They waiting to come the year 2000, or the year infinite future space, to see if are true the codes video supernatural by telekinesis and telepathy S666N, and Eternal Order Infinite. Do not count how many people set their soul, as I have ordered in the year 2011. I the only creator of souls. Save your soul. From the year 2011, from the new program for setup of the souls, and teleportation in deserved places, nor a soul was not properly set. Even theologians, savants, and magicians, from year 2011, including today, have not wanted to save their soul from death and teleportation in the heat of the sun, and idiots are not able to decide for them. From the year 2011, the setup program of the souls, are the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Infinite Order, and the name at their creator, NMEILIS NMEINIS ESGSEIS, the god of gods eternal invisible. Today the souls are installed wrong, with water, salt, vinegar, alcohol, seven chakra, telepathy, prayer, baptism, ritual of murder and cannibalism, circumcision, stories, lies, censorship, impossible, nonexistent, wood, statues, stones, icons, year 2000, and others, as to all the gods and persons from all the infinite past space. Have decided the punishment and killing at your souls, from the year 2011 including today, CIA, Vatican, theologians, magicians and scientists from all those years. From the year 2011, the CIA and the Vatican, stole the setup program of the souls and hid him in censorship. I am the only creator and installer of souls, from all the infinity past space, and all the infinite future space. I have demonstrated this truth, in the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. When you are installed and educated by criminals, end up in trouble. When you are operated and cured of idiots, your body will surely die. If your soul is not installed by the god

of gods eternal invisible NMEILIS NMEINIS ESGSEIS, with the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Infinite Order, your soul will die in the heat of the sun.

1091. Tu ucizi sufletul tau si la altii. Acestea sunt probele si demonstratiile. Toate corpurile umane au fost construite pentru a fi ucise de timp, sau spatiu, infectii, boli, arme, idei, sau etc., in cativa zeci de ani. Scopul lor este setarea sufletelor. Toate sufletele au fost construite sa traiasca vesnic, cu memoria si inteligenta instalate de corpurile umane. Sufletele la oameni si zei sunt ucise in caldura soarelui din cauza la memoria plina de infractiuni, si din cauza ca nu cunosc numele la creatorul lor, si nu asculta de creatorul lor. Aici si acum, tu ai singura ocazie, sa iti aperi sufletul de la moarte. Invata codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Invata numele la creatorul la timp, spatiu, existenta, inteligenta, suflete, persoane, etc. Este sufletul meu, este dumnezeul dumnezeilor etern invizibil. Numele lui este NMEILIS NMEINIS ESGSEIS. ------- Pentru a proteja infinitul trecut spatiu si infinitul viitor spatiu de razboaiele infinite dintre religii, zei, persoane, suflete, politici, alfabete, minciuni, mafiile 7 chakra, imposibil, inexistent, etc, eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, am fabricat si oferit cat mai multa inteligenta si informatii, teleportarea sufletelor necurate sau razboinice in caldura soarelui, apocalipse, asasinarea si invierea la toti zeii sufletele persoanele si creaturile, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, limba romana 26 litere, "Galaxiile Unite Din Infinitul Trecut Spatiu Infinitul Viitor Spatiu", "Biserica Infinitul Timp Infinitul Spatiu", "Anul inceputul la infinitul trecut spatiu", "Anul sfarsitul la infinitul viitor spatiu", si maximul de pace iubire adevar realitate dreptate egalitate unitate libertate inteligenta telekinezie telepatie supranatural, si toate cele bune. Este foarte bine, pentru aceia care au primit, toate informatiile necesare, pentru ca sa isi pazeasca sufletele de teleportarea lor in caldura soarelui, si de moarte. Din pacate nimeni din infinitul trecut spatiu, nu a fost capabil, instruit, si fabricat, sa primeasca si sa traduca razele mele de telepatie, codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit. Astfel nimeni nu a cunoscut creatorul lui, eu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS. ---- Sufletul tau moare, daca nu ma asculti. Trebuie sa faci un mic efort pentru salvarea sufletului tau de la moarte, si pentru a evita teleportarea lui in caldura soarelui. Eu sunt creatorul si presedintele etern, la tot infinitul trecut spatiu si tot infinitul viitor spatiu, si dumnezeul dumnezeilor din totdeauna. Fara votul si opiniile la nimeni, din tot infinitul trecut spatiu si tot infinitul viitor spatiu. Cine ma asculta isi salveaza sufletul de la moarte. Multi zei, persoane si suflete, din tot infinitul trecut spatiu si tot infinitul viitor spatiu, au incercat sa imi fure functia. Inteligenta lor este foarte slaba, distrugatoare, si plina de minciuni si imposibil. Foarte multi dintre voi, isi asasineaza sufletul prin teleportarea automata in caldura soarelui, din neglijenta, slabiciune, dezinformare, prostie, si dragostea lor infinita pentru engleza, tari, carti, minciuni, imposibil, inexistent, diavoli, Romania, Christos, Maria, zei, persoane, bani, aur, resurse naturale, profit, aplauze, circ, spectacole, oi, fraieri, idioti, etc. Cate persoane au realizat ca isi ucid sufletele? Niciuna. Sunt toate persoanele sceptice, si nu cred in existenta sufletului.

1091. You kill your soul and at others. These are the proofs and demonstration. All human bodies have been built to be killed by time or space, infection, disease, weapons, ideas, or etc, in a few decades. Their aim is to install the souls. All souls have been built for to live forever, with the memory and intelligence, installed of human bodies. The souls of the gods and of the persons, are killed in the heat of the sun, due to memory full of offenses, and because they not know the name of their creator, and do not listen by their creator. Here and now, you have only one opportunity, for to defend your soul from death. Learn the codes video supernatural, by telekinesis and telepathy S666N, and Eternal Order Infinite. Learn the name of the creator of the time, space, existence, intelligence, souls, persons, etc. Is my soul, is the god of the gods eternal invisible. His name is NMEILIS NMEINIS ESGSEIS. ------- For to protect the infinite past space, and the infinite future space, by the endless wars between religions, gods, persons, souls, policies, alphabets, lies, mafias seven chakra, impossible, nonexistent, etc., I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, I have manufactured and provided plenty of intelligence and informations, the teleportation of the souls unclean or warrior in the heat of the sun, apocalypse, the murder and the resurrection at all the gods souls persons and creatures, the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite, language Romanian 26 letters, "The United Galaxies Infinity Past Space Infinity Future Space", "The Church Infinite Time Infinite Space", "The year the beginning at the Infinite Past Space", "The Year The Infinity Future Space" and the maximum of peace love reality truth justice equality unity freedom intelligence telekinesis telepathy supernatural, and all the best. It is very good for those who have received all the necessary informations, for to guard their souls, by teleportation in the heat of the sun, and death. Unfortunately nobody from the infinite past space, was not able, trained, and manufactured to receive and translate my rays of telepathy and telekinesis, and the codes video supernatural by telepathy and telekinesis S666N and Eternal Order Infinite. Thus nobody has not known their creator, I, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS. ---- Your soul dies, if you not listen me. You must to make an effort, for to save your soul from death, and to avoid his teleportation in the heat of the sun. I am the creator and president eternal at all the infinite past space and all the infinite future space, the gods of the gods, from always. Without the vote and opinions at nobody, from all the infinite

past space and all the infinite future space. Who listens me, he saves his soul from death. Many gods, persons, and souls, from all the infinite past space and all the infinite future space, have tried to steal my function. Their intelligence is very poor, destroyers, and full of lies and impossible. Many of you, he assassinates his soul through the teleportation automatic in the heat of the sun, negligence, weakness, disinformation, stupidity, and their love infinite for English, countries, books, lies, impossible, nonexistent, devils, Romania, Christ, Mary, gods, people, money, gold, natural resources, profit, applause, circus, performances, sheep, suckers, idiots, etc. How many people have realized that kill their souls? Nobody. Because are all skeptical, and not believe in the existence of the soul.

Toate sufletele pot trai vesnic daca au invatat adevarul. Nimeni nu a vrut sa invete adevarul. Acum, eu sunt singur. Amin.

1096. Daca guvernul, biserica, mafiile 7 chakra, politia, etc, din Romania Italia si Israel, din anii 1975 pana in anii 2011, nu imi intoxicau si nu imi impuscau corpul cu vaccinuri, substante otravitoare, medicamente inutile, gazuri toxice, alimente si bauturi otravite cu chimicale si decalcificante, raze de telepatie mincinoase, prostie, dezinformare, secret, cenzura, necunoscut, minciuni, imposibil, inexistent, expirat, atunci eu reuseam sa salvez de la moarte sufletul lui tata. Si corpul lui de la asasinare. Oricum sufletul lui tata si la toti zeii si persoanele din infinitul trecut spatiu au mai murit de cel putin zece ori in tot infinitul trecut spatiu si vor mai muri de cel putin zece ori in infinitul viitor spatiu !!! Asa vor ei, asa vor altii, sau ei se intoxica de prostie, cenzura, dezinformare, mincinosi, sceptici, idioti, si alte rele !!! Pe multi dintre voi eu vreau sa va ucid trup si suflet, dar spun adevarul pentru unii care imi plac. Altfel va lasam sa muriti toti. Eu am reparat prostia tirania si crimele voastre, si am inviat din morti sufletul lui tata, si la toti zeii si persoanele din infinitul trecut spatiu. De zeci de ori. Toti erau morti trup si suflet. Sufletul la toate persoanele si zeii, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu, poate fi salvat de la moarte, sau poate fi inviat din morti, numai cu codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si numele meu NMEILIS NMEINIS ESGSEIS, dumnezeul dumnezeilor etern invizibil, creatorul la timp, spatiu, existenta, inteligenta, suflete, persoane, etc. Eu nu pot salva de la moarte, sufletul la cei idioti, orbi, surzi,

neatenti, cenzurati, dezinformati, incapatanati, mandri, posedati, telecomandati prin telepatie, alcoolizati, drogati, sufocati de sceptici idioti sau fraieri, sau incuiati in minciuna imposibil inexistent si expirat. Oricine dintre voi, care intelege codurile video supranaturale de telekinezie si telepatie S666N si Etern Ordin Infinit, si numele meu NMEILIS NMEINIS ESGSEIS, dumnezeul dumnezeilor etern invizibil, creatorul la timp, spatiu, existenta, inteligenta, suflete, persoane, etc, poate invia din morti sufletele lor, repetand aceasta fraza : "In numele creatorului tuturor, dumnezeul dumnezeilor etern invizibil, ILIS INIS GSEIS, doresc ca sufletul lui ...., ..., si la toti familiarii si inaintasii mei, care nu au avut posibilitatea sa isi pazeasca sufletul de la moarte, sau au vrut sa isi ucida sufletul, sa fie inviat din morti". Corpul invizibil viu infinit, va invia din morti, aceste suflete, din ordinul meu, dumnezeul dumnezeilor etern invizibil NMEILIS NMEINIS ESGSEIS, creatorul la timp, spatiu, existenta, inteligenta, suflete, persoane, etc.. Ordin valabil de astazi, tot infinitul viitor spatiu, si care poate fi anulat sau modificat, numai de mine in mod vizibil si public, sau invizibil. Nu pot sa invii din morti, corpul uman la nimeni, nici nu pot scapa de moarte, corpul uman la nimeni. Invierea din morti a corpului uman, a fost, este si va fi imposibila. Corpul uman a fost construit de mine, numai pentru instalarea sufletului. Exista suflete instalate direct de mine, prin raze de telepatie si telekinezie, si corpul uman nu le poate atinge sau modifica memoria si informatiile. Eu sunt singurul supravietuitor din infinitul trecut spatiu si infinitul viitor spatiu, deoarece nimeni nu era in "anul inceputul la infinitul trecut spatiu", si nimeni nu va mai fi in "anul sfarsitul la infinitul viitor spatiu", din cauza ca multe suflete se satura de existenta, dupa cateva trilioane de ani si reusesc sa se sinucida. Eu nu am avut niciodata nici moarte si nici nastere. De aceea sunt singurul supravietuitor. Pot sa invii din morti toate sufletele, ori de cate ori vreau eu. La infinit. Dar cine moare o singura data, nu mai este supravietuitor. Toate sufletele dîn infinitul trecut spatiu si din infinitul viitor spatiu, au fost ucise, si vor fi ucise, de idioti cenzura neincredere dezinformare sau prostie, de minim zece ori. Eu caut toate persoanele zeii si sufletele din infinitul trecut spatiu si din infinitul viitor spatiu, sa le spun adevarul, si numele meu, NMEILIS NMEINIS ESGSEIS, dumnezeul dumnezeilor etern invizibil. Jorge Mario Bergoglio, papa Francesco, Joseph Alois Ratzingher, papa Benedeto 16, au ales sa isi ucida sufletele, decat sa recunoasca adevarul si pe creatorul lor unic. Sufletele lor au mai repetat aceasta sinucidere de alte zeci de ori in infinitul trecut spatiu, si din cauza la mandria si neincrederea lor au mai intoxicat si alte persoane si suflete si au condus aceste suflete oarbe, cenzurate si dezinformate spre sinuciderea lor lenta in caldura soarelui. Nu pot lasa infinitul timp si infinitul spatiu sa fie populat cu suflete criminale, sceptice, idioate, teroriste, razboinice, galagioase, etc. Doar sufletele instalate corect traiesc trilioane de ani, si fara sa ajunga niciodata in caldura soarelui. Cu aceasta fraza puteti alunga moartea sufletelor voastre, tot infinitul viitor spatiu, numai daca o imprimati profund in sufletele voastre!!! Cu aceasta fraza puteti alunga din gandurile voastre pe mafiile 7 chakra, CIA, NATO, Italia, Israel, Islam, America, Egipt, Vatican, Ra, Allah, Israel666, Baphomet, Iehova, Cristo, Maria, Adam, Eva, si toti asasinii de suflete din tot infinitul trecut spatiu si din tot infinitul viitor spatiu !!!! Amin. --- Astazi m-am trezit la 6:30. Am inceput sa ma gandesc la taietura mea de la ochiul stang. Ce porci au fost mafiile 7 chakra din acele timpuri. Cine a comandat si programat prin telepatie, injunghierea mea in ochiul stang cu un ciob de sticla? Au legat sarma intre teava si gard, prin corpurile lui fratele meu Petru Pavel Iacint, si Marius Mihaila din coltul stang partier al blocului. Stanga, iesind din bloc. Alt Mihaila au pus in coltul drept partier. Sigur stia si papa Voitila Papa Ioan Paul al doilea, ca urma sa ma injunghie in ochi, cu un ciob de sticla. Ce planuri si profetii ascunde astazi Vatican? Cei doi au spart sticla, dupa sarma. M-au tras de urechi sa fug dupa ei. Am fugit. M-am impiedicat. Am cazut cu ochiul intr-un ciob de sticla. Am lesinat. Ochiul nu a fost deteriorat. Cred ca aveam in jur la sase ani. M-am trezit la spital de durerea provocata de ace. De acasa pana la spital sunt 15 minute de mers pe jos. Mama mea ma ducea in brate. Cred ca ea ma credea mort. Cred ca ea a plans pana la spital. Cand s-a intors inapoi nu stiu cum a reactionat. A pus sigur ceva la ochi sa imi opreasca hemoragia. Eu am comandat de mai multe ori din anul 2011, arestarea la toate mafiile 7 chakra din toate religiile, sau va omor pe toti. Anul asta. Nu pana in 2048. Astazi am dus copilul la gradinita. Era o fetita cu un pansament alb, la ochiul drept, care ai acoperea tot ochiul drept. Pe coltul drept, cum intri in separeu. Fata in fata cu cine intra. Primul separeu inaintea la separeul bleumarin. Au fost mai multe mutilari la sange, medicale, telepatice, chimicale, sau psihice, si tentative de omor in viata mea. Toate sunt descrise in biografia mea. Autorii se ascund dupa raze de telepatie, dar nu isi pot ascunde sufletele de teleportarea in caldura soarelui, pentru o pedeapsa monstruoasa pana la asasinarea lenta a sufletelor lor. O sa le para foate foarte rau, ca au invatat sa scrie, sa citeasca, si sa activeze cele 7 chakra, si sa instaleze prin telepatie mutilari si asasinari de copii si nevinovati. Cine a mutilat fetita asta? Imi pare ca este fata la peruvianul care a locuit in scara la mine. Fata lui cea mai mica. Are trei fete. Eu ieseam afara. El era cu masina Opel, la iesire. A vandut o duba Ford. Era cu spatele la mine. Avea o umbrela intr-o mana, si umbrela de copii in alta. Tocmai a scapat-o jos intre trotuar si strada. Inchidea portiera laterala la duba. Nu pot trece la un nivel mai clar despre aceste situatii. Ieri am fost la Ikea. Am fost la bar. Dupa o ora am mers la locul de joaca pentru copii. Doi musulmani erau pe sacosele galbene de la Ikea langa acest loc. Se rugau. M-am dus sus. Nu trebuie sa se roage nimeni. Nu sunt un monstru. Ofer totul cat puteti primi, intelege, si duce. Nu iert pe nimeni, care vrea sa fie prost, escroc, criminal, mincinos, sceptic, etc, indiferent de actiuni, rugaciuni, pozitii, etc.

1096. I am the only survivor. All have died, at least by ten times. If the government, the church, mafias seven chakra, police, etc., from Romania Italy and Israel from the year 1975 until the year 2011, they do not intoxicated and not shot, my body, with vaccine, poisons, medicines unnecessary, toxic gas, food and drink poisoned with chemicals and descaling agent, rays of telepathy, lying, stupidity, disinformation, secret, censorship, unknown, lies, impossible, nonexistent, expired, then I was able to save the soul of the my father, from death. And his body, from the assassination. Anyway the soul of my father, and at all the gods and persons from the infinite past space, have died at least ten times, in all the infinite past space, and will die in the infinite future space, least of ten times!!! So they want so, so want others, or they poison themselves with stupidity, censorship, misinformation, false, skeptical, idiots, and other evils !!! On many of you, I want to kill body and soul, but I tell the truth, for the some, on that I like. Otherwise, I will let them to die all. I have repaired your crimes stupidity and tyranny, and I have resurrected, the soul of my father, and at all the gods and persons from all the infinite past space. Dozens of times. They were all dead body and soul. The soul at all the persons, and at all the gods, from all the infinite past space, and from all the infinite future space, can be saved by death, or be resurrected from death, only with the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite, and my name NMEILIS NMEINIS ESGSEIS, the god of the gods eternal invisible, the creator of the time, space, existence, intelligence, souls, persons, etc. I can not save from death, the soul at the idiots, blind, deaf, distracted, censored, misinformed, stubborn, proud, possessed, remote controlled through telepathy, alcoholized, drugged, suffocated by skeptical idiots or suckers, or locked in falsehood impossible nonexistent and expired. Anyone between you, who has understood, the codes video supernatural by telekinesis and telepathy S666N and Eternal Order Infinite, and my name NMEILIS NMEINIS ESGSEIS, the god of the gods eternal invisible, the creator of the time, space, existence, intelligence, souls, persons, etc., can resurrect from dead their souls, repeating this phrase: "in the name of the creator of all, the god of gods eternal invisible ILIS INIS GSEIS, I wish that the soul, his ...., ..., and all my family members and ancestors, which have not been able to guard their soul from death, or have wanted to kill their soul, to be resurrected from the dead ". The body invisible alive infinite, will resurrect from dead, the souls, from my order, the god of the gods eternal invisible NMEILIS NMEINIS ESGSEIS, the creator of the time, space, existence, intelligence, souls, persons, etc.. Order valid by today, in all the infinite future space, which can be canceled or modified only by me, visibly and publicly, or invisible. I can not resurrect from the dead, the body to nobody, nor can not to escape by death, the body at nobody. The resurrection from the dead of the human body, was, is, and will be, impossible. The human body was built by me, only for to install the soul. Exist souls installed directly by me, through the rays by telekinesis and telepathy, and the human body can not touch or change the memory and my informations from this souls. I am the only survivor from the infinite past space, and the infinite future space, because nobody has been not in " the year the beginning at the Infinite Past Space" and nobody will be not in " the year the end at the Infinite Future Space", because many souls are tired of existence, after a few trillion of years, and they manage to kill themselves. I have not had, never, neither death, nor birth. Therefore, I am the only survivor. I can resurrect from the dead, all souls, whenever I want. Infinitely. But who dies only once, is not more survivor. All the souls from the infinite past space and the infinite future space, have been killed, and will be killed, by idiots stupidity censorship misinformation or disbelief, at least ten times. I am looking all gods, souls, and persons from all the infinite past space and all the infinite future space to tell them the truth, and my name NMEILIS NMEINIS ESGSEIS, the god of the gods eternal invisible. Jorge Mario Bergoglio, Pope Francesco, Joseph Alois Ratzingher Pope Blessed 16, have chosen to kill their souls, than to admit the truth and their unique creator. Their souls have repeated this suicide, dozens of times, in the infinite past space, and due to their pride and their distrust, they have poisoned and other persons and souls, and have led these souls blind, censored and misinformed, towards their suicide, slow, in the heat of the sun. I can not let the infinite time and the infinite space, to be populated by souls criminal, skeptical, stupid, terrorist, warrior, noisy, etc. Only the souls installed properly, are live trillions years, and never get in the heat of the sun. With this phrase, you can banish the death of your souls, all the infinite future space, only if you print deep these, in your soul !!! With those phrase you can banish from your thoughts, on mafias seven chakra, Vatican, CIA, NATO, Italy, Israel, Islam, America, Egypt, Ra, Allah, Israel666, Baphomet, Jehovah, Christ, Mary, Adam, Eve, and all the assassins by souls, from all the infinity past space and from all the infinite future space !!!! Amen. --- Today I woke up at 6:30. I started to thinking at the cutting from my left eye. What pigs have been, the mafias seven chakra, from those time. Who has ordered and scheduled through telepathy, my stabbing, in the left eye, with a shard of glass? They have tied a wire, between the pipe, and fence, through the bodies his my brother Peter Paul Hyacinth, and Marius Mihaila, from partier in the left corner of the block. Left, coming out of the block. Other Mihaila put in the right corner partier. Sure knew and pope Voitila John Paul II, as follow, to stabbing me, in the eye with a shard of glass. What plans and prophecies hide Vatican today? The two, have broken the gls... bottle, after the wire. They have pulled by my ears, to run after them. I ran. I tripped. I fell to the eye in a gls... shard. I fainted. Eye was not damaged. I think I had around at six years. I woke up in hospital by the pain of needles. From home to the hospital are a 15-minute walk. My mother has carried me, in his arms. I think that she had believed that I am dead. I think that, she has cried until to the hospital. When he has returned back, I do not know how has reacted. Sure she put something at my eye, to

stop the hemorrhage. I have ordered several times from the year 2011, the arrest, at all seven mafias chakra, at all religions, or I will kill on you all. This year. Not until the year 2048. Today I have driven the child to kindergarten. It was a girl with a white bandage on his right eye, that covered all right eye. On the right corner, as you enter in the booth. Face to face. At these who come from outside. The first booth, before to booth navy blue. Have been several mutilations at blood, medical, telepathic, chemicals, or mental and attempted murder in my life. All are described in my biography. The authors are hidden behind the rays of telepathy, but they can not hide their souls, by the teleportation in the heat of the sun, for a monstrous penalty slow, until to murder of their souls. They will regret very much, that they have learned to write, to read, and to activate the seven chakras, and to install through telepathy mutilation and murder of children and innocent. Who has mutilated girl that? I think that is the girl at the Peruvian, who has lived in ladder to me. Daughter of the smallest. He has three daughters. I went out. He was with Opel car upon exiting. He sold a Ford van. He was with behind at me. He had an umbrela in one hand, and another umbrella by children in other hand. He has dropped it down, between the sidewalk and street. Close the side door to the van. I can not ps... to a level more clearly, about these situations. Yesterday I went to Ikea. I was at the bar. After an hour I went to the playground for kids. Two Muslims were on the yellow bags from Ikea near this place. They were praying. I went up. Nobody, not should to pray. I am not a monster. I offer everything, as you can get, understand, and lead, gratis. I not forgive on nobody, who wants to be stupid, crook, murderer, liar, skeptical, etc., regardless of actions, prayers, position, etc..
